Constructive suggestions for improvement received from students:

1. Requirement of Air Conditioners in rooms for better study environment during summers
2. Increase more number of reference books and competitive exam books in the library.
3. Study material in form of hardcopy must be provided; and should be updated on their ERP portal
4. Please increase practical work by providing instruments and doing more practical work instead of theoretical; Classes must enriched with quality debates and discussion.
5. There is an urgent need separate places for ECA; Funds for the societies should be raised
6. Please allow students to carry books in library so they can study what they want; allow devices in library like ipad and laptop
7. Try to enhance their employment skills and try to encourage every child equally and also help them through digital sources
8. Industrial visits and practical experiences at different corporate body should be encouraged. College should look after placement cell and make students job ready with providing various opportunities, inviting a group of good companies to the college for internship and placements.

9. The rooms should have proper lighting arrangements, and the blackboards should be cleaned thoroughly; a clock in examination hall; Library chairs not suitable for long sitting hours. It should be considered to replace them.
10. students should be given NOC's for Internship and Research opportunities given that the student agrees on completing the required 67 percent attendance criteria.
11. Requirement of Gym Equipment for fitness .
