61st Foundation Day celebrated on 7th March 2025. Chief guest :Shri Satish Kumar Goel IRS, Former Chairman, CBIC, Govt. of India; Chairman, Governing Body Shri Santosh Taneja and Special Guest: Shri Deepak Malik

ABOUT THE COLLEGE

Ram Lal Anand College is NAAC accredited Grade ‘A+’ college founded in the year 1964 by Late Shri Ram Lal Anand, a senior advocate in the Supreme Court of India, in response to growing social demand in the sixties for providing educational opportunities at the university level. The college was initially managed by the Ram Lal Anand Trust and taken over by the University of Delhi in 1973 and thereafter has been run by the University of Delhi as a University Maintained Institution with 100 % funding from the Ministry of Education, Govt. of India. The college is also ISO certified (20001:2018 & 9001:2015) for all programme offered. The college is located in the picturesque surroundings against the backdrop of the Aravalli range in the neighbourhood of South Campus, University of Delhi and several other educational institutions and is connected to Durgabai Deshmukh, South Campus Metro Station located on Ring Road (Refer to Map on the Last page)

It has a vast campus, spread over ten acres of land with green lawns and elegant buildings of much sprawling architectural merit. The college is Wi-Fi enabled with excellent infrastructure, air-conditioned classrooms with smart boards, state-of-the-art laboratories, Seminar Room, Amphitheatre, Library, Playground and Cafeteria. It is a multi-disciplinary, co-educational institution with more than 2700 students pursuing different programs in Humanities, Commerce, Management and Sciences. College is administered by a statutory Governing Body as per the University Ordinances and legislated by the Executive Council of the University of Delhi.

The college boasts of more than 100 highly learned and committed faculty members many of whom are PhDs with national and international post-doctoral research experience. Apart from their traditional role of disseminating knowledge, the faculty members inspire and guide

students to organize and participate in different activities such as seminars, workshops, debates, theatre, and cultural activities including classical music and dance programs. Faculty also guides students in various research and innovation projects. RLAC also provides a conducive environment for sports with its wide expanse of fields and specialised support. The college is proud to be one of the leading affiliates of the National Cadets Corps (NCC) and National Services Scheme (NSS) with an impressive number of cadets/volunteers enrolled each academic year. The college is deeply aware of the immense need to instil and generate human values and ethics, especially among the youngsters. In this regard, apart from the prescribed curriculum, the college had designed a compulsory course “Human Values, Ethics & Life Skills” for all the first-year students. The college provides job-oriented skills to its students through Add-on Certificate Courses. Students are also trained and encouraged to take up innovative start-up and research ideas. The college focuses on the environmental conscience of its students by practising good green initiatives at its premises. The college maintains a rainwater harvesting system, recycles RO water waste, recycles paper and E-waste, and composts organic waste of the canteen and leaf litter through a composting machine in the Herbal Garden. The college is also equipped with solar power panels. The college has recently started a unique venture in the form of community radio station at the frequency 90.0 FM known as Radio TARANG. It is the first community radio station of any college in Delhi University.

*Independence Day 2024
and Republic Day 2025
Celebrations*

VISION

Facilitate development of youth as Nation-Builder through Higher Education

Inculcate Critical and Innovative thinking among Faculty and Students

Instil the principles of Democratic values, Tolerance, Empathy, Compassion and Sensitivity to make students Responsible Citizens

Provide Affordable and Quality Education to students from across all sections of the society

MISSION

Train students to develop critical thinking using interdisciplinary approach and other pedagogical methods

Encourage students to follow law of the land through institutional practices.

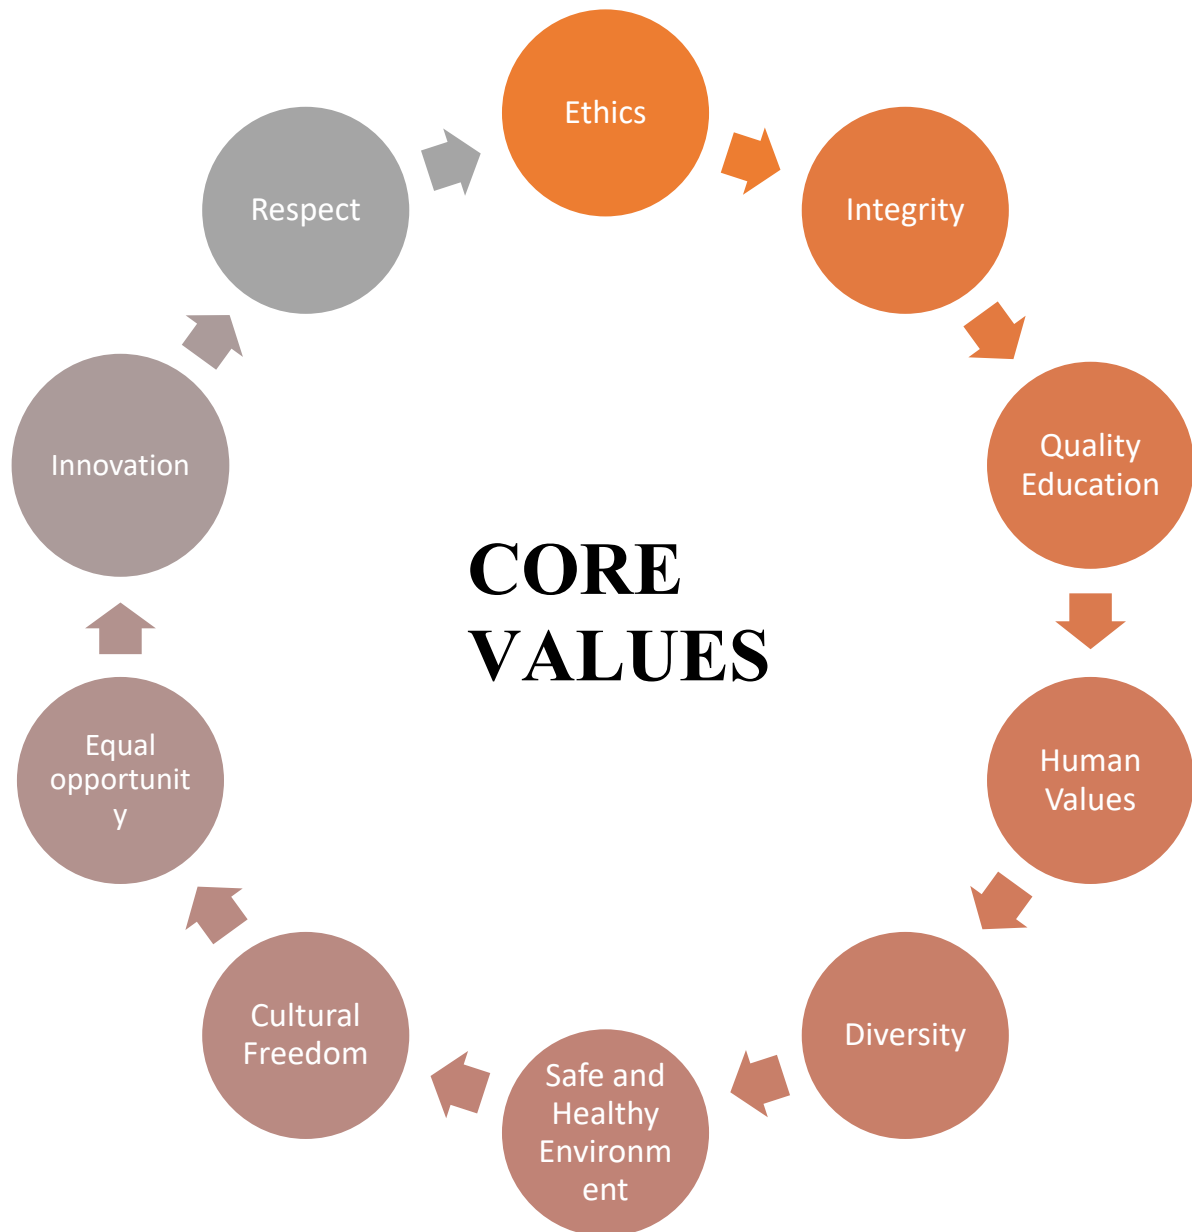

Equip students with adequate knowledge and skills to compete in the present employment setup using advanced learning resources

Sensitize students towards Environment, Gender, Human Rights and Social Justice by adopting several formal and informal modes of communication

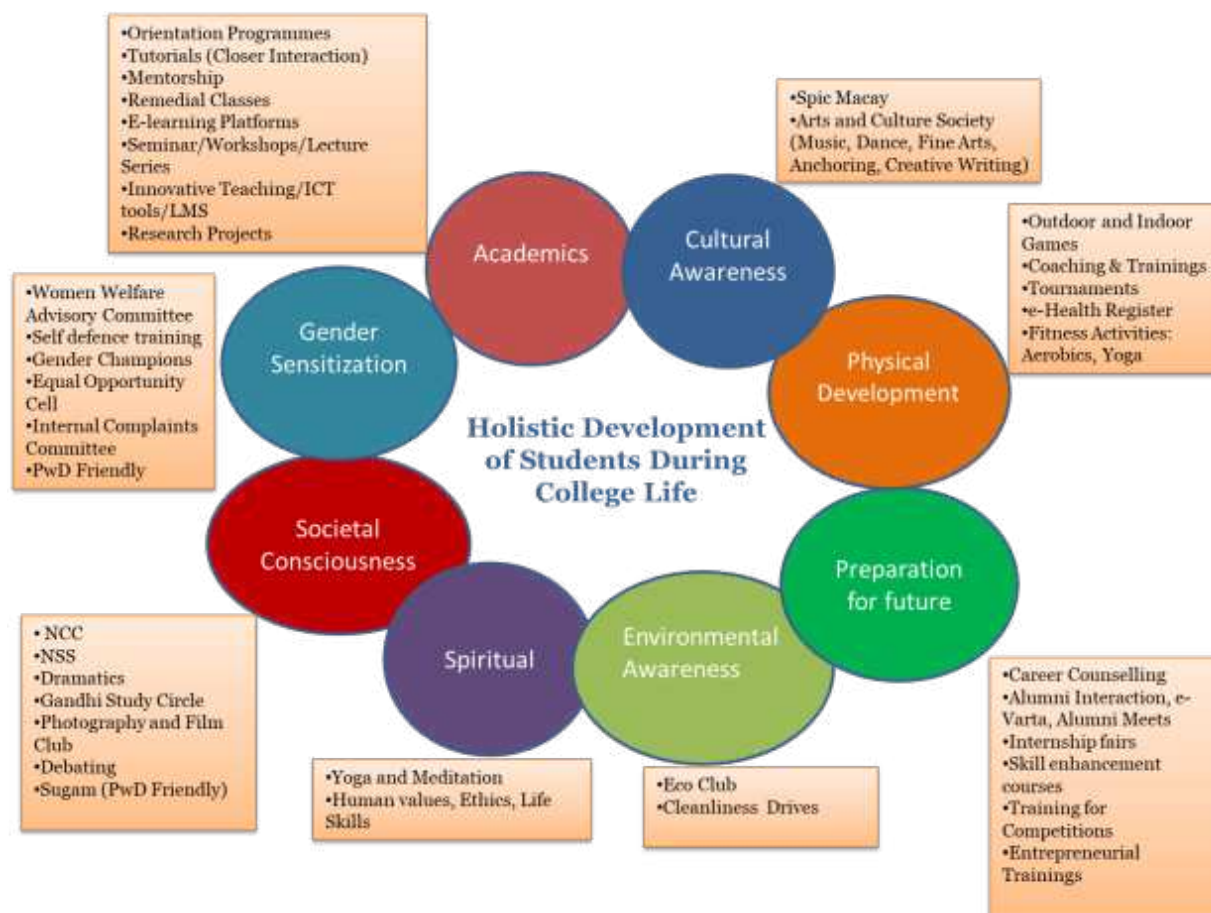

Create an atmosphere of camaraderie and composite culture for effective integration of students coming from diverse regional and social backgrounds through various activities

CORE VALUES

The core values of the college are a set of principles that guide the practice and development of the curriculum, faculty, students, and staff. Our college is dedicated to meet the expectation of the community we serve through the following core values.

HOLISTIC DEVELOPMENT OF STUDENTS

NATIONAL ACCREDITATION & ASSESSMENT COUNCIL GRADING

The college has secured a NAAC ranking with a CGPA of 3.27 out of 4 with a grade of A+ in the second cycle of accreditation (2025-2030).

ISO CERTIFICATION

The college has secured ISO 21001:2018 & ISO 9001:2015 certifications.

SOLID WASTE MANAGEMENT CHAMPION

Municipal Corporation of Delhi has certified Ram Lal Anand College as a Solid Waste Management Champion.

RECOGNITION AS MODEL COLLEGE

Certificate of Appreciation as Model College for barrier free Campus and other facilities for PwDs by Court of Chief Commissioner for Person with Disabilities (Divangjan) under ministry of social justice and empowerment, Government of India.

YOGA SANGAM PATRA

The college successfully organised Yoga Sangam event to mark 11th International Day of Yoga on 21st June 2025

RECOGNISED SUSTAINABLE CAMPUS

Ministry of Education, Govt of India under its program run by Mahatma Gandhi National Council of Rural Education has certified Ram Lal Anand College as a **SUSTAINABLE CAMPUS** as a recognition of the special efforts made in the areas of Sanitation, Hygiene, Water, Energy, Greenery & Waste Management.

RADIO TARANG 90.0 FM

RLA College became the first college of Delhi University to start a Community Radio named TARANG which is aired on FM frequency 90.0. Spanning over a radius spread onto 10 kms the unique educational and infotainment channel is also made available across the country via Android App, iStore app, Amazon Music and Spotify.

It is one of the most important contributions in the technology space of our college & university. We began airing on `13th Feb 2023. The state-of-the-art studio is specially designed to train budding journalists and also make available a platform to our faculty and students both.

In recent times a team led by Prof. Rakesh Kumar (HN) and Transmission Executive Ms. Farzeen Sultan along with a host of students from the college have curated various insightful programs spanning across themes like culture, health, education, fitness etc. and have been aired live and then uploaded on the YouTube page of Radio Tarang (@studiorlacuniversityofdelh10). The department of BJMC offers a **Skill Development Certificate Course** which trains students in production, radio jockeying, voice modulation, scripting, editing, interviewing and radio dramas.

Various departments of the college upload specific programs designed around the courses offered in the college, professional scope offered by these courses after graduation, additional skills which students would gain during their stay in the college, add-on courses offered by the departments, research opportunities within the college etc.

Undergraduate Curriculum

Undergraduate Curriculum Framework

2022

The college as part of Delhi University has successfully implemented a new curriculum framework UGCF from the academic session 2022-23. From the upcoming 2025-26 Academic Session all four undergraduate batches in the college will be part of UGCF 2022 Programme Structure. **Undergraduate Curriculum Framework (UGCF) – 2022 is formulated with a student-centric approach and provides flexibility in terms of choice of discipline(s) of study, developing academic pathways having creative combinations of disciplines for study with multiple entry and exit points, determining semester-wise academic load and the ease to learn at his/her pace, to the extent possible.**

The UGCF - 2022 underlines the historical perspective, philosophical basis, and contemporary realities of higher education as enshrined in the National Education Policy (NEP) - 2020 and endeavours to synchronize these cornerstones while charting the road ahead for the state of higher education. To actualise the noble objective, as succinctly brought out in the NEP - 2020, the Delhi University has endeavoured to explore the possibility of further restructuring and refinement of its undergraduate curriculum framework in line with the objective and underlying philosophy of the NEP - 2020 to capture the imagination of the youth of our nation which depicts the contemporary realities of our demographic advantage globally. The resultant outcome of this comprehensive exercise undertaken by the Delhi University is the UGCF - 2022 which not only underlines the heart and soul of the NEP 2020 in letter and spirit but also goes on to create a teaching-learning framework at the undergraduate level to attract the young minds towards research, innovation, apprenticeship, social outreach, entrepreneurship, skill development and similar such areas of human knowledge and endeavour while imbibing the truly charged academic environ of the university and its constituent colleges. The new framework will allow students to collect credits in a designated academic credit bank which can be utilized as per the student's needs in the future.

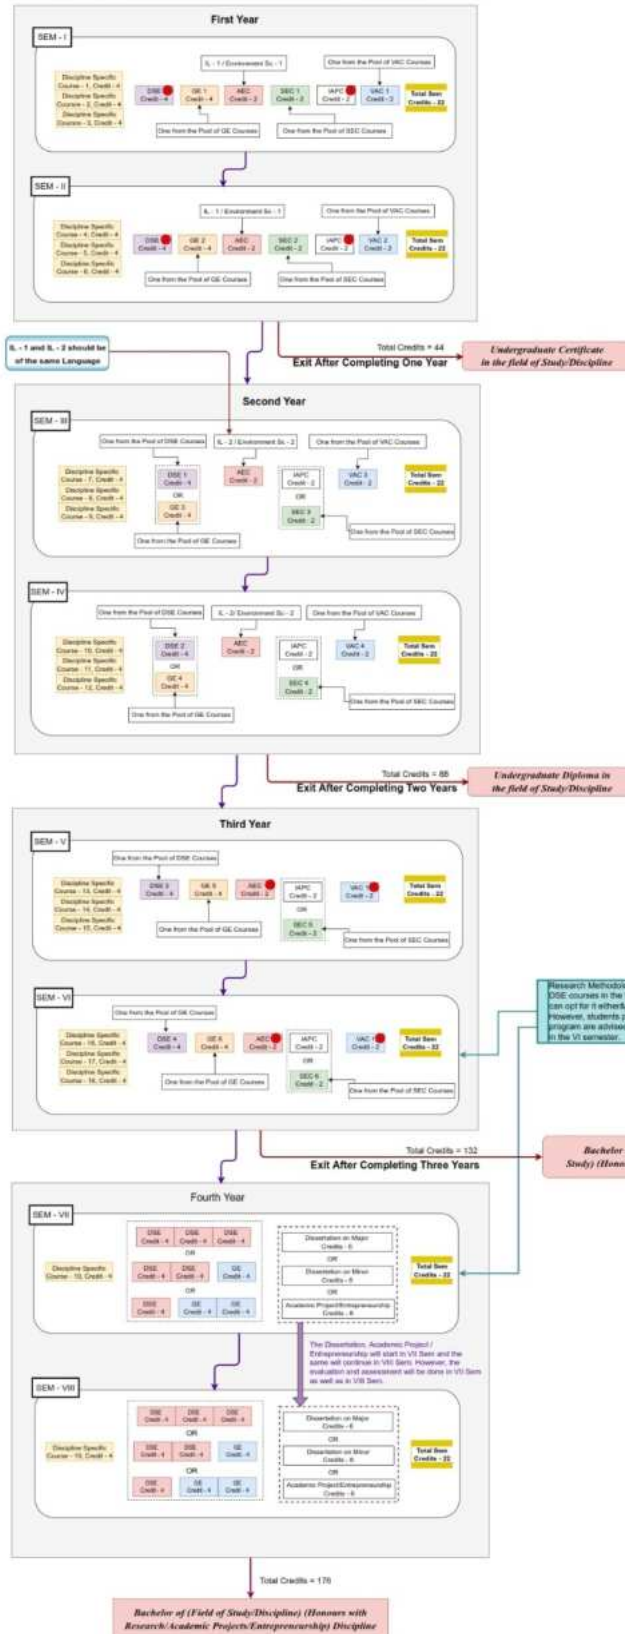

The college has adopted and implemented UGCF 2022 offered by the University of Delhi in full letter and spirit from the session 2022-23. The 2025-26 academic session, will see all four undergraduate batches in the college as part of UGCF 2022 Programme Structure. For further information on structure of programme, refer to flow charts below (<https://www.du.ac.in/uploads/UGCF-Flowchart.pdf>)

For details of eligibility for the programme offered refer to University Admission Bulletin 2025-26: https://www.du.ac.in/uploads/07032025_UG-BOI_compressed.pdf

Structure of UG Single Core Discipline Program

DSC Discipline Specific Course
DSE Discipline Specific Electives
GE General Electives
AEG Ability Enhancement Course
S - Pool of Indian Languages in the 8th schedule of the Constitution

SEC Skill Enhancement Course
IAPC Internship/Apprenticeship / Project/ Community Outreach
VAC Value Addition Course
NA - Not Applicable

Important note: Students studying DSEs offered by any Discipline other than their Core Discipline will be treated as GE for Hon/Var.

