LATE SHRI RAM LAL ANAND

Ram Lal Anand College was founded in the year 1964 by Late Shri Ram Lal Anand, a senior civilization of India. advocate in the Supreme Court of India, in response to the growing social demand in the sixties for providing educational opportunities at the university level. The college was initially managed by the Ram Lal Anand College Trust. It was later taken over by the University of Institution Delhi. Since 1973, it has been run by the University of Delhi as a University Maintained

CHAIRMAN'S MESSAGE

It is my pleasure and privilege to write to you all on the occasion of Annual Day celebration of Ram Lal Anand College. RLA College has a great past, vibrant present and a future full of hope, which the students and staff alike have worked hard for.

I have been associated with this college for more than a year now and have witnessed many remarkable achievements in this time as a result of the dedication and hard work of all those associated with the college. The college administration has also excelled on its part by provisioning well-developed infrastructure like class rooms, seminar room, library, sports facilities, etc., which have enabled the students to realize their full potential and explore their interests. Various new skill development

courses like Hospitality and Tourism Management, Hindi Anuwad, Data Analytics, Human Values, Ethics and Life Skills have also been started to cater to diverse interests in the student body and letting students develop skills beyond their comfort zone. The college also has been on the forefront of recognizing the importance of beyond-the-classroom learning and that excellence comes in many forms. Therefore, for promoting research and start-ups, seed money from college for start-ups/ business models/ research proposals by students/faculty has been initiated. Furthermore, faculty and professional development programs and a range of national seminars on pertinent social issues were conducted in the college to improve the quality in higher education and societal values, both among the students and staff.

We have also made strides in administrative matters: the clearance of long pending MCD dues, which was bothering us for decades, is now close to be resolved. This year will also be remembered for the registration of Alumni Association of RLA College, whose first Alumni Meet was held recently with a gala show. I hope the current and future alumni of the college will treat the college as their family and contribute towards the development of the college. nurturing - what we hope - is a lifelong relationship. The college has been accredited by NAAC with a commendable Grade B++ and CGPA 2.84. It is encouraging to note that many of the suggested works by NAAC team have already been implemented, which is bound to improve the college performance even further.

Apart from academic achievements, the college is performing well in other fields like sports, NCC/NSS, social activities, equal opportunity for all, stage performance, leadership and management quality, etc. We need to encourage students to excel in different aspects of life.

Our teaching staff is well-educated and professional. They are putting their best for the students and college. Their involvement in various other activities of the college is developing and maintaining pleasant atmosphere in the college. We should provide all the necessary facilities to them and work for redressal of their grievances, if any.

To the students I say – the college is for you. We take immense pride when you perform well in any field of your choice. We are here to support you, to provide all the basic facilities and and we hope that you will come out of the college as confident individuals who are ready to share responsibilities towards family, society and our country.

At the end, I would like to congratulate the Principal, all the teaching & administrative staff preparation of the college magazine for your excellent efforts

I would like to conclude with the encouraging words by Robert Frost....

The woods are lovely, dark and deep,
But I have promises to keep,
And miles to go before I sleep,
And miles to go before I sleep.

Let us work together for the college and remember, the best is yet to be!

शुराकामनाओं के श्राप

PRINCIPAL'S MESSAGE

I am immensely delighted to write a few words as opening remarks to our college magazine 'Samdrishti' that encompasses the creative writings of our students and their achievements, in addition to the reports of various departments and committees functioning tirelessly to impart a smooth and effective teaching learning process. I congratulate all the contributors and the editorial board for bringing out such a beautiful magazine.

We at Ram Lal Anand College strive to inculcate critical and innovative thinking among teachers and students following the principle 'Recalibrate to be Relevant'. We focus on the holistic development of our students through education, skill enhancement and instilling human values

and ethics for effective future leadership and nation building.

I, on behalf of Ram Lal Anand College family, wish that the students achieve greater success and attain new heights in all their future endeavours. Students please lay down your goals, reassess your priorities, and make explicit plans to achieve what you aspire for. This will help you to move forward with a purpose in life and have the pleasure of watching your dreams turning into reality.

I thank all the teaching and non-teaching staff for planning and organizing various activities throughout the year to bring forward the talent of students and instilling confidence among them.

I extend my gratitude towards the Chairman and members of Governing Body for their unstinted support and able guidance. I envision that RLA College will turn into a World Class Institution with this kind of devotion and dedication of all its stakeholders.

With blessings and warm wishes

संसार में अनुभूति के दो ही विषय हैं-सुख और दु:ख, पर इनकी अभिव्यक्ति के माध्यम बहुत से हैं। कोई गीत में, तो कोई संगीत में, कोई रंग और तूलिका में, तो कोई मूर्तिकला में, कोई अभिनय में तो कोई लिखित सौंदर्य में ढूंढता है। सभी की रचनात्मक अभिव्यक्ति का माध्यम, उसकी सशक्तता रचनाकार के अंदाज में छुपी रहती है। इस पत्रिका के लेखों को अभिव्यक्ति के स्वातंत्र्य द्वारा विद्यार्थियों के प्रबलतम 'अन्दाज-ए-बयां' से जोड़कर देखने का प्रयास किया गया है। आज के समय में वैज्ञानिक बुद्धि कलात्मक भाव के कई रंगों को छूकर इन्द्रधनुषी छटा बिखेरती हुई इस पत्रिका में दिखाई देगी। यद्यपि कौशल की बुनियाद पर छात्रों के रचनात्मक सौंदर्यीकरण को बनाये रखना चुनौतीपूर्ण है, पर फिर भी अनंत प्रवाहित ऊर्जा सकारात्मक सन्देश देती है कि अभी मुददों की गर्माहट ने शीतल भावाभिव्यक्ति को आहत

नहीं किया है। अभी धरोहर के नाम पर बहुत कुछ शेष बचा है, जिसे आप इस पत्रिका में पाएँगे। यही हमारी सार्थकता और सफलता भी है।

इस बयाने अंदाजी का शुरुआती दौर आपको भले ही अपरिपक्व दिखाई दे, बाहरी और आंतरिक कलेवर का तालमेल अगर कहीं टूटता हुआ प्रतीत हो तो सत्य मानिएगा कि मौलिकता प्रामाणिकता की कसौटी पर खरी उतरी है।

Annual Day

Alumni Committee

The academic session 2018-19 has been full of highly productive and rewarding activities for the Alumni Committee. Beginning was made with the formal setting up of Ram Lal Anand College Alumni Association under the Societies Registrations Act and creation of a formal database of alumni. Now former students from different walks of life are invited to deliver lectures to current students on various themes, including vocational and higher education opportunities. Recent speakers included; Mr. Vaibhav Manu Srivastava, advocate-on-record at Supreme Court, an alumni of Statistics Department, RLA and Mr. Ritesh Aggarwal founder of a digital media agency Baba Pinnak Media. Another

significant initiative has been the institution of a corpus fund collected from the graduating students every year out of which those current students who score highest marks in each academic year will be rewarded with cash prizes. The college website now has a dedicated section called E-VARTAwhere former students write to the current students through this web platform sharing their experiences and memories about the college and also provide guidance for future endeavours. In the current academic session the college went in for NAAC Evaluation. A specific criterion of institutional evaluation was the NAAC Peer Team's interaction with former students along with the parents of current students. A closed-door intense interaction, it was also a rare occasion during NAAC Peer Team's two-day visit where no faculty member was to be present. The Alumni

Committee is proud to report that this assembly was perfectly organized. Perhaps the NAAC Peer Team's satisfaction can be gauged from the fact that it spent a very long time with this group and praised the quality feedback it got from the parents and students. After a long gap of time the college organized an Alumni Meet wherein around 200 former students along with retired faculty members spent an evening in the college premises, attended a cultural programme showcasing eclectic performances from the current students and enjoyed a get-together dinner. A special attraction of the evening was a film made by the college highlighting the evolution of the institution over the decades. Alumni Association started with annual merit fellowships for the current toppers of all departments. 31 students received the fellowships for this year. The Alumni Committee co-hosted this meet with Alumni Association. The website of the college has a dedicated link now to facilitate former students to make online registrations and join Alumni Database (www.rlacollege.edu.in / registration-form.php)

DASTOOR - the Music Society

Dastoor, The Music Society continued its musical journey in the session 2018-19 as well.

The music society under the supervision of Arts and Culture convener Dr. Mukta Majumdar and co-convener Ms Deep shikha, received several new resources to enhance the capabilities of members. Under the guidance of the new music teacher Mr. Mohit Dobhal the team prepared the annual piece and represented RLAC in the classical choir event of the annual fest of IIT KANPUR ANTARAGINI'19 and various other annual fest of Delhi University colleges.

The society under the leadership of its President Piyush Kumar (Geology Hons. 3rd year), Vice president Deveshwar Sharma (Political Science Hons 3rd year) and head coordinators Dipen Gupta And Shreeya Dikshit along with its members Chaitanya Jethani, Ankit Raj Dobhal, Sarthak Pradhan, Khushi Nanchahal, Ayushi Singh, Attar Singh, Chahat Verma, Kriti Bhatnagar, Marvin Savio, Hitesh Taneja, Gajinder, Lucky Chaudhary performed in freshers party of the college, N.A.A.C Peer Team Visit and Gandhi Study Circle events. Dastoor also performed its Indian classical piece at Gargi, P.G.D.A.V and Lady Shri Ram college and is looking forward to more performances in the ongoing fest season.

This year Dastoor Music Society formed our college band 'Slippery Feet' which represented RLAC in Battle of Bands Competition at IMI, Maitreyi, C.V.S and IIAD.

'Slippery Feet' bagged 3rd position in C.V.S college's Battle of Bands Competition.

ILLUSION - the Western Dance Society

'Illusion', The Western Dance Society of RLAC, under the guidance of choreographer Manish Kumar, has expanded its horizons by learning new forms such as funk jazz, urban, hip hop, bollywood and so on. This has helped the members to enhance their dancing skills and get more experience and exposure in the field.

The team has participated and represented the college in the cultural fests of various reputed institutes such as DCAC, DTU, LSR, IIT Delhi, AIIMS, SRCC, Vivekananda Institute, FIIB, IHE and so on. The team also got selected for the finals in the event 'Oasis' of BITS Pilani. Various colleges like Aurobindo College, Motilal Nehru College, Shaheed Sukhdev College and Mata Sundri College participated in the event. The winners were 'Spardha' from Shaheed Bhagat Singh and 'CVS Zest' from College of Vocational Studies.

ANANTADRISHTI - the Indian Dance Society *

Anantadrishti, as the society name suggests believes in depicting the infinite vision of the divine power through various alluring Indian dance forms.

The society was initiated by Ms Aashna Ukkhal, Ms Nimmy Gaur and Ms Devi Priya in 2018. The founding members have been pursuing the classical dance style and had a vision of creating a society for the further promotion of the art form under the guidance of the ECA faculty members who have constantly supported and motivated the new society in each step during its building process.

The society focuses both on the Classical Dance forms as well as the Folk-Dance form.

We performed during the NAAC Rating Drive, College Fresher's welcome 2018 and Northeast Festival on 14 Feb 19 where the members performed Manipuri dance to promote the theme of integrity and diversity present

Apart from these events within the college the society took part at various inter-collegial competitions in the Delhi University colleges, such as Janki Devi Memorial college, Atma Ram Sanatan Dharma College,

Vivekananda College, Dr. Bhim Rao Ambedkar College, Sri Venkateshwara College.

We won 2nd prize in NSIT Dwarka and 3rd Position in Shyma Prasad Mukherjee College for "Lavni" dance

The following are the names of the society members:

- Aashna Ukkhal-(President) History Hons (3rd year)

ANDAAZ-the Anchoring Society

This year, Andaaz- the anchoring society of RLAC was formed with a motive to provide students a platform where they could exercise the art of public speaking and anchoring. The members and volunteers of society work diligently in preparing themselves to manage the stage and keep the audience entertained throughout the function. It was started by 3 English Hons students Kshamta, Isha and Anukriti under the guidance of ECA Convenor Dr. Mukta Mazumdar and Co-convenor Ms. Deepshikha, who constantly motivated and encouraged the students to form the society and take part in the events.

The members of society had exhibited immense potential and confidence by anchoring in the college events like Freshers' Party and college Annual Fest Splendor 2019. It received a lot of support and appreciation from the faculty as well as the students.

We have taken the society to another level by not only performing within the college but also at being invited to anchor the launch of Himmat Plus App for the safety of women on Police Day. It had been a great opportunity to represent our college in front of dignitaries.

Following are the members of Society:

- Kshamta Gulati-President (BA Hons Eng 2nd Year)

AWAAZ the English Debating Society

As the saying goes that it is better to debate a question before settling it than to settle a question before debating it. Awaaz - The Debating Society functions with an aim to instil a sense of fleshing out different facets and aspects to an argument, without losing the essence of the question.

AWAAZ means voice or sound, the medium to bring upon a change in self and the society and ultimately in the being. The English debating society focuses on articulating and sharpening this weapon of voice to change the society for good. Debate is not dissent but to harness speech, analytics, beliefs and arguments in to one garland to critique, to improve and to metamorphose into a vocal personality with an opinion

In the session 2018-2019, the society began work auditioning the new students. The society groomed many new debaters through discussions which were arranged every weekend, and throw the mock debates conducted every month. The students of every department of college joined the society and brought different aspects to be discussed and debated upon.

Throughout the year, the members of the society participated in various inter college and national debates, MUNs, Group Discussions, Extempore and Parliamentary Debate. The core team of the Society comprised of: Vaishnavi (President), Tanya (Vice-President), Ritwik (Secretary) Anukriti (Joint Secretary), Dhruv, Tanika, Ridam, Poorvi, Shubham, Pratyush, Prithvi, Yash and Naman. The convenor of the society was Mr Taha Yasin of the Department of English.

Tanya, Vaishnavi, Shubham and Dhruv participated in UPES annual parliamentary debate competition, Dehradun. The students also went to IIT Delhi's annual debate competition. The society

- 1. Anukriti Best Speaker, Shivaji College
- Yash Gupta Best Speaker, DRC Conventional Debate, Bliss MUN, High Commendation Poorvi Sharma - Best Speaker, PGDAV Debate Competition

We organized our annual debate competition on the 15th of February, 2019. The topic was "Caste vs Classor Caste is Class"

More than twenty teams participated in the competition from various colleges across different universities in Delhi/NCR.

We aim at creating a healthy space in college where ideas of all shades could proliferate, openly discussed and the spirit of debates be kept alive. We are looking forward to achieve more milestones so that we can bring more esteem and pride to our college.

CHITRA the Photography & Videography Society

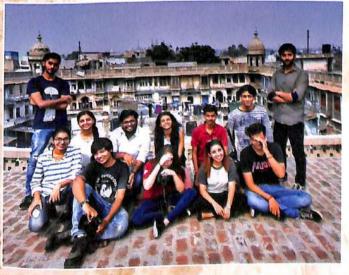

By saying: "We are making photographs to understand what our lives mean to us," Ralph Hattersley refers to not looking at the subject of the picture but looking into the same, and thus moving beyond the reality of the real. And this is because photography is precisely the story which one fails to assort within the limitations of words, lexicons and semantics.

