

### Annual Report Department / Society Report Format

Department/ Society Name: Computer Science / epeople.org

Annual Report Year: 2022-23

Number of Events/ Activities Conducted: 14

Summarized details of Events/ Activities:

Sr. No	Name of Events/ Activity	Date of Event/ Activity	No. of Faculties Attended	No. of Students Attended	Name of Speaker/ Resource Person (Optional)
1	Workshop on Introduction to Cyber Security	03 October 2022 to 04 October 2022	8	80	Mr. Sushit Soni
2	Poster Making Competition on Solutions for addressing E-Waste	Friday, September 09, 2022	8	28	--
3	QUIZ on Revolutions for Aazad Bharat	Monday, August 08, 2022	8	14	--
4	National Seminar on Artificial Intelligence, Automation & Future of Work"	Friday, September 16, 2022	8	108	Mr. Sagar Radhi, L&D, and CSR Lead, Bristlecone
5	Har Ghar Tiranga" Graffiti Art Event	Wednesday, August 10, 2022	8	51	--
6	Clean Campus Drive	Tuesday, September 06, 2022	5	87	--
7	One Day Workshop on Virtual Labs	Thursday, February 02, 2023	8	127	--
8	Internship Drive for Adsify technologies pvt India ltd	Thursday, May 04, 2023	8	41	
9	Seminar on Use and Misuse of Digital technology	Wednesday, April 19, 2023	8	81	Dr. Gaurav Gupta, Scientist E, Meity
10	Automata'23	Wednesday, March 29, 2023	8	127	--
11	Peer Tech Talk1	Saturday, March 04, 2023	8	21	--
12	Peer Tech Talk2	Wednesday, March 15, 2023	8	12	--
13	Peer Tech Talk3	Thursday, April 13, 2023	8	22	--
14	Seminar on Fuzzy logic and Artificial Intelligence	Wednesday, March 29, 2023	8	54	

### Detailed Information about Event 1:

1. **Title of the event:** Workshop on Introduction to Cyber Security
2. **Date and duration:** 03 October 2022 to 04 October 2022
3. **Venue/online:** Online
4. **Nature of event:** National
5. **Invited speakers, their affiliation and brief profile of each speaker:** Mr. Sushit Soni- Master Trainer (Cyber Security), NIIT foundation Delhi
6. **Brief summary of the event:** The Department of Computer Science organized a National Workshop on Introduction to Cyber security in association with NIIT Foundation from 03rd October 2022 to 04th October 2022 in online mode on Google meet platform from 04:00 p.m. – 06:00 p.m. Mr. Sushit Soni- Master Trainer (Cyber Security), NIIT foundation Delhi delivered a lecture discussing the information regarding Cyber Security, certifications that one can go through and career opportunities in industries. He explained that in today's interconnected world everyone is more susceptible to cyber-attacks. This workshop was fruitful to those who are attracted to the relatively new world of cybersecurity as a professional, or just interested in protecting oneself online and in social media platforms. This workshop explored cyber trends, threats—along with the broader topic of cybersecurity in a way that is now a matter of concern to everyone.
7. **Teams / Individual participants outside the college:** NA
8. **Number of participating students and attached list of students in the given format with signature of Convener/ TIC**  
Annexure 1
9. **Number of participating faculty members and attached list of faculties in the given format**

Name of faculty member	RLA/ Non- RLA	Department
Dr. Neeraj Kumar Sharma	RLA	Computer Science
Dr. Vandana Gandotra	RLA	Computer Science
Ms. Sakshi Taresh Khanna	RLA	Computer Science
Ms. Shikha Verma	RLA	Computer Science

### **Detailed Information about Event 2:**

1. **Title of the event:** Poster Making competition on Solutions for addressing E-Waste
2. **Date and duration:** 9-09-2022, 11:00 am to 1:00 pm
3. **Venue/online:** Computer Lab 43
4. **Nature of event:** Intra college
5. **Invited speakers, their affiliation and brief profile of each speaker:** NA

