

ANNUAL REPORT-STATISTICS-2023-24

Department/Society Name - **PANACEA - The Statistics Society**

Annual Report -2023-24

Number of Activities Conducted- 11

Summarized details of the events/activities:

S No	Name of the event/activity	Date of the event/activity	No of faculties Attended	No of Students Attended	Name of Speaker/resource person
1.	National Statistics Day	4 th July, 2023	16	60	Dr Indranil Saha, medical Scientist E at ICMR-Kolkata
2.	Teachers Day Celebrations	5 th September, 2023	03+ 01	40	
3.	Speaker Session	11 th October 2023	10	85	Ms. Soma Roy Burman
4.	Clean Campus Drive	18th October 2023	02	50	
5.	Speaker Session	8 th November 2023	10	62	Ms. Nidhi Arora
6.	Career Counselling & Guidance Session (20 Hours Workshop)	16 th November to 19 th November, 2023	09	16	Statistics Department Faculty
7.	Alumni Talk	1st December 2023	10	49	Mr. Manan Kataria
8.	Interactive Session on the Topic “The Experience of Being an Intern”	1st December 2023		30	
9.	Educational Visit to Amrit Udyan	15 th February 2024	02	56	
10.	Alumni Talk	28 th February 2024	10	37	Mr. Sikarder Sehrawat
11.	Random Walk	10 th April, 2024	10	99	Mr Vishvanath
12.	Speaker Session	30 th April, 2024	15	55	Mr Chetan Aggarwal

Achievements in Interdepartmental Sports Tournament

Several students from our department participated enthusiastically in the interdepartmental sports tournament. Their dedication and hard work resulted in outstanding achievements, bringing recognition to our department in various sports categories. Below is the list of winners:

Sport	Team	Achievement	Led By	Year
Cricket	Men’s Team	Quarter Finals	Ayush Agarwal	2nd
Football	Men’s Team	Silver	Siddharth	3rd

	Women's Team	Silver	Khushi Mukhija	2nd
Volleyball	Men's Team	Gold	Tanish	2nd
	Women's Team	Semifinals	Khushi Mukhija	2nd
Kho-Kho	Men's Team	Silver	Ayush Agarwal	2nd
Table Tennis	Individual	Silver	Ayush Agarwal	2nd
	Individual	Silver	Isha Garg	1st
Chess	Individual	Gold	Dushyant Bansal	2nd
	Individual	Gold	Muskan	3rd
	Individual	Silver	Tanishq	3rd

Events Organized by the Department

A1 Speaker-session- Dr Indranil Saha

1. **Title of the event:** Speaker session

2. **Date:** 4th July, 2023 **Duration:** 1 hour

3. **Hybrid-Online/Offline-Statistics lab-room no 46**

4. Intra college

5. **National Statistics Day**– celebrated on 4th July, 2023. The birth anniversary of **Late professor Prasantha Chandra Mahalanobis**, also known as '**Father of Indian Statistics**' was celebrated as **National Statistics Day** on 29th June every year. **Panacea** - The statistics society of Ram Lal Anand College, University of Delhi also celebrated this day by organizing a webinar to mark the respect. Renowned Scientist Dr Indranil Saha, working as a Medical Scientist E at ICMR-Centre for Ageing & Mental Health, Kolkata, also a former Professor & Head, Department of Community Medicine of a Medical College was invited to give a talk on "**Sampling as a Research Tool**" on 4th July, 2023 at 10 am on this occasion.

6. The students from the Statistics and the Microbiology department enthusiastically attended the webinar. The webinar conducted was in dual mode-Offline as well online. More than 60 volunteers and 15 faculty members attended the webinar.

8. 60 students

A2. Techers Day Celebrations

1. Title of the event: Techers Day Celebrations

2. Date: 5th September, 2023 **Duration:** 1 hour

3. Offline- Room No 45

4. Intra college

5. Students organized a Teachers' Day celebration to honor educators' pivotal role. Led by students from different years, the event included games integrating statistical knowledge and performances by students. Teachers were presented with roses and handmade cards. The celebration aimed to appreciate teachers' contributions to academic and personal development.