CHITRA- The Photography & Videography Society of Ram Lal Anand is one such space where students get to brush up their imaginations under the verticals of photography and videography apart from the quality education provided by the college. The society's core team comprises of Yanni Rawat (President), Yash Iain (Vice-President), Vivek Shukla (Videography Head), Kshamta Gulati (Content Head), Lucky Anand (Operations Head), Thejus Girish, Ravi Udar, Shantum Singh, Gautam Khurana, Mansi Sharma, Riya Singh, Mohd. Afreedi, Kabeyr Seth, Saloni Dhankar, Prakhyat Abhay Goel.

Chitra was founded in the year 2016 and since then it has rose multifold. Each year the society begins its iourney with auditioning the fuchchas (new students) for exploring fresh talent in the college. The society works as a close knitted family which works for the betterment of its members with an eye to change the world. The society members have organized several events & competitions in the past 3 years. The members of society have not just participated but also won awards at photography competitions organized by different colleges under the University of Delhi. Yanni (ARSD, Venkateswara), Mansi (Hindu, Venkateswara), Yash (Ramjas, SGSCC) secured 1st position in competitions in respective colleges. Yanni and Yash secured 2nd position in SGGSCC. Yash secured 3rd position in ARSD College and Hindu College. Yanni, Yash, Riya & Lucky secured 3rd position in St. Stephens College.

At Chitra, students don't just acquaint themselves with the nuances of photography and videography, they begin to connect and truly enjoy the art form. The idea is to inculcate in them a sense of aesthetics which they are associated with, and a notion of social responsibility that they carry being an artist. Their motto is team work is the way to success. Their tag line: 'NEGATIVE TO POSITIVE' shows its reflection in their work. The society organizes several exhibitions, competitions, photo walks and feedback sessions where the members get to explore more.

Clean Campus Drive

Earlier students' organizations like NCC, NSS and Students' Union used to work for clean campus drive under Swachch Bharat Abhiyaan. From this year our principal Dr. Rakesh Kumar Gupta started a new initiative of "Clean Campus Drive" to inculcate the value of clean and healthy environment among the college fraternity. All the departments of the college were required to give their contribution towards making the campus best in cleanliness. The college decided to conduct bi-weekly Clean Campus Drives engaging students and faculty of various departments. A schedule of the program was made and all the necessary requirements like gloves, disposable bags etc. were provided by the college Cleanliness actively participated in these drives. All the faculty members and students took keen interest to make the Within a year the initiative has shown positive results. Now the college campus is well-known for its cleanliness.

Entrepreneurship Cell

"ENTREPRENEURSHIP" is living a few years of your life like most people won't, so that you can spend the rest of your life like most people can't. Entrepreneurship is increasingly recognized as an important driver of economic growth of a country. Even the Government of India has recognized the importance of entrepreneurship and has introduced several programs regarding the same. Hence, an Entrepreneurship Cell was constituted in the college with a dedicated team of actively working faculty who have exposure of this field along with student representatives. Under the able guidance of honourable Principal Dr. Rakesh Kumar Gupta, Coordinator Dr. Prerna Diwan and faculty members Dr. Rita Jain, Dr. Sanjay Kumar Sharma and Dr. Deepti Gupta, the Entrepreneurship Cell of Ram Lal Anand College actively started its work on November 1st, 2018. The student representatives floated google forms to choose members of the team to work for E-Cell. Many students, mostly from commerce/management programme participated in the recruitment process and 21 students were selected on the basis of screening their applications and the interview thereafter. Today, E-Cell has a team of 21 budding entrepreneurs (members) with the core team headed by Malay Bansal and Aditya Rastogi who have worked really hard to make the place of E-Cell in the college. The core teams consist of Poorvi Sharma (Head, Content Writing), Rishu Jain(Head, Public Relations), Harsh Garg(Head, Social Media) and Siddhi Kapoor (Head, Creative).

The goal all along has been to create a progressive platform that would allow us to bring the best of the entrepreneurship community to the students of Ram Lal Anand College that includes multiple invited lectures and motivational dialogues from some of the very successful entrepreneurs/CEOs in addition to organising workshops, business competitions and interactive sessions.

We can also take pride in accepting the fact, that the Entrepreneurship Cell has been successful in the initiation of the process of nurturing, and granting the budding entrepreneurs of our college a platform, through which they can, not just learn about the connotations of entrepreneurship but also learn to pursue their dreams.

With the amphitheatre full of in fact overflowing with budding entrepreneurs, young minds and a passion to learn, the E-Cell, Ram Lal Anand College successfully hosted its first event of the year Startify'19 on 21st February, 2019. We were obliged in the presence of people from the upper echelons of the entrepreneurial community who made the talk session a remarkable one; them

being:Ms. Tanya Kathpal (Founder, Eat My News), Mr. Robin Jha(CEO,TPOT), Mr. Aditya Arora(CEO,FAAD) and Mr. Dheeraj Jorwal(Founder, Brandzup).Our first speaker, Ms. Tanya Kathpal enticed the audience as she spoke about her journey to being the founder of Eat My News and how she overcame all her fears and left no stone unturned to reach this level. Mr Dheeraj Jorwal followed after Ms Tanya Kathpal. Being the Founder and Director

of Brandzup and being associated with many famous YouTube personalities like Harsh Beniwal and Elvish Yadav, he talked about digital, technological and content making start-ups like Brandzup itself that promote hard-working youngsters.

Following the above mentioned speakers, Mr Robin Jha came forth to answer some basic questions about start-ups and entrepreneurship. Being the CEO of TPot, a start-up chain of more than 21 tea bars spread across Delhi NCR, he also spoke about his transition from the corporate professional world to a world of start-ups and knowledge.

The last speaker of the day was Mr Aditya Arora, who was a fellow DUite from Shaheed Sukhdev College of Business Studies and the CEO of the Faad network. Seeing an entrepreneur as young as him undoubtedly motivated the audience to reach out for their own goals of start-ups.

STARTIFY was an opportunity for everyone to interact with such influencers and overcome their fears and clear their doubts about what lies ahead of their start-up session.

ENIGMA, the competition involving two rounds: Bid with Wit and Damage Control, was held thereafter. It had an active participation of students from colleges like Maitreyi College, Jesus and Mary College, Moti Lal Nehru College, Ramjas College, Satya wati College and many more. The event had a footfall of 200+ enthusiastic students who helped us make this event a successful one.

The winners Raghav Gupta and Ashwin Kalra ended up winning this enticing game, followed closely by the runner-ups Disha, Pradyut, Yogesh and Kautilya, and went home elated with cash prizes of ₹8,000 and many other exciting coupons offered by our sponsors.

"An entrepreneur tends to bite off a little more than he can chew. Hoping he'll quickly learn how to

The E-Cell continues to expand at an incredible rate. We wish to continue our rapid growth and reach new heights in the coming years. We vow to always bite off, just a little bit more than we can possibly helping to take the society to new heights.

We have unmitigated faith in each other's competence and skills. We might not prosper right away, but we will triumph eventually!

Poorvi Sharma (Head-Content Writing, E-cell)

ENACTUS

"A journey of thousand miles begins with a single step." We started as a team of four members on 26th October 2017, and are today an enthusiastic team of 52 members. We now have two projects running simultaneously. The members are from nearly all the departments of the college including Statistics, BMS, Political Science, Commerce, English, Computer Science.

We started the year with an open donation drive for the victims of Kerala floods on 7th August 2018. The team

won appreciation of everyone at college.

With an idea of taking the team to new heights the existing members decided to recruit new talent and for this a two day recruitment process took place in August 2018 which saw participation in large numbers. This led to the welcoming of new members on board by organizing an orientation program for the entire team. The team holds

two projects currently, one is the Paper pencils project -Roopantaran which was initiated in November 2018 which is a sustainable model to manufacture and market pencils made out of Newspapers. This project is in collaboration with Family of Disabled (FOD- a non-governmental organisation for the upliftment of specially-abled people).

Another sustainable entrepreneurship model handled by the team is the paper straws project-SAARANG. This is designed to manufacture paper straws in collaboration with FOD. The training session of the community for the production of straws is held time to time as per the availability of students and community. The project is still in the early stages of development. The team has successfully participated in many B-plan competitions in various colleges and has managed to get orders from various offices and companies in Delhi. Also, the paper pencils have been widely accepted by people as the team sees massive optimistic results from places it has been putting up stalls at places like Sri Venkateswara College, Pragati Maidan etc. Recently a stall was also put up at DPS Vasundhara during their School PTM.

At Enactus the aim is to keep the environment clean, green and healthy for all and in addition to it also strives hard for the upliftment of the specially able ones.

Nasratein 🦠

Hasratein began its session 2018-2019 with the first round of workshop for the students of the dramatics society in the month of June, focusing on the art form and current discourses. The workshop was conducted by senior students Aniket Chauhan, Varaangi Lekha and Varnita Rastogi who are also the President, Vice President and Secretary respectively of the dramatics society . The audition to select new members was conducted on 3rd August, 2018 and was facilitated by our alumni Steven S. George, Sunita Singh and Md. Asif Khan . Around two hundred students registered for the auditions. Sixty students were selected in the first round, and a screening workshop was conducted on 4th August for them, by Md. Asif Khan, Dipali and Naman Jain (all our alumni) introducing students with the form of theatre.

After the screening workshop twenty five students were finally selected as society members.

A week long rigorous workshop on basics of theatre was organized from 13th August to 18th August .The resource person was Mr. Shyamendra Kumar who is a thespian in theatre .The workshop included both theoretical and practical understanding of the theatre. The students through this workshop learnt about body control, voice modulation, building and performing a character along with dialogue delivery and also explored their emotional range

After all the rounds of workshops, practice and training done under the guidance of the faculty, today we have a strong team of Tripurari Kashyap, Kishan Singh, Vikash Kumar, Arjun Gaur, Muskan Choubey, Satendra Singh, Raksha Singh and Aasif Khan.

Hasratein had two street productions this year.

Our annual street production "Neelaami-E-Shiksha" on the privatization of education. Our play was a story of a young girl, Fatima, who even though was eligible, but could not take admission in college because of economic constraints.

Another street production "Shunya" bagged the third prize in the street play competition organized by National Organ and Tissue Transplant Organisation on the theme of Organ Donation.

Hasratein's next aim is to work on its stage production "Women of the Streets".

Hasratein also organized its annual street play festival "Iltija" on 15th February, 2019 under college's annual fest Splendor' 19, for which it received more than 60 entries, out of which 9 teams were selected to present their plays in the college.

PARDA - the Film Society

Slavoj Zizek says: "Cinema is the ultimate pervert art. It doesn't give you what you desire – it tells you how to desire." With the idea of inculcating a sense of visualization of any and every event (real or imaginary), and developing a critical attitude to assess and analyse every aspect and facet of the same, Parda – The Film Society screens relevant cinema followed by a talk and discussion, interpreting both the content and the philosophy behind the art form.

Parda – The Film Society commenced its session 2018-19 by auditioning the new students, judging their bent of mind

towards the visual arts. A rigorous selection process of the members and the office bearers ensued. The society's core team comprises of Divya Kushwaha (President), Sushmita Bhattacharya (Vice-president), Shubham Raj (Secretary), Ghufran Khan (Treasurer), Uday Maheshwari (Joint Secretary), along with members: Shubhangi, Shivkant, Chirag, Avijit, Ankit, Mehak, and Vikrant.

Team Parda organized and screened critically acclaimed and award-winning films like: Kissa Kursi Ka – foregrounding the dilemma of democracy and compulsions of Parliamentary structure; The Black Friday – revealing the flirtations of the communal ideology with both the Mafioso and the political spectrum; Anaarkali of Aarah – surfacing the entrenched patriarchal norms and positing the gender question from the feudal hinterlands to the metropolis of India; Amour–a French narrative positioning the struggle of an ailing octogenarian couple in perspective; Pather Panchali–a Bengali film depicting the harsh village life and the contradictions that the dialectic of the country and the city puts forth; Manto – the story of the distressed Urdu story writer and the tribulations under which he is forced to flee to Pakistan due to the tensions between the Hindus and Muslims, in the backdrop of partition of India in the year 1947; and Finding Vivian Maier – a critically acclaimed documentary about a mysterious nanny, who secretly took over 100,000 photographs that were hidden in storage lockers and, discovered decades later, and is now among the 20th Century greatest photographs.

A short Film making competition was organized in the Annual Cultural Fest Splendor 2019 in which students from different universities across Delhi/NCR participated and won exciting cash prizes. In the session 2018-2019, the Film Society excelled under the covenorship of Mr. Taha Yasin of the Department of English, RLA.

Research and IPR Cell @

Research and IPR cell (RnIPR cell) was constituted in 2017 to promote research activities in the college. RnIPR cell worked meticulously to achieve its goal and I am happy to report that in such a short time, the work done by the cell is laudable. Members of the cell are actively involved in the interactions with the faculty members of all the departments to motivate and guide them for project proposal writing to get extra mural funding for research in the college. Continuous efforts of the RnIPR cell resulted in a submission of 28 grant proposals to the university during the last call, submission of 12 letters of intent/full project proposals to ICSSR, DBT, DST, ICMR and other funding agencies. The members of RnIPR cell constantly update the information about various funding agencies and ministries which provide funds to researchers from diverse disciplines, on the college website. RnIPR cell also regularly updates the faculty members about the upcoming workshops, seminars, FDPs and conferences in their areas of interest through mails.

In its efforts to further augment the research activities at undergraduate level and enthuse the fellow colleagues not only from our own college but also from other colleges, RnIPR cell conducted two days faculty development program on "Writing Research Proposals and Addressing IPR related Issues" from 29-30 March, 2019. The FDP saw a heartening response from faculty members across different disciplines and colleges. Eminent speakers from various disciplines- Prof. JS Virdi [Head and Prof. (retd.) Department of Microbiology, University of Delhi], Prof. TKV Subramanian (Head and Prof. (retd.) Department of History, University of Delhi), Dr.Sanjeev K Varshney (Director, International collaboration, DST) were invited for talks. They provided a deep insight on how to write an effective research proposal. In furtherance to imparting skills on writing research proposals, Dr. Chitra Arvind (Lex IP Care) and Dr Ashutosh Pastor (Program Manager for BIG and Incubation Manager at FITT, Incubation Centre, IIT Delhi) were invited to deliberate upon various forms of intellectual property rights, patents, entrepreneurship, incubation centres and start-ups. The program ended with elaborate interactive sessions on both the days.

In addition a workshop on "Intellectual Property Rights and Entrepreneurship: How to kick start your startup" was organised on 30 March 2019. The aim of the workshop was to motivate students to come up with startups and provide guidance on where and how to get help in starting a start-up. They were also briefed about different schemes of Government of India to promote entrepreneurship among young citizens. About 50 students from different departments attended this workshop with great enthusiasm.

RLAC Chapter of Spic Macay

SPIC MACAY is a non-political nationwide voluntary movement that works for the promotion of Indian classical music and culture amongst youth. Our college is associated with this movement for more than a decade. We are known as RLAC chapter of SPIC MACAY. Every year RLAC Chapter, along with student and faculty coordinators, organises SPIC MACAY event so that the students from all social backgrounds could experience the value of our classical art forms, music and cultural heritage.

