ba program**

# Report : cleanliness drive organized by SERENITY

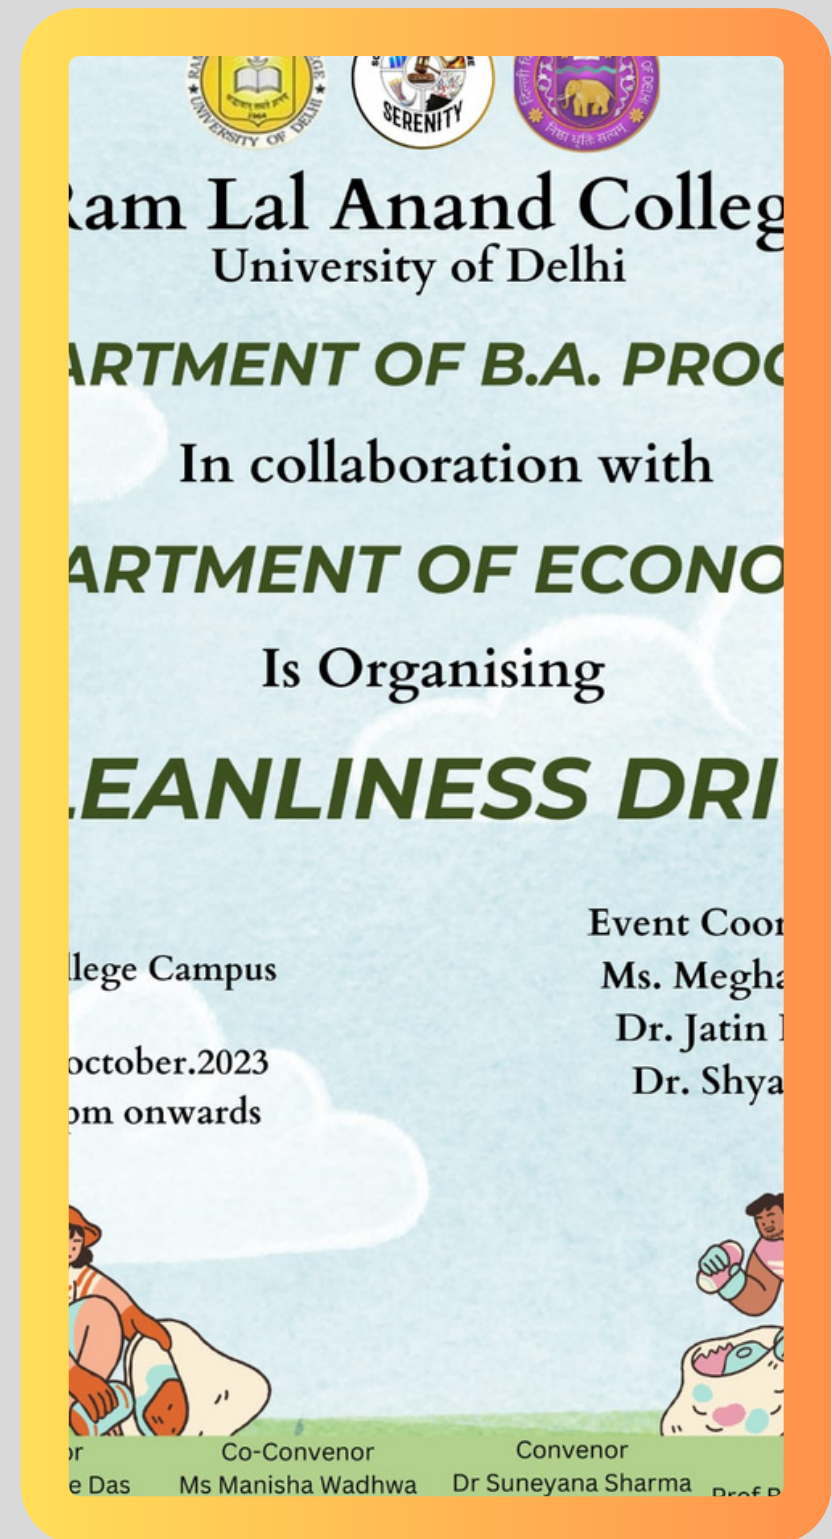

Date : 20th Oct 2023

Event overview: Serenity, a BA program society of Ram Lal Anand College, organized a cleanliness drive in the community on October 20, 2023.

Students and teachers actively participated in the drive, which was a huge success. ✨

The volunteers collected a large amount of trash and cleaned up many areas of the community. They also made a significant contribution towards raising awareness about the importance of cleanliness and hygiene. ▫ ▫

Serenity is committed to making the community a better place for everyone, and this cleanliness drive was a step in the right direction. We are grateful to all the students and teachers who volunteered their time and energy to make this drive a success. 🍀

The cleanliness drive was not just about making the community look better. It was also about raising awareness about the importance of cleanliness and hygiene. As the volunteers worked, they engaged in conversations with community members about the benefits of a clean environment. They also distributed pamphlets and other materials containing information about how to keep the community clean.
