Q12 Suggestions on Curriculum newly implemented NEP-UGCF 2022-23

1. Numbers of lectures allocated for syllabus are less despite the quantum of syllabus being same as LOCF. (Department of Mathematics, Department of Geology, Department of Computer science)
2. Curriculum needs refining and revision. The teaching time and time allocated for practical's is too less and it leads to poor assimilation it needs to be doubled. It needs proper guidelines for project work. (Department of Microbiology)
3. Curriculum should be made more interesting and advanced. (Department of Hindi)
