## Ram Lal Anand College (University of Delhi) HIRAV-Green Campus Society

## Annual Society Report 2023-24

### Achievements of Green Campus Society

"HIRAV", the name of the society, means 'Greenery; The Lush Greenery on the Surface of the Earth.' Hence the society follows the path to make campus more green and beautiful. Continuing the efforts of previous years, society planted 1408 plants this year, seasonal as well other plants. An expenditure of Rs 1,35,043/- was incurred during this year to grow new plants and to maintain the previous ones. Few new trees were planted- Amla, Morianga, Banana and Champa in the front lawn. Besides, more herbal plants were added to the herbal garden. An experiment was done this year to grow flowering plants through bulbs and we have been successful to grow Asiatic Lily, Dahlia but not so in the case of Tulips.

Throughout the year Green Campus society members and gardening staff, which are four in numbers, work hard to upkeep and to beautify the campus. Number of seasonal flowering plants and other plants were brought to enhance the aesthetic appeal of the campus.

List of plants purchased during the year

Plants	Number
Portulaka	20
Tradescantia plant	30
Amla	02
Dahlia	200
Cineraria	10
chrysanthemum	20
Asiatic Lilly	180
Antirrhinum majus or	150
Dog flower	
Aglaonema	06
Dianthus	220
Tulip	60
spider	250
Marigold	220
poinsettia	10
Herbal Plants	30

Campus ambassadors of the society took great interest in upkeeping the herbal garden. Also placards were prepared so as to display common name as well botanical name for each herb so that students shall be able to identify each herb.

- 1. Title of the event: Plantation Drive
- 2. Date and duration: 29th August, 2023
- 3. Venue/online: Front Lawn/Offline
- 4. Nature of event: Intra-college
  - 5. Brief summary of the event:

Under the aegis of Mission LIFE (Lifestyle for Environment), introduced by the Hon'ble Prime Minister to rekindle a global pursuit to adopt sustainable lifestyle and practices, the University of Delhi organised a campaign in the form of a mass tree plantation drive. This endeavour is not only an extension of the mission LIFE, but also an opportunity for us to collaboratively contribute to the betterment of our environment, both aesthetically and ecologically. Under the campaign, it was intended to plant about one thousand trees simultaneously at multiple sites within the University of Delhi and its colleges/departments/hostels. As a follow-up of the same, HIRAV, THE GREEN CAMPUS SOCIETY of Ram Lal Anand College organized the plantation drive, in which large number of students participated, along with Vice Principal sir, Convener of the society, Teachers members of the society took part as well.

A list of following plants that are well suited to the local ecosystem have been planted during the drive;-•Two Jacaranda Plants •Two Arica Plants •Four Champa Plants We witnessed huge participation from the students of different departments as well.

1. Title of the event: Essay Competition

## 2. Date and duration: 31st October, 2023

- 3. Venue/online: Seminar room/Offline
- 4. Nature of event: Intra-college

### 5. Brief summary of the event:

The competition commenced at 11am and participants were given a designated time of 1 hour, to compose their essays based on a thought-provoking topic carefully selected by the organizing committee. The essay prompt revolved around two particular topics viz:

1. Government initiatives to enhance green land: issues and challenges

2. Permaculture : what and why?

The chosen theme aimed to stimulate intellectual discourse and creativity among the participants.

The Essay Writing Competition held on 31st October 2023 proved to be a resounding success, providing a platform for students to showcase their writing prowess and analytical skills. The event not only contributed to the academic development of participants but also fostered a sense of community and intellectual exchange within the institution. The success of this competition sets a positive precedent for future literary events, encouraging the continued celebration of creativity and critical thinking among our student body.

Winners are :- First Prize-Shweta Singh BJMC , Second Prize-Rishabh Rai Hindi Hons and third

## 8. Feedback

I enjoyed participating in the essay competition of Hirav society. Learned something new by going through the topics given in the competition. ~Shweta Singh BJMC Hirav society was organizing a very good essay writing competition because its topic was very important so that the students would get to learn a lot or also get to know about the importance of greenery. ~Rishab Rai Hindi (H) It was my first experience with society as a participant and I really enjoyed it. But I think that society should also work more to make our campus greener than before. Secondly, I feel so pleased to be an active member of the society. ~Aarushi Aggarwal Microbiology(H)

#### A5. Speaker Session

- Title of the event: Speaker Session on "Conserving the Aravalli's ecosystem and Resolution"
- 2. Date and duration: 30<sup>th</sup> April,2024
- 3. Venue/online: Seminar room/Offline
- 4. Nature of event: Intra-college
- 5. Invited speakers, their affiliation and brief profile of each speaker

Mr. Chetan Aggarwal, a Senior Forest and Environment Analyst known for his expertise in forest conservation and environmental regulation. His involvement added significant value to the talk, promising an in-depth analysis and discussion on the subject matter.

6. Brief summary of the event

The event aimed to educate and engage students, faculty, and the broader community on the importance of conserving the Aravalli ecosystem. It seeks to foster a deeper understanding of ecological balance and the critical role of regulations in maintaining the health of natural habitats. The talk on "Conserving the Aravallis: Ecosystem and Regulation" is an essential step towards raising awareness and promoting sustainable practices within the community.

## 9. Feedback

The speaker was really nice and the session was quite insightful. learn something about Aravalli mountains Got to know that there is need to protect Aravalli hills

The guest was extremely knowledgeable about categorization of Aravalli ranges.