A3. Speaker session

1. Title of the event: Speaker session- Ms. Soma Roy Burman

2.Date: 11th October 2023 **Duration:** 1 hour

3. Offline-Seminar Room

4. Intra college

5. Ms. Soma Roy Burman is a distinguished figure in the fields of finance and government administration, bringing with her a wealth of experience spanning over 35 years. Her academic achievements include earning an M.Sc and M. Phil degree in Mathematical Statistics with distinction from the University of Delhi. Throughout her career, she held pivotal roles within the Indian government, including Director/Joint Secretary on Central/other Deputations. Notably, Ms. Burman served as the Controller General of Accounts from December 2019 until her retirement in July 2021, where she played a pivotal role in shaping accounting principles for the Government of India and overseeing the finalization of Union Government Accounts.

6. Her presentation was informative, engaging and thought provoking with charts and diagrams for better understanding. She briefly covered topics like economic Indicators and analysis using statistics, Budgeting and Fiscal Policy, Public Policy Evaluation, Financial Markets and Investments, Monetary Policy and Central Banking, Risk Management and Insurance, Government Surveys and Census Data, Regulatory Compliance and Compliance Monitoring, Forecasting and Trend Analysis, Public Finance Management, Stress Testing and Scenario Analysis, Data Privacy and Security. She made the session highly engaging by actively involving both faculty members and students. She encouraged students to share their doubts, and they took the opportunity to ask a range of questions.

8. Total number of participating students:

12. Brief feedback report - *"It was a good session [and] more such sessions should be held in [the] college."*

"Loved the interactive session! The Speaker was phenomenal."

The feedback from the speaker session indicates a highly positive reception. The attendees unanimously rated the session as insightful, indicating that it exceeded their expectations. Additionally, the session's impact on knowledge acquisition is evident, as participants reported a significant augmentation in their knowledge base. The revelation of the session's emphasis on the importance of statistics in government and finance underscores its effectiveness in conveying crucial information. Overall, the feedback underscores the session's success in delivering valuable and relevant content to the audience.

A4 Clean Campus Drive

Date of the event: 18th October 2023

The Cleanliness and Hygiene Society of Ram Lal Anand College organized a Clean Campus Drive from October 13th to November 7th, 2023, aligned with the Swachh Bharat Mission. The Department of Statistics actively participated, mobilizing over 50 students and 4 faculty members namely Prof Mital, Dr Rajesh Sachdev, Dr Anurag Shirma and Mr B Rajender. Their enthusiastic involvement ensured a thorough cleaning of key areas like the front lawn, corridors, stage, and canteen. With precision and appropriate equipment, the initiative significantly elevated the campus cleanliness standards, marking a successful collective effort.

A5. Speaker session

1. **Title of the event:** Speaker session- Ms Nidhi Arora
2. **Date and duration:** 8th November 2023, 1 hour
3. **Venue/online:** Seminar Room
4. **Nature of event:** Intra college
5. **Invited speakers, their affiliation and brief profile of each speaker:** Ms Nidhi Arora, an IIM Calcutta alumna, is the founder of Esha, an organization dedicated to independent research in

sensitization and special abilities. Additionally, she serves as a Director at Topgain Consulting, a niche firm collaborating with Indian promoter-led organizations

6. **Brief summary of the event:** Exploring applied primary research offers valuable insights, while recognizing the pivotal role of good data is crucial for making well-informed decisions. Both aspects contribute significantly to informed decision-making processes. The seminar touched on the role 'good' data plays whilst making informed decisions in different sectors, be it corporate or non-governmental. It engaged both the students and professors in pondering over various questions such as "What is a marketable need?", "How to narrow down to the target demographic?", even asking impromptu questions on what a GOOD startup idea would be, keeping Delhi University students as the target audience. Being the founder of ESHA, an organization focusing on research on sensitization, Ms. Nidhi Arora also showed survey responses to questions on accommodating visually impaired people in the corporate sphere. The case studies and presentations were not only illuminating but also left the attendees with a renewed sense of how poignant primary research is

A7. Alumni Talk by Mr. Manan Kataria

1. Title of the event: **“Data Preparation and Visualization in Python”**
2. Date and duration: 1st December 2023, 2 hour
3. Venue/online: Room No 44 / offline
4. Nature of event: Departmental
5. Invited speakers, their affiliation and brief profile of each speaker-
 "Mr. Manan Kataria", an esteemed alumnus of our college, graced the audience with his presence during the alumni talk. With a Bachelor's degree in Statistics from the college, he has gone on to establish himself as a leading expert in the field. He currently works as a data scientist at Decision Tree Analytics and Service Pvt. Ltd, where he applies statistical techniques to solve complex business problems. In addition to his professional experience, he has worked on several impressive projects like credit card fraud detection that showcase his expertise in statistics.
6. Brief summary of the event-
 Mr Kataria covered a topic on the data preparation and visualization in python. He delved into the importance of data visualization in effectively communicating statistical insights. He discussed the performance and maintenance model in production, basics of SQL, time series analysis. He also touched upon the topic of revenue and demand forecasting. Additionally, he shared his expertise in machine learning and python programming which he frequently uses. He also shared fascinating insights about his projects and experiences. Following the alumni talk, an engaging and interactive Q&A session unfolded, where the students actively interacted with the speaker. The audience joined in enthusiastically seeking guidance and advice on different topics like career options in data science and analysis, post-graduation options (job opportunities or pursuing further studies) and ways to explore different career paths and research opportunities.
7. Number of participating faculty members-None