In a single core discipline program, the student shall Major in the core discipline. However, if he/she wishes to Minor in another discipline then he/she has to earn 28 credits from GE courses of the second discipline.

In four years, a student will study the following number of DSCs, DSEs and GEs:
 Total DSC papers : 30
 Total DSE paper options : 10 (minimum to be chosen is 4)
 Total GE paper options : 10 (minimum to be chosen is 4)

The student can Minor in another discipline, if he/she fulfills the following criteria:

Seven GEs = Minor (7 x 4) = 28 credits

Example: A student is enrolled in B.A. (Hons.) History and decides to pursue 4th year (both VII + sem VIII).

If he successfully completes the 4th year, he/she will be awarded Major in History.

In addition, if the student successfully completes, seven GEs in Political Science, he/she will be awarded Minor in Political Science.

**Structure of UG Program Two core Disciplines
Applicable to all B.A.(Programs)**

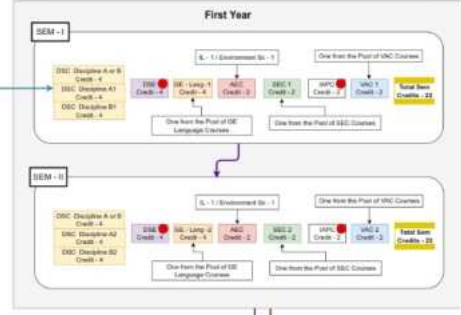

DSC: Discipline Specific Courses
DSE: Discipline Specific Electives
GE: General Electives
AEC: Ability Enhancement Course
L: Pool of Indian Languages in the 1st semester of the Constitution

SEC: Skill Enhancement Course
UAPC: Internship/Entrepreneurship / Project
COU: Community Outreach
VAC: Value Addition Course
NA: Not Applicable

Example: For BA (Programme) History + Economics
 A student shall study two disciplines, i.e., History and Economics. DSC 1 may be of Discipline A or B (say, History / Economics), DSC 2 may be of Discipline A (say, History) and DSC 3 may be of Discipline B (say, Economics).

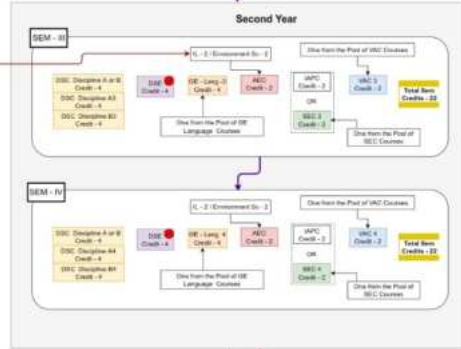

GE-1, GE-2 should be of one Language
 GE-3, GE-4 should be of Language other than studied in GE-1 and GE-2.
 At least one of the language should be Indian Language.

Student can study **Two DSCs** of any of the Two Disciplines of the B.A. (Program) per sem in semesters I and II (Example: Two DSCs of discipline A and one DSC of discipline B).
 However, in third sem student will have the option to interchange the Disciplines (example two DSCs of discipline B and one DSC of discipline A).
 Such choices made in the third semester shall continue till VIII Sem.

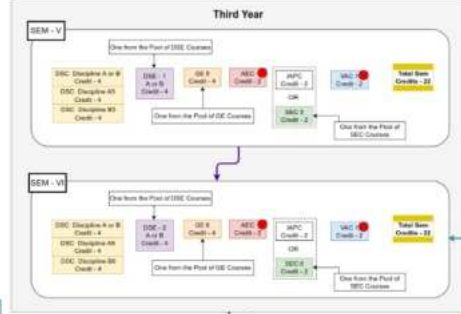

Total Credits = 44
Exit After Completing One Year
 Undergraduate Certificate in the field of Study/Discipline

L-1 and L-2 should be of the same Language

Total Credits = 88
Exit After Completing Two Years
 Undergraduate Diploma in the field of Study/Discipline

Important note: Students studying DSEs offered by any Discipline other than History Core Discipline will be treated as GE for History.

Total Credits = 132
Exit After Completing Three Years
 Bachelor of (field of) Multidisciplinary courses of Study (for multiple core disciplines courses of study)

In the fourth year, students will study only one of the discipline i.e., either A or B in both Sem VII and Sem VIII semesters.
 To pursue Four years Honours degree in B.A. (Program), student shall study in the fourth year, the discipline, in which he/she has studied at least 10 DSCs in the first three years. Students will have to study the Two DSCs and upto Six DSEs in the chosen discipline in the VII and VIII semesters.

Research Methodology shall be offered as one of the DSE courses in the VI and VII semesters. Students can opt for 2 units in VI or VII semester.

Major and Minor shall be awarded on fulfillment of the following conditions.
 Major = 80 credits Minor = 28 credits

Example: If a student wishes to Major in Discipline A, then he/she should earn at least 80 credits in discipline A.

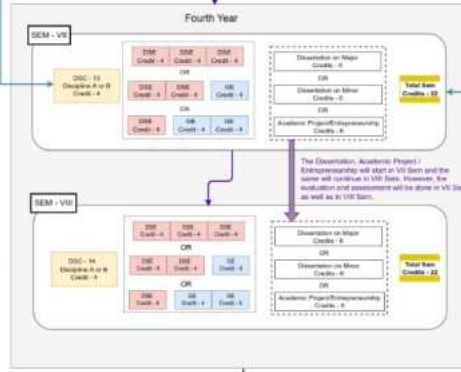

He/she should study Two DSCs, Six DSEs and write dissertation in VII and VIII semesters.

If the sum total of the DSCs and DSEs of Discipline A is less than 80 credits, then the credits earned in the dissertation written on a topic of Discipline A shall also be taken into consideration to complete the requisite 80 credits

For Example: A student pursues four years B.A. (Honours) in History. He/she shall get Major in History, on successful completion of VIII semester, if he/she earns Minimum 80 credits in History from:

- 14 DSCs + 6 DSEs = 80 Credits
- 14 DSCs + 7 DSEs = 84 Credits
- 14 DSCs + 4 DSEs = 80 Credits
- 14 DSCs + 5 DSEs + Dissertation = 80 Credits
- 14 DSCs + 4 DSEs + Dissertation = 84 Credits
- 14 DSCs + 3 DSEs + Dissertation = 80 Credits
- 12 DSCs + 6 DSEs = 80 Credits
- 12 DSCs + 7 DSEs + Dissertation = 80 Credits
- 12 DSCs + 6 DSEs + Dissertation = 84 Credits
- 12 DSCs + 5 DSEs + Dissertation = 80 Credits

He/She shall get a Minor in Economics, if he/she earns minimum 28 credits from Six DSCs and one DSE.

Total Credits = 176
Bachelor of (field of) Study / Multidisciplinary courses of Study (Honours)

Structure of B.Com (Program)

DSC: Discipline Specific Course
 DSE: Discipline Specific Electives
 GE: General Electives
 AEC: Ability Enhancement Course
 IL: Pool of Indian Languages in the 8th schedule of the Constitution

SEC: Skill Enhancement Course
 AIPC: Internship/Agri-entrepreneurship / Project
 Community Outreach
 VAC: Value Addition Course
 ● Not Applicable

In B.Com students shall study DSCs of Commerce and Allied Disciplines such as Economics, Business Economics, Management etc.

GE-1, GE-2 should be of one Language
 GE-3, GE-4 should be of Language other than studied in GE-1 and GE-2.
 At least one of the language should be Indian Language.

IL-1 and IL-2 should be of the same Language

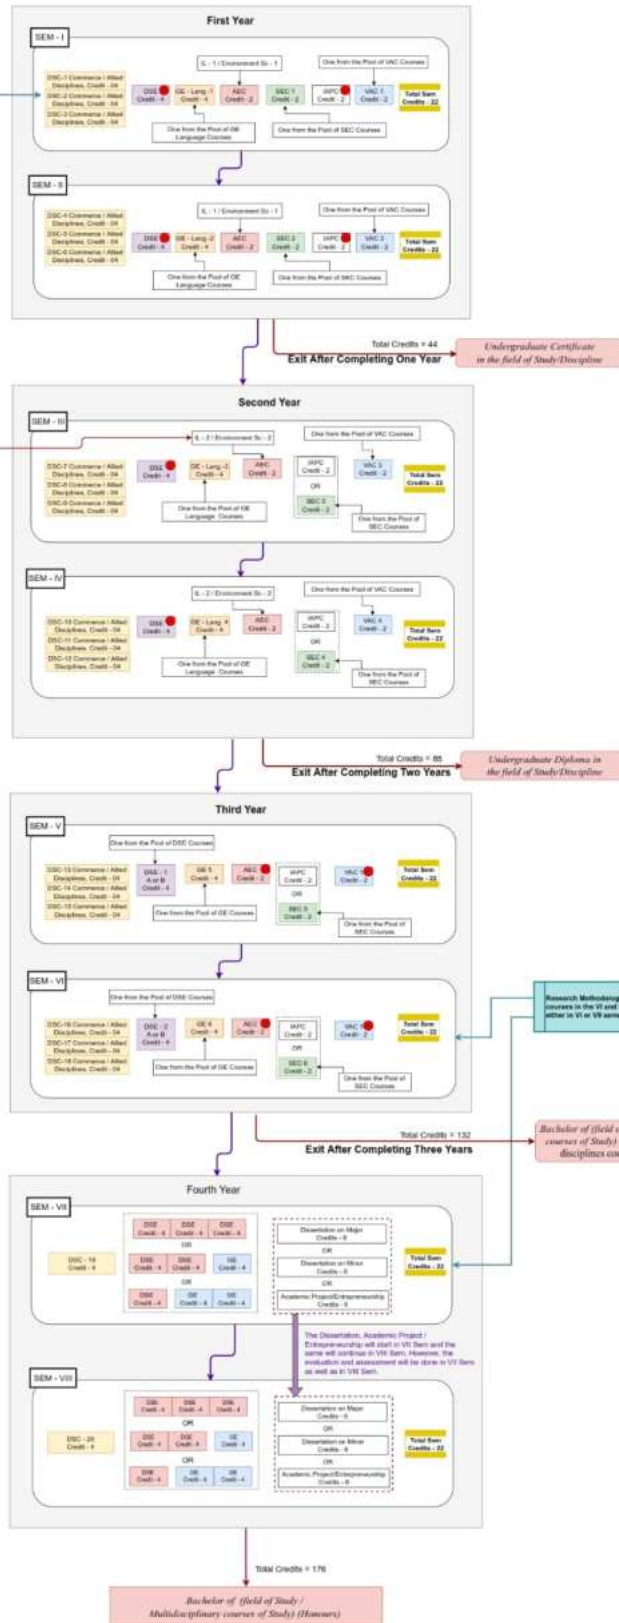

Important note: Students studying DSEs offered by any Discipline other than Higher Core Discipline will be treated as GE for Hon'ble.

To pursue Four years Honours degree in B.Com, student shall study in the fourth year, the discipline, in which he/she has studied at least 10 DSCs in the first three years. Students will have to study the Two DSCs and upto Six DSEs in the chosen discipline in the VII and VIII semesters.

Major and Minor shall be awarded on fulfilment of the following conditions.
 Major = 80 credits Minor = 28 credits

Example: If a student wishes to Major in a particular Discipline, then he/she should earn at least 80 credits in that discipline.

He/she should study Two DSCs, Six DSEs and write dissertation in VII and VIII semesters in the chosen discipline.

For admission to Undergraduate programs of the University of Delhi, candidates must register for CUET- 2025 at <https://cuet.nta.nic.in/>

UNDERGRADUATE PROGRAMMES OFFERED AT THE COLLEGE

Name of the Programme
ARTS AND HUMANITIES
B.A Programme (History + Political Science)
(Computer Applications + Economics)
(Mathematics+ Economics)
B.A .(Hons.) English
B.A. (Hons.) Hindi
B.A (Hons.) Hindi Patrakarita Evam Jansanchar
B.A. (Hons.) History
B.A. (Hons.) Political Science
COMMERCE AND MANAGEMENT
B.Com (Hons.)
B.Com Programme
BMS (Bachelor of Management Studies)
SCIENCES
B.Sc. (Hons.) Computer Science
B.Sc. (Hons.) Geology
B.Sc. (Hons.) Mathematics
B.Sc. (Hons.) Microbiology
B.Sc. (Hons.) Statistics

Syllabi for all courses can be accessed on the college website at the following link.

<https://rlacollege.edu.in/course-&-syllabus.php>

POSTGRADUATE PROGRAMME

➤ M.A. Hindi (CUET based Admissions): Online admission will be done through the University Portal. Classes will be held at South Campus and tutorials in the College. Examination forms in each semester will need to be submitted by the student in the college.

Programme Structure for a first semester student pursuing HONOURS in single discipline (BA Hons. in English/Hindi/Political Science/History, B.Sc Hons in Microbiology/ Geology/Statistics/ Mathematics/Computer Science, B.Com Hons, Management Studies, Patrakarita Evam Jansanchar):

- Discipline Specific Core Courses (DSC): 3
 - DSC 1
 - DSC 2
 - DSC 3

- Generic Elective Course (GE): 1 (from a pool of courses offered by the university)
- Academic Enhancement Course (AEC): 1
- Value Added Course (VAC): 1
- Skill Enhancement Course (SEC): 1

TOTAL – 7 Courses in each semester

Programme Structure for a first semester student pursuing BA Programme with two disciplines (History+ Political Science/Mathematics+ Economics, Computer Applications+ Mathematics)

- Discipline Specific Core courses (DSC): 3
 - DSC 1 (from discipline chosen by student as Major)
 - DSC 2 (from discipline chosen by student as Major)
 - DSC 3 (from discipline chosen by student as Minor)
- Generic Elective course (GE): 1 (Language: Indian Language/ English in I and II semester)
- Academic Enhancement Course (AEC): 1 (Hindi and any other Indian Language and Environmental Studies)
- Value Added Course (VAC): 1
- Skill Enhancement Course (SEC): 1

TOTAL – 7 courses in each semester

Programme Structure for a first semester student pursuing B.Com Programme

- Discipline Specific Core courses (DSC): 3
 - DSC 1
 - DSC 2
 - DSC 3
- Generic Elective Courses (GE): (Language: Indian Language/ English in I and II semester)
- Academic Enhancement Course (AEC): 1 (Hindi and any other Indian Language and Environmental Studies)
- Value Added Course (VAC): 1
- Skill Enhancement Course (SEC): 1

TOTAL – 7 Courses in each semester

Students who choose & study seven GE courses (in 4 years) from one discipline, such students, upon clearing four years of graduation will be also eligible for a MINOR Degree in that discipline.

For example, if a student studying BA (Hons) Political Science studies and passes seven GE courses offered by History Department, then such student, upon graduating in 4 years will also be also eligible for a minor BA degree in History apart from attaining major degree in Political Science.