This academic session (2018-19), we began our chapter of SPIC MACAY with the election of office bearers. Ms. Pragya Awasthi (BSc H Comp Sc. 3Y) was elected as Student coordinator and Ms. Ankita Anand (BA H Eng. 2 Y) as co-coordinator.

On 27th March '19, the society organised a music concert of renowned Sitar Maestro Pt. Shubhendra Rao. The soulful musical journey commenced with a lamp-lighting ceremony by the artists, Principal Dr. R.K. Gupta, Bursar Dr. Rakesh Kumar and Faculty coordinator Ms. Deepshikha. Pt. Rao's solo Sitar resital.

Deepshikha. Pt. Rao's solo Sitar recital of Raag Koushi Bhairav truly mesmerised the audience. He was followed by an interactive session in which students asked questions. The performance was western and classical music?" Pt. Rao illustrated on this and replied ingeniously that there is a difference is not classical is western and considered it an erroneous assumption. He also shared some of his life formal vote of thanks. The audience truly enjoyed every bit of this event and dispersed with a sincere hope maestros of this country.

Utkarsh Sharma
President
B.A. (Hons.) Pol. Science, 3rd year

Ashutosh Mishra Secretary BJMC, 2nd year

Anuj Yadav Central Councillor BJMC, 3rd year

Minali Gupta Vice President B.A. (Hons.) Hindi, 3rd year

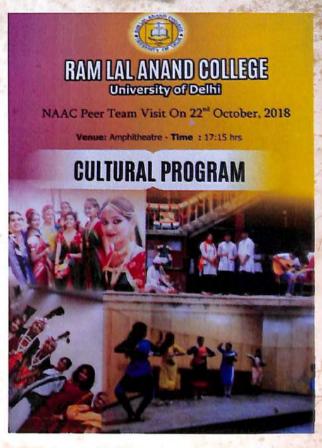

Navneet Yadav Joint Secretary B.A. (Hons.) Hindi, 1st year

Geetanshu Central Councillor B.A. (Prog.), 3rd year

The election for formation of RLA College Students Union was held along with DUSU elections on September 12, 2018. Utkarsh Sharma was elected as the President, Minali Gupta as Vice President, Ashutosh Mishra as Secretary and Navneet Yadav as Joint Secretary. In addition, Geetanshu and Anuj Kumar Yadav were elected as the two central councilors (representatives of RLASU in DUSU) for this year. This promising team aimed to present two big shows during the academic year.

The first event in this league was the "Fresher's Welcome". A grand show displaying the strengths of the team was organized on October 5, 2018 in cooperation with Art and Culture Society of the college. It was a well-attended program with large participation of first year students in various competitive events. Students of the Art and Culture Society presented brilliant dance and music performances. It also showcased the all-round talent of first year students with two best freshers being awarded "Mr." and "Miss" Fresher. The function ended with a DJ evening which was thoroughly enjoyed by all the students. On this occasion office bearers of RLASU were also given badges and mementos.

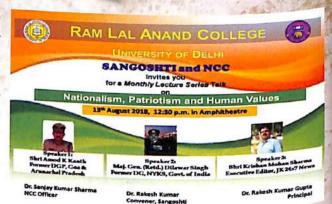

The College Students Union along with Art and Culture Society and North-East Society of the college organized an unprecedented three-day College Annual Festival 'Splendour' during 14th-16th February, 2019. The festival was inaugurated by a sitting Member of Parliament from Manipur, Dr Thokchom Meinya. In his speech he highlighted the significance of integrating the North Eastern cultures in the Indian cultural milieu. The first day of the Festival was entirely devoted to the cultural program of the North-Eastern part of India. Students presented dance and music performances from the regions of Manipur, Odisha, Nagaland and Arunachal Pradesh. The show was much appreciated for a beautiful orchestration of North Eastern folk dance and music. This was also a reiteration of the college vision of an inclusive community.

The next two days were marked by fun-filled and competitive events besides BDM, DJ and Star Night. The competitive events included: Western Dance (Solo and Group), Western and Indian Instrumental, Battle of Bands, Classical Choir, Indian Classical and Folk Dance, Street Play, Videography, Photography, English and Hindi Debate. These events saw participation of more than 20 colleges of DU and more from other Universities. Attractive cash prizes were given to the winners. A renowned band, Inayat, played on the BDM night. DJ Karan enthralled students with his performance. Popular Punjabi singer Guri performed in the star Night. The acclaimed singer attracted unprecedented student crowd in the college and was a huge hit.

Women's Welfare Advisory Committee (WWAC)

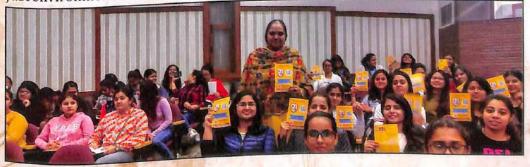

WWAC has consistently worked to empower women students and ensure that Gender Equity and Equality is accepted in the overall development process of students. Keeping in sync with our aim of understanding and progressively engaging with issues of women and gender sensitization, WWAC has strived towards activities and programmes that aided in creating a gender aware and gender just environment within the campus. The array of events organised throughout the year include: Breast Cancer Awareness Seminar, Annual Fest: Women's Got Talent, Gratitude Wall, Street Play, Seminar on Women Safety, Self Defense Training, International Women's Day Celebrations, Movie Screening. Our first session on Breast Cancer

Awareness on 26th October 2018, in collaboration with Ka-Ching: The Commerce Society, saw an interactive and informative session with Dr. Swarupa Mitra which was highly praised and celebrated by the female students and teachers of the college. This session was followed by our Annual Fest which was divided in three segments and attracted student participation in large numbers. On 18th February, WWAC brought forward another prominent seminar on Women's Safety in collaboration with Delhi Police at the South Campus that saw participation of 60+ female students of the college and also marked the relaunch of the 'Himmat Plus app' – an application specifically for safety of women. To kick start the festivities of the International Women's Day, WWAC organised a week long Self Defense Training from 1st March to 8th March to strengthen and improve the reflex action of female students in case of potentially unsafe situations. Students were trained about tactics to guard themselves and call for help when in need by experienced trainers of Delhi Police.

On 8th March, International Women's Day was a successful event that experienced the benign presence of ATO South Campus, Mr. Chandra Shekhar and South Campus Chowki incharge- Ms. Rekha who facilitated the participants of Self Defense Training with certificates. The appreciation was followed by a Poetic Expression by the students of the college which had the audience filled with vigour to change the world of women. The event was closed by the screening of the Oscar Winning Documentary- 'Period' highlighting the path we have travelled in women hygiene and how far we still have to go. The Monthly Movie Screening on women issues had 'Mandi' on its banner to throw light upon the life of sex workers and raise awareness on the plight of the often ignored section of the society. With each coming session, WWAC reaffirms its commitment to create a gender just environment for one and all.

जीवन में गुरु का महत्व

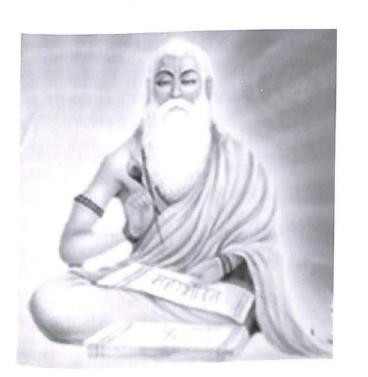

गुरु हमारे हैं महान। देते हैं हम सबको ज्ञान।। इनकी शिक्षा के बल पे।। बनते हैं हम सब, एक अच्छे इन्सान गुरु हमारे हैं महान।।

गुरु हमारे हैं महान। माता-पिता के बाद, जीवन में आता है इनका स्थान। गुरु हमारे हैं महान,

गुरु हमारे हैं महान, जीवन में कभी न करना, इनका अपमान, गुरु हमारे हैं महान।।

मृत्यु

मौत भी कितनी खूबसूरत है... जिसके पास भी होती है... न रहम न दुआ करती है... मानवता का काल से मिलन मौत कहलाती है। अपने मीत को संग ले जाती है... मैंने कभी मौत को नहीं देखा... कि वह कैसी होगी। इतना जरूर कह सकता हं... कि वह बेहतरीन जरूर होगी।। मौत का कोई ठिकाना नहीं किस मोड़ पर खडी होगी... उससे मुकम्मल होते ही मुझको... जीवन मेरा साथ छोड़ चुकी होगी।। जीवन दो पल का है मृत्यु की उम्र कितनी होगी...? मौत से मिलने पर दुख नहीं होगा... क्योंकि अनंत तक का रिश्ता होगा... मौत सारे गम भुला देती है, काया से मोह माया हटा देती है। एक दिन तो बारी हमारी आएगी... जिन्दगी एक दिन मौत से हार जाएगी।। उस समय दुनिया से आंखें बंद होंगी... लोगों की आंखों में गम होगा... मेरे चेहरे पर अनकही मुस्कुराहट होगी, नेक दिल से काम होगा..., लोगों के होठों पर अमरता का निशान होगा।।

परिंदों को पर मिले थे...

परिंदों को पर मिले थे, आसमान में उड़ने को। सोच नई पर मिला हौंसला इस सफ़र को तय करने का बैठ डाल पर खोले पंख उड़ान नई शुरू करने को जोश भर कर उड़ चले सपने पूरे करने को जमीन पर बैठे थे. उड़ान शुरू करने को। जंजीरों की पकड़ में आ गये सपने पूरे करने में कभी अनुकूल न मिली कभी सही दिशा न मिली, पर हिम्मत कभी नहीं हारी, चल दिए सफर पर आसमान को छूने को।

स्कूल का आखिरी दिन

दिल चाहता है आज फिर छोटा हो जाऊँ,

रोज़ सुबह छुट्टी के बहाने बनाऊँ,

असेम्बली के वक्त आँखें खोल कर प्रार्थना गाऊँ,

कक्षा में छिप-छिप कर खाना खाऊँ,

पकड़े जाने पर पेट दर्द के बहाने बनाऊँ,

छोटी-छोटी बातों पर दोस्तों से रूठ जाऊँ,

और दिल चाहता है, आज उन्ही दोस्तों के लिए कुर्बान हो जाऊँ।

यह बात 29 मार्च 2017 की है। हालांकि यह दिन एक साधारण सा दिन था लेकिन कुछ बात थी क्यूंकि इस दिन हमारी फेयरवेल यानी स्कूल की जिन्दगी का आखिरी दिन था। बालों में जेल, चेहरे पर क्रीम, कोट पैन्ट पहनकर घर से निकल चुका था। खुशी इतनी थी कि इस खुशी का कोई ठिकाना नहीं था। उस दिन तो पिताजी ने भी गाड़ी ले जाने की अनुमित दे दी। गाड़ी में हम चार दोस्त बड़ी खुशी से स्कूल पहुँचे। हम सबके चेहरे पर बहुत खुशी थी। स्कूल में घुसते ही सब बहुत सुन्दर लग रहा था। ऐसा लग रहा था जैसे हम आज स्पेशल गेस्ट बनकर यहाँ आए हैं। एक प्यारी लड़की, जो कि हमारी जूनियर थी, उसने हमारा तिलक किया। सारे दोस्त कुछ इस तरह मिल रहे थे जैसे हम कोई बड़े आदमी बन गए हों। लड़कियाँ आज के दिन साड़ी में सजकर आई थीं और सारे लड़के कोट-पैन्ट में बिल्कुल जेन्टलमैन लग रहे थे। पूरा कार्यक्रम बहुत बढ़िया चल रहा था, सब साथ में खूब तस्वीर ले रहे थे, शायद इससे ज्यादा फोटो कभी नहीं ली होंगी। क्या करे दोस्तों, दिन ही कुछ खास था।

पूरा दिन बहुत अच्छा गया, शिक्षकों के साथ बहुत कुछ हंसी मजाक हुआ, गाना बजाना हुआ। फिर जब सारा कार्य सम्पन्न हो गया, मन पर एक अजीब सी उदासी आ गयी। न जाने क्यूं जो चेहरे सुबह से खुश थे, खूब हँस खेल रहे थे, एक अजीब उदासी सी छा गई एकदम से। एक दूसरे के चेहरे को देख कर रोना आ रहा था। प्रतिदिन घर जाने को मन करता था जल्दी से, लेकिन आज इस कमबख्त मन को पता नहीं क्या हुआ? घर जाने का किसी का मन नहीं था क्यूंकि यह ऐसा दिन था, जिस दिन एहसास हुआ, असली घर तो यह स्कूल है। वो टॉयलेट में बम फोड़ना, वो शिक्षकों के नाम निकालना, समय पर कभी भी होमवर्क न करना, वो कक्षा के डस्टर गायब करना, वो कॉपी न लाने का बहाना बनाना, छिप-छिप कर कक्षा के बीच खाना आज के दिन इन सब चीजों की कीमत पता चली यारों। वो स्कूल बन्क करके गाँव के चाचा की बिरयानी खाना, मेरठ फिल्म देखने जाना, सब कुछ उन चंद पलों में याद आने लगा। आँखों में नमी, चेहरे पे उदासी, कुछ इस तरह विदा हो रहे थे सारे दोस्त। स्कूल का वो आखिरी दिन, जिस दिन यह एहसास हुआ कि इससे अच्छी जगह कभी जिंदगी में नहीं मिलेगी।

स्कूल के दो दिन,

पहला- जब बच्चा पहली बार स्कूल जाता है, दूसरा - जब स्कूल छोड़कर कॉलेज में जाता है, यह दो दिन हर कोई रोता है दोस्तों। यारों, दोस्ती बड़ी ही हसीन है, ये न हो तो क्या फिर, बोलो क्या जिन्दगी है? लेकिन है ये जिन्दगी का दस्तूर, मिलते रहेंगे बार-बार, जब-जब आएँगे।

ये दिल मांगे 'मोर'

'हम'दुनिया के दूसरे सबसे बड़े लोकतंत्र एवं सर्वाधिक 'युवा शक्ति' वाले देश के निवासी हैं। भारत की ऐतिहासिक महत्ता किसी से छिपी हुई नहीं है। आज हमारे देश की अर्थव्यवस्था भी लगातार प्रगतिशील है और साथ ही साथ हम सतत् विकास

परंतु वर्तमान वैश्वीकरण के दौर में हमारे समक्ष कई समस्याएँ (जैसे-रोजगार, कृषि संकट, बेहतर शिक्षा और स्वास्थ्य की व्यवस्था, न्यूट्रीशन आधारित खाद्य व्यवस्था) उभरकर सामने आयी हैं। यदि इनका समाधान समय रहते नहीं किया गया तब हमारा महाशक्ति बनने का सपना केवल सपना ही रह जायेगा।

हालांकि निरंतर क्रम में विभिन्न पार्टियों की सरकारें सत्ता में आयीं, परंतु उनके द्वारा उठाये गये कदमों में देश के हितों (राष्ट्रहित) से ज्यादा वोट बैंक की राजनीति, राजनीतिक महत्वाकांक्षा, आगामी चुनाव में जीत अधिक केन्द्र बिन्दु में दिखाई

1. कर्जमाफी या बेहतर कृषि प्रबंधन

भारत गांवों में बसता है। भारत की अधिकांश जनसंख्या कृषि पर निर्भर है, परंतु वर्तमान समय में किसानों की दयनीय खस्ती हालत भी छिपी हुई नहीं है। हाल ही में विभिन्न पार्टियों द्वारा कर्जमाफी को चुनाव जीत के हथियार या तरीके के रूप में प्रयोग किया जा रहा है जो किसानों की समारा कर करा है के रूप में प्रयोग किया जा रहा है, जो किसानों की समस्या का समाधान या दीर्घकालिक उपाय नहीं है। यह मात्र एक चुनावी लॉलीपॉप प्रतीत होता है, जिसमें राष्ट्रहित अर्थात् अर्थव्यवस्था को पूर्णत: दरिकनार किया जा रहा है।

क. किसानों की समस्या का मात्र अल्पकालिक समाधान ख. बैंकों का घाटा बढ़ेगा एवं उनकी बैलेंस शीट खराब होगी ग. लोगों में कर्ज चुकाने की प्रवृत्ति का विकास नहीं होगा घ. भारत में विदेशी निवेश हतोत्साहित होगा

— यह आर्थिक सहायता केवल कुछ किसानों तक ही सीमित होगी, सभी किसानों को इससे लाभ नहीं रोजगार या कुछ और?

