Brief Summary of the Event:

The seminar on “A Dynamic Career in Game Design” was organised by the Department of Mathematics " and was a hotbed of excitement for 100 enthusiastic students. Mr. Basant Kumar Mishra and Dr. Sandeep Bhatt recognized the students' dedication and presented personalized moments, sparking appreciation and motivation. The seminar with alumnus Vasudev Kapparwal was an engaging session that explored the gaming industry's evolving landscape. Vasudev shared his journey, emphasizing the importance of creativity, technical skills, and understanding player psychology in game design. He discussed various roles within the industry, providing insights into how each contributes to creating immersive gaming experiences. He also highlighted current trends, such as the rise of virtual reality (VR) and augmented reality (AR), and encouraged attendees to stay updated with industry advancements. The interactive Q&A session allowed participants to ask questions and receive personalized advice, making the seminar a valuable experience for students interested in pursuing a career in game design.