Skill Enhancement Courses (SEC), Value Added Courses(VAC) and Ability Enhancement Courses (AEC)

University of Delhi offers a comprehensive pool of Skill Enhancement Courses, Value Added Courses and Ability Enhancement Courses. The following are the links for lists of these courses:

Link for Skill Enhancement Courses (SEC)

https://www.du.ac.in/uploads/new-web/28032023_SEC.pdf

https://www.du.ac.in/uploads/new-web/26092023_NEP_101_notification_SEC.pdf

Link for Value Added Courses (VAC)

Link for Link for Ability Enhancement Courses (AEC)

https://www.du.ac.in/uploads/new-web/24022023_AEC.pdf

At our college level, various departments offer SEC, VAC and AEC courses from these above-mentioned lists. SEC or VAC courses offered may be changed depending on minimum number of students enrolling for a particular course. The pool of Skill Enhancement Courses (SEC) that will be offered to 1st Year students in the academic session 2025-26 under UGCF-22 to choose from are as follows:

S.No.	Name of the SEC	Department offering SEC
1.	Essentials of Python	Mathematics
2.	Basic IT Tools	Mathematics
3.	Basic Analytical Techniques	Microbiology
4.	Digital Marketing	Management Studies
5.	Basic It Tools	Statistics
6.	IT Skills and Data Analysis-1	Statistics
7.	Front End Web Design And Development	Computer Science
8.	Life Skill Education	Economics
9.	Museum And Museology	History
10.	Rachnatmak Lekhan	Hindi

11.	Political Leadership and Communication	Political Science
12.	Finance for everyone	Commerce
13.	Business Communication	English
14.	Communication in Everyday Life	English
15.	Creative Writing	English

Value Added courses (VAC) that will be offered to 1st Year students in the academic session 2025-26 under UGCF-22 are as follows:

S.No.	Name of the VAC	Department offering VAC
1.	Vedic Mathematics-1	Mathematics
2.	NCC-1	Hindi
3.	Constitutional Values and Fundamental Duties	Political Science
4.	Fit India	Physical Education
5.	Digital Empowerment	Mathematics, Computer Science, Economics
6.	Science And Society	Microbiology, Geology
7.	Swachh Bharat	Microbiology
8.	The Art Of Being Happy	Microbiology, Geology
9.	Yoga And Philosophy	Microbiology, Statistics
10.	Social and Emotional learning	Management Studies
11.	Ethics and Culture	Management Studies
12.	Emotional Intelligence	Computer Science
13.	Ethics And Values In Ancient Indian Tradition	History
14.	Bharteeya Bhakti Parmpara Aur Manav Moolya	Hindi
15.	Srijnatmak Lekhan Ke Aayam	Hindi
16.	Financial Literacy	Commerce
17.	Reading Indian Fiction in English	English
18.	Culture and Communication	English, History (If available)
19.	Ecology and Literature	English

Justice Adarsh Kumar Goel, former judge, Supreme Court of India and former Chairperson being given a guard of honour by our NCC cadets on 2nd May 2025

Renowned Sarod instrumentalist Pt. Partho Sarothy during VIRASAT '25, the annual fest of the SPIC MACAY RLAC Chapter

DEPARTMENTS

DEPARTMENT OF ENGLISH

English is considered a window to the world. A window not only in terms of communication skills, economic growth and scientific discoveries but also in terms of literature and literary theories which emerges all over the world. English Honours programme is an eclectic programme which introduces the students to various genres under the umbrella of English literature. The course is not limited to reading and writing skills but a vast platform for enhancing creativity and critical thinking through the medium of language games, discussions on film screenings, theatre and drama, translation theories and exercises, subtitling and dubbing knowledge, academic seminars, etc. is offered to the students.

The programme includes literature written in English and English translations all over the world for instance American, African, Indian and emerging works like Dalit Literature and Women's Writings. Interesting genres like Speculative and Detective Fiction, Graphic Narratives, Interrogating Queerness and the like are a part of the new syllabus introduced by the university. Overall, RLA English Department strives to maximise the value on offer for our students by expanding the range of experiences well beyond the classroom. It offers a plethora of add-on courses that have seen incredible success, and many more are already being planned. The college has offered in previous years, courses like Renaissance Art Course, a course on the History of Modern Literature and a Certificate course on Creative Writing. These are intended to expand the horizon of our students beyond the syllabus and establish mastery in the subject at large. Depending on the student's interest, the department plans to reintroduce these courses and add other creative and functional courses.

The English Literary Society Ubiquitous aims to cultivate adoration for Literature and Language, upgrade scholarly inventiveness and give a roadblock to self-articulation past the scholastic Educational Program. The society fosters self-viability and creativity and assists in upgrading one's knowledge and love for literary figures and works. The society has organised various events like classical fiction rewriting, diary writing from the perspective of any literary figure named "Anne Frank's Best Friend," Lyric association and other competitions in the previous year and looking forward to planning more events in the current session with the co-operation of the students.

After the completion of the programme, the students will have an understanding of various movements in literature, literary criticism and approaches which are used to interpret the literary texts. The programme helps the students to develop the skill of self-expression. It opens wide-ranging career opportunities in fields of social sciences, humanities, journalism, publishing, script writing and editing apart from applying to other competitive exams.

FACULTY

- Dr. Narender Kumar (MA, M. Phil., PhD)
- Dr. Deepti Bhardwaj (MA, M. Phil., PhD)
- Dr. Urvashi Kuhad (MA, M.Phil., PhD)
- Ms. Deepshikha Kumari (MA)
- Dr. Ritambhra Misra (MA, PhD)

- Mr. Taha Yasin (MA, M. Phil., LL.B)
- Ms. Pragya Deshmukh (MA, M. Phil.)
- Dr. Kamal Kumar Raul (MA, M. Phil. PhD) -Teacher-in-Charge
- Ms. Minaxi Brahma (MA, M. Phil.) -Society Convener-Ubiquitous

DEPARTMENT OF HINDI & HINDI PATRAKARITA EVAM JANSANCHAR

Department of Hindi offers two undergraduate programmes B.A. (Hons.) Hindi & B.A. (Hons.) Hindi Patrakarita evam Jansanchar and a postgraduate programme M.A. Hindi affiliated with the University of Delhi.

HINDI

Hindi & BJMC department is one of the most innovative departments of our college always brimming with curricular and co-curricular activities aimed at holistic academic development of students. The department has a versatile mix of well-experienced faculty excelling in both core disciplines as well as in the world of practical and experiential knowledge. In its pursuit of excellence, the department has initiated add-on courses like *ANUVAD* or Translation in collaboration with Hindi Anuvad Parishad to enrich students with bilingual potential.

Dept has organized special lectures by distinguished experts, eminent newsgroup editors, experienced bureaucrats, and professional journalists from diverse backgrounds & fields and also designed workshops for hands-on training to prepare our students for the newer career options in the digital and electronic world apart from taking up conventional opportunities. To make the course and teaching-learning more interactive the department organizes departmental inter-college festivals under the departmental societies named 'Hindi Sahitya Parishad' &

‘Hindi Media Parishad’. The societies also screen films & documentaries to equip students with diverse perspectives.

After completion of this undergraduate programme, the possible avenues for students are government, administration, civil services, journalism, media, teaching, research, etc. Apart from that, one can opt for the job of an interpreter as well. Most of the media houses, publishers and literature houses offer such opportunities. The other career opportunities could be of a Content Developer, Reporter, Journalist, Teacher, Translator and Voice Associate in BPOs.

The Department specially offers a skill development, job-oriented certificate course in ‘Hindi Anuvad’ to the students of Hindi Honours. Students can make a career in translation as a large number of vacancies for translators exist in both the government and the corporate houses.

HINDI PATRAKARITA EVAM JANSANCHAR

This course is run by the college under Self-Financed Model. The number of seats for admission each year is very limited which ensures that every student is given training in software and hardware used in the development of media content. The college has a dedicated studio with the necessary video and audio equipments required for broadcast and recordings. In addition, there is a dedicated media lab with state-of-the-art computers having an internet facility and software for text/video editing. Students are guided to undertake internships at different media schools during the summer and winter vacations. In recent times opportunities have been made available to students to take part in educative TV programmes on channels like IBN7 and TV Today. Prominent journalists and faculties from other Mass Communication Institutes are invited to deliver lectures and conduct interactive workshops for the students.

The Department has signed MOUs with media houses (Amar Ujala and Molitics) and social organizations (Sehgal Foundation) to provide hands on training to its students. A large number of our alumni have become reporters and journalists and are writing columns in prominent newspaper dailies.

After putting in tremendous efforts the department has successfully initiated its own COMMUNITY RADIO service. Also, a documentary made on our college, by the students of Hindi Patrakarita Evam Jansanchar can be viewed on:

https://drive.google.com/file/d/19pWIWhA6wxzfmDQ_BTvtWFYbo1VY7w9/view?usp=sharing

FACULTY

- Prof. Rakesh Kumar (MA, M. Phil., PhD)
- Prof. Sanjay Kumar Sharma (MA, MBA, LLB, PhD)
- Prof. Archana Gaur (MA, M. Phil., PhD)
- Prof. Shruti Anand (MA, M. Phil., PhD -
- Dr. Surendar Kumar (MA, M. Phil., PhD) - **Teacher-in-Charge**
- Dr. Rajesh Kumar (MA, M. Phil., PhD) - **Societies Convener-Hindi Sahitya Parishad & Hindi Patrakarita Parishad**
- Dr. Roshan Lal Meena (MA, M. Phil., PhD)
- Ms. Sadhna (MA, M. Phil)
- Dr. Reena (MA, M. Phil., PhD)
- Dr. Manvesh Nath Das (MA, M. Phil., PhD)
- Dr. Annie Ray (MA, M. Phil., PhD)

VISITING FACULTY FOR BJMC: Dr. Atal Tiwari, Dr. Seema Bharti, Dr. Nisha Singh, Dr. Pardeep Kumar, Ms. Shweta Arya.

DEPARTMENT OF HISTORY

History is not what is past, but the past which is forever made present. As a discipline, history allows the past to repeat itself. History covers the evolution of human civilization from time immemorial to present times. The programme gives a good understanding of human strengths and limitations to the students. Faculty members of this department have diversified scholarly interests which enable them to respond creatively to the emerging needs of the student community.

The departmental society named TAWARIKH is one of the most prestigious societies at RLA College. It organizes some of the most important intellectual seminars and workshops on related topics. Recent events include the International Seminar on 'Urban Transformation & Sustainable Future' which saw participation of scholars from very eminent institutions from across the world.

Educational trips to various archaeological and heritage sites of India are regularly organized by the departmental society. Recent trips included visiting relevant locations in states like Rajasthan, Madhya Pradesh and even proximate places within Delhi. Another highlight is the monthly lecture series organized by the department wherein some of the most well-known domain experts and intellectuals come and deliver lectures followed by interactive sessions. The departmental society also co-organizes events with various other societies and departments of the college. Recent events include collaboration with the Political Science department, Equal Opportunity Cell and Eco Club which brought together some trend-setting sessions in our college.

Educational trip to Udaipur-Haldighati

After graduating in this programme students can choose careers in administration, civil services, journalism, mass communication, teaching, research, and archaeology and museum studies. The department has organised a skill development, job-oriented certificate course in Hospitality and Tourism for its third-year students in collaboration with Nijhawan Group of Companies, a conglomerate in India's tourism industry.

FACULTY

- Prof. Rakesh Kumar (MA, M. Phil., PhD)
- Prof. Narender Kumar Pandey (MA, PhD)
- Prof. Rajiv Kumar (B.Ed., MA. PhD)
- Dr. Krishan Gopal Tyagi (MA, M. Phil., PhD)
- Dr. Parul Lau Gaur (MA, M. Phil., PhD)- **Teacher-in-Charge**
- Dr. Arvind Patel (MA, PhD) - **Society Convener -Tawarikh**
- Mr. Vikas Kumar (MA, M. Phil.)
- Dr. Shachi Meena (MA, M. Phil. PhD)
- Dr. Pratik Kumar (MA, M. Phil. PhD)
- Dr. Shyamjeet Yadav (MA, MPhil, PhD)

Monthly lecture series by Prof T.K.Venkatasubramanian, Prof (Retd.) Department of History, University of Delhi

DEPARTMENT OF POLITICAL SCIENCE

The subject of Political Science has gained immense popularity across the university and is one of the most sought-after courses among admission seekers. The department at RLA College strives to justify the subject's wider popularity. The department's society is named STATECRAFT and has been one of the well-aligned societies with the contemporary co-curricular requirements of DU undergraduates. At regular intervals, the society organizes wide-ranging events like debates, workshops, seminars, educational trips and slogan making, creative writing competitions on popular and thematic political issues and topics e.g. *concepts like democracy, thinkers like Gandhi & Ambedkar, umbrella themes like Governance or Gender, critical questions surrounding environment and development, etc.*

Distinguished lecture & interactive session with Prof. Sunil Chowdhary, Dept of Political Science, DU

Bringing students face to face with subject experts and specialists is another core mandate of the department. In each academic session, special lectures of distinguished speakers are organized followed by interactive sessions to help students learn much more about the discipline apart from what is part of the syllabus formally.

The department regards it as its responsibility to help students make appropriate career choices based on their interests and pursuits. Each year Career Counselling sessions are organized to equip students with the necessary information and help them streamline their professional choices in the fields of administration, bureaucracy, journalism, research, teaching, etc.

In recent times the department has offered certificate courses to students on related themes like Political Thought, International Relations & Diplomacy or Foreign Policy, Soft Skills, Experiential Learning, etc. Students who have completed these courses have found that these could prove very useful in shaping their future ambitions & careers.

Statecraft Society regularly utilizes its mandate of organizing interactive competitions which truly make the subject of Political Science more fascinating to students. Constitution Quiz, Mock Parliament, etc are regular highlights of the department.

Going beyond curriculum the department has motivated students by taking them on regular visits to places like the Ambedkar Memorial or Parliament of India or embassies of other countries which develops among students more passion to learn about the intricacies of their subject.

The departmental society has often joined hands with other departments and societies of the college like the History dept., Eco Club, Alumni Committee etc. to organize some of the most successful events of the college.

FACULTY

- Dr. Kshama Sharma (MA, M. Phil., PhD)
- Dr. Triranjana Raj (MA, M. Phil., PhD)
- Dr. Alankar (MA, M.Phil., PhD)
- Dr. Nidhi Yadav (MA, M. Phil., PhD)- **Teacher-in-Charge**
- Mr. Kaptan (MA, M. Phil)- **Society Convener -Statecraft**
- Dr. Soma Patnaik (MA, M. Phil., PhD)
- Mr. Deepak Setia (MA, M. Phil)
- Mr. Gandharv Koushiy (MA)
- Dr. Vijay K. Bhatia (MA, M. Phil., PhD, LLB)
- Dr. Jatin Kumar (MA, M. Phil., PhD)

DEPARTMENT OF COMMERCE

The Commerce Department is dedicated to educating students in business-related disciplines, preparing them for careers in various sectors of the economy and equipping them with the skills and knowledge necessary to navigate the complexities of modern commerce.

The department offers undergraduate programs in fields related to commerce, business administration, management, accounting, finance, marketing, economics, and sometimes related fields like international business or entrepreneurship. The department designs and delivers courses that cover various aspects of business and commerce, including foundational courses in business principles, specialized courses in areas like finance or marketing, and sometimes interdisciplinary courses that integrate business with other fields such as technology or ethics. Faculty members within the Commerce Department are typically experts in their respective fields, conducting research, publishing academic papers, and contributing to the advancement of knowledge in commerce-related disciplines. The department provides academic advising, career counselling, and internship or placement opportunities to help students prepare for careers in business and commerce.

Commerce Department also sponsors student organizations, clubs, or competitions related to business and entrepreneurship, providing students with opportunities for networking, skill development, and practical experience.

FACULTY

- Dr. Ritu Vats (M.Com, PhD)
- Mr. Rajinder Singh (M. Com, M. Phil.) **Teacher-in-Charge**
- Ms. Supriya Kamna (M. Com, M. Phil.) - **Society Convener -Kaching**
- Ms. Anubhuti Yadav (M.Com)
- Mr. Krishan Kumar (M.Com)
- Ms. Sonal Gupta (M.Com)
- Dr. Nupur Saboo (M. Com, PhD)
- Ms. Neera Pal (M.Com, MBA)
- Dr. Preeti Devi (M.Com, PhD)
- Ms. Shalini Rawal (M.Com)
- Dr. Rajiv Vashisth (M.Com, PhD)
- Dr. Shikha Makkar (M.Com, PhD)

Computer lab, Department of Commerce

DEPARTMENT OF ECONOMICS

The department has young and energetic faculty and Economics is taught as part of B.Com (Hons.), B.Com Programme and B.A. Programme courses and as General Elective Course.

The department conducts regular seminars, webinars and workshops for enhancing the knowledge of the students and prepares them for understanding the subject more functionally. The pedagogy includes going beyond the text and discussing current events in the said subjects and giving a platform to the students to enhance their skills of analysing economic phenomena across the globe and discuss solution-oriented goals.

Economics as a subject is relevant to our understanding of many of the important issues faced by the people all over the world, such as resource exhaustion, pollution, environmental degradation, taxes, revenues, interrelations between countries, employment, unemployment, growth, stagnation, etc.

FACULTY

- Dr. Suneyana Sharma (MA, M. Phil., PhD)
- Ms. Megha Yadav (MA) -**Teacher In-Charge**
- Mr. Manoj Kumar (MA)- - **Society In-charge**
- Dr. Debashree Das (MA, M. Phil., PhD)

DEPARTMENT OF B.A. PROGRAM

The Department of BA Program comprises faculties from diverse departments.

The course offers the following combinations for Discipline Courses for the students:

1. Computer Applications and Economics
2. Mathematics and Economics
3. History and Political Science

Apart from the above-mentioned academic subjects, the college offers a platform to the BA Program students to be able to develop a number of skills and learn by organising series of co-curricular activities, events etc. All the academic events of the department of Computer Science, Economics, Mathematics, History and Political Science are related to this department and students are given the platform to participate in the same. Other than that students are given the opportunity to improve their communication skills through various workshops. Educational trips are also part of the session. Students are provided with career guidance and counselling from time to time. For B.A Programme teaching , the faculty of respective departments, is engaged based on the discipline. B.A Programme Committee looks after the organisation of teaching learning and society activities of B A programme.

- Ms. Manisha Wadhwa (M.Sc), Department of Computer Science -**Convener** B A programme committee
- Mr. Ankit Kumar (M.Sc), Department of Mathematics- **Society Convenor, Serenity**

DEPARTMENT OF COMPUTER SCIENCE

The programme B.Sc. (Hons.) Computer Science offered is designed for students to get exposure to all aspects of computers right from the fundamentals of computers to the recent and advanced courses based on programming languages. A degree in Computer Science combines theoretical study and practical projects, the teaching of subject-specific skills including programming languages, hardware architecture, network programming, software engineering, web application tools and packages and database concepts.

After this programme students can pursue post-graduate courses like M.C.A., M.Sc. Computer Science, M.Sc. (Information Technology), M.I.T., M.B.A., M.Sc. (OR) and M.Sc. (AOR) etc. This programme is useful to develop a personal portfolio of your projects, such as those involving programming, building a website or carrying out tasks online, for example, your initiative and ability in fixing bugs, improving functionality or building an app will help show your skills and interest in the subject. Various job opportunities will be available for computer science graduates as Information Systems Manager, IT Consultant, Multimedia Programmer, Systems Developer, Web Designer and Web Developer.

Computer Science has many aspects; its focus is not on coding solely but on other aspects also. The department also offers certificate courses/seminars and workshops on theme areas every year. The department of computer science's focus area is cyber security. Also, the department would organize hands-on workshops in the upcoming months to make students and faculty aware of the basics of cyber security by using simple tricks on how one can prevent the systems from threat. The department recently conducted a certificate course in Data Science using Machine Learning and Artificial Intelligence.