भारत के पास युवा शक्ति की भरमार है, परंतु यदि इसका सही दिशा में प्रयोग न किया गया तो देश के भीतर आंतरिक हलचलों को भी बढ़ावा मिल सकता है। भारत की जीडीपी में आज

जॉबलेस ग्रोथ दिख रही है। विभिन्न सरकारें भी धार्मिक भावनाओं के आधार पर राजनीति करके वास्तविक समस्या/मुद्दे रे लोगों का ध्यान भटका रही हैं। तो इस स्थिति में यह हमारी जिम्मेदारी (युवाओं) बनती है कि हम खुद तय करें कि हमें बेहती

रोजगार चाहिए, बेहतर नौकरी चाहिए या फिर कुछ और!!! क्योंकि भारत में लोकतंत्र है, जनता की इच्छा ही सर्वोपिर है, इसलिए कोई सरकार या विशेष दल यह निर्धारित नहीं कर सकता कि हमें क्या चाहिए, इसमें एक बृहद् दृष्टिकोण की आवश्यकता है जो केवल 5 वर्ष आधारित न हो बल्कि जिसका खाका भविष्य को ध्यान में रखते हुए तैयार किया जाये।

आगे की राह

किसानों की स्थिति किसी से छिपी नहीं है, इस सम्बन्ध में समस्या समाधान हेतु दूरदृष्टि पूर्ण सकारात्मक दृष्टिकोण की आवश्यकता है। सरकार की ओर से चाहिये कि कर्जमाफी से अधिक किसानों को उनकी फसल का उचित मूल्य मिले, एमएसपी को पुन: परिभाषित किया जाये, गांवों में खाद्य प्रसंस्करण उद्योगों की स्थापना की जाये ताकि कोई किसान आत्महत्या के लिए मजबूर न हो, किसानों की क्रय शक्ति बढ़े और देश में समावेशी विकास संभव हो सके।

2022 तक किसानों की आय दोगुनी करने का लक्ष्य मात्र कागजी कार्यवाही प्रतीत हो रहा है। सरकारों को आगामी चुनावी जीत से अधिक दूरगामी बिन्दुओं को ध्यान में रखते हुए नीति निर्माण पर बल देना चाहिए।

भारत में आज बेरोजगारी सबसे गम्भीर समस्या है। सरकार को चाहिए कि वे इस युवा ब्रिगेड का सही दिशा में प्रयोग करके देश का विकास सुनिश्चित करें। उन्हें स्वरोजगार हेतु योग्य बनायें ताकि वो अपने साथ-साथ दूसरे लोगों को भी रोजगार प्रदान कर सकें हालांकि इस सम्बन्ध में सरकार द्वारा स्किल इंडिया, मेक इन इंडिया एवं युवाओं को स्वावलंबी बनाने हेतु अनेक कार्यक्रम चलाये जा रहे हैं, परंतु इनसे अधिक और प्रयास करने की आवश्यकता है।

देश के युवाओं/जनता को भी अधिक संवेदनशीलता के साथ सोचने की आवश्यकता है, जिनसे कोई व्यक्ति विशेष और दल उनका लाभ लेकर अपने हित न साध सके।

निष्कर्ष

भारत आज विश्व की सर्वाधिक मजबूत अर्थव्यवस्था बनने की ओर अग्रसर है। परंतु इसका सतत एवं समावेशी विकास होना जरूरी है। इस लक्ष्य को बिना महिला सशक्तिकरण, चुनावों में उनकी सहभागिता, किसानों की समस्या का समाधान, बेहतर एवं पोषक खाद्य प्रबंधन, उच्च शिक्षा, बेहतर कनेक्टीविटी, बेहतर स्वास्थ्य सुविधाएं दिये बिना प्राप्त नहीं किया जा सकता।

परंतु इस सम्बन्ध में लोगों को भी अपने कर्तव्यों को समझने की आवश्यकता है, बेहतर संवेदनशील समझ विकसित करने की आवश्यकता है जिससे वो कर्जमाफी जैसे तात्कालिक लाभ को पूर्णत: नकार सकें और समस्या के वास्तविक समाधान की मांग कर सकें एवं साथ ही साथ वे केवल धार्मिक भावनाओं में उलझकर न रह जायें, बल्कि इसके अलावा स्वयं को सशक्त बनाने का निरंतर प्रयास करें। बेहतर रोजगार विकसित करने पर ध्यान केन्द्रित करें। तभी एक भारत, श्रेष्ठ भारत शीर्षक प्रासंगिकता प्राप्त कर पायेगा। उपरोक्त सभी तर्क-वितर्क पक्ष-विपक्ष देखने के बाद मुझे लगता है-

सामाजिक आर्थिक सशक्तिकरणः हाशिए का समाज और सरकारी योजनाएं

गाँधी जी का कथन है- ''किसी भी सरकारी योजना या परियोजना का मुख्य उद्देश्य अंत्योदय होना चाहिए।'' यानी उर्र योजना का लाभ पंक्ति में खड़े अंतिम व्यक्ति तक पहुँचे जो हाशिए पर हैं। इसके लिए गाँधी जी एक तरकीब बताते हैं कि यि आप (सरकारी तंत्र) यह तय नहीं कर पा रहे कि क्या जनहित में होगा और क्या नहीं तो ऐसी स्थिति में अपनी आँखें बंद कर लें और किसी पिछड़े व्यक्ति की छिव को ध्यान में रखकर ये सोचें कि क्या इस योजना से उसके चेहरे पर मुस्कान आ सकेगी और उसकी स्थिति में सुधार हो सकेगा!

स्वतंत्रता के बाद से ही भारतीय सरकार ने अनेक योजनाएँ लागू कीं जिसका उद्देश्य हाशिए में स्थित समाज को मुख्य धारा दे लाना था। इसी कड़ी में पंचवर्षीय योजना इत्यादि अनेक योजनाएँ शुरू की गई। लेकिन कुछ संरचनात्मक किमयों की वर्जी से इनके वे परिणाम नहीं निकले, जो अपेक्षित थे।

वर्तमान सरकार ने 2014 के बाद से ही अनेक योजनाओं का शिलान्यास किया जिसमें कुछ योजनाएं बेहद कारगर साबित हुई फिर् चाहे वो सामाजिक हो या आर्थिक लेकिन सरकारों को ये याद रखना होगा कि समाज के कुछ खास वर्गों को हाशिए पर धकेलने की प्रक्रिया हजारों वर्षों पुरानी है इसिलए योजनाओं के क्रियान्वयन में किमयों को सुधारना भी अपेक्षित है। क्योंकि संतुष्टि बस तुष्टि की ही मार्ग-प्रशस्त करती है। कुछ योजनाएं निम्न हैं जिनके सामाजिक-आर्थिक प्रभाव बेहद गहरे थे लेकिन सुधार जरूरी है।

1. स्वच्छ भारत अभियान- स्वच्छ भारत अभियान निर्मल भारत योजना (2012) का ही विकसित रूप था। इसकी शुरुआत 2014 में हुई थी तब से इसने जनसामान्य में अपनी गहरी छाप छोड़ी शायद इसका मुख्य कारण था बड़े पैमाने पर विज्ञापन। इस योजना ने भारतीय समाज में नई जागरुकता लाने में महत्वपूर्ण भूमिका अदा की। इसके साथ-साथ सामाजिक सशिक्तिकरण हाशिये पर स्थित समाज का भी किया क्योंकि अभी तक सफाई कर्मचारियों को अछूत समझा जाता था लेकि अब उन्हें स्वच्छ समझा जाने लगा। इस योजना को सामाजिक स्वीकार्यता मिलने का एक और सबसे बड़ा कारण था शहरों के उत्साहवर्धन।

लेकिन इस योजना की एक खामी यह सामने निकल कर आयी कि शौचालय निर्माण के लिए दी जाने वाली राशि महर्ज 1/ हजार है उसमें भी भ्रष्टाचार। इसके साथ-साथ शौचालय निर्माण के लिए सुदूर क्षेत्रों में आधारभूत ढाँचे की भारी कमी हैं जैसे-सीवर लाइन, पानी की पाइप लाइन जैसी सुविधाएँ नहीं हैं इस कारण लोगों की रुचि अब कम हो रही है और शौचालयें की संख्या महज कागजी बनकर रह गयी है।

2. दीनदयाल ग्राम ज्योति योजना – यह योजना पूरे देश के हर गाँव कस्बे तक बिजली पहुँचाने की थी। वैसे तो स्वतंत्रता वे बाद से ही बिजली पहुँचाने का प्रयास देश के हर भाग में किया जा रहा था लेकिन इस योजना के बाद मंत्रालय की गरि हुआ। बिजली न सिर्फ घर रोशन करती बल्कि कई मायनों में जीवन भी क्योंकि बिजली होने की स्थिति में विद्यार्थी औ

कामगार शाम और रात्रि के समय भी अपना कार्य बेहतर ढंग से कर सकते और इससे आँखों की रोशनी पर भी प्रभाव नहीं पड़ता।

लेकिन इस सब के साथ कुछ रिपोर्टों में दावा किया गया कि मंत्रालय जिन गाँवों को बिजली पहुँचाने की सफलता पर अपनी पीठ ठोंक रहे वह महज कागजी है क्योंकि मंत्रालय महज खंभे गड़े होने पर ही यह मान लेता कि उस गाँव या क्षेत्र में बिजली है। ऐसे में अनेक गाँवों में तार तक नहीं डाले गए, सरकार को यह ख्याल रखना चाहिए कि ऐसे सुदूर क्षेत्रों में जहाँ खंभा गड़ना भी मृश्किल है हाशिए पर रहने वाले लोग ही रहते और ऐसे लोग सामाजिक और आर्थिक दोनों रूपों से पिछडे होते हैं। सरकार को चाहिए कि योजना को कागजी न रखकर जमीनी हकीकत पर भी हूबहू उतारे।

3. मनरेगा - मनरेगा विश्व की सबसे बड़ी सरकारी रोजगार योजना है। मनरेगा न सिर्फ ग्रामीण समाज को आत्मिनर्भर बनाती है बिल्क गाँवों से शहरों की तरफ पलायन होने वाली आबादी को भी रोकती है। इसके साथ-साथ मनरेगा से ग्रामीण विकास की संभावनाएँ और प्रबल होती हैं। 2017 में नई सरकार ने मनरेगा पर सर्वाधिक धन खर्च किया। इसके बावजूद 57 प्रतिशत लोगों को मजदूरी देर से मिली और 15 प्रतिशत को तो रोजगार ही नहीं मिला। ऐसे में मनरेगा को और अधिक विस्तृत किए जाने की जरूरत नजर आती है।

काफी लंबे समय से माँग उठती रही है कि मनरेगा जैसी योजनाओं में पशुपालन, मधुमक्खी पालन, दुग्ध उद्योग और कुटीर उद्योगों को भी शामिल किया जाए ताकि यह और विस्तृत हो सके और पारंपरिक उद्योग खत्म भी न हो सरकार को इस ओर भी ध्यान देना चाहिए। सरकार को ये याद रखना होगा कि जनधन खातों में जन को धन जमा करके योग्य बनाने के लिए मनरेगा जैसी योजनाएँ मील का पत्थर साबित होंगी।

4. जनधन- जनधन योजना के अंतर्गत लगभग 40 करोड़ बैंक खाते खोले गए। निश्चित रूप से इस योजना में सामाजिक और आर्थिक रूप से हाशिए पर रहने वाला समाज शामिल था। यह ऐसी योजना रही जिसने पहली बार हाशिए के समाज को बैंक का रास्ता दिखाया और महाजनों के शोषण से बचाने का उपाय भी सुझाया।

लेकिन इस योजना की कई खामियाँ भी सामने निकल कर आयीं जिसमें सरकार को सुधार करने की जरूरत है। इस योजना के अंतर्गत खुले बैंक खातों से एक दिन में दस हजार से ज्यादा रुपये नहीं निकाले जा सकते। ऐसे में आपात स्थिति में यह लोगों को पैसे का मोहताज बनाता है। साथ ही जनधन के अंतर्गत खुले लगभग 70 प्रतिशत खाते सिक्रय ही नहीं हैं और जो 30 प्रतिशत हैं भी उनका लेन-देन बहुत कम या सीमित है, क्योंकि इन लोगों के पास जनधन खातों में जमा करने योग्य धन है ही नहीं। ऐसी स्थिति से बचने के लिए सरकार को मनरेगा जैसी योजनाओं पर ध्यान देना चाहिए ताकि जनधन में जन-धन को जमा कराने के योग्य बन सके।

5. आयुष्मान भारत - आयुष्मान भारत दुनिया की सबसे बड़ी स्वास्थ्य बीमा योजना है, जिसमें 10 करोड़ परिवारों के 50 करोड़ लोगों को 5 लाख रुपये को स्वास्थ्य बीमा योजना का लाभ मिलेगा। निश्चित रूप से इस योजना से हाशिए के समाज का सामाजिक और आर्थिक सशक्तिकरण होगा। क्योंकि भारतीय समाज में लोगों की जमा पूँजी का बड़ा हिस्सा स्वास्थ्य समस्याओं में खर्च हो जाता है।

लेकिन सरकार को इस ओर भी ध्यान आकृष्ट करना होगा कि क्या भारत में बुनियादी स्वास्थ्य सेवाएँ अच्छी हैं ऐसे में जबिक झारखंड और छत्तीसगढ़ के आदिवासी समाज के लोग शव को कंधे या साइकिल से ढोते हैं तो क्यों हम उम्मीद करें कि इन योजनाओं का सही लाभ पहुँच पायेगा ? भारत में डॉक्टर और मरीज का अनुपात भी बहुत बुरी स्थिति में है। अस्पतालों का मूलभूत ढाँचा खराब स्थिति में है। स्वास्थ्य सेवाएँ तक लोगों को मुहैया नहीं हो पाती। हम इस बीमा से क्या ज्यादा उम्मीद लगा सकते हैं ? इसलिए सरकार को चाहिए बुनियादी सुधार पर भी ध्यान दे।