**Brief summary of the event:** The Department of Computer Science organized a poster making competition on the topic "Solutions for addressing E-Waste" on 9th September 2022 in the Computer Laboratory Room No 43 from 11:00 am – 1:00 p.m. The event was organized by the Department of Computer Science in association with the E-Waste Management Committee of the college. The event coordinator was Ms. Sakshi Taresh Khanna Assistant Professor Department of Computer Science and member of E-Waste Management Committee. The event objective was to spread awareness about environmental consciousness and e-waste management amongst the students and other staff of the college. The problem, of course, is one we all recognize: technology. As technology becomes more advanced, the life span of our devices just keeps getting shorter. Far too many products simply get thrown out once a newer and more sophisticated version comes out, or once their batteries die, to be replaced with new devices. Manufacturers, it's known, intentionally build devices to eventually become obsolete. The fast-growing number of unwanted devices means the amount of e-waste being sent to landfills is skyrocketing. The good news is that there are efficient and successful ways to solve the growing environmental problems that e-waste poses. And one of the most proven solutions is through recycling. Students were allowed to participate in a team of 2 or as individuals. They were allowed to create a poster on A3 size sheets or digital posters. All the participants came up with the outstanding poster with very relevant solutions to the problem. These posters were displayed in the college to spread awareness about the topic of concern. 28 students of different disciplines participated in the event out of which 18 were females and 10 were males. The final judgement was done by Dr. Ritambhara Misra (Member, Cleanliness Committee) and Dr. Alankar (Member, Clean Energy & Conservation Committee).

6. **Teams / Individual participants outside the college:** N.A.
7. **Number of participating students and attached list of students in the given format with signature of Convener/ TIC:** Annexure 2

### Detailed Information about Event 3:

1. **Title of the event:** QUIZ on Revolutions for Aazad Bharat
2. **Date and duration:** 08th August 2022, 11:00 AM to 12:00 PM
3. **Venue/online:** Online/Google Meet
4. **Nature of event:** Intra college
5. **Invited speakers, their affiliation and brief profile of each speaker:** NA
6. **Brief summary of the event:** The Department of Computer Science of Ram Lal Anand College under the convenorship of Dr. Neeraj Kumar Sharma, Associate Professor, Dept. of CS, Convener, and Dr. Vandana Gandotra, Associate Professor, Dept. of CS, Convener organized a QUIZ on "Revolutions for Aazad Bharat" on 08th August in the essence of 75th Year of Independence - **Aazadi Ka Amrit Mahotsav**. The Event Coordinator was Ms. Dikscha Sapra who Inaugurated the Quiz and then Dr. Neeraj Kumar Sharma enlightened the students by highlighting the importance of the theme and expressed the deeds of great men and women who won us our freedom. Then, Ms. Deeksha Joshi explained all the rules for the quiz and clarified the instructions. She also made the students aware of the platform used for taking quiz and shared the Quiz with students. The students of Ram Lal Anand college as well as other colleges from various disciplines participated enthusiastically in the quiz and showed extraordinary skills while competing in the quiz. The Quiz was found to be very interesting to the participants and kept the participants engaged. Students were judged on 20 questions. Scoring was based on the speed with accuracy so deserving candidates were selected for prizes.

#### **Detailed Information about Event 4:**

1. **Title of the event:** National Seminar on AI, Automation and Future of Work
2. **Date and duration:** 16-09-2022, 10:00 am to 1:00 pm
3. **Venue/online:** Seminar Room
4. **Nature of event:** National
5. **Invited speakers, their affiliation and brief profile of each speaker:**  
Ms. Tanvi Mittal, HR Head India, VLink Inc.  
Mr. Sagar Radhi, L&D, and CSR Lead, Bristlecone
6. **Brief summary of the event:** The Department of Computer Science organized a National Seminar in collaboration with ICT Academy on AI, Automation, and Future of Work on 16th September 2022 in the seminar room from 10:00 a.m. – 1:00 p.m. the event coordinators were Ms. Sakshi Taresh Khanna (Assistant Professor Department of Computer Science) and Ms. Arun Kumar Gautam (Assistant Professor Department of Computer Science). The first speaker Ms. Tanvi Mittal, HR Head India, VLink Inc. in her talk discussed the principles of AI at its core, first Supercomputers, types of AI. She also discussed the power of automation in processes like office design, customer support, etc. She also talked about the future of work, which included three main features - Work, Workforce, and Workplace - and the effect of the current pandemic in shaping the current work setting. The second speaker for the day was Mr. Sagar Radhi, L&D, and CSR Lead, Bristlecone, who had an interactive session with students using case studies to talk about how AI has reduced the costs of the company. He also talked about the future projections of the top soft skills required in the industry, and how in today's time it is always necessary to upskill and cross-skill yourself. At the end, the principal facilitated the speakers with a memento. All the faculty members, 2 members of ICT academy, and students from different disciplines found this to be a fruitful experience.