FACILITIES

Well-equipped laboratories with good infrastructure like servers, desktops, LAN, Multi-function printer, LCD Projector and a Smart Board

FACULTY:

- Dr. Vandana Gandotra (MCA, PhD)
- Dr. Neeraj Kumar Sharma (MCA, PhD)
- Dr. Arun Kumar Gautam (M.Tech, PhD) **Teacher In-charge**
- Ms. Sakshi Taresh Khanna (MCA)- Society Convener-e-people.org
- Ms. Shikha Verma (MCA)
- Ms. Sakshi (M.Tech)
- Ms. Manisha Wadhwa (M.Sc.)
- Ms. Dikscha Sapra (M.Tech)

systems + smart board)

42 Lab (For B.A Prog- Equipped
With Projector)

PC 14 (Classroom Equipped
with smart board)

PC 15 (Lab Equipped with **45**
systems + smart board)

DEPARTMENT OF GEOLOGY

Geology – the science of earth and environment concerned with the processes and products of earth and atmosphere. It is embracing and extending its gamut into various fields such as Space Geology, Medical Geology, Urban Geology, and Agro Geology, and it is acquiring the status of people's science.

Geologists find answers to how –a variety of rocks are formed, they relate to different mineral deposits, the earth has developed through millions of years, life has evolved and become extinct, water migrates, mountains are formed and destroyed, earthquakes, floods, tsunamis occur, the relationship of the earth with the sun and other planets, the structure of the earth both external and internal were formed and so on. The department of geology offers various certificate courses and in house, trainings to enhance employability and to provide additional skills to the students. The students of our department perform excellently in academics; Ms Kastur Parida and Mr Akash Nair have secured the highest marks in the University of Delhi in Geology and were awarded the University Gold Medal and certificate in the session 2020-21 and 2021-22 respectively. A series of seminars/webinars are held during the academic session in which students get to interact with scientists and faculty from national/international institutes. The department under the NMHS project has successfully developed a Geo-site in Almora District, Uttarakhand where the department plans to hold International Winter School on Himalayan Geotourism and Geoheritage in this session. The following other initiatives have been formulated for the upcoming academic session:

- 1) Certificate Courses proposed in collaboration with institutions of repute like Geology Department, University of Delhi, Geological Survey of India, Indian Institute of Remote Sensing, etc are: Remote Sensing & GIS, Surveying tools in the Geological Investigations, Water Management, its Quality and sustainable use of water resources in urban areas, Advance instrumentation techniques used in Geological Research, Programming software (Python, R, Matlab) and its integration in Geosciences and Basic learning tools (Brunton Compass, GPS, and Stereographic Projection) in Structural Geology
- 2) The department plans to train students for the development of the E-Museum

FACILITIES

Department has a dedicated lab which provides Binocular Petrological microscopes, Monocular Petrological microscopes, Ore microscopes, Binocular zoom Microscope, Simple biological microscope, Trinocular Microscope with digital camera and projection system, Wooden crystal models, Advance GPS Brunton Compass, Clinometers, Geological Hammers, Plane Table Survey equipment sets, Table Stereoscopes, Binocular Stereoscope, Imageries and aerial photo-pair, Thin-section cutting and polishing machines with accessories, Resistivity meter, Spectroquant SQ Multi colorimeter, Spectro quant Thermoreactor, DO meter, TDS meters, etc. A variety of specimens of rare minerals, fossils and rocks are on display. The department is planning to upgrade the existing lab and develop Petrological Lab, Water Analysis Lab and Remote Sensing Lab in this academic session.

Microscopy lab, Department of Geology

FACULTY

- Dr. Ravish Lal (M.Sc., PhD)
- Ms. Leimiwon Zimik (M.Sc MA)- **Teacher In-Charge**
- Ms. Pooja Yadav (M.Sc.)- **Society Convener -Terre-X**
- Dr. Sarbari Nag (M.Sc., PhD)
- Mr. Arun Kumar (M.Sc.)

DEPARTMENT OF MICROBIOLOGY

The microbiology programme got started in 1989 at Ram Lal Anand College and has vast prospects due to advancements in the field of Biotechnology. It is a broad discipline as microbiology has applications in many fields like medicine, pharmacy, dairy industry, clinical research, water industry, chemical technology, and nanotechnology. Department has been funded for financial support under Star status under the “Star College Scheme” by the Department of Biotechnology, Ministry of Science and Technology (2019-21). Besides, the department also has extramural grants of more than 1 crore rupees for research projects from ICMR, DBT, ICSSR etc. Department of Microbiology received **Best Department Award at the state level** in the session 2020-21 by **Microbiologists Society, India (MSI)** and **Prof. Prerna Diwan was awarded Best Teacher Microbiology for the academic session 2021-22**. This was conferred based on the overall college performance including academic, extracurricular, co-curricular and research activities. **Sneh Priya**, B.Sc. (H) Microbiology III year, got MSI Best Student Award of Department of Microbiology for the session 2023-2024. 2 new PhD students have joined the department in the previous session. The students of our department perform excellently in academics.

The department of microbiology offers summer internships of 4 to 6 weeks to its students and enrolls students in extra-mural research projects. The department organised seminars/workshops/certificate courses in the areas of current research like probiotics and

human health, metagenomics, drug design, bioethics and IPR, biostatistics and Python. Visits to educational institutes (UDSC/NDRI/IARI/RCB) and industries to view large-scale operations/fermenters/downstream processing (NDRI/JNU) are also organised every year.

Recently hands on training sessions on Fluorescence Microscopy, PCR, Anaerobic Gas pack system and biosampler for students, faculty as well as laboratory staff were organised. The department has established MOU with the Translational Health Science and Technology Institute (THSTI) and National Institute of Plant Genome Research (NIPGR) under Science Setu through which interactive sessions and lectures by eminent scientists are arranged for students. An MOU with Sustainable trust of India (SIT) was signed to promote sustainable development goals as envisaged by the UN in which students and faculty of the department are playing an active role.

The following two new activities have been planned for this academic session.

1. Publication of a Science-centric e-newsletter/e-magazine (biannual) compiled and edited by students (staff in an advisory role)
2. Short term-course on Planning and conducting survey-based/community health project

Microbiology has tremendous scope and a very bright future. Students can pursue M. Sc., or integrated M. Sc. And PhD in Microbiology and related disciplines from prestigious institutions like the University of Delhi, IISERs, IITs and other national and international universities. These students can make a career in research and non-research fields in a diverse range of employment sectors such as healthcare organizations, environmental organizations, industries like food, beverage, pharmaceutical, public health & hygiene, water and biotechnology companies, forensic science laboratories, publicly funded research organizations, higher education institutions etc.

FACILITIES

The department has IT-enabled classrooms with smart boards, well-equipped laboratories, Instrumentation Room, Media Room, and Autoclave and Incubation Rooms. The department has all the basic and advanced instruments like UV-VIS Spectrometer, Gel-doc, ELISA Reader, and Fermenter & Sonicator to impart basic hands-on training to students. The department has so far completed 9 innovation research projects and currently running two research projects. The department has recently purchased docking software for bioinformatics applications. A new research lab has been established with a BSL-2 facility recently.

FACULTY

- Dr. Sudha Chaudhary (M.Sc., PhD)
- Prof. Rakesh Kumar Gupta (M.Sc., PhD) – Principal, Ram Lal Anand College
- Prof. Perna Diwan (M.Sc., PhD)
- Prof. Vandana Gupta (M.Sc., PhD)
- Dr. M. Salome John (M.Sc., PhD)
- Dr. Nidhi S. Chandra (M.Sc., PhD) - **Teacher-in-Charge**
- Dr. Shalini Swami (M.Sc., PhD)- **Society Convener, Mikrobiologika**
- Dr. Sunila Hooda (M.Sc., PhD)
- Dr. Nidhi Verma (M.Sc., PhD)

Bench Top Fermenter

Gel Documentation System

Microbiology

Visit to Regional Centre for Biotechnology (RCB), Faridabad for Open Day on 28th Feb 2025

DEPARTMENT OF STATISTICS

Statistics involves the collection, presentation, analysis and interpretation of data. Statistics has wide application in almost all spheres of knowledge like Industry, Commerce, Trade, Physics, Chemistry, Economics, Mathematics, Biology, Psychology, Astronomy etc. The curriculum here offers a broad application of statistics, focussing on specific statistical methods used in science, research and industry. In addition, students are given exposure to the software packages like SPSS and programming in R. The programme also allows choosing papers from other disciplines as generic electives.

With a bachelor's degree in Statistics, one can go for higher studies from premier institutions like DU, IASRI, ISI, IIT; PG in Operation Research, Applied Operation Research, MCA, MFE, MFC and MBA. Some of the important job roles are Data Scientist, Academician, Biostatistician, Content & Financial Analyst, and Actuary and in the government sector, students can join Indian Statistical/Economic Services, and Statistical investigators via Subordinate Statistical Services across the country. To make teaching-learning more interactive the department is IT-enabled with live broadcast features, also the department has started using a Benq-based **75" smartboard** on computer. Encouraged by its success the department plans to implement the technology in other classrooms made available to our department along with some other departments gauging its utility.

A range of events including **Interaction** sessions (online/ offline) with experts working in the field of statistics, **Industrial visits** are organised for students. Previously skill development **Certificate courses** in Python programming, machine learning, excel and tableau were organised for students. The department is engaging students in **community projects and summer research projects** of short duration every year.

FACILITIES

State-of-Art fully air-conditioned computer laboratory, 10 Gigabyte networked with QOS Switch with 38 desktop machines with internet facility. Students are allotted individual computers in Computer Lab during practical sessions along with required Mathematical and Statistical Tables.

Computer lab,
Department of
Statistics

Statistics Laboratory is well equipped with 85 calculators of which 15 are checked and correct (Citizen CT – 600) and the remaining 70 are Scientific Calculators (Casio fx 100w, Casio fx 991ES and Casio fx 991ES Plus). Department has acquired latest energy efficient small form factor Windows enabled PC with 10th generation Intel processor with SSD and wi-fi on board

FACULTY:

- Prof. Seema Gupta (MA, M.Phil, Ph.D)
- Prof. Mukta Dutta Mazumder (M.Sc, M.Phil, Ph.D)
- Prof. Rajesh Sachdev (M.Sc., M. Phil, PhD)
- Dr. Seema Joshi (MA, M. Phil, PhD)
- Prof. Neena Mital (MA, M.Phil, PhD)
- Dr. Rita Jain (MA, M.Phil, Ph.D)-
- Dr. Kuldeep Singh Chauhan (M.Sc., M.Phil, Ph.D)- **Teacher-in-Charge**
- Mr. Bhukya Rajender (M.Sc.)- **Society Convener-Panacea**
- Dr. Anurag Sharma (MSc. MPhil, PhD)

DEPARTMENT OF MATHEMATICS

The department of Mathematics offers a platform to enhance the skills of mathematical approaches to students. It is equipped with dedicated IT-enabled rooms, and well-established Computer Laboratory with needful mathematical softwares (MATHEMATICA, LaTeX, MATLAB etc.). The department is not limited to the course work and organizes educational trips to develop other socio-cultural skills of the students along with gaining knowledge and education. Counselling students to guide them for higher studies is an active part of pedagogy. A certificate course on skill development for mathematical software is planned for the current session for the benefit of the students in the said enterprise.

Mathematics has a dual nature: It is a science and way of thinking, with its language designed for logical discourse, and it also provides unique approaches to describing and understanding reality. The demand for mathematics is increasing day by day in the industry as well as in government domain. They require mathematicians for Big Data analysis, Analytics, Gaming-theory, Operation Management, Actuarial Science, Research and Development, Weather analysis, Security coders, etc. After pursuing Mathematics (Honours) students can get into the defence sector (DRDO), Insurance sector (Actuarial Science), the government sector (SSC, UPSC, RAW etc.), Banking sector, and of course into academics and teaching.

Departmental orientation program for 1st year students organized by the department of Mathematics in lab15

FACULTY

- Mr. Basant Mishra (M.Sc, M.Phil.)
- Dr. Pawan Kumar (MSc , PhD)- **Teacher In-charge**
- Dr. Hemant Bhardwaj (M.Sc, PhD)- **Society Convener-Infinity**
- Ms. Meghna (MSc)
- Mr. Brijendra Yadav (M.Sc, M.Phil)
- Dr. Sandeep Bhat (M.Sc. PhD)
- Mr. Ankit Kumar (M.Sc, M.Phil)
- Ms. Pratima Negi (MSc, MPhil)

BACHELOR OF MANAGEMENT STUDIES

The programme will help the students to obtain the knowledge and skills needed to assume management positions in different organisations and help students to understand how organizations work and manage.

SCOPE AND OPPORTUNITIES

This programme provides a good professional knowledge of business and aims to develop undergraduate students towards a future of becoming leaders and managers capable of taking on the challenges and rigors of the global marketplace. On successful completion of the programme, aspirants can apply for jobs relating to marketing, finance, and banking or pursue higher education such as MBA and can also take up other professional courses like CA, CS, CMA, LLB, etc.

FACULTY

- Dr. Anubha (M.Com, MBA, PhD) - **Teacher In-Charge**
- Dr. Deepti Gupta (B.E, M.B.A, PhD) - **Society Convener -MARG**
- Ms. Srijana Singh (M.Com, MPhil)
- Dr. Kirti Punia (M.Com, MBA, PhD)
- Mr. Siddharth Gupta (B.Tech, MBA)
- Ms. Riyanka Jain (B.Sc. MBA)

DEPARTMENT OF ENVIRONMENTAL STUDIES

The department of EVS has a young and energetic faculty member who teaches Ability Enhancement Compulsory Course (AECC) to all students of 1st year in either first or second semesters. The course offers an awareness of our environment and the representation of environmental goals on the global platform. The pedagogy includes regularly taking students to biodiversity parks for practical understanding and enhanced learning. A certificate course is also offered to the students to address the environmental issues. The department strives to create an innovative learning environment in the college by developing both monitoring and interpretative skills of the students.

This course is relevant to our understanding of important environment-related issues like pollution, climate change, global warming and environmental degradation being faced by

people all over the world. The department also offers an add-on certificate course entitled “Exploring Feasible Alternative Technologies to Address Environmental Issues” for students.

FACULTY:

- Dr. Swagata Karmakar (MSc, PhD)
- Dr. Virendra Bahadur Singh (MSc, PhD) - **Teacher in-Charge &-Society Convener**

DEPARTMENT OF PHYSICAL EDUCATION

Physical Education is an integral part of the wider education system. It helps in the attainment of the ultimate aim of education i.e., the achievement of holistic development. Considering the concept of “SPORTS FOR ALL” the Department of Physical Education organizes various Inter-department tournaments for students as well as various sports activities for staff (teaching and non-teaching) throughout the year.

Trials for various sports are notified and the selections are made for various teams in the following games:

Sl.No	Game/Sport	Men/Women
1	Athletics	Men & Women
2	Cricket	Men
3	Chess	Men & Women
4	Football	Men & Women
5	Hockey	Women
6	Judo	Men & Women
7	Kabaddi	Men
8	Kho-Kho	Men & Women
9	Table Tennis	Men & Women
10	Taekwondo	Men & Women
11	Volleyball	Men & Women

Special efforts are made by the college to facilitate and encourage students who are a part of various sports teams. Regularly they are provided with playing kits, coaching, and training facilities, refreshments etc. Financial support is also provided in the form of fee waivers, and cash incentives for the best performing sports persons plus the college also pays the registration fee for sportspersons to participate in various tournaments outside the college.

The department also regularly conducts health check-up camps for students and staff of the college for awareness of healthy physiological parameters like Body Mass Index, Body Fat etc. The health status of the students is monitored and recorded every semester and the record is maintained through an e-health register.

FACULTY:

- Prof. Pradeep Kumar Sharma (M.P.Ed, PhD) - **Teacher-in-Charge**
- Dr. Vishal Goswami (M.P.Ed, PhD) - **Society Convener**

SPORTS QUOTA ADMISSION FOR THE SESSION

2025-26*

S.NO.	GAME/SPORT	SEATS IN SPORTS QUOTA
1.	Volleyball (M)	04 (Four)
2.	Judo (M)	02 (Two)
3.	Judo (W)	02 (Two)
4.	Kho-Kho (M)	05 (Five)
5.	Cricket (M)	02 (Two)
6.	Hockey (W)	12 (Twelve)
TOTAL		27 Twenty Seven)

Admissions under sports quota are strictly done as per the rules, trials and eligibility criterion centrally by University of Delhi.

ADMISSIONS 2025-26

- Admission seekers are advised to regularly check the University of Delhi website <http://www.du.ac.in> for updates on admission. The bulletin of admission is available on the following links:
<https://rlacollege.edu.in/admissions.php#Admissions25-26>
https://rlacollege.edu.in/pdf/07032025_UG-BOI_compressed.pdf
- Admissions to any course at RLA College takes place through a proper procedure established by the University of Delhi. It can be accessed at the DU website; available as Bulletin of Information. Procedure to take admission at RLA College begins for any eligible student with registration at CUET portal. Eligible applicants then take up All-India level CUET exam. Based on CUET result applicants are to follow next procedure by applying at the University of Delhi Admission portal. Next, when the admissions to UG courses are open to University of Delhi colleges then as per the availability of seats and fulfilment of all eligibility criteria the applicant can take admission to RLA College.
- The Schedule of online admission will be as per DU notifications on <https://admission.uod.ac.in/>

ADMISSION COMMITTEE

Each applicant seeking admission to UG courses at various colleges affiliated to University of Delhi has to take immense care in fulfilling each admission criteria to be able to secure his/her admission. To make this procedure smooth each college mandatorily forms an Admission Committee at the time of admissions. As part of this mandate the following Admission Committee will function for the academic session 2025-2026. For specific queries/grievances applicants may contact respective faculty members mentioned below:

Name	Position	Contact No.
Dr. Arun Kumar Gautam, Department of Computer Science	Admission Convenor (Overall) & Nodal Officer for Admissions	9910712005

PLEASE NOTE:

- Fees may be increased by 10% or more in the next academic session.
- Rs. 600/- increased by University of Delhi is included
- Expenses for the field trip will be paid by the concerned student.
- ***Foreign Students** have to pay the above annual Fee of the college in addition to the Fees fixed by the University of Delhi. Foreign student must contact DU Foreign Students Registry office for seeking admission in University of Delhi and its affiliated colleges (For more information related to admission please visit www.du.ac.in).
- Admission Fee Refund Policy on Withdrawal - The college follows the University of Delhi Admission Fee Refund Policy for Undergraduate Admissions. Please read the University Bulletin for undergraduate admission for more details in this regard.