6. उज्जवला योजना- उज्जवला योजना न सिर्फ सामाजिक संशक्तिकरण की ओर बल्कि पर्यावरण संरक्षण की ओर भी एक बड़ा कदम है। उज्जवला योजना के तहत लगभग 6 करोड़ महिलाओं को एलपीजी कनेक्शन बाँटे गए। उज्जवला योजना और एलपीजी गैस के

उपयोग से महिलाओं के स्वास्थ्य पर धुएँ से होने वाले दुष्प्रभाव कम होंगे इसके साथ-साथ वनों या पेड़ों की कटाई में भी कर्म होगी। लेकिन इसके साथ-साथ सरकार को कुछ सुधार करने की जरूरत है। एक रिपोर्ट के अनुसार एलपीजी कनेक्शन य उज्जवला योजना में मिलने वाले मुफ्त सिलेंडर के बाद बहुत सारे लोगों ने दूसरा सिलेंडर तक नहीं खरीदा। इसका कारण एक तो सुदूर क्षेत्रों तक परिवहन की समस्या और दूसरा अधिक दाम होना रहा।

निष्कर्ष - किसी भी सरकारी योजना का मुख्य उद्देश्य हाशिये के समाज का उत्थान ही होना चाहिए और कई बार होता भी है। लेकिन जमीनी स्तर पर होने वाले भाषाचार के क है। लेकिन जमीनी स्तर पर होने वाले भ्रष्टाचार को कम किए जाने की सख्त जरूरत है। इसके साथ ही जरूरत है गरीबी रेखें की बजाय अमीरी रेखा बनाए जाने की ताकि पन किए की बजाय अमीरी रेखा बनाए जाने की ताकि एक निश्चित आर्थिक स्थिति पर पहुँचने के बाद पूँजी का सामाजिक बँटवारी किया जा सके और आर्थिक सशक्तिकमा पानन्ती के स्थिति पर पहुँचने के बाद पूँजी का सामाजिक बँटवारी किया जा सके और आर्थिक संशक्तिकरण मजबूती से हो सके। इसके साथ-साथ सामाजिक संशक्तिकरण के लि^ए जातिवाद, क्षेत्रवाद इत्यादि समस्याओं से सम्बी ने किया जातिवाद, क्षेत्रवाद इत्यादि समस्याओं से सख्ती से निपटा जाना चाहिए। कई बार सरकारी योजनाएँ हाशिए पर स्थित समि को ध्यान में रखकर ही बनायी जाती हैं लेकिन जरूरत होती है उसके ईमानदारी से क्रियान्वयन की।

थक गया फुर्तीला बचपन

मनुष्य के जीवन में बचपन एक ऐसा दौर होता है, जिसमें प्रसन्नता मौज-मस्ती के समय का विशेष महत्व होता है। बचपन, जीवन का मौज-मस्ती का समय होता है। इसिलए यह उम्र भर याद रहता है। रूठना, मनाना, मुस्कुराना, हंसना, शरारत करनी, मौज-मस्ती यह सभी बचपन के रंग कहे जाते हैं। चिड़ियों की भांति बच्चों के शोर की चहचहाहट पूरे घर को रोशन कर देती है। इन बच्चों की नादानियाँ घर को सतरंगी बना डालती हैं।

कुछ ऐसे ही किस्से संपूर्ण जीवनकाल के यादगार इतिहास बन जाते हैं, जिहें दोहराने में आनंद की प्राप्ति मिलती है। किंतु समय के साथ-साथ इन लम्हों की रचने वालों की संख्या कम होती जा रही है। एक वह समय था जब, ''कट्टी और छोटी उंगली मिलाकर बड़ी'' कहकर बच्चे मित्र बनते थे। परंतु वर्तमान में ऐसे देखने को नहीं मिलता है। वर्तमान दौर आधुनिकता का दौर है। आधुनिकता की सीढ़ियों पर चढ़ते-चढ़ते बच्चों का बचपन कहीं खोता जा रहा है। माता-पिता की उंगली पकड़कर घूमने और मौज-मस्ती करने के बदले आज के नन्हें हाथों में मोटी-मोटी किताबों और बस्तों का बोझ है। वर्तमान समय में इन बच्चों को अपनी उम्र से भी अधिक पुस्तकों संभालने की जिम्मेदारी सौंप दी गई है।

आज इन बच्चों के मुख पर प्रसन्नता और मुस्कुराहट के स्थान पर तनाव व चिड़चिड़ापन नज़र आता है। ऐसे में नौकरीपेशा माता-पिता इन बच्चों को ट्यूश्रिन, डांस क्लास, स्कूल, वीडियोगेम आदि में व्यस्त रखने की कोशिश करते हैं, जिसकें कारण इनका प्राथम

कारण इनका स्वभाव पहले से अधिक उग्र और गुस्सैल प्रवृत्ति का हो जाता है। टेलीविजन में प्रसारित होने वाले रियल्टी शो प्रतिस्पर्धा को बढ़ावा देने का कार्य करते हैं। कभी-कभी प्रतिस्पर्धा के चर्ली हैं। इन तमाम कारणों से बच्चों में मासूमियत की जगह गांभीर्य दिखाई देता है। जाता-पिता के कंशों पर कैन्या परिता होने लगते हैं। इन तमाम कारणों से बच्चों में मासूमियत की जगह गांभीर्य दिखाई देता है।

माता-पिता के कंथों पर बैठकर मस्ती करने के बदले आज बचपन को बस्तों का बोझ टांगना पड़ता है। और इसी कश्मकर्श में आधुनिकता की देन है। वीडियो गेम के कारण आज बच्चां का बचपन एक बंद कमरे में सिमट कर रह गया है, जिनके कारण नहीं हो पाती है। अंतत: बस्ता ढोने और बचपन को इस लड़ाई में विजय बस्ता ढोने की होती है, जिसके कारण ये नहीं उठा पाते हैं।

देश के जांबाज योद्धा

रहते हैं हम, आज जो सुरक्षित, वीरों का है इसमें हाथ। न है चिंता और न कोई भयभीत, न कोई जात-पात, हम सब के मीत, हर डाली-हर पात, हम देश के साथ।। ये हैं देश के जांबाज योद्धा। ये हैं देश के जांबाज योद्धा।

लेकर चलते हैं ये कई आस,
पर कभी न रहते ये हताश,
हर कदम पर हैं ये लोगों के साथ,
जीवन-मरण या हो और कोई बात,
रहते हैं वे मातृभूमि के साथ।।
ये हैं देश के जांबाज योद्धा।
ये हैं देश के जांबाज योद्धा।

मनाते हैं हम आज जो त्योहार, इन्हों के चलते आपस में करते प्यार, रहते हैं हम जो सुरक्षित छत के नीचे, इन्हीं सपूतों का हाथ है इसके पीछे, और झुकाते नहीं हैं सिर कभी नीचे।। ये हैं देश के जांबाज योद्धा।

सरहद पर है वो आज खड़ा।
सरहद की रक्षा हेतु जिद पर अड़ा।।
कभी माँ की याद आती,
कभी बहना की याद सताती,
मगर फिर भी वो सरहद पर डटा,
जंग के मैदानों पर,

सबके अरमान लिए खड़ा।। ये हैं देश के जांबाज योद्धा। ये हैं देश के जांबाज योद्धा।।

करता हूँ मैं उनको सलाम, जिसने दिया अपना बलिदान। ये हैं देश के जांबाज योद्धा। ये हैं देश के जांबाज योद्धा।

प्रयास

हर जीव में जो इस संसार में रह रहा है। उस हर जीवन के जीवन में कुछ संघर्ष होते हैं। वह मानव जाति जो सभी जीवों में सबसे विकसित व समझदार है, उसके अपने संघर्ष व लक्ष्य हैं और उन संघर्षों को पार कर अपना लक्ष्य प्राप्त करने के लिए प्रयास करना अनिवार्य है। अगर कोई व्यक्ति किसी चीज को पाने के लिए निरन्तर प्रयास करता रहता है तो निश्चित तौर पर उसे निरन्तर अपना लक्ष्य प्राप्त होगा। यह मानव के प्रयासों का ही नतीजा है कि आज हम इस आधुनिक दुनिया में रह रहे हैं। इन्हीं प्रयासों से ही हमने उपकरणों का निर्माण किया।

किसी भी व्यक्ति को अपने लक्ष्य में एक ही बार में सफलता मिल जाए यह जरूरी नहीं है। परंतु जो इंसान गिर के दूसरी बार उठने का हौसला रखता हो, वही सफलता को प्राप्त कर सकता है। कोई भी व्यक्ति तब असफल नहीं होता जब वह अपने लक्ष्य पाने में चूक जाता है बल्कि तब असफल होता है जब वह अपने लक्ष्य को पाने के लिए प्रयास करना बंद कर देता है व जब वह मानसिक रूप से हार मान लेता है। आज के समाज में व्यक्ति की सफलता या उसकी असफलता को समाज बताता है लेकिन व्यक्ति सफल है या असफल यह उसकी अंतरआत्मा अच्छी तरह से जानती है कि उसने अपने बनाए लक्ष्य को पूर्व प्राप्त करना भी सफलता का अर्थ पैसों से व लोकप्रियता से जोड़ा जाता है, परंतु ऐसा नहीं है लोगों का अपने निर्धारित लक्ष्य की से ही सफल हो सकता है।

हमारा संसार बहुत वर्षों से चला आ रहा है। इसमें बहुत से परिवर्तन हुए। यहाँ बहुत सी चीजों का निर्माण हुआ, विकास हुआ लोगों का रहन-सहन बदलता रहा व मनुष्य के प्रयासों से ही हम पृथ्वी के बाहर भी जा सके। इन सब चीजों से हम देखते हैं वे सब हमारे प्रयासों का ही नतीजा है कि जो आज हम इस तरह का जीवन व्यतीत कर रहे हैं। कुछ लोग डर की वजह से प्रयास कुछ नहीं होता। कुछ शब्द जो एक व्यक्ति ने कहे, प्रयास का महत्व बताते हुए वो इस प्रकार थे कि:-

'डर किसको नहीं है मैं हार जाऊँगा पर कोशिश की तो क्या पता बाजी मार जाऊँगा क्योंकि बचपन में सीखा था हमने, चाहे जितनी बार गिरूँ मैं, उठ हर बार जाऊँगा।''

इसलिए इस संसार में हर व्यक्ति को अपने लक्ष्य को प्राप्त करने के लिए प्रयास अवश्य करना चाहिए, क्योंकि ''कोशि

स्वतंत्रता

ये शब्द हम कई बार सुनते व समझते हैं तथा इस वाक्य को भी जानते हैं कि 'हम आजाद हैं'। क्या इस आजादी शब्द या इस स्वतंत्रता शब्द को हम समझते हैं? स्वतंत्रता का विचार संविधान के पन्नों में लिखने से और स्वतंत्रता को समझने के तौर-तरीके भी अलग हैं। अब यह प्रश्न उठता है स्वतंत्रता किसे कहें ? इन प्रश्नों में हम उदाहरण प्रस्तुत करें तो अगर दो देशों के संबंध इतने बेकार हैं कि उनमें युद्ध जैसी परिस्थिति उत्पन्न हो गई है या मान लिया जाए कि युद्ध हो ही गया तो उन देशों में से कौन जीता या किसने जीत प्राप्त की इससे कोई फर्क नहीं पड़ता? परन्तु जितना प्रभाव उस देश की जनता पर होगा उससे ज्यादा किसी पर नहीं होगा। जीत तो मिली परंतु ऐसी जीत का क्या जिसमें हमारी आम जनता खुश नहीं हैं। अब तो मेरे मन में एक प्रश्न और उठता है कि 'हम स्वतत्र हैं' कैसे कहें, कैसे बोलें कि किस तरह की स्वतंत्रता हमारे पास है? इसी प्रकार स्वतंत्रता का अर्थ बच्चों, छात्रों, महिलाओं आदि के लिए अलग है।

महिलाओं के लिए स्वतंत्रता का अर्थ तो हमेशा अलग ही था क्योंकि जितनी उन्हें स्वतंत्रता चाहिए, उन्हें उतनी नहीं मिली। उनका जीवन तो घर से शुरू होकर घर पर समाप्त हो जाता है परंतु कुछ ही विषयों पर हमें स्वतंत्रता प्राप्त हुई। कुछ बातें तो समाज में महिलाओं को आगे बढ़ने से रोकती हैं। अगर कोई महिला अपने बारे में सोचे अपने निजी जीवन के बारे में सोचे या कहे कि उसका अपना भी कोई जीवन है परन्तु समाज उसको, उसके बच्चे और पित तक सीमित कर देता है। अगर कोई महिला समाज में आगे बढ़ने की कोशिश करे तो ये समाज उसे उस नज़र से नहीं देखता जिस नजर से एक पुरुष को देखा जाता है। मुझे तो यह समझ नहीं आता कि समाज है कौन? ये समाज चाहता क्या है? यह समझा जाता है कि समाज एक दूसरे को जोड़ता है परंतु यहाँ तो ये बातें साफ

दिखाई पड़ती हैं कि ये वो समाज है जो समाज को जोड़ता नहीं है परंतु इंसानियत जैसी भावना को भी समाप्त कर देता है। अब जब इंसानियत की बात आ गई है तो क्या आज इंसानियत है? लोग पहले व्यक्ति को इंसान के रूप में देखने की जगह उसे धर्म और जाति के साथ पहले जोड़ते हैं। उनके लिए ये बातें बहुत सरल हैं परंतु आज भी हमारे इसी समाज में नीची व ऊँची जाति का भेदभाव सीमित है, क्या इसे कहते हैं स्वतंत्रता? जिसमें न तो इंसान इंसानियत समझता है और तो और धर्म को भी जोड़ देता है।

स्वतंत्रता ने हमें बेहतर भी बनाया और बेहतर नहीं भी बनाया। इसने हमें प्रभावित किया है अगर लिंग की स्वतंत्रता की बात करें तो लड़की व लड़के को कितनी स्वतंत्रता होनी चाहिए। लड़िकयों के लिए पहले स्वतंत्रता का क्या अर्थ है? हम जब लड़िकयाँ घर के सदस्यों के साथ होती हैं तो वो हमेशा ये बात समझाते हैं कि इज्जत, परंतु इस बात को अगर समझाना है तो लड़कों को समझाओ, क्योंकि मुझे तो यही लगता है कि अगर उनको पहले से यह बात समझाई जाएगी तो वो इस बारे में सोचने से पहले बहुत बार सोचेंगे। तब एक नया रूप और समाज सामने लेकर आएगा कि वो लड़के है क्यों वो लिंग से पहले इंसान नहीं हैं। समाज में अगर किसी लड़की के साथ कुछ गलत हो जाए तो समाज हमेशा यह बोलता है कि लड़िकयों की गलती है? क्या गलती सिर्फ एक तरफ से होती है? क्या गलती सिर्फ लड़िकयों की होती है?