12. FEEDBACK:

"It was an incredible session and more sessions like this should definitely be organized in the future!"
 The alumni talk was absolutely fantastic! He covered a wide range of topics, including data visualization, statistical techniques, and machine learning. His real-world examples and projects were incredibly insightful and showcased the practical applications of statistics. The insights shared by Mr. Manan Kataria and the practical applications of statistics discussed were truly inspiring. Overall, it was an engaging, interactive and informative session, and it left the audience with a deeper appreciation for the field of statistics.

A8. Interactive Session with Interns

1. Title of the event: **“The Experience of Being An Intern “**
2. Date and duration: 1st December 2023, 1 hour
3. Venue/online: Room No 44, Offline
4. Nature of event: Intra department
5. **Total number of participating students:** Around 30
6. Brief summary of the event

The session was initiated by the third-year students who aimed to impart their valuable internship experiences to fellow batch-mates and juniors. Zeenat and Abhishek Gupta, from third-year commenced the session, sharing their journey of perseverance in securing internships. Their narrative delved into the challenges of the application process, including the hustle involved in pursuing various internship opportunities. As the session progressed, they shed light on the dynamics of group discussions (GDs) and personal interviews (PIs). They articulated the complexities of adapting to diverse environments. Additionally, Simran Arora, also from third-year, contributed her experience, recounting her efforts to secure an internship amidst stiff competition.

Their collective advice underscored the importance of confidence and maintaining discipline in facing future endeavors. The overarching message conveyed was the importance of seizing new opportunities and embracing continuous learning to enhance individual growth and personality

development. The session concluded on a note encouraging attendees to embrace challenges, grasp new opportunities, and continually learn to refine their personalities and skill sets.

7. Feedback:

"It was a great session and more & more such sessions should be held within our dept.."

"The interactive session was itself unexpected but it denoted that our seniors are more experienced and very humble to share their experiences with all of us"

"Honestly speaking the interactive session was extremely beneficial."

The interactive session garnered exceptional feedback, with attendees unanimously praising its high value and insightful content. The internship experiences and personal anecdotes shared by the third-year students served as a source of encouragement for first and second-year students, inspiring them to seize opportunities persistently until achieving their aspirations. Overall, the feedback highlights the session's success in delivering valuable, relevant content and fostering connections among the students.

8. Glimpses of the Interactive Session:

A9. Educational Trip

1. Title of the event: **Educational Visit to Amrit Udyan**
2. Date and duration: 15th February 2024
3. Venue/online:
4. Nature of event: Intra department