IMPORTANT COMMITTEES & CENTRES

INTERNAL QUALITY ASSURANCE CELL

Internal Quality Assurance Cell (IQAC) maintains the momentum of quality in the college. This is conceived as a mechanism to build and ensure a continual quality enhancement culture at the college level based on stakeholder feedback. The IQAC is meant for planning, guiding, and monitoring the Quality Assurance (QA) and Quality Enhancement (QE) activities of the college. It works in college to channel and systematize the efforts and measures towards academic excellence. It is involved in the development and application of quality benchmarks/parameters for various academic and administrative activities of the college thereby creating a learner-centric environment conducive to education. The IQAC cell has 16 members including senior college faculty and external experts.

- **Chairman:** Prof. Rakesh Kumar Gupta, Principal
- **Coordinator:** Prof. Purna Diwan, Dept. of Microbiology

External Experts

- Mr. Santosh Kumar Sharma, Joint Director, Institute of Company Secretaries, New Delhi (Alumnus, RLAC)
- Mr. Abhilash Chakraverty, Angel Investor, Inflection Point Ventures ((Alumnus, RLAC)

INSTITUTIONAL ACADEMIC INTEGRITY PANEL

As per recommendations of UGC to maintain responsible conduct of research, promotion of academic integrity and prevention of misconduct including plagiarism in academic writing among students, faculty, researcher and staff, this committee has been constituted at the institutional level. The college has access to URKUND plagiarism check software from the Central Library, the University of Delhi to check any document including research papers, book chapters, articles, etc. for plagiarism before its publication by the faculty, students and staff.

- **Chairperson:** Prof. Neena Mital, Department of Statistics

INSTITUTIONAL ETHICS COMMITTEE

The college has a seven-member institutional ethics committee that takes care of ethical compliance of research proposals submitted for grants from various funding agencies.

- **Chairperson:** Prof. J.S. Viridi, Former Head, Department of Microbiology, University of Delhi
- **Member Secretary:** Prof. Vandana Gupta, Department of Microbiology, RLA College

INSTITUTIONAL BIO-SAFETY COMMITTEE (IBSC)

In accordance to the DBT, Govt of India, college has constituted an IBSC to ensure the safe and ethical conduct of research involving potentially hazardous biological materials and genetically modified organisms (GMOs). IBSC review research proposals, assess biosafety risks, and oversee research activities to protect researchers, the public, and the environment.

- **Chairperson:** Prof. Perna Diwan, Department of Microbiology, RLA College
- **Member Secretary:** Dr. Sunila Hooda, Department of Microbiology, RLA College

RESEARCH AND IPR CELL

The cell was constituted in 2017 to promote research activities in the college. It constantly disseminates information about various funding agencies and ministries which provide funds to researchers from diverse disciplines. The cell updates the faculty members about the upcoming workshops, seminars, FDPs and conferences in their areas of interest through emails. College also provides research grants/funds under CRG and SRI calls for selected research proposals to both students and faculty. The cell also conducts workshops and training programs to help faculty and students in writing research proposals for extramural funding. It also initiates MoUs with different research institutes and laboratories for cutting edge research and technology learnings. This cell helps faculty members in drafting and filing patents and IPR.

- **Coordinator** – Prof. Vandana Gupta, Department of Microbiology

ENTREPRENEURSHIP AND TECHNOLOGY DEVELOPMENT AND INSTITUTIONAL INNOVATION COUNCIL

Enactus; Ram Lal Anand College is a group of students who are dedicated on taking social entrepreneurship projects for upliftment of the deprived section of our society. Having support of college administration and the large umbrella of Enactus, we work towards our goals in proper structural way so as to achieve sustainability at the end of it. Ever since its inception in October 2017, Enactus has tried coming up with projects that benefit the society as a whole. It is not just a college society, but a global initiative to empower students all across the world to step up and bring a change through the power of your entrepreneurship.

E-Cell is designated to create an innovative application oriented ecosystem in college with the aim to enrich and sharpen the entrepreneurial skills of students, conducting training programs, workshops, Inviting novel ideas from students and holding Ideathons. It helps students pitching funds promising ideas for developmental stage.

- **Advisor-** Prof. Seema Gupta, Department of Statistics, RLAC
- **Convener-** Ms. Riyanka Jain, Department of BMS, RLAC

CENTRE FOR HUMAN VALUES, LIFE SKILLS AND ETHICS

A Centre for Human Values, Life Skills and Ethics organizes lectures by experts, workshops, film & documentary screenings and visits to orphanages and old age homes for raising sensitivity level of students. Various Skill Enhancement Courses (SEC) and Value Added Courses (VAC) under UGCF are conducted in coordination with this centre.

- **Coordinator:** Dr. Rita Jain, Department of Statistics
- **Co-Coordinator:** Major Prof. Sanjay Kumar Sharma, Department of Hindi

MEDIA PRODUCTION CENTRE

The college has a full-fledged audio-video enabled media production centre with state-of-the-art cameras, microphones, mixers and recording devices. The centre provides practical training to students of mass media and also works as an e-content generation centre. The college has recently started a unique venture in the form of community radio station at the frequency 90.0 FM known as Radio TARANG. It is the first community radio station of any college in Delhi University.

- **Coordinator:** Prof. Rakesh Kumar, Department of Hindi & Hindi Patrakarita Evam Jansanchar, Transmission Executive: Ms. Farzeen Sultan

CENTRE FOR VIKSIT BHARAT @2047

The University Grants Commission in its aforementioned letter has requested all Higher Education Institutions to create awareness among their students about Viksit Bharat campaign and encourage them to avail an opportunity to provide their transformative ideas for the Vision of Viksit Bharat@2047. To meet the requirements Ram Lal Anand College has constituted Viksit Bharat Ambassador Club under Viksit Bharat Ideation Centre to drive the mission of making India a completely developed nation by its 100th anniversary of independence in 2047. This centre spread awareness about govt schemes for youth in the college, provides opportunities to students to participate in idea drafting, quiz competitions, debates, etc. based on the themes of Viksit Bharat.

- **Patron-** Prof. Rakesh Kumar Gupta, Principal, RLAC
- **Nodal Officer-** Dr. Nidhi Verma, Department of Microbiology, RLAC

CENTRE FOR INDIAN KNOWLEDGE SYSTEM (IKS)

College has a designated centre to foster interdisciplinary and trans-disciplinary research on various aspects of Indian Knowledge Systems (IKS), which promotes interdisciplinary research by disseminating traditional knowledge for societal applications and to create awareness of ancestral knowledge in diverse fields through academia. This centre research on Indian philosophical and cultural contributions, including the impact of Sanskrit texts, Nyaya, and Vedanta.

- **Advisor-** Prof. Archana Gaur, Department of Hindi
- **Nodal Officer-** Dr. Kirti Punia, Department of BMS

HIMALAYAN REGION RESEARCH CENTER

In collaboration with MOEF and CC, Geological Survey of India (GSI) and National Mission on Himalayan Studies, DM (Almora District), to establish a successful Geo- tourism model under this project, college has developed “Himalayan Region Research Center”. This center is established with the vision and mission of student and faculty excursions in Himalayan region to experience the vastness and natural beauty of Himalayas and to explore its connect with oneself and to carry out outreach activities in Himalayas focussing the geological and environmental aspects of the region.

- **Director:** Prof. Rakesh Kumar, Department of History, RLAC

CENTER FOR CYBERSECURITY AND FORENSICS (CoCF)

The Center for Cybersecurity and Forensics (CoCF) at Ram Lal Anand College is a trailblazing initiative, proudly marking itself as the first cyber-dedicated society across the University of Delhi. This center has been established with the core aim of creating a dynamic platform where students, faculty, and non-teaching staff can actively engage with and explore the increasingly critical domains of cybersecurity and digital forensics. In an era dominated by digital transformation, CoCF recognizes the urgency to cultivate awareness, resilience, and expertise in protecting our digital ecosystems.

- **Convener-** Ms. Sakshi Sharma, Department of Computer Sciences, RLAC

SKILL DEVELOPMENT CENTRES

The following Skill Development have been established for the purpose of skill training of students and faculty members:

1. Skill Development Centre for Genomics; Coordinator: Prof Purna Diwan
2. Skill Development Centre for Information Technology; Coordinator: Dr Vandana Gandotra
3. Skill Development Centre for Geology, GIS and Remote Sensing; Coordinator: Dr Ravish Lal
4. Skill Development Centre for Radio Broadcasting; Coordinator: Prof Rakesh Kumar (HN) – Convenor
5. Skill Development Centre for Linguistics; Coordinator: Dr Urvashi Kuhad – Convenor

ADD ON, SKILL DEVELOPMENT, CERTIFICATE & DIPLOMA COURSES FOR STUDENTS

In recent years the college has offered the following courses:

S. No.	Certificate Courses and Diploma
1.	Advance Excel and Data Analysis using Excel
2.	Basic Statistics for Biological Sciences
3.	Chinese Language Certificate Course in association with Department of East Asian Studies, University of Delhi
4.	Chinese Language Diploma Course in association with Department of East Asian Studies, University of Delhi
5.	Japanese Language Certificate Course in association with Department of East Asian Studies, University of Delhi
6.	Japanese Language Diploma Course in association with Department of East Asian Studies, University of Delhi
7.	Creative Writing English
8.	Cyber Security and Forensics in association with Innovian Technologies.
9.	Data Analytics (SQL, advanced Excel and R programming) in association with Step Up Analytics
10.	Disability Studies
11.	Environment Sustainability Practices
12.	Evolution of the Himalayas and Integration of GIS Studies Using QGIS Software & R Programming Language
13.	Excel and Tableau
14.	Exploring feasible Alternative Technologies to Address Environmental Problems
15.	FinTech
16.	Fundamentals of Financial Modelling

17.	Gender Discourse: The Indian Prospective
18.	GST and e-filing of Returns
19.	Hindi Anuvaad in collaboration with Hindi Anuvaad
20.	History of English Literature
21.	History of English Literature
22.	Hospitality and Tourism Management in collaboration with Nijhawan Group of Companies
23.	Human Values, Life Skills and Ethics
24.	India's International Relations & Foreign Policy in a Globalizing World: theories, debates & concerns
25.	Investments in Stocks
26.	Latex: The Mathematical Typesetting Software
27.	Medical Sales Representative
28.	Modern Web Development Tools
29.	Personal Tax Planning and E-Filing
30.	Personality Development
31.	Preparation course for SSC+ Bank PO
32.	Preparatory classes for CAT
33.	Preparatory classes for UPSC CSE
34.	Programming
35.	Python in Biological Sciences
36.	Radio Programming and Production
37.	Renaissance Art
38.	Rust
39.	Science and Environmental Communication
40.	Scientific Writing and Research Ethics
41.	Software Editing
42.	Vector Design and Animation
43.	Web Designing

Viksit Bharat @2047

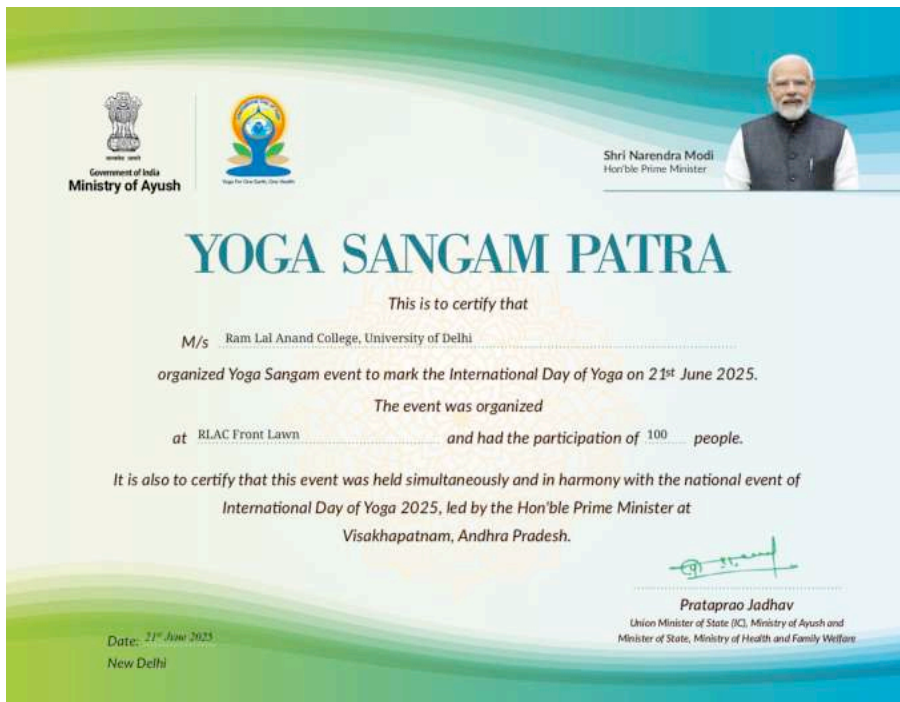

Viksit Bharat @2047 is the vision to make India a developed nation by 2047, the 100th year of independence. The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability, and good governance. Moreover, Viksit Bharat @ 2047, Voice of Youth is an initiative that aims to promote a culture of innovation and entrepreneurship in the country. It invites the youth to share their ideas for a Viksit Bharat. At Ram Lal Anand College we have instituted a Viksit Bharat Ambassadors (VBA) Club, which aims to create awareness among their students about this campaign and encourage them to avail an opportunity to provide their transformative ideas for the Vision of Viksit Bharat@2047.

List of the events organised under the Viksit Bharat to spread awareness are as follows:

- Lecture and Open House Quiz on “Learnings from Kalam’s Life” on 15th Oct 2024
- Dr. G.N. Ramachandran: Documentary Screening and Cross Word Quest on 14th nov 2024

Lecture on “Learnings from Kalam’s Life” organized in the college on 15th Oct 2024

The college has been duly recognised by the Ministry of Ayush for organising Yoga Sangam

Anil Swarup, retired IAS, Former Secretary , Govt. Of India, Education and Coal Ministry

RESEARCH PROFILE AND INITIATIVES

To motivate and give exposure to students in academic research, high achievers are granted opportunities to work as Research Interns in extramural research projects granted to faculty members by different agencies. Also, the college has made provision for students to submit small research proposals under a faculty member for a small seed fund to carry out research in college. Research & IPR cell, Ram Lal Anand College continues to accept research proposals under the "College Research Grant Scheme" (CRG) after the successful completion of the first phase projects with encouraging outcomes.

During the first phase, more than 50 students received training on the conduct of research projects which resulted in a total of 5 international research articles, 11 international conference presentations, and 7 dissertations and in second phase 56 students are involved in 11 sanctioned projects creating an innovative participatory research ecosystem in the college.

This initiative is in line with the New Education Policy which mandates research work through research projects to be undertaken by the students in their 4th year of study. CRG projects created a conducive ecosystem and continued to enthuse, motivate and facilitate the students and faculty members to initiate a research project and collect some preliminary data. It was also envisioned that this scheme would help the investigators to sharpen their proposal writing skills for extramural funding.

In the academic session 2023-24, more than 50 students were trained through summer internships and in current session 56 students are enrolled in summer internships call.

RESEARCH PROJECTS FUNDED BY GOVERNMENT AGENCIES CURRENTLY RUNNING IN THE COLEGE				
S.NO	Title of Research Project	Members	Funding Agency	Amount INR
1.	Sustainable Livelihood Enhancement of Sc Communities in Chainpura Tehsil of Niwai (2024-26)	Prof. Perna Diwan (PI), Prof. Rakesh Kumar Gupta (Co-PI), Prof. Sanjay Sharma (Co-PI), Dr. Nidhi Yadav (Co-PI), and Mr. Siddharth Gupta(Co-PI),	DST	69.76 lacs
2.	Development of Sustainable Geotourism and Global Geopark in Pithoragarh and neighboring districts of Kumaon Himalayas	Prof Rakesh Kumar (PI), Prof Seema Gupta (Co-PI), Dr Ravish lal (Co-PI), Ms Leimvon Zimick (Co-PI)	NMHS (MoEECC)	185 lacs
3.	Cyber-Forensic Framework for User-Centric Human Threat Intelligence Analysis.	Ms Sakshi	MeitY	46.08 lac
4.	Decoding the Brain Microbiome Connection: Exploring the Interplay of Gut Microbiota and Mitochondrial Dysfunction for Development of Novel Biomarkers for Parkinson's disease	Dr Nidhi Verma, Dr Sunila Hooda	ICMR	97.06 lac

5.	Understanding the role of ATP dependent DEAD-box RNA helicases in ribosome biogenesis	Dr Nidhi Verma	DST-ANRF	57.31 lac
6.	GISE Hub (IIT-B) Project (2024-26)- "Traditional knowledge hub for indigenous communities in India", (Co-PI).	Dr. Nidhi Verma (Co-PI), Dr. Saurabh Kumar Sharma JNU (PI), Prof. R. K. Brojen Singh, Professor JNU (Co-PI), Prof. Neel Sarovar Bhavesh, Team Leader, ICGEB(Co-PI), Dr. Saylee Deshmukh (Co-PI) and Dr. Kuldeep Choudhary, Research Officer, RRAP Central Ayurved Research Institute, Podar Medical Campus, Mumbai) (Co-PI)	GISE Hub-IITB	24.9 Lacs
COMPLETED GOVERNMENT FUNDED RESEARCH PROJECTS FUNDED				
1	Assessment of the Income Tax Declaration Scheme 2016: Experimental Evidence on the Taxpayer Compliance Behaviour (2023-24), 6 months	Dr. Debashree Das	ICSSR, Government of India	4 lacs
2	Star College Grant for Strengthening Undergraduate Programme	Coordinator: Prof. Perna Diwan	DBT, Ministry of Science and Technology, Government of India	25 lacs
3	Targeting biofilm formation by inhibiting Cysteine biosynthesis pathway enzymes in ESKAPE pathogens with natural products	Prof. R K Gupta (PI) Prof. Perna Diwan (Co-PI) Dr. Vibha Gupta Associate Professor, Jaypee Institute of Information Technology (Co-PI)	ICMR, Government of India	42 lacs
4	Enhancement of Livelihood Opportunities through Sustainable Development using Multifaceted Support Plans for Village Cluster around Patiya in Takula Block, Almora District, Uttarakhand (2019-2022)	Prof. Seema Gupta (PI), Prof. Rakesh Kumar (Co-PI) Prof Mukta Mazumdar (Co-PI) Dr Rajesh Sachdev (Co-PI), Dr Prabhas Pandey (Co-PI)	National Mission on Himalayan studies (NMHS) by MOEF&CC, Government of India	1.99 crores
5	Alterations in oral microbiome of Betel nut chewing Population of North-Eastern India and its Correlation with Oral Cancers: Prospecting Microbial Consortium for Therapeutic Effect (2018-2022)	Prof. Perna Diwan (PI) Prof. R K Gupta (Co-PI)	ICMR, Government of India	30 lacs
6	Communicating the science behind the phenomenon of antibiotic resistance to promote social awareness (2019-2021)	Prof. Perna Diwan (PI) Prof. R K Gupta (Co-PI)	ICSSR, Government of India	5 lacs
7	A study of Socio-economic and cultural impact of the left-wing Extremism (LWE) in Bastar, Chhattisgarh (2019-2021)	Dr Perna Malhotra (PI)	ICSSR, Government of India	8 lacs
8	Study of varied complexities of North- East region and role of National Cadet Corps to integrate it strongly within the national mainstream (2018-2020)	Capt. Prof. Sanjay Kumar Sharma (PI) Dr Rita Jain (Co-PI)	ICSSR, Government of India	4.99 lacs
9	Assessment and Monitoring of Depth of Anaesthesia using Explainable AI (2021-13397)	Dr Neeraj Kumar Sharma (PI), Prof Rakesh Kumar Gupta (Co-PI), Prof. Sanjeev	ICMR, Government of India	19.55 lacs

