On October 31 2023, HIRAV The Green Campus Society of Ram Lal Anand College organized an Essay Writing Competition that brought together participants from various departments . The event aimed to foster literary skills, encourage critical thinking, and provide a platform for students to express their thoughts on a given topic.

Event Overview:

The competition commenced at 11am and participants were given a designated time of 1 hour, to compose their essays based on a thought-provoking topic carefully selected by the organizing committee.

Topic:

The essay prompt revolved around two particular topics viz:

1. Government initiatives to enhance green land: issues and challenges
2. Permaculture : what and why?

The chosen theme aimed to stimulate intellectual discourse and creativity among the participants.

Judging Criteria:

A panel of esteemed judges, comprising Dr Nidhi Chandra, Dr Rita Jain and Dr Nidhi yadav evaluated the essays based on predefined criteria, including originality, coherence, depth of analysis, and adherence to the given theme. The judging process emphasized fairness and objectivity.

Winners and Recognition

After careful deliberation, the judges identified the top three essays that stood out in terms of content, style, and overall performance. Winners get awarded with certificates and prizes to recognize their outstanding achievements.

Participant Engagement:

The participants, ranging from 1st sem to 5th sem, exhibited remarkable enthusiasm and dedication throughout the competition. Their engagement was evident in the diverse range of ideas and perspectives presented in the essays.

Total number of participants : 20

No of male participants : 10

No of female participants : 10

It was my first experience with society as a participant and I really enjoyed it. But I think that society should also work more to make our campus more greener than before. Secondly, I feel so pleased to be an active member of the society.
