Anshul	B.Sc (H) Stats	1 st		M	Anshul

In total 85 students (including 37 female students) showed up for the seminar.

- **Speaker Session on the topic “Application of Statistics in Governance and Service Delivery” by Ms. Soma Royburman**

Ms. Soma Roy Burman is a distinguished figure in the fields of finance and government administration, bringing with her a wealth of experience spanning over 35 years. Her academic achievements include earning an M.Sc and M. Phil degree in Mathematical Statistics with distinction from the University of Delhi. Throughout her career, she held pivotal roles within the Indian government, including Director/Joint Secretary on Central/other Deputations. Notably, Ms. Burman served as the Controller General of Accounts from December 2019 until her retirement in July 2021, where she played a pivotal role in shaping accounting principles for the Government of India and overseeing the finalization of Union Government Accounts.

The presentation presented by her was informative, engaging and thought provoking with charts and diagrams for better understanding. She briefly covered topics like economic Indicators and analysis using statistics, Budgeting and Fiscal Policy, Public Policy Evaluation, Financial Markets and Investments, Monetary Policy and Central Banking, Risk Management and Insurance, Government Surveys and Census Data, Regulatory Compliance and Compliance Monitoring, Forecasting and Trend Analysis, Public Finance Management, Stress Testing and Scenario Analysis, Data Privacy and Security. She made the session highly engaging by actively involving both faculty members and students. She encouraged students to share their doubts, and they took the opportunity to ask a range of questions. The insights and perspective she shared were truly valuable and the audience was extremely engaged. Overall, the webinar was extremely knowledgeable.

Feedback:

"It was a good session [and] more such sessions should be held in [the] college."

"Loved the interactive session! The Speaker was phenomenal."

The feedback from the speaker session indicates a highly positive reception. The attendees unanimously rated the session as insightful, indicating that it exceeded their expectations. Additionally, the session's impact on knowledge acquisition is evident, as participants reported a significant augmentation in their knowledge base. The revelation of the session's emphasis on the importance of statistics in government and finance underscores its effectiveness in conveying crucial information. Overall, the feedback underscores the session's success in delivering valuable and relevant content to the audience.