		Sharma from Dr. Ram Manohar Lohia Hospital, Delhi (Co-PI)		
10	Resistome metagenomic profiling of bioaerosols in metro network in Delhi- NCR	Prof. R K Gupta (PI) Prof. Prerna Diwan (Co-PI) Dr. Sunila Hooda (Co-PI)	ICMR, Government of India	56 lacs
11	"Evolutionary Genome Complexity of SARS-COV-2 Virus and search for therapeutic Translational Medicine"	Dr. Nidhi Verma (Co-PI), Dr. Saurabh Kumar Sharma, Assistant Professor, JNU (PI), Prof R. K. Brojen Singh, JNU (Co-PI)	Adhoc-Research Scheme- ICMR, Government of India	28.90 Lacs
12	"Stochastic framework and its application to study the dynamics of epidemic diseases: simulation, analysis and strategies to control the spread of virus outbreak (COVID-19) in India" (Co-PI)	Dr. Nidhi Verma (Co-PI), Dr. Saurabh Kumar Sharma, Assistant Professor, JNU, (PI) Prof R. K. Brojen Singh, JNU (Co-PI), Dr. Prakash Sahoo, JNU (Co-PI)	ICSSR, Government of India	7 Lacs
13	Development of computational framework for COVID-19 multi-omics data analysis in collaboration with IBAB, Bengaluru	Ms. Dikscha Sapra (Co-PI), Dr. Jyoti Sharma, Institute of Bioinformatics (PI), Dr. Vibha Gupta, Associate Professor, Jaypee Institute of Information Technology (Co-PI)	ICMR, Government of India	28.30 lacs

COLLEGE RESEARCH GRANT (CRG) Projects – 1st call

	Title of Research Project	Faculty Members	Students Trained	Amount INR
1	Isolation and screening of plastic degrading bacteria from soils collected from different landfill sites of Delhi (2020-2022)	Dr. Sunila Hooda	Poorvi Saini, Ananya Garewall, Neha Verma, Surbhi Singh	45,000
2	Activity of different kind of biosorbents and biodegraders for primary treatment of wastewater produced from laboratories (2020-2022)	Dr. Shalini Swami	Mohd. Fardeen Husain, Bhawana Sharma, Himanshu, Saloni Jain	50,000
3	Combating Methicillin resistant <i>Staphylococcus aureus</i> (MRSA): A drug repurposing approach (2020-2022)	Prof. Vandana Gupta	Anurag Singh, Simran Preet Kaur, Himanshu	50,000

STUDENT EXCELLENCE AWARDS*

- Dr D K Pabby Best Student Awards in Sciences and Humanities-** These two awards were instituted in 2018-19 by Ms Darshana Pabby, in memory of her Late husband Dr. D K Pabby, Ex-Principal, RLA College. Late Dr Pabby was gentle, a great teacher, philosopher, and a kind philanthropist. It was under his tenure that Best Student awards were introduced. Each year two passing out students, one from sciences and the other from humanities streams, who have showcased remarkable talent and dedication in academics, extracurricular, co-curricular, extension activities and research potential in their previous years of study in the college are awarded. The awards carry a cash prize of Rs 20,000/-; a plaque and a certificate.
- Pandit Budh Ram Sharma Best Student Award in Commerce & Management:** The award was instituted 2020-21 by Sh. Om Parkash Sharma, Associate Professor (Retd.), Department of Commerce, RLA College in the memory of his father late Pandit Budh Ram Sharma for the students of Commerce or Management streams who showcase remarkable talent and dedication in academics, extracurricular, co-curricular, extension activities and research potential in their three years of study in the college. The award carries a cash prize of Rs 20,000/-; a plaque and a certificate.
- Ms. Uma Malik Best Student Award in Hindi**

The award has been instituted by the Malik family in the memory of Smt. Uma Malik Ji daughter of Late Shri Ram Lal Anand Ji, Founder, Ram Lal Anand college. The award carries a cash prize of Rs 20,000/-; a plaque and a certificate for the topper in BA Honours Hindi
- Prof. Archana Gaur** has constituted a scholarship in the memory of her father known as Late Shri Mohan Swarup Dwivedi Memorial Scholarship.
- A corpus fund of Rs. 2 Lakh was donated by **Dr. Surender Kumar**, Assistant Professor at Department of Hindi. This fund sponsors three scholarships namely Late Shri Dule

Ram Memorial Scholarship, Late Smt Chatto Devi Memorial Scholarship and Late Shri Bir Singh Memorial Scholarship of Rs. 5000/- each for students belonging to SC/PwD categories studying in B.A. (Honours) Hindi and securing top position in university examination.

- **Prof SC Dabas** has contributed to the endowment fund of Rs 2,00,000/- in the name of Shri Maha Singh Memorial and Smt. Sarbati Devi Memorial Scholarship in 2024-25 to be distributed to 2 meritorious students.
- **Award of Excellence to University Gold Medallist-** Each year students getting university top positions in their respective program of study after completing their final year are felicitated and awarded on the annual day. The award carries a cash prize of Rs. 10000/-; a plaque and a certificate.
- **Academic Excellence award to College Toppers:** Each year students getting top three positions in each program and batch are felicitated and awarded on the annual day.
- **Best Sports Person -** The student with the best performance in sports at the university, zonal, district, state, national or international level is awarded every year. The award carries a cash prize of Rs 5,000/-; a plaque and a certificate.
- **Best NCC Cadet –** The best NCC cadet also is awarded on the Annual Day. The award carries a cash prize of Rs 5,000/-; a plaque and a certificate.
- **Best NSS Volunteer –** The best NSS volunteer is awarded on the Annual Day. The award carries a cash prize of Rs 5,000/-; a plaque and a certificate.
- **Best Start-up Idea Award-** Each year innovative ideas are invited from students under *Business Plan Competition* conducted by the Centre for Entrepreneurship and Technology Development. The ideas are evaluated by external experts and the best idea award carries a cash prize of Rs 5,000/-; a plaque and a certificate. The ideas are also facilitated for Incubation and Mentorship support.
- **Award of Excellence in Extra/Co-curricular activities:** The student with excellent performance in competitions at the International/National/Inter-University level in various Extra/Co-Curricular events is felicitated on the annual day of the college. The award carries a cash prize of Rs 5,000/-; a plaque and a certificate.

**The details and parameters for selection are mentioned on the college website.*

Meritorious students from various departments getting awarded scholarships on 61st Annual Day

Mr. Vidyasagar Singh was awarded Ms. Uma Malik Best Student Award in B.A.(H) Hindi for the year 2023-24.

Ashika Kumari, Kritik Gupta and Abujam Ambedkar Singh were awarded Dr. Devender Kumar Memorial Scholarships in B.A.(H) History for the session 2024-25.

BEYOND CURRICULUM

The college has several committees/societies catering to co-curricular and extra-curricular varied interests and talents of the student community. In the admission form itself, students are required to select/tick a minimum of one preference. Similarly, all students (not only those who are admitted under the sports quota) are encouraged to opt for various games and sports and they are free to aspire for any team of their choice. The cycle begins when the new entrants join the college. Auditions/trials for various societies/sports teams are notified & advertised on the notice board/website and following that the selections are done. Further, the college provides coaching facilities for various sports and co-curricular activities like dance, music, theatre etc. The student office bearers are selected for managing these societies. Some of the co-curricular societies of the college are:

ART AND CULTURE SOCIETY

Convener: Prof. Mukta D. Mazumder (Phone: 9811179891)

There are six diverse wings of the Art & Culture Society: DASTOOR (the Indian music society), GRASS ROOT (the western music society), ILLUSION (the western dance society), ANANTADRSHTI (the Indian dance Society), INARA (the art and craft society) and ANDAAZ (the anchoring society). It is one of the most popular and culturally vibrant societies of the college. Wherein Dastoor, Illusion and Inara win accolades for the college in the inter-college and inter-university level competitions; it is Inara (the soul of the aesthetic aspect of college) and Andaaz who decorate our college in all the events, around the year. The college conducts special arts and culture workshops for the students' training.

Team Anantadrishti securing 1st Position at the Folk Dance Competition in Kala Prawah'25

SANGOSHTI (MONTHLY LECTURE SERIES)

Convener: Dr. Rajesh Kumar (Phone: 9868648241)

Sangoshti organizes lecture series by eminent personalities from diverse disciplines. These talks are followed by interactive sessions with students.

Distinguished Prof. Manoj Prasad delivering a seminar

DEBATING SOCIETY

AWAZ (English)

Convener: Dr. Deepti Bhardwaj (Phone: 9212132420)

AAROH (Hindi)

Convener: Dr. Arvind (Phone: 9650934370)

Richard Feynman said: *“I would rather have questions that can’t be answered, than answers that can’t be questioned.”* To enhance critical skills, curiosity and questioning in the young mind, the Debating Society (Hindi and English) organizes debates and slam poetry competitions.

Winners of 34th Narendra Singh Pradhan Memorial Parliamentary Debate Competition organized by Kirori Mal College

QURU – The QUIZ SOCIETY

Convener: Mr. Basant Kumar Mishra (Phone: 9810331830)

Under the banner of this society, inter-college quiz fests are organised, and the team of Quizzers, also participate in inter-college events and win accolades for the college.

PHOTOGRAPHY AND FILM CLUB

Convener: Mr. Bhukya Rajender (Phone: 7801047357)

The work is divided between the Photography team (CHITRA) and the Film club (PARDA). The team aims to develop photography skills through excursions, exhibitions, workshops and competitions whilst having the opportunity to meet other photography enthusiasts. The collaboration wants to create a community where mutual learning is cultivated.

As a popular art, set in the economic, cultural and political spheres, the film inevitably bears the birthmarks of its passage into light, and it is also composed of pieces of the culture it represents. PARDA, the Film Club screens movies which are socio-culturally relevant, followed by an enriching discussion at the end of each screening.

AMBEDKAR STUDY CIRCLE

Convener: Mr. Gandharv Koushiy (Phone: 9910945162)

A dedicated Ambedkar Study Circle in college provides a crucial space for students to move beyond textbook knowledge of Dr. B.R. Ambedkar. It fosters deep engagement with his vast writings on social justice, annihilation of caste, constitutional morality, and economic equity. Through structured discussions, readings, and events, students learn to critically interrogate persistent inequalities, caste discrimination, and social structures in India using Ambedkar's sharp analytical frameworks. This collaborative learning environment empowers students to apply his principles – like rationality, education, and organization – to understand contemporary societal problems and envision pathways towards a more equitable and just society, making his legacy a living guide, not just history.

HASRATEIN – THE DRAMATIC SOCIETY

Convener: Dr. Nupur Saboo (Phone: 9999151995)

Performing for the people is not always a ‘feel good’ action but a process of engaging with ideas and issues. It is essential to have excellence in the craft, the form, and the aesthetics, and be alert to the questions of ideas and politics. With such ideals forming the premise of the theatre society, each year it turns out to be a bunch of very dedicated and hard-working students, who with their ideas, transcend the limitations of the institutionalized thought process and the subject matter in the laboratory of their enthusiastic performances delves deep and jolts the sensitive, status-quo nerves of the society. The society shapes an enthralling journey!

Team Hasratein performing it's annual street production "Main na Sehta" at Ghalib Institute 's Street Theatre Festival.

GANDHI STUDY CIRCLE

Convener: Dr. Rajender Singh (Phone: 9716743207)

One can love Gandhi, one can hate Gandhi, but one cannot ignore Mahatma Gandhi. With the deeply entrenched mark that Mahatma Gandhi's ideals have left in the collective socio-political psyche of the nation, it becomes inevitable to revisit, and critically analyse his thoughts. Gandhi Study Circle via its conferences, seminars and other events ensures that the Gandhian values are contemporized and presented to the youth of today following the social make-up of contemporary Indian society.

AIKYAM - NORTH-EAST SOCIETY

Convener: Ms. Minaxi Brahma (Phone: 8750979550)

The students from the North Eastern states of India are closely associated with the University of Delhi and RLAC for a very long time. Our college makes special efforts to provide a unique cultural interface to students from the North-East. This society organises the annual cultural festival "Aaranya".

Glimpses of Annual cultural festival "Aaranya" 25

SPIC MACAY - RLAC CHAPTER

Convener: Dr. Deepti Bhardwaj (Phone: 9212132420)

SPIC MACAY (Society for the Promotion of Indian Classical Music and Culture Amongst Youth) has been assertively persuading the educational institutions across India to organise programs of Indian classical music, painting etc. for preserving the ancient form of art and to develop the sensibilities of the students that allow them to appreciate and enrich our cultural values and tradition. RLA College has long been associated with SPIC MACAY. The students associated with the society, coordinate, and run the show, right from its quotidian daily functioning to the successful organization of cultural exuberance. In the recent past, the SPIC MACAY's RLAC chapter organised the prestigious "VIRASAT 2025" event, showcasing a dazzling array of cultural luminaries. From the enchanting Kathak by **Shri Rajendra Gangani**, to the enlightening Heritage Walk led by **Ms. Shumayila**, the event was a testament to artistic excellence. **Dr. Sangeeta Gupta** insightful discourse on Cinema Classics, **Shri Chandra Bhushan**, national awardee Madhubani painting artist and **Pandit Partho Sarothy** and **Shri Anwar Khan Langa** further enriched the cultural tapestry with Sarod and Rajasthani folk. With over 500 students participating, "Virasat" was a vibrant celebration of tradition and creativity.

5 day cultural event "VIRASAT 2025" organised by SPIC MACAY's RLAC chapter

ECO CLUB

Convener: Dr. Deepti Gupta (Phone: 7508280162)

Eco club not only functions within the college but also extends some of its activities beyond college. Within the college, its foremost aim is to create a green campus and plastic-free premises. In this regard, some of our continuous efforts include waste segregation, on-site compost generation, recycle water, herbal garden etc. To enhance students' environmental and ecological consciousness the college makes students visit Biodiversity Parks throughout the year in batches.

Cleanliness drive in college campus

YOGA AND MEDITATION COMMITTEE

Convener: Ms. Shikha Verma (Phone: 9910085505)

To raise awareness vis-à-vis health (both physical and mental), the Yoga and Meditation Committee organizes Yoga camps on the college premises. Experts and trained yoga teachers are invited to share their expertise and inculcate into the psyche of students, the necessity and inevitability of a healthy body and mind, in order to succeed in the contemporary competitive scenario. Several asanas like Tadasana, Trikonasana, Vrikshasana, Vajrasana, Ushtrasana,

Bhujangasana, Shalabhasana, Setubandh asana, Pawanmuktasana, Surya Namaskar etc. are taught to the students in Yoga camps by experts organised in the college.

3-Day workshop on the occasion of 11th International Day of Yoga

ABHIVYAKTI - CREATIVE WRITING SOCIETY

Conveners: Ms. Minaxi Brahma (Phone: 8750979550) (English), Dr. Surender Kumar (Phone: 9711458795) (Hindi)

The college provides various platforms for students to display and develop their writing skills apart from curricular routine. The creative writing committee is a dedicated platform which works to bring together those students who have a flair for writing.

Students visit to World Book Fair 2025

WOMEN WELFARE ADVISORY COMMITTEE

Convener: Dr. M Salome John (Phone: 8860504883)

Organises seminars and debates related to women issues, self-defence course and health camps for girls, to create awareness about their rights among young women students in college and to equip and empower them.

5-day Self-defence workshop organized for college students with trainers from the Special Unit for Women And Children (SPUWAC)

Students at the selfie point, Micro Marathon 3.0 organized by Department of Microbiology

STUDENTS' UNION

Convener: Dr. K G Tyagi (Phone: 9899637083)

RLA College students' union is an elected body with 6 student members and plays a very effective and impressive role in various ways. On one hand, it is a deliberative platform among students & also it serves as a bridge between the wider student community and college authorities. Each year the union organises various programmes specifically the Fresher's welcome and Annual Cultural Festival along with Art and Culture committee.

Students' Union Posts: President (from 4th Year), Vice-President (girl student only), Secretary (any year), Joint Secretary (1st year only), 2 CCs (from any year who represent the college at Delhi University Students' Union)

Star performance in college fest by Mohd. Irfan and Khasa Ala Chahar

ALUMNI COMMITTEE AND ALUMNI ASSOCIATION

Convener: Ms. Sakshi Taresh Khanna (Phone: 9953245840)

RLAC is extremely proud of its alumni base. We are deeply and routinely engaged with our wonderful alumni. This relationship extends in various forms and formats like:

- ❖ Counselling and Career guidance sessions
- ❖ Internships and Employment
- ❖ Merit Scholarship to the toppers of all the courses (Rs. 3000/- each)
- ❖ Alumni Lecture Series

Each graduating student becomes a part of the RLAC Alumni Association (regd.) after paying a nominal fee. The alumni association also organizes alumni meetings.