### Detailed Information about Event 5:

1. **Title of the event:** Har Ghar Tiranga Graffiti Art Event
2. **Date and duration:** 10-08-2022, 1:00 pm to 2:30 pm
3. **Venue/online:** Google Meet
4. **Nature of event:** Intracollege
5. **Invited speakers, their affiliation and brief profile of each speaker:** NA
6. **Brief summary of the event:** The Department of Computer Science organized a virtual 'Graffiti Art Event' on the theme of 'Har Ghar Tiranga' in essence of '75th Azadi ka Amrit Mahotsav'. 'Har Ghar Tiranga' is an initiative by the honourable Prime Minister – Mr. Narendra Modi ji. The coordinators for the event were Ms. Shikha Verma (Assistant Professor Department of Computer Science) and Ms. Manisha Wadhwa Arora (Assistant Professor Department of Computer Science). In the beginning the event coordinators briefed about the event theme and rules to the students along with the importance of nationalism and to respect the freedom that we have inherited by the consistent efforts of freedom fighters and revolutions led by them that shaped our country as we see it today. All the students and the faculty members provided words and phrases related to freedom moments and freedom fighters. The student coordinator -Mr. Kartik collected the words and phrases in real-time and converted them to a Word Cloud in the shape of 'Tiranga'. Everyone showcased Tiranga as a virtual background and some of the participants hold the flag in their hands to reflect their enthusiasm.

#### **Detailed Information about Event 6:**

1. **Title of the event:** Clean Campus Drive
2. **Date and duration:** 06-09-2022, 1:00 pm to 1:45 pm
3. **Venue/online:** RLA College Campus
4. **Nature of event:** Intra-college
5. **Invited speakers, their affiliation and brief profile of each speaker:** N.A.
6. **Brief Summary of the event:** The Department of Computer Science organized a 'Clean Campus Drive' in essence of 'Swachhta Action Plan'. It is an initiative by the honourable Prime Minister – Mr. Narendra Modi. The TIC and teachers educated students about the event theme and the importance of cleanliness. The necessary arrangements such as gloves, disposal bags were provided by the Swachhta Action Committee. All the teachers, non-teaching staff and students of the Department of Computer Science started the drive from the college entrance lawn and collected the waste material in disposable bags. After that the entire campus was covered by the team comprising of faculty and staff. Everyone observed that the campus was relatively cleaner as compared to previous year drives. The whole drive was quite inspiring and motivating for the faculty, staff and 87 participating students. The students realized that any work is best done when it is carried out by a person himself. It also made the students aware of the dignity of labor.
7. **Teams / Individual participants outside the college:** N.A.
8. **Number of participating students and attached list of students in the given format with signature of Convener/ TIC**

### Detailed Information about Event 7:

1. **Title of the event:** Workshop on Virtual Labs
2. **Date and duration:** 02-02-2023, 11:00 am to 1:00 pm
3. **Venue/online:** Computer Laboratory Room No 43
4. **Nature of event:** Intra-college
5. **Invited speakers, their affiliation and brief profile of each speaker:**  
Mr. Prateek Sharma and Mr. Chandan from Virtual Labs IIT Delhi
6. **Brief summary of the event:** The Department of Computer Science organized a one-day workshop on "Virtual Labs" on 02-02-2023, Thursday from 11:00 am to 1:00 p.m. The event was coordinated by Ms. Sakshi Taresh Khanna and Dr. Neeraj Kumar Sharma (Nodal Officer). The event was organized with an objective to make students aware of the virtual laboratory where they can perform their experiments online in simulated environment. Mr. Prateek Sharma and Mr. Chandan were the two resource persons from VLabs IIT Delhi. They introduced the Virtual Labs to the students and explained it's working. They also performed the 7 experiments keeping in mind different disciplines of the participants and explained how these are developed and how students can use VLabs to perform their experiments and utilize their resources. 127 students of different disciplines participated in the event.

#### 4. Shortlisted Candidates

#### Shortlisted Candidates For Internship at Adsify Technologies

1 message

Himanshu Gaba <himanshu@adsify.digital>

To: sakshikhanna@rla.du.ac.in

Cc: Adiba Zoya <zoya@adsify.digital>, Shahzeb Ghani <shahzeb@adsify.digital>

Hello Sakshi mam,

Below are the shortlisted candidates from yesterday's interview.

1. Charvi Kapoor (B.Sc (H) CS)
2. Sidhant Khanna (BA)
3. Yukti Grover (B.Sc (H) CS)

Zoya (marked CC) from my team will reach out to these candidates today and will roll out the offers by tomorrow.

Will keep you posted on the progress.

