- Dr. Laxmi Devi
- Ms. Manisha Wadhwa

Student Coordinators:

- Sreya E K
- Nikita Pathania

Number of participants: 11

Judges: All Faculty Coordinators

Brief Summary of the Event:

The Shuchita- Cleanliness and Hygiene Society of RLA organized a poster making competition on the theme of "Clean India, Green India". The aim of the competition was to encourage the students to express their creative ideas on the importance of maintaining a clean and healthy environment in our country. The competition was held on 15th February 2023 and was open to all the students of RLA. The participants were given 2 and half hours to create their posters. They were provided with A3 size sheets.

Evaluation Criteria:

The posters were evaluated on the basis of the following criteria:

Relevance to the theme - The posters should have a clear message about the importance of cleanliness and greenery in our country.

Creativity - The posters should be creative and innovative in their approach.

Originality - The posters should be original and not copied from any other source.

Clarity of message - The posters should be able to communicate the message clearly and effectively.

Results:

We were to choose two winners for the competition. The winners were

1st Position Dalima- B.A. (H) English

2nd Position Pooja Kumari - B.A. (H) Hindi

Consolation Prize Sashwat Yadav- B.A. (H) History

Conclusion:

The poster making competition on the theme of "Clean India, Green India" organized by Shuchita-Cleanliness and Hygiene Society of RLA was a great success. The competition not only encouraged the students to express their creative ideas but also helped in creating awareness about the importance of cleanliness and greenery in our country. Such competitions should be organized more often to promote environmental consciousness among the younger generation.