President – Mr. Raja Babu, Financial Manager, Protiviti India (Alumnus of Department of Statistics, RLAC)

Vice President –Dr. Awdhesh Kumar Jha, Assistant Professor, Dept of History, PGDAV (Alumnus of Department of History, RLAC)

Secretary – Mr. Tarun Shrivastav, Advocate (Alumnus of Department of Commerce, RLAC)

Joint Secretary- Nitin Agnihotri, Special Prosecutor, SFIO, Ministry of Coprorate Affairs (Alumnus of Department of Microbiology, RLAC)

Joint Secretary- Anuj Samvedi, Actuarial Analyst (Alumnus of Department of Statistics, RLAC)

Alumni interactions at various departments during the session 2024-25

GENDER SENSITIZATION COMMITTEE

Convener: Mr. Deepak Setia (Phone: 8851217516)

This committee aims to provide an understanding of the social and cultural constructions of gender in society. The activities conducted by this committee have the objective to generate awareness in students about gender equality in law, social system and democratic activities. In accordance with Govt. of India's policy, **Gender Champions** are envisaged as responsible leaders who will facilitate enabling environment within their educational institutions for gender sensitization. Our college selects five such nominations each year acknowledged as Gender Champions. **Asmi** is the name of the college journal dedicated to cover gender issues.

CIVIL SERVICES EXAMINATION GUIDANCE COMMITTEE

Convener: Mr. Deepak Setia (Phone: 8851217516)

From 2025 academic session, the college plans to provide aspiring students meticulous guidance in their preparation for various competitive exams especially civil services exams. In the recent past, Kumar Sushant from Department of English (2018-2021 batch) cleared the UPSC exam with AIR 122 in civil services 2022 batch.

NATIONAL SERVICE SCHEME (NSS)

Program Officer-Dr. Anurag Sharma, Department of Statistics (Phone: 8285468733)

The NSS unit of Ram Lal Anand College aims at creating social awareness amongst youth, foregrounding the ills of the society, with a larger philanthropic motive of serving the nation at large. It is endeavoured via varied mediums in the realm of arts and culture, like Nukkad-Natak, slogan writing, alongside actual participation on the ground; it campaigns against evils like 'drug addiction', promotes road safety, sensitization towards ailing and elderly individuals and enthruses the masses with drives like promotion of digital economy, Swacchata Abhiyaan etc. On completion of 2 successful years (120 hours/year) and 1 camp student gets a certificate from the Ministry of Youth Affairs and Sports. Our college was selected as one of the five Nodal Centres in Delhi by NSS Directorate to host District Youth Parliament (DYP) competition.

NATIONAL CADET CORPS (NCC)

**Associate NCC Officer: Major Prof. Sanjay Kumar Sharma, Department of Hindi
(Phone: 9868411450)**

The National Cadet Corps (NCC) in India was formed with the National Cadet Corps Act of 1948. It was raised on 15th July 1948. The motto of NCC is unity and discipline. In line with the motto, NCC unit RLAC aims to develop qualities of character, courage, discipline, leadership, a spirit of adventure, sportsmanship and the ideals of selfless service in youth amongst the students, so that they mature to become good citizens. It also creates a human resource of organized, trained, conscious and motivated youth, always available to the service of the nation and its citizens. NCC cadets represent the college under the 7th Delhi Battalion in various National Events and Camps such as OTA SSB COURSE, CM RALLY, THAL SAINIK CAMP and PARASAILING CAMP. The college ensures that a minimum number of NCC drills do take place to make our cadets eligible for reputed B & C level certificates. The college now has an NCC girls cadet wing also.

Academic Excellence

Ms Akanksha Rawat, University Topper and recipient of Gold Medal 2024 of B.Sc. (Hons) Geology III Year was awarded the **University Gold Medal** for securing Top position in the University of Delhi. She was felicitated in the University of Delhi Convocation of 2025.

Mansi Rana, Aryavendra Pratap and Sahil Kumar, students of B.Sc (H) Geology--I Year, won the prestigious Gold Medal in Debate Competition at PRITHVI 2025, which is India's Largest Earth Science Symposium, organised by the Department of Geology and Geophysics,

STUDENT SUPPORT

CAREER COUNSELLING AND PLACEMENT CELL

Convener: **Dr. Pawan Kumar, Department of Mathematics (Phone: 9717425071)**

The college has a dedicated Career Counselling and Placement Cell that guides and helps the students in their placement, both for internships during vacations and jobs at the end of the graduation programme by organizing interactions with the recruitment representatives of different companies. Recently, more than 200 students secured on-site offers during the career fair organized at the college in which around 20 companies interviewed our students. The CCPC also frequently organizes various workshops and sessions to teach and develop soft skills among our students.

<https://rlacollege.edu.in/placement-cell.php>

EQUAL OPPORTUNITY CELL, EOC

Convener: **Dr. Kuldeep Singh Chauhan, Department of Statistics (Phone: 9953197951)**

The college has an EOC to ensure no discrimination takes place within the college campus on grounds of disability or minority or reserved status. EOC has taken special initiatives for the differently-abled students. The college has dedicated washrooms/restrooms, tactile paths, ramps, hardware and software in the library and a book bank. The visually impaired students as soon as they enrol in the college are provided with Braille books and laptops on a returnable basis. EOC also regularly organizes workshops, seminars, and symposiums for providing a

platform to all the students, especially about the EOC mandate for women, SC, ST, OBC and religious minority students.

SUGAM

Convener: Dr. Soma Patnaik, Department of Political Science (Phone:9868329719)

The committee aptly titled ‘SUGAM’ aims to provide a deliberative platform, especially to our differently-abled students.

MEDICAL AND COUNSELLING FACILITIES

The college makes available the services of a qualified doctor and a professional counsellor on a part-time basis. A qualified nurse is available on all working days, at the following timings: 9 AM to 5 PM – Monday to Friday

Dr. Aneet Wadhwa (Medical Officer)

Dr. Jyotsna Mittal (Psychologist Counsellor Phone: 9717009272)

Ms. Pooja (Nurse)

STUDENT CONCESSION & SPECIAL FEE WAIEVRS

Each year applications are invited from among the students for fee waivers and student aid funds and other scholarships at stipulated time of the year. Only such applications are considered wherein a student is not receiving any other scholarship.

The College renders financial aid to needy students by granting the following:

- i. **Fee Concession and Student Aid** – INR 8 Lac is disbursed among needy and deserving students each year. Convenor: Ms Dikscha Sapra
- ii. **Full Fee waiver to PwD students** (except for admission fee, students’ union fee and identity card fee totalling Rs. 75 only per annum)
- iii. **Dr. M C Gupta Scholarship in Commerce** – Two scholarships of Rs 6000/- to needy and meritorious students of Commerce each year from 2021-22. It is sponsored by Ms Rani Gupta w/o Late Dr M C Gupta in memory of her husband late Dr M C Gupta, Associate Professor (Retd), Department of Commerce RLA College.

- iv. **Dr. Ramesh Chandra and Ms Kanti Mishra Scholarship** – Two scholarships of Rs 4000/- to needy and meritorious students each year from 2021-22. It is sponsored by Dr R C Mishra, Associate Professor (Retd), Department of Hindi, RLA College.
- v. **Dr. M S Verma Scholarship** – One Scholarship of Rs 6000/- to the needy and meritorious student each year from 2021-22. It is sponsored by Dr M S Verma, Associate Professor (Retd), Department of Commerce, RLA College.
- vi. **Dr. R K Agarwal Scholarship** – One scholarship of Rs 6000/- to the needy and meritorious students each year from 2021-22. It is sponsored by Dr. R. K. Agarwal, Associate Professor (Retd), Department of Economics, RLA College
- vii. **Sh. Mohan Swarup Dwivedi Memorial Scholarships:** The scholarships have been instituted from 2022-23 by Prof. Archana Gaur, Department of Hindi in the memory of her late father Sh. Mohan Swarup Dwivedi for girl students coming from economically weaker backgrounds, studying Hindi Honours and securing a minimum of 55% marks in first & second year.
- viii. **Dr. Devender Kumar Memorial Scholarship:** Two scholarships of Rs 6000/- to needy and meritorious students of History each year from 2022-23. It is sponsored by Mrs. Manju Sharma w/o Late Dr. Devender Kumar in memory of her husband late Dr. Devender Kumar, Associate Professor, Department of History, RLA College.
- ix. **Dr. G. R. Taneja Memorial Scholarship:** From 2022-23, seven scholarships amounting to a total of Rs. 42000/- (each of Rs 6000/-) to needy and meritorious students; one of English and six others from different departments in our college. It is sponsored by Dr. Ranjana Srivastava w/o Late G. R. Taneja in memory of her husband late G. R. Taneja, Associate Professor, Department of English, RLA College.
- x. **Late Shri Dule Ram Memorial Scholarship**
In the memory of his Late Father Shri Dule Ram, Dr. Surender Kumar, Assistant Professor, Department of Hindi has instituted scholarship of Rs. 5000/- for student belonging to SC/PwD categories studying in B.A. (Honours) Hindi and securing top position in university examination.
- xi. **Late Smt Chatto Devi Memorial Scholarship**
In the memory of his Late Mother, Smt. Chatto Devi, Dr. Surender Kumar, Assistant Professor, Department of Hindi has instituted scholarship of Rs. 5000/- for student belonging to SC/PwD categories studying in B.A. (Honours) Hindi and securing top position in university examination.
- xii. **Late Shri Bir Singh Memorial Scholarship**
In the memory of his Late Brother Shri Bir Singh, Dr. Surender Kumar, Assistant Professor, Department of Hindi has instituted scholarship of Rs. 5000/- for student belonging to SC/PwD categories studying in B.A. (Honours) Hindi and securing top position in university examination.
- xiii. **Dr. Usha Aggarwal 'Tejasvi' Scholarship** - Two scholarships of Rs. 6000/- each is given to topper students of B.Com Prog on the basis of their first and second year result performances.

- xiv. **Sultan Chand Dropadi Devi Memorial Scholarship** - One scholarship of Rs. 6000/- is given to third year B.Com Hons student on the basis of highest marks scored in second year.
- xv. **Mrs. Uma Malik Memorial Scholarship**
The scholarship has been instituted by the Malik family in the memory of Smt. Uma Malik Ji daughter of Late Shri Ram Lal Anand Ji, Founder, Ram Lal Anand College. It carries eight scholarships amounting to Rs.8000/- each to needy and deserving students of first year.
- xvi. **Examination fee waiver to PWD students.**
- xvii. **Tuition fee waiver to SC&ST students.**
- xviii. **Alumni Scholarship** – Alumni Association of the college provides 14 scholarships/awards of Rs 3000/- to the toppers of various undergraduate programmes.
- xix. **Special Financial Incentives for students in Sports** - Incentives and awards are given to the outstanding players, as per the details given below, who show excellent performance in International / National / All India Inter University / North Zone Inter - University and Inter-College tournaments for the year. Along with prize money, the fees of students who have participated in International / National / All India inter university / North Zone university tournament get fee refunds/waivers.

Category	Level of Game / Sports Competition (s)	Certificate issuing Authority	Positions / Participation In Game / Sports Competition (s)

- Special Prize worth Rs 2000/- (approx.) each to those who have shown their efforts and performed really outstanding in the University Inter-College matches and other sports tournaments played in the year.
- Inter-Department sports tournament prizes for Students:-
 - Team game winners -- Rs 1000/- each player
 - Team game runners up -- Rs 800/- each player
 - Individual event Gold -- Rs 1000/- each player
 - Individual event Silver -- Rs 800/- each player
 - Individual event Bronze -- Rs 600/- each player

RLA Kho-Kho team Gold medal winners

GOVERNMENT-FUNDED & PHILANTHROPIC SCHOLARSHIPS

The college from time to time receives scholarship notification from various government agencies, especially for students belonging to SC/ST/OBC categories and religious minorities. The college regularly notifies such information through the website, notice boards and IQAC. Some examples of such schemes are IshanUday for students from North-Eastern states, Scholarships from Delhi Govt., Prime Minister's Special Scholarship for Students (PMSSS) belonging to Jammu & Kashmir, INSPIRE, and philanthropic organizations like BROTHERHOOD etc. Kindly visit the following links for more information <https://scholarships.gov.in/> and <https://www.aicte-jk-scholarship-gov.in/login.php>

Nodal Officer: Prof. Mukta Mazumder (Dept. of Statistics)

INDUSTRY ACADEMIA INTERFACE

In order to promote academic cooperation and to provide a platform for students to enhance experiential learning and hands on training, several MoUs have been signed by the college in recent years with IQAC of ten Colleges in Delhi (IQAC Cluster), S. M. Sehgal Foundation, Molitics, Amar Ujala Publications Limited, Virtual Labs, Calyxpod Solutions, School of Open Learning, University of Delhi and Family of Disabled (FOD).

MENTORSHIP

Apart from curricular and co-curricular guidance, the college remains committed to the psychological and personality development of each student. In this regard, each student of the college is made formally associated as a mentee with a particular teacher who works in the role of a mentor. Apart from regular interactions, regular meetings are held between the mentor and mentee to ensure no student feels alienated in any way during college life. Mentor-Mentee meetings regularly take place at stipulated timings of 2 hours each week as per scheduled timetable. A list will be prepared within a month of the starting of the session wherein all first-year students will be allocated a faculty member each.

REMEDIAL CLASSES

For slow learners, our faculty members take up remedial classes at the end of each semester. The schedule for the same is displayed separately by each department. The remedial classes are also helpful for such students, who miss out on classes/lectures due to their participation in inter-college co-curricular and sports activities.

PARENT-TEACHER MEETINGS

The college prefers regular Parent-Teacher meetings which include department visits and an interactive session between the teachers and parents regarding the performance of the students. The college also collects feedback from parents through online and offline modes.

STUDENTS' FEEDBACK SYSTEM

The feedback from students is collected online at the end of each semester of the academic session. The feedback forms are analysed to improve the teaching-learning process.

ENHANCED LEARNING OF STUDENTS

For enhanced learning experience of students and faculty, Ram Lal Anand College has enrolled itself as

- LOCAL CHAPTER for MoE sponsored National Program on Technology Enhanced Learning (NPTEL) which offers online courses. More than 400 enrolments were done in recent years out of these many students have successfully completed various categories of certifications like Elite+gold, Elite+silver, Elite etc. Several teachers have been awarded TOP PERFORMING MENTOR certifications. Ram Lal Anand College is the only college in University of Delhi to make its place in the list of **ACTIVE LOCAL CHAPTERS** issued by NPTEL in 2019. The enrolments are done twice a year. Students are encouraged to take up at least one course.
- The college also promotes enrolment of students through licenses received for free enrolment to various **American massive open online courses (MOOC) available on Coursera platform** of various fields including engineering, data science, machine learning, mathematics, business, financing, computer science, digital marketing, humanities, medicine, biology, social sciences. Earlier, college procured 1700 free licences for enrolment. Also, more than 750 certificate course completions took place including 13 specialised courses by students and faculty on Coursera platform.

Single Point of Contact (SPOC) for NPTEL& MOOCs – Dr. Shikha Makkar, Department of Commerce

VIRTUAL LABS

Our college is also one of the nodal centres for Virtual Labs which is an initiative of MoE for better understanding of experiments by students studying in various programmes in the science stream. <https://web.iitd.ac.in/~sbhalla/virtuallabgallery.html>

Coordinator– Prof. Neeraj Kumar Sharma, Department of Computer Science

ICT FACILITIES FOR STUDENTS

The college has taken up the cause of technological advancements among all students very seriously. At present the college has **280+ computers** installed & functioning in college at various laboratories, library, departments, staff room, administrative and other formal locations, etc. From the academic session 2022-23 nine Smart Boards have been put up in classrooms specially where lectures for science courses are held.

A dedicated *computer lab for students* is also functional and is exclusively available to all students of the college on every working day after 2 pm to learn and access the digital and virtual world. The computers are linked to the Delhi University server which provides students remote access to a large number of journals and books.

Further, the college duly follows the university-sanctioned scheme of providing **laptops** for educational purposes to each student in the 2nd and 3rd year in the college on a returnable basis.

To complement the university's efforts the college has provided a **Wi-Fi-enabled campus**. The college has in total 40 ICT-enabled classrooms linked to LAN, of which 18 are **smart classrooms**, and well-equipped labs in the departments of BJMC, Computer Science, Commerce, Geology, and Statistics, Microbiology and Mathematics. All classrooms are IT-enabled.

During Covid pandemic, online teaching-learning continued, and the college enhanced its IT support and infrastructure. The students and faculty were provided with a G-Suite account facility with Institutional email IDs for online classes and to have Google classroom access. An FDP on ICT Tools and LMS was conducted for all faculty members before the start of academic session 2020-21 to facilitate online teaching covering all platforms including Google Meet, Google Classroom, Canvas, JioMeet, and Zoom, Photo and Video Editing tools.

For curriculum enrichment, the college offered 21 skill development certificate courses for students (without any additional fees for college students) in online mode to utilize the lockdown Period constructively.

The college has also expanded its Social Media reach by creating a Twitter handle: **@RLAC_DU**

The college has its own **YouTube Channel** where pre-recorded lectures of our faculty members apart from other virtual creations are made available for a wider reach.

In our in-house state-of-the-art STUDIO the college screens and trains selective students from various departments who have interest in designing web based portals and programmes. Such students are formally guided to help them learn how to design and broadcast on the digital platforms and also on the **Community Radio Channel** hosted by the RLA College.

The college has taken the membership of ICT Academy for five years to provide support to students and faculty for industry engagement, skill development and academic training.

Laptop Bank:

The university has provided substantial number of laptops to the college to distribute among needy students for their day to day digital /virtual educational requirements. Each student who has cleared the first-year exams is eligible to apply for a laptop. At the end of each semester before the exams begin, the student has to return the laptop and receive clearance to become eligible to write exams.

Laptop Distribution In Charge–Prof. Neeraj Kumar Sharma, Dept of Computer Science

BOOK BANK

Under the Book Bank scheme, the college provides prescribed syllabi-based study material and relevant readings to needy and deserving students across different courses and departments.

INFORMATION SHARING

To keep the students updated with relevant information the college makes use of different platforms; Digital Smart Board installed in college, Email to students, Notices on the website as well as at prominent physical locations within the college. Apart from this, teachers also informally interact with students regularly through new LMS platforms such as Google Classroom, Moodle, Canvas etc and Video Meetings and Chats through Whatsapp, Zoom, Google Meet, Microsoft Teams etc.

DISCIPLINE CUM ANTI RAGGING COMMITTEE

Any student can approach the institution for any kind of grievance/complaint through the following means:

- File an online complaint through the college website www.rlacollege.edu.in or through e-mail at rlac.du@gmail.com
- Submit written complaint by dropping it in the college complaint box.
- Directly approach the principal.