Thanks  
Himanshu  
Co-founder, Adsify

### **Detailed Information about Event 09:**

1. **Title of the event:** Use and Misuse of Digital Technology
2. **Date and duration:** 19<sup>th</sup> April 2023, 11:00am to 1:00 pm
3. **Venue/online:** Lab 43, PC-12
4. **Nature of event:** Departmental
5. **Invited speakers, their affiliation and brief profile of each speaker:** Dr. Gaurav Gupta, /Scientist 'E', Ministry of Electronics & Information Technology (MeitY)
6. **Faculty Conveners:** Dr. Vandana Gandotra (Associate Professor Dept. of Comp. Sc.)  
Dr. Neeraj Kumar Sharma (Associate Professor Dept. of Comp. Sc.)
7. **Faculty Coordinators:** All the members of computer science department
8. **Brief summary of the event:** The seminar was organized by the Department of Computer Science, Ram Lal Anand College. The event started at 11:00 am, and due to high footfall, the seminar was live casted with students in Room No. 12 using google meet platform. Speaker of the event was Dr. Gaurav Gupta, who is currently working as Director /Scientist 'E' at Ministry of Electronics & Information Technology (MeitY). He is the first in country to be awarded doctoral in the area of Digital Forensics on the topic 'Study on Digital Forensics For Detection of Computer Frauds and Cyber Crimes'. During the seminar a total of 81 students, teacher coordinator and faculty members attended the seminar. It was an interactive seminar on the use and misuse of technology and various ingenious ideas were shared to use technology more efficiently.
9. **Teams / Individual participants outside the college:** NA
10. **Number of participating students and attached list of students in the given format with signature of Convener/ TIC:** 81 Students, 8 Faculty member, 2 non-teaching staff

**12. Funding / Sponsorship received (if any):** The event was sponsored by the college. The amount of Rs. 9300/- was paid by the college.

### 11. Awards given (if any)

**12. Brief feedback report:** The seminar highlighted the responsible use of technology, sharing ingenious ideas to leverage it efficiently. The interactive Q&A session added value, allowing attendees to gain deeper insights. Pros of digital technology were discussed, including enhanced connectivity, streamlined processes, improved access to information, and innovative solutions to global challenges. Overall, the seminar was a success, fostering awareness about technology's positive impact on society.

Permission Letter

Date: April 17, 2023

To,  
The Principal  
Ram Lal Anand College  
University of Delhi

*Acknowledged*  
*17/4/23*

**Subject:** Permission for organizing Seminar on "Use and Misuse of Digital Technology" and request for sanction of estimated budget.

Respected Sir,

This is to inform you that Department of Computer Science is planning to organize Seminar on the topic "Use and Misuse of Digital Technology" on April 19, 2023 in Lab 43. Speaker for the session will be **Dr. Gaurav Gupta (Director/ Scientist 'E', Ministry of Electronics & Information Technology)**.

The details of estimated expenditure are mentioned below.

S.No	Topic	Estimated Budget	Teacher Coordinator
1.	Memento to the Speaker	Rs. 800	Ms. Sakshi Tanresh Khanna Ms. Diksha Sapra Ms. Sakshi
2.	Refreshments(Speaker, Faculty, Staff, and Student Coupons)	Rs. 4000	
3.	Remuneration + Travelling Allowance	Rs. 3500	
4.	Printing/Miscellaneous	Rs. 1000	
<b>Total</b>		<b>Rs. 9300</b>	

Kindly give us the permission to organize the event and sanction estimated budget of Rs. 9300/- for the same.

The brief profile of speaker is attached.

Thanking You,

Yours Sincerely,

*Dr. Neeraj Kumar Sharma*

### **BRIEF SUMMARY OF THE EVENT:**

The fest was organised by the Department of Computer Science under the banner of its society e-people.org. The inauguration of the event was done by the department teachers and Vice-Principal of the college with much fervour and anticipation with a strong footfall of students from not only the department and college but from across colleges with overwhelming participation in all events.

The fest had 6 events in total, of which 4 were technical and 2 non- technical. The following events were conducted under the fest:

**Code Huggle:** In this event 4 belligerents which consisted of from a team were divided into groups of two of which the first bid on the coding questions to be solved by the second group. Bidding was done out of an available total of 1000 points and the team at the end with the biggest total emerged victorious. First position was secured by Shivansh Tyagi, Ankit Chauhan, Shashwat Sharma and Avinash Madkotte from RLAC while Harsh Jaiswal, Md Ghulam, Yashassvi Vats and Swapnil Verma bagged the second position.

**Tech-Topia:** This event was centred around the presentation of innovative technological implements and ideas that showcased the social advancement and impact of tech innovation. There was a great

participation in this event with judges highly impressed with all the presentations. TechTopia winners were Sameer Tiwari and Charvi Kapoor from RLAC while Harsh Jaiswal and Md Ghulam from RLAC stood second.