5. **Total number of participating students:** Around 56

6. **Brief summary of the event**

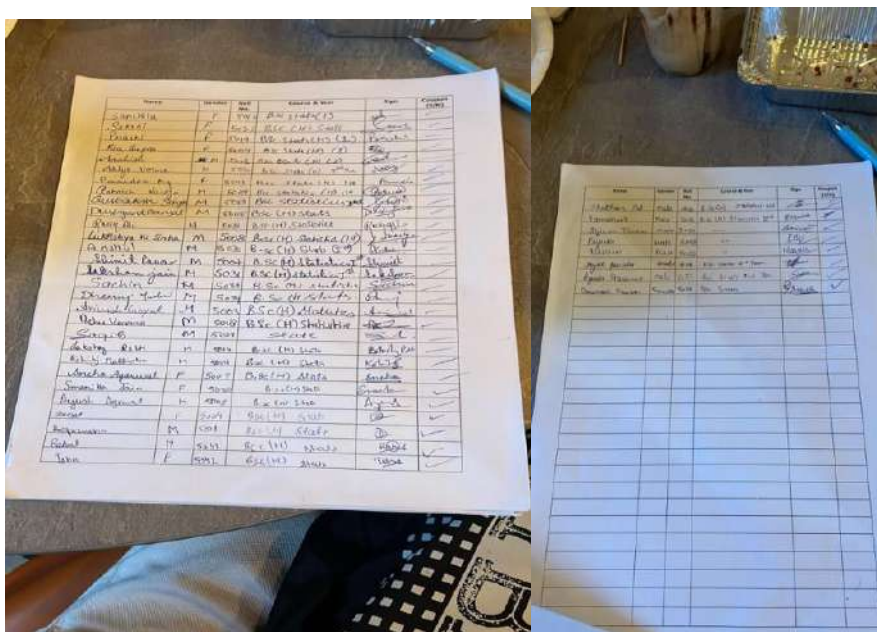

7. The Statistics Society of Ram Lal Anand College organized an excursion to Amrit Udyan, located inside the President's Estate, on February 15, 2024. Accompanied by their professors, Dr. Anurag Sharma and Dr. Bhukya Rajender, 56 students eagerly participated in this captivating stroll through the blooming gardens, led by Core Society members. Amrit Udyan, nestled within Rashtrapati Bhawan, is often referred to as the 'soul' of the Presidential Palace and opens its gates to the public every spring. The gardens enchant visitors with their distinct sections such as the main garden, terrace garden, long garden, and circular garden. Within this lush oasis in the heart of New Delhi, visitors are treated to a spectacle of vivid blooms, manicured lawns, Mughal-style canals, and picturesque terraces. Renowned for its diverse flora, Amrit Udyan boasts over a hundred varieties of roses, alongside marigolds, petunias, lilies, and bougainvillea adorning the pathways. The excursion provided a rejuvenating and informative experience, allowing students to marvel at nature's wonders. Additional attractions included a corner dedicated to succulents and cacti, a herb and bonsai garden, a musical garden, and a display of plants significant to various religions. Moreover, students got an amazing opportunity to admire organic veggies and fruits from the President's farm and learn about air-purifying plants showcased within the garden. Throughout the tranquil walk, photography enthusiasts delighted in capturing the bustling activity of bees and the captivating hues of roses, tulips, bonsais, daffodils, and other seasonal flowers. Overall, the students were elated to have witnessed the beauty of spring in such a magnificent setting.

A10. Alumni Talk

1. Title of the event: **Alumni Talk by Mr Sikander Sehrawat**

2. Date and duration: 28th February 2024
3. Venue/online: Room No 46/ Hybrid
4. Nature of event: Intra department
5. Invited speakers, their affiliation and brief profile of each speaker-
Mr. Sikander Sehrawat” an esteemed alumnus of our college, graced the audience with his presence during the alumni talk. He has done a bachelor’s degree in statistics from our own college. Mr. Sikander Sehrawat is not only a certified Mulesoft developer, but he has also completed his MS in Data Science and Statistics. With his Mulesoft certification, he has demonstrated his ability in data analytics by doing the professional certification in it. In addition to his professional experience, he has worked on several projects like GateGroup; Alpha International and swichee Accelerator infomentum.
6. Brief summary of the event
Mr. Sikander Sehrawat gave awesome alumni talk focusing on the application of statistics and data science. He really captivated the audience with his knowledge and passion for the subject. He started off by highlighting the importance of statistics in today's data-driven world and how it plays a crucial role in decision-making across various industries. He shared real-life examples and case studies to demonstrate the practical applications of statistical analysis. It was truly inspiring to see how statistics can be used to uncover insights, solve complex problems, and drive innovation. He also emphasized the need for continuous learning and staying updated with the latest statistical techniques and tools.

A11. Random Walk

1. Title of the event: Random Walk Annual Festival
2. Date and duration: 10th April, 2024
3. Venue/online: Multiple/Offline
4. Nature of event: Inter-college

5. Invited speakers, their affiliation and brief profile of each speaker

The fest began with an enlightening **speaker session** by **Mr. Vishvnath Kumar**, an esteemed **ISS officer** and Delhi University graduate. Drawing from his extensive experience, he delved into the profound impact of Statistics on Artificial Intelligence and machine learning. He emphasized the fundamental role of mastering statistical basics to excel in these burgeoning fields, encouraging students to cultivate a deep understanding and appreciation for the subject. Furthermore, he elucidated the diverse career pathways available in corporate, government, and academic sectors, igniting a sense of ambition and purpose among the audience. A significant number of **50 students** engaged in the speaker session. Nine faculty members and Vice Principal Of our college attended the session.