कभी-कभी मुझे खुद ऐसा महसूस होता है कि सपने भी एक लिमिट में लड़िकयों को देखने पड़ते हैं ज्यादातर समाज में लड़िकयों को अपने सपनों को भूलना पड़ता है। सिर्फ एक शब्द से शादी, क्या यह जीवन में किसी की इच्छा मतलब उसके सपनों से बढ़कर मानते हैं सपने देखने का हक सभी को होता है परंतु अगर सपने की भी कुछ सीमाएँ हो जाएँ तो वो सपने नहीं रहते हैं समाज हमेशा इन सपनों में लड़िकयों की शादी की बात को सामने लाकर खड़ा कर देता है, इसी एक शब्द से लड़िकयों को अपने सपनों को भूलना पड़ता है।इस व्यवस्था की वजह से आज भी लड़िकयों के साथ

क्राइम, रेप जैसी घटनाएं हो रही हैं। समाज में बदलाव के लिए समाज को खुद ये समझना होगा कि वह बढ़ किस और रहा है? ऐसी है हमारी स्वतंत्रता।

एक शहीद सैनिक की आत्मा

में शहीद हो गया माँ, तेरे आँचल की रखवाली में, सीमा पे गोलियां खार्यीं, माँ मैंने इस दिवाली में फिर आज तेरे आँचल में ही, मेरा घर क्यों जल रहा, तेरे दामन में मुजफ्फरनगर, मन्दसौर की घटना क्यों चल रही, क्यों दिल्ली की अपनी बेटी, अपने ही घर में ही महफूज़ नहीं, लक्ष्मी सी छोटी बेटी माँ, भुखमरी से क्यों जूझ रही, में और मेरे जैसे हज़ारों शहीदों का क्या यही इनाम है, आत्महत्या किसानों की कैसा ये पैगाम है, जाति, धर्म के खातिर न, हम माँ तेरे खातिर लड़े, तेरे टुकड़े करने को, क्यों तेरे बेटे ही, सियासत गढ़ें, क्या सुभाष, भगत सिंह ने यही सपना देखा था, माँ का कफन बेचने वालों से, अपना आंगन तपते देखा था, वंदे मातरम भी माँ अब तेरे बेटों को बोझ लगने लगा, संस्कृति में भी तेरी पश्चिमी लगने लगा, माँ हमने सन् 1962, 1999 में तेरे दुश्मनों को मारा था, तेरे जख्मों को फिर किसने उकेरा था, फिर बालश्रम और ये शराब के कोरे धंधे, दहेज हत्या, ये क्यों सब मानवता के अंधे, कहाँ जनने लगी माँ अब तू ऐसे नक्कारे, भारत तेरे टुकड़े की आवाज जो पुकारे, मुझे याद हो वो मेरे जनाज़े के दिन,

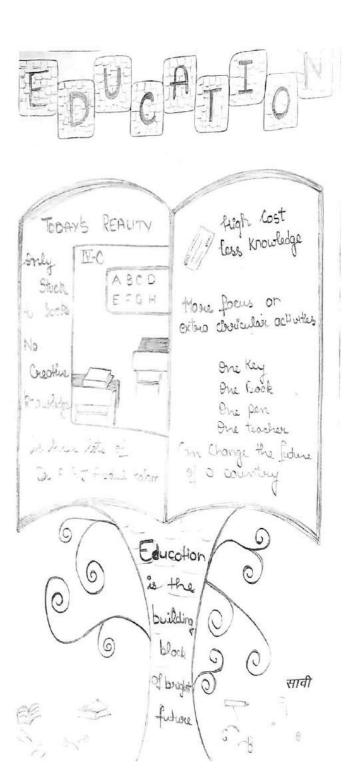

अर्धांगिनी श्रृंगार में, मेरे प्रतीक्षा के समय को रही थी गिन, मेरा बेटा गले लगने को बेकरार बड़ा था, माँ को मेरे गोदी मैं सुलाने को प्यार अड़ा था, तिरंगों में जब लिपटा मैं अपनी देहरी को जब छुआ था, श्रृंगार अर्धांगिनी का, आज धुल गया था, मां का दामन आज आंसुओं में घुल गया था, नहीं सुना सका आज बेटे को किस्से, सब वार दिया मातृभूमि तेरे हिस्से, आज उसी हिस्से में मेरी माँ बीमार है, बेटे को एडमिशन को न रिश्वत न परोपकार बेवा मेरी आज भूखे सो जाती है, फिर हर कोई भारत माँ की जय गाती है, मैंने भी सौ जन्मों तक शहीद बनने की ठानी थी, पर फिर भी तू लहूलुहान रहे, ये बात न हमने मानी थी, मेरी याद में न पानी हो, बस शर्म का पानी जीवित रखी, ए सियासत वालों, राष्ट्र प्रेम ही धर्म हो, वही रामायण हो, वही कहती हों आयर्ते, शहादत हुनर हो अपना, तिरंगा अपनी शान हो, हरियाली अमन से सजा, अपना हिंदुस्तान हो।

गरीबी का दंश झेल रही दलित महिलाएं

कहना गलत न होगा कि वर्तमान आधुनिक भारत में दिलत महिलाएँ बेबस हैं। बदनसीब हैं। गरीबी का दंश झेल रही हैं। हमारे देश ने आजादी के सात दशकों में बहुत प्रगित की है। फिर चाहे वह आर्थिक, सामाजिक या राजनैतिक लिहाज से हो, हर जगह भारत ने अपना परचम फहराया है। लेकिन सोचना, समझना और परखना होगा कि इस देश की आधी आबादी अर्थात् महिलाएँ उन महिलाओं में ग्रामीण दिलत महिलाएं क्या आर्थिक, सामाजिक रूप से स्वतन्त्र हैं? नहीं। जब-जब मैं ग्रामीण इलाकों में भ्रमण के लिए जाता हूँ और वहाँ उन दिलत महिलाओं की दिशा और दशा देखता हूँ तो मन में एक कचोट पैदा होती है। हृदय पर गहरा आधात होता दियाग पाना की स्वार्थ

होता, दिमाग शून्य की स्थिति में चला जाता है और आवाज आती है कि हमारा देश केवल शहरों में स्वतन्त्र हुआ है। ग्रामीण इलाकों में नहीं।

ग्रामीण दिलत मिहलाएँ तो अब भी नर्क जैसी जीवन यात्रा कर रही हैं। और हाँ यह स्पष्ट करना चाहता हूँ कि दिलत शब्द की अर्थ ये नहीं कि, मैं नीची जाित की महिलाओं की दशा को रेखांकित कर रहा हूँ। मेरा मतलब उन तमाम महिलाओं से हैं जिसे उन्हें सिर्फ देह तक सीमित कर दिया जाता है। शहरों में हालात फिर भी ठीक हैं। अरे उनके मानसिक सौन्दर्य की अनदेखी कर से बद्तर है। माँ-बाप सुरक्षा के नाम पर अपनी बेटियों को कैद कर के रखते हैं। उन्हें शिक्षा, स्वतन्त्रता से वंचित कर विया जाता है और उसके शरीर को एक पर्दे रूपी कारागार में कैद कर के रखते हैं। उन्हें शिक्षा, स्वतन्त्रता से वंचित कर दिया ये है कि प्रतिपल उनकी आकांक्षाएं मरती रहती हैं वो घुटती रहती हैं? और धीरे-धीरे बन जाती हैं बेबस, बदनसीब और

उन्हें ये जानने तक का अधिकार नहीं होता कि उसका जीवन साथी कौन होगा ? क्यो वो भी उसके पैरों में बेड़ियाँ डाल देगा? चृल्हे-चौके में सनी ग्रामीण महिलाएँ क्या कभी बेबसी, बदनसीबी और वो आजाद घूमेगी। इस स्वतन्त्र भारत के गिल्यारों उनकी सोच को अब भी पल-पल हमारा समाज मारता रहेगा? आइए एक संकल्प लें और वो संकल्प दिलत स्त्री मुर्कित के लिए हों, तभी हमारा देश सही मायनों में आजाद होगा। सरकार और समाज दोनों को इन महिली

भारत में आरक्षण

कटु सत्य-1. आदमी: मेरे पास मेहनत करने का जज्बा है, डिग्री है, योग्यताएँ हैं, हौंसला है, तुम्हारे पास क्या है? 2. आदमी: मेरे पास आरक्षण है।

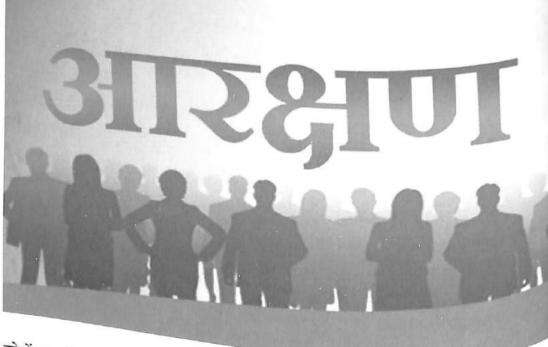

देश को आगे बढ़ाना है, पर खुद को पिछड़ा बताना है। उपरोक्त लिखित वाक्य भारत में कटु सत्य है जो आज चरम सीमा पर है।

आरक्षण क्या है? यह
सवाल कभी प्राचीन
काल में हमारे सामने
आया करता था क्योंकि
प्राचीन समय से हमें
ऊँच-नीच का सामना
करना पड़ रहा है। प्राचीन
काल से ही ऊँच-नीच
का भेदभाव आरंभ हो
चुका था। हमारे समाज में
चार वर्ग हुआ करते थे जो
थे - ब्राह्मण, क्षत्रिय,
वैश्य, दिलत। ब्राह्मण,
क्षत्रिय, वैश्य वर्ग के लोग
अपने को बहुत ऊँचा

समझते हुए दिलत वर्ग के लोगों का शोषण करते थे। उन्हें मंदिर नहीं जाने दिया जाता था। रसोई घर आदि में जाने पर पाबंदी होती थी। यही सब भेदभाव देखते हुए स्वतंत्रता प्राप्ति के समय और पश्चात् संविधान निर्माताओं ने सभी की सहमति से एक कानून आरक्षण दिलतों के लिए (जिनमें अनुसूचित जाति व जनजाति शामिल है) कानून बनाया जिसके अनुसार किसी भी राज्य में 50 प्रतिशत से अधिक का आरक्षण नहीं दिया जाएगा अर्थात् यह अधिकतम सीमा 50 प्रतिशत तक कर दी गई- ''याद करो उन दिनों को जब हम जमीन के टुकड़े पर लड़ा करते थे।

गजनी, बाबर कासिम मौका देख देश में घुसा करते थे। आज हम सब झगड़ रहे हैं आरक्षण की रोटी पर, जैसे कुत्ते झगड़ रहे हैं कटी गाय की बोटी पर।।''

भारत में आरक्षण की शुरुआत दलितों का शोषण देख हुँ

थी, पर आज आधुनिक युग में इसका गलत तरीके से उपयोग किया जा रहा है। आरक्षण अपने अधिकारों को पाने के लिं बुलंद की जाने वाली आवाज थी। आज यह हर दूसरे आदम के मुंह पर है। हमारे देश में दलितों को आरक्षण की कार्ण जरूरत थी पर आज के समय में कोई भी वर्ग गुट बनार्क आरक्षण की मांग करने लगता है जो कि बिल्कुल गलत है।

आरक्षण के आधार पर भारत में प्राचीन समय से ही पुरूष और महिला में बहुत अधिक भेदभाव होता आया है क्योंकि भारत एक पुरुष प्रधान समाज रहा है तो इसने हमेशा से ही महिलाओं को दबाना चाहा है। अनेक प्रथाओं को महिलाओं पर थोपा गया जैसे: बाल विवाह, सती प्रथा, प्रदा प्रथा जैसी अनेक प्रथाओं का आज तक महिलाओं ने सामना किया है, पर आज सरकार ने महिलाओं के लिए हर क्षेत्र में आरक्षण देकर महिलाओं को सम्मान दिलाया है। तभी तो कहा है:-

लाचार नहीं, कमजोर नहीं,
दुर्गा है नारी,
मत समझो इसको कमजोर
क्योंकि आज की नारी
सब पर भारी ।।
अवसर मिले प्रतिभा को न कि जाति
विशेष को
तभी न भागेंगे गुणवान, प्रतिभावान,

उपरोक्त पंक्तियाँ कितनी मनमोहक हैं कि प्रतिभावान व्यक्ति को अवसर मिलना चाहिए न कि केवल विशेष जाति को क्योंकि अगर ऐसा होता रहा तो भारत में गुणवान, प्रतिभावान व्यक्ति की जगह केवल आरक्षण पाकर आए हुए कम प्रतिभाशील व्यक्ति ही दिखाई देंगे और प्रतिभाशील व्यक्ति विदेशों को प्रस्थान करते रहेंगे, जिससे हमारे देश के विकास में बाधा आती जाएगी।

आज कम प्रतिभाशाली व्यक्ति आरक्षण पाकर,सफलता की चोटी पर चढ़ गए हैं और प्रतिभाशाली बच्चे आरक्षण की बिल चढ़ गए हैं। देश में आरक्षण देना बिल्कुल उचित है पर यह आरक्षण कतई भी जाति के नाम पर नहीं दिया जाना चाहिए, क्योंकि जाति या धर्म से किसी के आर्थिक रूप को नहीं जाना जा सकता। आरक्षण का सही मायने में अर्थ वहीं सच्चा होगा जब एक आर्थिक रूप से जरूरतमंद व्यक्ति को आरक्षण मिले।

कितने शहीदों, देशभक्तों ने निज प्राणहुति देकर भारत देश को आजाद कराया है। आज इन कुटिल नेताओं ने आरक्षण देकर भारत देश को बर्बाद कराया है। स्वतंत्रता प्राप्ति से पहले कितने ही शहीदों, देश भक्तों ने देश की स्वतंत्रता का सपना संजोया था। वे चाहते थे कि हमारे देश में स्वतंत्रता के पश्चात समानता और एकरूपता हो किन्तु आज कितने ही छलीय नेताओं ने आरक्षण के लोभ में देश को बर्बाद कर दिया है। नेताओं ने वोट पाने के लिए कितने ही आरक्षण दे रखे हैं जो न केवल गलत है बल्कि असामान्य है क्योंकि आरक्षण के असली हकदार तक ये आज भी नहीं पहुंच पा रहा है।

कितनी ही रातों में भूखे पेट सोता है परिवार मेरा, मेरे परिवार को दो वक्त की रोटी चाहिए अन्न चाहिए।

एक सामान्य जाति के दलित आर्थिक रूप से पिछड़े व्यक्ति की पुकार को सुना जाए, क्योंकि नेताओं के हिसाब से केवल दलित निचली जाति को ही आरक्षण की जरूरत है। आर्थिक आधार पर आरक्षण दिया जाए। अगर भारत देश को तरक्की की राह पर ले जाना है तो आर्थिक रूप से पिछड़े व्यक्तियों को आरक्षण दें न कि जाति के नाम पर लोगों को।

