Convenor

Prof. Rakesh Kumar Gupta
Principal

On 10th February 2023, the department will hold a Career Counseling Session for final students of Political Science as they are about to step out of the college on completion of their graduate degree course. The session intends to guide and motivate students towards various career opportunities available to students upon graduating in Political Science. Apart from presenting the macro details of different avenues, the session also will help students how to design their career in various vocations like civil services, bureaucracy, research, law, social work, journalism, teaching, civil society networks, content writing, etc.