**Coding Moguls:** Another tenacious technical coding event compelling the competitors to put to test their coding knowledge and problem solving skills in real time with pressure, precision and speed. The event comprised a team of two with:

1. Programmer 1 role: five minutes to write the code for a problem they are already familiar with.
2. Programmer 2 role: not aware of the problem beforehand, will then have two minutes to analyze the code written by their partner, then 15 minutes to write their own code for the solution with the screen covered by a black paper.

Coding Moguls was won by Sameer Tiwari and Md Asheerul Haque from RLAC and Harsh Kumar Singh from Keshav Mahavidyalaya and Karan Singh Mandal from RLAC secured the second position.

**Web Wars:** The two hour long event included the competition for a place amongst the best web designers of the event. The participants had to build a web design for the assigned theme- 'Alumni Portal' from scratch to meet the required needs, the best adjusted design was declared winner. Web wars' winners were Asheerul Haque and Garima Arora from RLAC while Arpan Singh from Ramanujan College and Salman Raza from RLAC came second.

**Treasure Trek:** The first of two non-technical events required the participants to search and unravel riddles from clues spread across the college campus with our volunteers. The first to the final point was declared winner. The event was ecstatic and with participants all oozing energy, it was all the way more engaging. The hotly contested Treasure Trek was won by the team of Madhu, Ravneesh and Geetanjali from RLAC while the team of Naveen, Chhavi and Avin from RLAC came second.

**Fold-Off Artistry:** This event honed and represented the chance for students to showcase their creativity and artistic acumen. Provided with origami paper sheets, the best crafts and creations were adjudged winners. Fold of artistry was won by Nikita Pathania from RLAC while Sreya EK from RLAC came a close second.

Glimpse of the Event

## Detailed Information about Events 11, 12 and 13:

Name of the event: Peer-tech talk

## Introduction

Peer-tech talks are a course of sessions generally organized by the E-people, The Computer science department of Ram Lal Anand college. It's a platform to exchange knowledge in the field of technology and to help in brushing the knowledge of peers.

## Peer-tech talk 1

The first talk organized was on March 4, 2023.

The speakers for the session were-

1. Kartik Arya ( Bsc.hons CS 3 year)

2. Aman Goyal ( Bsc.hons CS 3 year)

The tech was about the **GitHub** and our team worked diligently to ensure the seamless and engaging experience to all the attendees.

## Peer-tech talk 2

The second talk organized was on March 16, 2023.

The speakers for the session were-

1. Santushti Gandhi ( Bsc.hons CS 3 year)

2. Aman Goyal ( Bsc.hons CS 3 year)

The tech was about **The Journey of Research during Bachelors** and the motto for the session was #SkillsforSuccess and our team proved to bring such wonderful and amazing experience to the peers for their success in future.

### Peer-tech talk 3

The third talk organized was on April 13, 2023 .

The speakers for the session were-

1. Yash Raj Singh( Bsc.hons CS 3 year)

The tech was about **Getting Started with Docker!** This tech talk dives into the world of containerization and how it transforms the way we deploy applications.Overall the experience was amazing for the team and the too for the attendees.

#### Detailed Information about Event 14:

1. **Title of the event:** Talk on Fuzzy Logic
2. **Date and duration:** 28<sup>th</sup> March 2023 11:00 a.m. to 1:00 p.m.
3. **Venue/online:** online
4. **Nature of event:** Intra-college
5. **Invited speakers, their affiliation and brief profile of each speaker:** Dr. Ritukar Chadha Owner Landmark Institute
6. **Brief Summary of the event:**
7. **Teams / Individual participants outside the college:** Entire Department
8. **Number of participating students and attached list of students in the given format with signature of Convener/ TIC**  
Annexure 8
9. **Number of participating faculty members and attached list of faculties in the given format**

10. **Funding / Sponsorship received (if any):** N.A.
11. **Awards given (if any):** N.A.
12. **Brief feedback report:** Refer Annexure 9
13. **Representative pictures:**

The image shows a Zoom meeting interface. The main content is a slide titled "B.2. Mathematics" with the following bullet points:

- What are the formal rules to draw valid conclusions?
- What can be computed?
- How do we reason with uncertain information?

The meeting chat on the right lists participants and their actions, such as "Wahid Akbar joined the meeting" and "Prayana Suresh (Guest) left the conversation". The participant bar at the bottom shows icons for participants: +71, SK, SR, SS, JR, AJ, and SK. The bottom of the slide has a navigation bar with icons for back, forward, and search.