> जब न होगा देश में आरक्षण, तब न रहेगा कोई धर्म विभाजन, न कोई हिंदू, न कोई ईसाई, न कोई मुस्लिम, न कोई सिक्ख होगा उस दिन केवल यह हिंदुस्तान होगा।

नकारात्मकता : एक बड़ी समस्या

GAS CHAMBER

नकारात्मकता एक गंभीर एवं चितंन का विषय है। समाज में कई रूपों में यह मौजद है। नकारात्मकता की श्रेणी बहुत ही व्यापक है। यह व्यक्ति के व्यक्तित्व के साथ मस्तिष्क की क्रियाओं को भी बदल देता है। यह न केवल समाज पर अपना प्रभाव छोड़ता है बल्कि सामाजिक तौर पर मनुष्य के भावों, विचारों और उनकी योग्यता में भी संदेह की भावना को जागृत करता है। नकारात्मकता किसी भी व्यक्ति को उसके असल एवं उचित व्यवहार से दूर कर देती है। उस समय व्यक्ति अकेला महसूस कर अपने को दोषी समझने लगता है।

नकारात्मकता का स्वरूप ही गलत दृष्टिकोण से मापा जाता है क्योंकि यह सोच के उपरांत सभी व्यवहार को भी खराब कर देता है। वर्तमान समय में सहसे अधिकार

देता है। वर्तमान समय में सबसे अधिक नकारात्मकता युवा वर्ग को प्रभावित करती है। वह उनके मस्तिष्क एवं सोच पर कुर् न कर पाने एवं सभी तत्वों एवं कार्यों से भागने का विचार मन में उत्पन्न कराती है। समाज में विभिन्न तरीकों के लोग मौजूर्य परंतु सबसे अधिक नकारात्मक की श्रेणी वाले लोग अधिक हैं। एक युवा वर्ग के समूह में केवल एक व्यक्ति नकारात्मक सोच रखकर कार्य करता हो तो वह बाकी समूह के व्यक्तियों को भी नकारात्मक सोचने के लिए विवश कर देता है नकारात्मकता का जन्म व्यक्ति की लालसा एवं लालच जैसे व्यवहार से भी उत्पन्न होता है।

यहां कोई व्यक्ति दूसरे से अधिक परिश्रम कर आगे बढ़ता हो तो वह उसको पसंद नहीं आता। वह उसे अपना नहीं पाता अँ दिती है वह सदैव यह सोच रखती है। नकारात्मकता व्यक्ति एवं समाज से जुड़े सभी तत्वों को कभी आगे कार्य नहीं करें भी उनका समय बर्बाद होगा। नकारात्मक सोच रखने वाले व्यक्ति भविष्य में किसी भी रूप में समाज को अपना महर्व योग्यता सिद्ध नहीं कर पाते। नकारात्मक सोच रखने वाले व्यक्ति भविष्य में किसी भी रूप में समाज को अपना महर्व समाज में अपने प्रतिबंध लगाते आए हैं। यह समाज के उन रूपों में अपना प्रभाव अधिक छोड़ते हैं जो कमजोर एवं अविकर्ष क्योंकि समाज के विकास के लिए व्यक्ति का सकारात्मक सोच रखना और समय के साथ बदलती सोच एवं मनुष्य विचारधारा से रही है। नकारात्मकता को बिहत विस्तृत भी है। क्योंकि यह सामाजिक तौर पर व्यक्ति को ग्रहण करना आवर्ष है। नकारात्मकता को विकास के विकास के लिए व्यक्ति का सकारात्मक सोच रखना और सकारात्मक व्यवहार को ग्रहण करना आवर्ष है। नकारात्मकता की श्रेणी बहुत विस्तृत भी है। क्योंकि यह सामाजिक तौर पर व्यक्ति की सोच एवं व्यवहार पर निर्भर कर सकारात्मक होने में समय लगता है। मसलन यह व्यक्ति की सोच और व्यवहार के साथ व्यक्ति को आगे बढ़ने से राक्ति सकारात्मक होने में समय लगता है। मसलन यह व्यक्ति की सोच और व्यवहार के व्यवहार से झलकता है। नकारात्मकता है। मसलन यह व्यक्ति की सोच और व्यवहार को बदल देता है। और एक बड़ी समस्या सुलझाने का प्रयत्न कर पाने में सक्षम साबित होता है।

रुक मत, सोच नई रख

सोच तू नई रख अपने जीवन में,
आगे बढ़ने की, कुछ करने की,
रुक मत इन सामाजिक बंदिशों से,
इसका सामना कर तू दृढ़ता से।
जीवन की राह पर सोच नूतन तू रख,
रुक मत तू यह सोचकर कि हमसे नहीं हो पाएगा,

कुछ करने की सोच तो तू इसका सामना कर मजबूती से। कब तक दबेगी कब तक रुकेगी कब तक अपने हौंसलो को झुकाएगी कभी तो आगे बढ़ सोच तो तू रख नई, जीवन में, इसका सामना कर तू मजबती से।

क्यों तू बदलाव को अपनाती नहीं जीवन में नई सोच अपनाती नहीं, हौंसला रख कुछ नया करने का, इसका सामना कर तो तू मजबूती से। क्यों तू अपने आपको दबाती है, आगे क्यों नहीं बढ़ जाती है, जीवन की हर मुसीबतों का हल कर मजबूती से, इसका सामना कर तो तू मजबूती से। समाज की जो सोच है, थोड़ी रुकने वाली है, थोड़ी पारंपरिक है, थोड़ी रुढ़िवादी है, तो तू रुक मत इससे, इसका सामना कर तो तू मजबूती से।

अधरों पर अब मुसकान नहीं है, जीवन में अब रसगान नहीं है। मुख मौन मिलन सा लगता है, जीवन दुखमय ही कटता है। जीर्ण-शीर्ण देह लिए, अब वस्त्रों का श्रृंगार कहाँ?

इस भुखमरी लाचारी में,
अब जीवित सा व्यवहार कहाँ?
हम नयनों में भारी अश्कों को लें,
जीवन का सफर करते हैं
फिर भी कुछ अत्याचारी,
इन नयनों का शोषण ही करते हैं
मेरे जीवन का शोषण हो तो,

माफ तुम्हें में कर देती।

यह शोषण है मानवता का,

जिसमें तुम भी तो जीते हो।

मत भूल मनुष्य मानवता को,

युवाओं पर परीक्षा परिणामों का बढ़ता दबाव

आधुनिक समय में शिक्षा का महत्व बढ़ता जा रहा है , जिस कारण भावी युवा वर्ग शिक्षा को लेकर दबाव की स्थिति की सामना करने लगे हैं। भारत जैसे देश में अत्यधिक जनसंख्या होने के कारण रोजगार प्राप्ति हेतु उच्च कोटीय शिक्षा की मांग बढ़ती जा रही है, यही मुख्य कारण बनता जा रहा है कि युवाओं पर अत्यधिक शिक्षा ग्रहण करने के लिए दबाव डाला जाता है युवाओं में शिक्षा को बढ़ावा देने हेतु अभिभावकों द्वारा जरूरत से अधिक प्रोत्साहित किया जा रहा है जो कि एक तरह के अनुचित महसूस होता है।

बाल्यकाल से ही अभिभावकों द्वारा उच्च परिणाम हासिल करने के लिए प्रत्येक बच्चों को कहा जाता है, इसी कार्ण कभी-कभी ऐसी स्थिति भी उत्पन्न होने लगती है कि बच्चों का शारीरिक, मानसिक विकास नहीं हो पाता है, जो कि बाल्यकाल में आवश्यक पहलू होता है। अभिभावकों द्वारा युवाओं को उच्च श्रेणी के स्कूल, कालेजों में भेजा जाता है, पंष्ठ उनके शारीरिक व मानसिक विकास हेतु खेल संबंधी कियाकलापों में भाग लेने से वंचित किया जाता है चूंकि इससे उनके परीक्षा परिणामों पर असर पड़ता है। परीक्षा को लेकर आज के आधुनिक समय में अत्यधिक प्रतिस्पर्धा देखने को मिलती है।

खेल संबंधी कियाकलापों द्वारा मानसिक बेराजगारी मिलती है परंतु परीक्षा में अत्यधिक प्रतिस्पर्धा देखने को मिलता पाबंदी लगायी जाती है। परीक्षा को लेकर विद्यार्थियों में अधिकांश मौकों पर तनाव चिड़चिड़ापन जैसे मानसिक विकार विद्यार्थियों में अधिकांश मौकों पर तनाव चिड़चिड़ापन जैसे मानसिक विकार विद्यार्था ने उन्हें खुदखुशी जैसी घटनाओं की ओर अग्रसारित किया है कि कुछ परीक्षार्थियों द्वारा परीक्षा परिणामों को लेक चला जा रहा है। परीक्षार्थियों का अपने पसंद के परिणाम न मिलने के कारण भीजूदा दौर में यह विषय और जिटल ही जाता है।

रोजगार के अवसर में कमी निरंतर होती जा रही है परिणाम स्वरूप प्रतिस्पर्धा की जटिलता होना स्वाभाविक है इसी कार्र स्थित पैदा कर दी है इसने अभिभावकों के लिए अधिकांशत: चिंता का विषय बना दिया है। आए दिन सरकार और शिक्षा मंत्रालयों द्वारा विद्या है। शिक्षा मंत्रालयों में इस विषय है टेलीविजन पत्र-पत्रिकाओं आदि के माध्यमों से बांटने का प्रयास किया गया है। यह एक उपयुक्त कदम हो सकता है, जिसी

कुछ सुझाव इस विषय के संबंध में हम दे सकते हैं कि जैसे अभिभावकों द्वारा परीक्षार्थियों को ज्यादा दबाव में न डाला जाए मानसिक दबाव न हो। इस कम में योग, साधना सर्वोच्च लाभकारी कियाकलाप हो सकता है। एक परीक्षा किसी परीक्षार्थी के हुनर को कम नहीं कर सकती, इसके बदले कई मौके मिलते हैं जिसे

महिला सशक्तीकरण

किसी भी समाज के विकास का सम्बन्ध वहाँ के व्यक्ति, समुदाय या समाज से होता है। समाज का विकास एक महत्वपूर्ण विशेष के साथ भी होता है। इसका सीधा सम्बन्ध नारी विकास से ही होता है। नारी ही सम्पूर्ण जगत का अस्तित्व है। नारी के बिना संसार नहीं चलता। जब नारी का विकास होगा, उसे इज्जत मिलेगी तभी यह संसार भी विकास करेगा।

जैसा कि आप जानते हैं, पहले के समय में नारी को पुरुष के नीचे दायरे में रखा जाता था। यह भारतवर्ष शुरु से ही पुरुष प्रधान समाज रहा है। जहाँ हर काम में पुरुष अपनी ही मनमानी करता है। प्राचीन समय में बालिकाओं को पढ़ने नहीं भेजा जाता था। पढ़ाई से उन्हें वंचित रखा जाता था। हर काम में उनकी मनाही थी। अर्थात् एक तरीके से वे पुरुष पर ही आश्रित थीं।

अगर बात करें हम विवाह के समय की तब लड़िकयों से लड़के वाले दहेज की माँग करते थे और हैसियत से ज्यादा की माँग करते थे और दहेज न मिलने पर लड़की को लड़के वाले बुरी तरह प्रताड़ित करते हैं। लेकिन ऐसा अब नहीं है। अब सारी चीजें हिल्के-हल्के समय के साथ बदल रही हैं। नारियां दिकयानूसी विचारधारा की जंजीरों को तोड़कर आगे बढ़ रही हैं। अब वे अपने आप को स्वतंत्र महसूस कर रही हैं। वे अब पुरुषों के कदम पे कदम साथ चल रही हैं। बड़े-बड़े संस्थानों, विद्यालयों, कम्पिनियों में लड़िकयाँ उच्च पद पर आसीन हैं। पुरुष उनके नीचे काम कर रहे हैं।

नारी के विकास के पीछे सरकार का भी बहुत बड़ा हाथ है। सरकार ने आज ऐसे कदम उठाए हैं जो नारी के विकास के लिए बहुत ही महत्वपूर्ण हैं। प्रधानमंत्री नरेंद्र मोदी जी ने कुछ योजनाओं को लाकर उनका विकास किया और उन्हें एक नई सोच प्रदान की है। प्रधानमंत्री जी ने कुछ योजनाएँ आरंभ की जैसे:- बेटी बचाओ, बेटी पढ़ाओ योजना, सुकन्या समृद्धि योजना, मुद्रा योजना आहि।

बेटी बचाओ, बेटी पढ़ाओं के आरंभ करने के पीछे का कारण लड़िकयों के लिंगानुपात में कमी लाना था। एक सर्वे के अनुसार 2001 में 1000 अनुपात में लड़कों की संख्या एक हजार तो लड़िकयों की संख्या 927 थी, जो कि 2010 में घटकर 918 हो गयी। इस समस्या से निजात पाने के लिए सरकार ने बेटी बचाओ, बेटी पढ़ाओं योजना का आरंभ हरियाणा के पानीपत जिले में सन् 2015 में किया। दूसरी सबसे महत्वपूर्ण योजना सुकन्या समृद्धि योजना है। यह योजना बहुत ही सहयोगकारी रही उन लड़िकयों के लिए जिनके पास पढ़ने के एवं घर चलाने के कोई साधन नहीं थे। इस योजना के अन्तर्गत 10 वर्ष तक की भीरतीय नागरिकता प्राप्त बालिकाओं का किसी भी बैंक में खाता खुलवा सकते हैं और जब वह बालिका 21 वर्ष की हो जाएगी तब वह उस धनराशि को निकाल सकती है और अपनी पढ़ाई में इस्तेमाल कर सकती है।

सारी बातों का एक ही जोड़ है कि अगर समाज का विकास चाहते हो तो बालिकाओं, नारियों का विकास बहुत जरूरी है। और हर वर्ष के लोगों को अपनी सोच बदलनी होगी और अपनी लड़कियों को भी लड़कों के समान आज़ादी देनी होगी। तभी यह महिला सशक्तीकरण का नारा पर्ण होगा।

जय हिन्द!

