

SUGUM

ANNUAL REPORT 20-21

The Society for Differently Abled Students of RLAC works towards the welfare of the PWD students to bring them into the mainstream. The Society continuously encourages the students to come forward to give wings to their creativity. The students run it under the guidance of faculty members. In addition, The Society addresses the challenges faced by specially-abled students. It spreads awareness about their constitutional right to cope with the realities of everyday lives by motivating them from time to time. The Society also organises events and activities so that the students can exhibit their unique abilities and creativity. They are kept encouraged to break the barriers whatsoever in their path. It also takes up the issues faced by the students in the process of learning and resolves as far as possible to ensure a hassle-free learning environment for all its students.

In this academic session, under the guidance of Dr Ritambhara, SUGUM organised two online events: The poetry competition on 22nd Feb'21 and a Logo making competition on 6th June'21. The student members of this Society enthusiastically took part in these competitions. The audience was amazed by witnessing the exceptional talents of the students. The society also organised an orientation program for the 1st Y PWD students on 12th Jan'2021.

Furthermore, the students were equipped with access Angel players to facilitate a smooth teaching-learning process with the sudden shift from offline to online teaching mode under the ongoing crisis. Dr Ritambhara organised an online demonstration of how to use the Angel Players. The students were highly benefited from the workshop conducted on 2nd April'21.