The college website has following dedicated complaint forms:

- General Grievances & Complaints
- Grievances & Complaints from SC/ST/OBC fraternity
- Grievances & Complaints regarding Ragging
- Grievances & Complaints against Sexual Harassment

See Ordinance XV-B & C, Regarding: Maintenance of discipline among students of the university and Prohibition and Punishment for Ragging

RIGHT TO INFORMATION ACT COMMITTEE (UNDER SECTION V (1) OF THE RIGHT TO INFORMATION ACT, 2005)

- ❖ Public Information Officer: Prof. Rakesh Kumar, Dept. of Hindi, 9899686959
- ❖ Deputy P.I.O: Dr. Shachi Meena, Dept. of History, 8527818389
- ❖ Appellate Authority: Prof. Rakesh K. Gupta, Principal

Kindly visit the following link for more information: https://rlacollege.edu.in/RTI_Act.php

INTERNAL COMPLAINTS COMMITTEE

To maintain and create an academic and work environment free of sexual harassment for all members of the university community, Delhi University adopted the Sexual Harassment of Woman at Workplace (Prevention, Prohibition and Redressal) Act, 2013 on “Sexual Harassment”. In keeping with this, the college has a duly constituted Internal Complaints Committee against sexual harassment. The Committee will ensure to create an atmosphere promoting equality and gender justice in the college. Complaints against sexual harassment from any member of the college community are attended to by the committee. The committee members are as follows:

❖ Dr. Ritambhara Mishra	Presiding Officer
❖ Dr. Rita Jain	Department of Statistics
❖ Mr. Ankit Kumar	Department of Mathematics
❖ Adv. Ms. Sakshi Bhayana,	Advocate and PoSH Trainer (External Expert)
❖ Mr. Naresh Kumar	Non-Teaching Staff (Section Officer Admin)
❖ Ms. Mukti	Non-Teaching Staff (Library Attendant)

Three student members are elected each year. This year the following have been elected:

1. Khushi (BJMC)
2. Dharmvir (Political Science)
3. Sonali Singh (Political Science)

Kindly visit the following link for more information: <https://rlacollege.edu.in/special-committees.php>

STUDENT GRIEVANCE REDRESSAL COMMITTEE

This is a committee mandated under University Grants Commission (Redressal of Grievances of Students) Regulations, 2023. Students already enrolled in the institution or those seeking admission can register their grievances by visiting college website www.rlacollege.edu.in (Complaints and Grievance tab). The composition of the committee is as follows:

➤ **Chairperson: Prof. Rakesh Kumar Gupta, Professor Principal**

Members:

- Prof. Vandana Gupta, Professor, Department of Microbiology
- Dr. Pardeep K. Sharma, Associate Professor, Department of Physical Education
- Dr. Surendra Kumar, Assistant Professor, Department of Hindi
- Mr. Kaptan, Assistant Professor, Department of Political Science
- One Student Representative

ADMINISTRATIVE STAFF

Administrative Officer (Admin) Ms. Chanchal Batra
Section Officer (Admin) Mr. Naresh
Section Officer (Accounts) Mr. Sanjay Jain (Acting)
Senior PA to Principal Mr. Arvind Singh Parihar

GENERAL RULES FOR STUDENTS

COLLEGE TIMINGS

College functions from 08.00 AM to 8:00 PM and time table is prepared in accordance for both semesters, beginning from July and January. Each lecture/tutorial/practical is of one-hour duration.

ATTENDANCE AND CONDUCT

Students are required to fulfil the minimum eligibility requirements of attendance as stipulated by the University, to be eligible to appear in the Delhi University examination. They must also have satisfied the college authorities regarding general conduct and adherence to college discipline and fulfil other relevant criteria to enable them to appear in the University Examination. Any student who will be unable to fulfil mandatory attendance criteria will be debarred from writing the exams.

ERP

Enterprise Resource Planning (ERP) is software which is being used in the college primarily for the smooth conduct of everyday teaching-learning activities. Each student as well teacher is provided with a unique ID on ERP app. In this app, based on a web portal, every student and

teacher remain connected. Real time attendance, information related to assessment, evaluation, activities of departmental societies, dissemination of important dates, etc. is provided on a regular basis. We notify students and their parents through the ERP system about monthly attendance shortages, reminding them to maintain regular attendance. The name of software/app is “SmartProf RLAC” and URL of software is <https://www.rla.mobiquel.com/smartprof/index.php>

DISCIPLINE, ANTI-RAGGING, AGAINST SEXUAL HARASSMENT

Non-observance/violation of any of these rules will be treated as an act of indiscipline and necessary action will follow. The discipline committee of the college may impose a fine or in cases of gross indiscipline expel/rusticate a student. The student has to abide by the following ordinances of the University of Delhi, Ordinance XV-B, XV-C, XV-D (<http://www.du.ac.in>). Regarding discipline it is an utmost requirement that each student must act and behave in a manner befitting a student of this esteemed institution even when outside college campus.

MIGRATION

Migration at RLAC is done as per the university rules and college has the right/discretion; if the strength of students in a course is less than sanctioned, then in-migration is allowed and if the strength of students in a course is equal to or less than the sanctioned strength, then out-migration is not allowed.

IDENTITY CARD

Students are given BAR-CODED ID Cards and each student must carry their Identity Card to the college every day. They must produce the same whenever required to do so.

NOTICES

Students are advised to check the Notice Board, ERP App, College and Delhi University Website, and Class Whatsapp groups regularly for any information. Though the college also informs the students through emails/ERP app, it will be the responsibility of the student wholly to keep himself/herself updated.

ORDER AND SILENCE

Students must maintain decorum during online/offline classes and events. If anyone is found creating a disturbance or doing any mischief or causing disruption of any nature, then strict disciplinary action will be taken against such students leading up to suspension/dismissal/rustication from college depending upon the severity of wrong-doing. Students should not loiter in the corridors or talk loudly on the college premises.

MOBILE PHONES

Use of cell phones in offline classrooms, libraries, laboratories, auditoriums, and seminar halls, especially during regular lectures/practical/tutorials/study/programmes/examinations etc. is strictly prohibited. Disciplinary action will be taken for any violation. Playing music on a mobile phone or any other device will attract disciplinary action.

NO SMOKING

The College is strictly a smoke-free zone. Any act of violation will be penalized.

CLEANLINESS

College premises including the lawns must be kept clean. Disciplinary action will be taken against those who deface or spoil the college property. Students are motivated to take part in cleanliness drives.

OUTSIDERS

Outsiders are not allowed to enter the college premises. In case such visits are essential, they must seek prior permission of the principal and enter their details in the register kept at the main entry gate.

VISITORS

Students are not permitted to receive or entertain visitors in the College. In case of extreme urgency, only parents/guardians may approach the Administrative Officer or the Section Officer (Admin).

PARKING

Students are not allowed to bring their vehicles inside the college premises.

FEE PAYMENT

At the beginning of each year every student is required to deposit the college fee through DU online portal. Delayed payment leads to penalty and further increase in fine. Students need to be careful about timely payment otherwise students may not be allowed to appear in exams.

ADMIT CARD: Student need to download admit card for each semester exam. While filling exam forms, students need to be careful about unique paper code and confirm it from college office. Correct information must be filled in exam form by the student for both theory and practical.

EXAM FEE DELAY FINE

Every year in the months of March and September students are required to submit examination forms and deposit examination fee through online portal. Failing to do this within stipulated time will result in being debarred from appearing in the examination. Also, late submission of exam forms and fee will invite statutory fine/penalty.

LIBRARY RULES FOR BOOK ISSUANCE

Books issued to students at the library must be returned within the stipulated time. A fine of Rs. 2 per day for first 15 days of delay and Rs. 5 for each further day will be strictly imposed on the students for each book not returned on time. Clearance will be provided to the student to be eligible to write exams only after all such dues are cleared from library. For detailed Library Policy please visit RLA College website.

DAMAGE TO PROPERTY FINE

Any defacement/damage/misuse of college property as well as common resources of the college will be dealt with extreme seriousness. It will invite disciplinary action/punishment/penalty/suspension/rustication or even forwarding of the offence for legal action with the police.

SCHEME OF EXAMINATION

EXAMINATION

Students are advised to download their Examination Admit Card well before the beginning of their semester-end examination. Students are regularly assessed and evaluated for semester results on various parameters like class tests, open-book exams, written assignments, projects, presentations, viva, PPTs, etc. Each student is expected to participate in all such activities so that he/she is assessed and evaluated appropriately.

ABSENCE

1. If a student is absent for four consecutive lectures/tutorials/practical then he/she must write an application countersigned by one of the parents addressed to the college principal stating the reason for absence immediately when he/she returns to classes.
2. If a student is absent for medical reasons, he/she must write an application to this effect and produce a medical certificate immediately when he/she joins the college. These applications and the medical certificate must be submitted to the college office. Application at the end of the term/semester shall not be entertained.
3. Students short of required attendance (minimum 67%) will be detained from appearing in the End Semester Examination.
4. For such students who have to miss out on classes/lectures due to their participation in inter-college co-curricular activities, the college makes a special concession in attendance according to the university rules (Ordinance VII (2)).
5. The students are required to attend a minimum of 67% of lectures and tutorials and practical (wherever applicable) separately in all the papers held during a semester failing which he/she will not be allowed to take the Examination of the University.
6. The Examination shall be conducted at the end of each semester as per the University Academic Calendar notified by the University of Delhi.
7. **Passing & promotion criteria:** RLA College strictly follows University of Delhi rules, norms and eligibility criteria for passing and promotion of students from one batch to the next, in particular course and overall programme. Please visit Delhi University website for detailed information on the NEP 2020 based UGCF 2022 passing and promotion eligibility criteria.

Under the UGCF 2022-23 new rules for Internal Assessment (IA) and Continuous Assessment (CA) marks calculation have been notified by the university;

https://www.du.ac.in/uploads/new-web/22032023_Notification%20-%20Amendment%20to%20Ordinances%20VIII.pdf

The college has an elaborate and extensive procedure to conduct and evaluate students for their IA and CA requirements. Students are informed about this well in advance.

Internal Assessment:

(i) Internal Assessment (IA) shall consist of marks secured in class tests, assignments/ presentations and attendance. For instance, for an Internal Assessment of 25 marks, Class tests shall comprise of 10 marks, Assignments/Presentations shall comprise of 10 marks and attendance shall be for 5 marks. Similarly, for IA of 30 marks, 6 marks shall be for attendance, 12 marks for class test and 12 marks for Assignments/Presentations.

(ii) Six marks for attendance shall be distributed as follows:

Attendance cut-offs	Marks (out of 6)
More than 67%but less than70%	1.2 mark
70% or more but less than75%	2.4 marks
75% or more but less than 80%	3.6 marks
80% or more but less than85%	4.8marks
85% and above	6.0 marks

Continuous Assessment

Out of forty marks allocated for Continuous Assessment of tutorial, five marks shall be for attendance, which shall be distributed as follows:

Attendance cut-offs	Marks (out of 5)
More than 67%but less than70%	1 mark
70% or more but less than75%	2 marks
75% or more but less than 80%	3 marks
80% or more but less than85%	4 marks
85% and above	5 marks

*There shall not be marks for attendance in Continuous Assessments for practical.

Practical marks for courses of total **four** credits, shall comprise of

- (i) continuous evaluation (25%),
- (ii) end term practical examination (50%)
- (iii) viva-voce (25%)

Practical marks for courses of total **two** credits shall comprise of

- (i) continuous evaluation (25%)
- (ii) end term practical /written exam (50%)
- (iii) viva-voce (25%)

NOTE:

1. Apart from the above, a university examination fee will be payable at the time of submission of examination forms during the month of Sept. /Oct for the odd semester and Feb/March during the even semester. The Fee detail will be notified on the Notice Board and website.
2. The amount of the fee has to be paid through DU online portal.

INFRASTRUCTURAL FACILITIES

LIBRARY

The total carpet area of the library is 1500 sq. mts out of which 500 sq. mts has been earmarked as reading space for students, of which 50 sq. mts for teaching staff and another 50 sq. mts for differently-abled. The total seating capacity of the library is 120. Its working hours at present are 8:00 am to 8:00 pm, and college plans to extend it further soon, except on holidays. A well-lit and fully air-conditioned library, it provides individual reading carrels, a lounge area for browsing and relaxed reading, and an IT zone for accessing e-resources. The college has subscribed to the latest journals, magazines and books for its students, faculty, and staff. Our library has approximately 67000 books, subscriptions to over 40 journals and 14 newspapers (both Hindi & English), 8 Kindle readers, 6 web-connected laptops, 2 desktops are specially provided with software to make them differently-abled friendly, 6 Daisy Players, KIBO Multilingual Keyboard Scanner & Reading Companion for the visually challenged students. The library is also digitally connected via N-List and has acquired Sugam Pustakalaya annual membership for VH students.

Information and Library Network (INFLIBNET) of UGC has been subscribed to by the college. For remote access to the online e-resources/e-books/e-journal, the college provides Login ID and password to each student for the N-list portal. OPAC system is functional for easy access and location of books in the library. The Kindle section is operational to facilitate digital reading of books. More than two lakh books are now available on Kindle devices. For differently-abled students/faculty, a fully functional dedicated reading room is available having books (in Braille), laptops and software especially helpful for the visually impaired. Also, magazines for competitive exam preparation are subscribed to.

The library staff provides all help to students and teachers to locate, issue/return books and other aspects like using OPAC etc. The support staff ensures the smooth functioning of the library and takes care of security concerns therein.

SMART CLASSROOMS AND LABORATORIES

The college campus, fully Wi-Fi enabled, has in total 40 ICT-enabled Air conditioned classrooms linked to LAN, of which most are smart classrooms, and well-equipped labs in the departments of BJMC, Computer Science, Commerce, Geology, Statistics, Microbiology and Mathematics. All classrooms are IT-enabled.

FACILITIES FOR PwD STUDENTS

The students, staff and faculty of our college are highly sensitive to the special care needed for differently-abled students. The college has dedicated washrooms/restrooms, tactile paths, ramps, a hardware reading room and software in the library. Motorized wheelchairs are provided to the needful disabled students, the library also provides a scanner cum reader to the visually impaired students through which they can convert useful books into audiobooks. A centrally located elevator is functional for use by disabled students and staff members improving their mobility within the college.

DRINKING WATER

Potable water is supplied through a well-maintained RO plant with 500 litres/hour capacity. Its TDS levels and safety are regularly monitored.

PHOTOCOPY SHOP

In-house photocopy, binding and printing facilities are available at reasonable prices. Basic stationary-related everyday use items are also easily available at reasonable costs in the shop.

GIRLS COMMON ROOM

Women students of the college have been provided with a spacious and comfortable girl's common room. This room is located on the first floor of the college building in close vicinity of the faculty staff room. This room is equipped with clean washrooms and comfortable seating. The Room has two Sanitary napkin dispensers installed. This room is properly ventilated to provide a friendly environment for students. It has been designed to provide a support network for female students as well as to give them a place to unwind themselves and indulge in informal discussions during available free time.

CANTEEN

The college has a well-maintained, clean, hygienic, spacious canteen monitored by a team of faculty members. Our focus is less on junk food, and we try to promote healthy snacks and meals. With regards to this, our core policy is that everyone from the college fraternity can afford sumptuous and balanced food within a range of Rs. 40-60.

ACTIVITY CENTRES

Considering the wide range of co-curricular activities taking place in the college, our students are provided with dedicated spaces. One activity centre is a huge hall with physical partitions created for different kinds of activities to take place simultaneously. Several of our budding artists spend passionate hours here every day to hone their skills in domains like theatre, music, dance, anchoring, painting, etc. Another activity centre for regular Yoga sessions for both students and faculty is under preparation right now and should be functional soon.

AUDITORIUMS

The college has two auditoriums. Both are multi-purpose auditoriums with projection screens and wall-mounted LCD Projectors with a seating capacity of 120 in each of the two. In addition, the front lawns of the college are utilized for events involving large gatherings.

SEMINAR & COMMITTEE ROOMS

The college also has an IT-enabled Seminar Room with a seating capacity of 70 for small events like debates, poster-making competitions, inter-college activities, Staff Council and committee meetings etc. The Committee Room is in the administrative block having a seating capacity of 25 people for meetings.

OPEN-ACCESS COMPUTER LABORATORY

The computer laboratory (room number 15) is open to all students and staff on all working days after 2.00 pm. The computers are linked to the Delhi University server which provides students remote access to a large number of journals and books.

LANGUAGE LABORATORY

The college has a language lab (PC-15) accessible to students and faculty members on all working days after 2.00 pm. It caters to gaining proficiency in various languages including foreign languages like Japanese, Chinese and Indian languages (Hindi and English).

SPORTS FACILITIES:

Indoor: Among Indoor games, the college has in place facilities for table tennis, chess, carom, judo, weight-lifting etc. provided in the Sports Room.

Outdoor: Among outdoor games, the college has in place facilities for cricket, football, volleyball, kho-kho etc.

LIFT/ELEVATOR

The college has a well-functioning **lift** especially meant for differently-abled students and faculty to facilitate their convenient movement across the floors in the college.

DISCLAIMER

- Ram Lal Anand College follows the guidelines for admissions to undergraduate and PG programmes as prescribed by the University of Delhi. All the admission seekers are required to visit the University of Delhi website www.du.ac.in and the college website www.rlacollege.edu.in regularly for checking updates for this purpose.
- All eligible applicants seeking admission to Undergraduate Course(s) in Ram Lal Anand College for the academic session 2025-2026 also must read the contents of this prospectus carefully.
- The college reserves the right to revise, amend, update, or delete any part of this prospectus without giving any prior notice. Changes shall be updated on the college website or notice board. Applicants are responsible for regularly checking the college website for updates. Grievances resulting from not having consulted this prospectus and the website of the college will not be entertained.
- All information mentioned in the prospectus has been thoroughly checked for accuracy. However, it should, in no case, be construed as a warranty, express or implied.
- The college disclaims any liability towards any individual for any loss or damage caused to them arising out of any action taken based on the information in the prospectus. Any error, if found, in the prospectus may be due to inadvertent omissions, clerical mistakes or any other reason.
- In case of non-compliance with any of the requirements for admission including non-submission of relevant documents and/or non-payment of Fees within the prescribed date and time, the applicant will lose their right to admission.
- If at any stage original documents relating to the admission of an applicant are found to be fake / non-genuine or fabricated or in any other manner defective, the said applicant will not be admitted and if already admitted, admission will be cancelled without any prior notice in this regard. If the same is found after the completion of course, the applicant's degree will be cancelled, and appropriate legal action will be taken against them.