“Such an engaging session with great insights”

“The session was so interactive, loved every part of it”

The feedback from the speaker session indicates a highly positive reception. The attendees already had a high expectation from the session and it was fulfilled. Artificial Intelligence is the future, and the information conveyed by the speaker will surely help the students. Overall, the feedback underscores the session's success in delivering valuable and relevant content to the audience.

6. Brief summary of the event

Panacea – The Department of Statistics, Ram Lal Anand College, proudly hosted the annual fest “**Random Walk 2024**” on **10th April, 2024** a celebration of statistical knowledge, creativity, and camaraderie. The day commenced with the ceremonial lighting of the lamp, symbolizing the illumination of minds, paving the way for an enriching and inspiring experience for all attendees. Festival inauguration was held with Speaker session. Following the invigorating speaker session, the fest unfolded with a series of engaging events designed to challenge, entertain, and inspire participants- **Statistical Trifecta**: It was a **quiz competition** and the first round of the event was conducted online on the platform Unstop, with participants shortlisted for the second round. With questions ranging from probability puzzles to inferential statistics, participants showcased their prowess and enthusiasm, keeping the audience on the edge of their seats. The event witnessed a remarkable turnout with **14 students** showcasing their statistical prowess. **Datamaze**: **The case study competition** commenced with an online quiz on Unstop, narrowing down participants for the final presentation round. In this concluding stage, contestants were given two case studies before the event, on which they performed detailed analyses. The event saw enthusiastic participation from around **16 contestants** and received very positive feedback. **Ad Mania**: This was an **ad-making competition** wherein the creativity took center stage as participants unleashed their imagination in marketing non-useful products and rebranding unmarketable useful ones. From pitching a sixth finger for Hrithik Roshan to reinventing the concept of a time machine, participants captivated the audience with their ingenuity, sparking laughter and applause. The Ad Mania event drew **22 participants**, each showcasing their imaginative marketing strategies with enthusiasm. **Word War**: Word War was a conventional English-style **debate competition**, focusing on the significant issue, “Statisticians should be held accountable for the implications of their analysis.” The event attracted **10 participants** and was met with highly positive feedback from attendees and competitors alike. This enriching academic exercise not only enhanced participants’ public speaking and critical thinking skills but also deepened their understanding of the ethical dimensions of statistical practice. **Enigma Expedition**: The fest culminated in an exhilarating **treasure hunt**, where teams navigated through a series of cryptic clues scattered across the campus. The event witnessed enthusiastic participation from **32 students**.

10. Prizes distributed to winning team

After intense competition and spirited performances, the winners of each event are as follows:

Statistical Trifecta:

- 1st Position: Piyush and Deepanshu from Ram Lal Anand College
- 2nd Position: Dheeraj, Sarthak and Lukshya from Ram Lal Anand College

Datamaze:

- 1st Position: Shruti Bansal and Aman Singh from MAIT, GGSIPU
- 2nd Position: Sajal Bhasin, Preksha Agarwal and Anurag Singh from PGDAV College, University of Delhi

Ad Mania:

- 1st Position: Sarthak katiyar, Krishna Shrivastav, Lakshya Pundir and Rachit Agarwal from Ram Lal Anand College
- 2nd Position: Ayush Sharma, Adarsh Gupta, Sandhya Singh and Aryan from Ram Lal Anand College

Word War:

- 1st Position: Shreya Mudgal and Sanya Balhara from KNC, DU
- 2nd Position: Alok Raj and Aditya Verma from Ram Lal Anand College

Enigma Expedition:

- 1st Position: Ayush Sharma and Adarsh Kaushik from Ram Lal Anand College
- 2nd Position: Mohit Rawat, Sanya Kamra and Anshika Goel from Ram Lal Anand College

A12. Speaker Session

1. Title of the event: Speaker Session on “Conserving the Aravalli’s ecosystem and Regulation”
2. Date and duration: 30th April, 2024
3. Venue/online: Seminar room/Offline
4. Nature of event: Intra-college
5. Invited speakers, their affiliation and brief profile of each speaker

Mr. Chetan Aggarwal, a Senior Forest and Environment Analyst known for his expertise in forest conservation and environmental regulation. His involvement added significant value to the talk, promising an in-depth analysis and discussion on the subject matter.

6. Brief summary of the event

The event aimed to educate and engage students, faculty, and the broader community on the importance of conserving the Aravalli ecosystem. It seeks to foster a deeper understanding of ecological balance and the critical role of regulations in maintaining the health of natural habitats. The talk on "Conserving the Aravallis: Ecosystem and Regulation" is an essential step towards raising awareness and promoting sustainable practices within the community.