माँ

दुनिया में आते ही आंखें खुली तेरा चेहरा था सामने तेरी मुस्कान को देख के रोया था उस दिन तेरे सामने। अपने आंचल से निकाल के चलना सिखाया था तूने चोट मुझे लगती थी दर्द तुझे होता है आज भी। मेरी हर खुशी को पूरा करने में अपने सपनों को संजोए करती है तू मेरी हर जरूरत को अपना समझती है तू। न जाने कितने सपने अपने तूने कुर्बान किए होंगे न जाने कितनी तकलीफें तूने सही होंगी लेकिन आज भी मुस्कुराकर अपने दर्द को छिपा लेती है तू। लेकिन मैं भी उस दर्द को पढ़ लेता हूं क्या करूँ तेरी हर आदत से वाकिफ जो हूं। अपने से पहले मुझे खिलाती थी कम पड़ जाता था तो भी मेरा पेट भर देती थी। हर रोज़ सीने से लगा के मुझे सुलाती थी नींद न आती थी तो रोज़ कुछ कहानी सुनाती थी। अगर बीमार हो जाता था मैं तो सारी रात न सोती थी तू। और स्कूल से थोड़ा लेट क्या हो जाता था टेंशन में आ जाती थी तू। पूरी दुनिया से लड़ सकती है तू मेरे लिए हर तकलीफ़ सह सकती है तू मेरे लिए डाँट देती थी तो भी सीने से लगा लेती थी मारती थी तो चुप भी करवाती थी। चाहे कितना भी सुना लेती थी लेकिन प्यार आज भी उतना ही करती है। माना अब दूसरे शहर में रहने लगा हूं भैं लेकिन आज भी याद सबसे पहले तेरी ही आती है आज भी चोट लग जाती है तो तू ही याद आती है। क्या करूँ सबसे ज्यादा करीब तेरे ही तो हूं क्या करूँ सबसे ज्यादा प्यार तुझी से जो करता हूं मैं मां।

आत्मशक्ति

जब हम आत्मशक्ति की बात करते हैं तब हमारा तात्पर्य होता है-'किसी व्यक्ति विशेष की अंदरूनी क्षमता जो उसे स्वाभाविक ही प्रकृति द्वारा प्रदान की गई होती है। 'प्रकृति द्वारा प्रदत्त उपहार स्वरूप यह ऐसी क्षमता है जिसे उपयोग करने के पश्चात ही कोई भी मनुष्य, मानव जीवन को सार्थकता प्रदान कर सकता है। इसका पूर्ण उपयोग किए बिना न तो कोई तमाम ऊँचाइयों को छू सकता है और न ही प्रगति के पथ पर अग्रसर हो सकता है।

महात्मा गाँधी का कथन है - ''भारत एक धर्मपरायण संस्कृति वाला देश है। यह संस्कृति हमें अपनी आत्मशक्ति

की पूर्ण उपयोग करने हेतु प्रेरित करती है''। इस कथन का मूल है कि 'आत्मशक्ति' कुदरत को आत्मसात करना चाहिए। मनका करने हेतु प्रेरित करती है''। इस कथन का मूल है कि 'आत्मशक्ति' कुदरत को आत्मसात करना चाहिए। मनुष्य अपनी आत्मनिर्भरता की बदौलत ही अपने लक्ष्यों को हासिल कर सकता है। अभी तक मैंने जितने भी ऐसे व्यक्तियों की क्रीक्रिक की जीवनी का पाठ किया है जो अपने जीवन की तमाम चुनौतियों को सामना कर असंभव प्रतीत होते लक्ष्यों को साधा है तो उन सबके मूल से जो समान कारक सामने आकर दस्तक दिया वो है- 'आत्मनिर्भरता'या यूँ कहे 'आत्मशक्ति' का पूर्ण उपयोग।

वैसा व्यक्ति जो किसी दूसरे पर निर्भर रहता है, वह सफल नहीं हो पाता। वैसा मनुष्य हमेशा अवसादों से ग्रसित और डरा-डरा सा महरूप सा महसूस करता है। ऐसे दुर्गुण जब किसी भी व्यक्ति में घर कर जाते हैं जब एकमात्र परिणाम जो हासिल होता है वो है 'निराजन' -'निराशा'।

गाँधीजी मानते थे- 'मनुष्य अपने विचारों की उपज मात्र है, वह जैसा सोचता है वैसा बन जाता है।' इस कथन के पक्ष में ऐसा वैज्ञानिक कर्म के समुख्य अपने विचारों की उपज मात्र है, वह जैसा सोचता है वैसा बन जाता है।' इस कथन के पक्ष में ऐसा वैज्ञानिक मत भी है कि मनुष्य जब किसी चीज के बारे में सोचता है, विचार करता है तब उसके विचार तरंग ध्रव्यों के सहारे वायुमंडलीक करता है तब उसके विचार तरंग ध्रव्यों के सहारे वायुमंडलीक करता है तब उसके विचार तरंग ध्रव्यों के सहारे वायुमंडलीय तरंगों से मिलकर उसके आस-पास ऐसे आवरण को निर्मित कर देते हैं जो उसके सोच-विचार से संबंध रखता है। स्वाधान है। स्वाभाविक है जब मनुष्य लगातार किसी सकारात्मक सोच को अपने मस्तिष्क में स्थान देगा तब उसके आस-पास जिस अपूरुय आक्न अदृष्य आवरण माहौल का निर्माण होगा। जिसके सहारे उसके अंदर सकारात्मक ऊर्जा का संचालन होगा और निहायत ही सिकारात्मक रू

सकारात्मक परिणाम भी सामने उभरेगा। इस प्रकार हम देखते हैं कि 'आत्मशक्ति' कुदरत द्वारा प्रदत्त उपहारों में से ऐसा सकारात्मक उपहार है जो मानव जीवन में उपलब्ध तम्मार क उपलब्ध तमाम अंधकारों को दूर भगाकर उसे सार्थकता प्रदान करता है। ऋतुज दल राय

झीनू

रात का पहर काफी खौफनाक हो चला था। आसमान से आफत बरस रही थी। टूटी हुई खिड़की से जब बिजली कड़कती तो बाहर जामुन, महुआ, ताड़ के पेड़ दिख जा रहे थे, वे एक पंक्ति में खड़े ऐसे दिखाई पड़ते कि किसी का भी दिल काँप जाता। कीर्तन जी पलंग पर लेटे-लेटे बार-बार बेचैनी से करवट बदल रहे थे। दोपहर से ही सीने में दर्द हो रहा था। ये दर्द पिछले एक महीने से था, पर आज तो कुछ ज्यादा ही बढ़ गया था। साँस लेने में भी तकलीफ थी। लगातार हिचकी आ रही थी। सुबह से पेट में एक निवाला तक नहीं पड़ा था पर पेट फूलकर पत्थर जैसा कड़ा हो गया था। मुँह से धीरे-धीरे कराह निकल रही थी, पर जी चाहता था कि ज़ोर से चिल्लाएँ।

''हे भगवान! इस दर्द से अब छुटकारा दे दे! पर झीनू का

मन ही मन वह एक और अन्जान पीड़ा से कराह उठे।

मिट्टी की दीवार पर बने ताख पर मिट्टी के तेल की ढिबरी जल रही थी, जिसका गाढ़ा पीला प्रकाश पूरे घर में फैला था। पलंग के बगल में थाली रखी थी। फूस के छप्पर से लगातार पानी टपक कर थाली में जमा हो रहा था। पानी बस थाली में ही नहीं बगल में रखी ड्रम, चूल्हे और खूँटी पर टंगे कपड़ों पर भी चू रहा था। पलंग पर बगल में लेटे छोटे से मासूम झीनू के चेहरे पर भी एक बूँद सहसा टपक पड़ी। वो झुंझलाकर

दरअसल कीर्तन की उम्र 65 साल हो गई थी। इस उम्र में भी वो अपने परिवार का पेट भरने के लिए गाँव के बाजार में रिक्शा चलाते थे। उनके परिवार में उनके अलावा उनका एक पोता था झीनू। बेरहम जिन्दगी ने उस मासूम से उसका सब

कुछ छीन लिया था। बचपन में ही सिर से माँ-बाप का साय उठ गया था। वास्तव में 12 साल पहले कीर्तन जी का भी एक भरा-पूरा परिवार था। परिवार में दो बेटे थे और दोनी की शादी हो चुकी थी। बड़े बेटे का एक बेटा था झीनू जबि छोटे की शादी हाल ही में हुई थी। उनकी खुशहाल जिन्द्रगी पर किसी की नज़र लग गई। छोटे बेटे ने शहर में बसने की जिद्द ठानी। कीर्तन ने खूब चिरौरी की। गिड़गिड़ाए कि परिवार मत तोड़ो पर एक न सुनी। घर से एक-बार निकरी फिर लौट कर नहीं आया। उधर बड़ी बहू को बीमारी ने चर्य में ले लिया। बड़े बेटे की नौकरी सी.आर.पी.एफ. में ली गई। बेटा घर से दूर परिवार से दूर रहने लगा। पर एक परिवार पर दु:खों का पहाड़ तब टूटा जब खबर आई कि रघु देश की रक्षा में अपनी जान कुर्बान कर चुका है। अभी कीर्तन की केरे कीर्तन जी बेटे की मौत से उबर भी नहीं पाए थे कि बहू की बीमारी ने उसे भी मौत के आगोश में सुला दिया। बेबी बुढ़िया जवान बेटे, बहू की मौत का दु:ख सहन न कर सकी और सब कुछ अकेले कीर्तन पर छोड़ पर लोक सिधार गई।

इन सब घटनाओं के बीच झीनू की उम्र 2 साल की थी। शुरुआत में तो बेटे की मौत पर दु:ख जताने बड़े-बड़े ती अफसर, पत्रकार घर पर जमे रहते थे। पर समय ती साथ-साथ सभी ने घर आना बन्द कर दिया। जो गाँव वाली उनके दु:ख का भागीदार बनने की बात करते थे उन्होंने जी उनसे किनारा कर लिया। अब अकेले कीर्तन जी ही जिन्दी के पथरीले रास्तों पर चलने को मजबूर हो गए, चलते-चलते उनका गर्व घिसकर धीरे-धीरे गम में बदी गया। उम्र के इस रेतीले तूफान में पोता झीनू एक मार्त्र सहारा था जिसे देख आँखें तर हो जाती थीं। बेटे की मौत जो पेशन की घोषणा नेताओं ने की थी बाद में सफेद की निकली और पता चला कि सी.आर.पी.एफ. में मर्रेने

पेंशन नहीं मिलती और तो और बेटे का नाम शहीदों में भी दर्ज नहीं हो सकता।

कीर्तन जी अतीत की इन भयानक यादों की नाव बनाकर बार-बार इस पार से उस पार जाना चाहते थे। जहाँ दु:ख और आँसुओं के सिवा तो कुछ नहीं था, पर सीने में उठे दर्द को कुछ देर के लिए भुलाने की दवा यही थी। यह ऐसी शराब थी जिसका पान कर वह वर्तमान को भुलाना चाहते थे। इसी बीच कब उनके मुँह से जोर की आवाज निकली तो उन्हें पता नहीं चला। बगल में लेटा झीनू जो जग चुका था। तड़पकर उठगया।

''दद्दू क्या हुआ आपको ?''बच्चे ने भयभीत स्वर में पूछा।

''अरे कुछ नहीं बेटा, कुछ नहीं, सो जाओ तुम। शायद! पेट में गैस की दिक्कत है। तुम सो जाओ।'' कीर्तन बनावटी मुस्कान के साथ बोले।''नहीं दद्दू आप झूठ बोल रहे हो। मैंने आपकी कराह सुनी'' झीनू पलंग से उतरते हुए बोला।

''अरे झीनू सो जा। देख बाहर जोरों की बारिश हो रही। बिजली कड़क रही है'' कीर्तन ने उसे उठते देख कहीं जाने की आंशंका से मना किया।

''भैं ठीक हूँ। तू सो जा बस'' कीर्तन जी फिर मुस्कुराना ^{घाहते थे परन्}तु इस बार उनकी मुस्कुराहट दर्द से बाहर नहीं आ सकी। झीनू ने उस दर्द को मुस्कुराहट की महीन सुराखों से ताड़ लिया और अपना चप्पल ढूँढने लगा।

'क्या कर रहा है, कहाँ जा रहा है?'' कीर्तन झल्ला उठे।

'शुद्द काका को बुलाने। वो आपको अस्पताल ले वेलेंगे।''

'नहीं, कहीं जाने की जरूरत नहीं है। तुझे मैं कह रहा हूँ न सो जा तू। मैं मरा नहीं जा रहा। चुपचाप सो जा।'' कीर्तन ने जैसे इस बार अपना आपा खो दिया था, पर आज से पहले वो उस मासूम पर ऐसे कभी नहीं बरसे थे। झीनू रुआँसा हो गया और पलंग पर लेट गया पर कनिख्यों से वो उन्हें एकटक निहारता रहा। उसे एक ही भय लगातार सता रहा था। कि कहीं दद्दू भी मम्मी-पापा, दादी की तरह उसे अकेला छोड़कर परियों के देश न चले जाएँ। दादा कहते हैं कि जो बीमार होता है वहीं जाता है। परियों के देश वहाँ परियाँ अपनी छड़ी से उसे ठीक करती हैं। पर जब सभी ठीक हो जाते हैं तो वापस क्यों नहीं आते? कुछ भी हो दद्दू को वहाँ नहीं जाने दूँगा। दद्दू को पता है, मैं अकेला सो नहीं पाता, रात में भूत, प्रेत, सियार आते हैं। बारिश और बिजली देखकर तो वह दुबक जाता है। दद्दू चले जाएँगे तो खाना कौन खिलाएगा? स्कूल कौन ले जाएगा? रात में कहानियाँ कौन सुनाएगा? कुछ भी हो दद्दू को वो रोक लेगा। भाँति-भाँति के विचार उस नादान मन की गहराइयों में तैर रहे

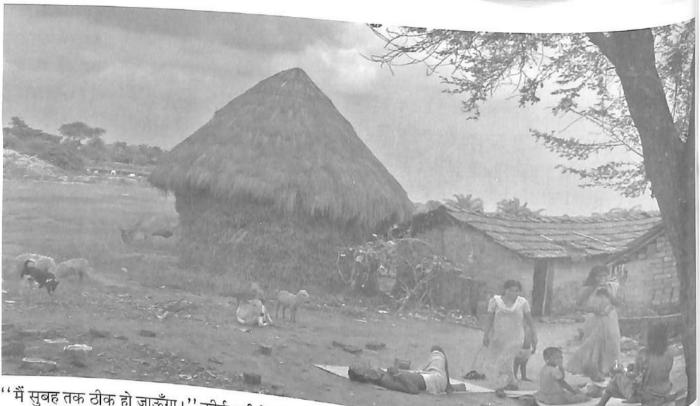

इधर कीर्तन के सीने का दर्द बढ़ता जा रहा था। होंठ सूख गए थे ज़ोर की प्यास लग रही थी पर इतनी शक्ति नहीं हो पा रही थी कि खुद से पानी लेकर पी ले।

''झीनू ज़रा घड़े से पानी पिला दे।'' कहते हुए उनका स्वर लड़खड़ाया।

झीनू लपक कर घड़े से पानी ले आया। कीर्तन जी ने पानी पीने के लिए लोटा सम्भाला, पर लोटा हाथ से छूट गया। मानों हाथ की उंगलियाँ अकड़ चुकी हों। झीनू ने खूद ही पानी पिला दिया। पानी पीते हुए होंठ भी काँप रहे थे। पानी पिलाकर झीनू ने लोटा एक तरफ रखा और भयभीत, दद्दू का मुँह ताकने लगा।

''सो जा तू बेटे...'' कीर्तन अपनी बात खत्म भी नहीं कर पाए अब उनमें इतनी भी शक्ति नहीं थी कि वो झीनू को डाँटे या मुस्कुरायें।

''पर दद्दू आप ?…''

''मैं सुबह तक ठीक हो जाऊँगा।'' कीर्तन जी ने बीच में ही बात काटी। पर उन्हें अपनी इस बात की सच्चाई पर सन्देह हो रहा था। ''हे भगवान मेरे बाद इस मासूम का क्या? इस बेचारे की क्या गलती थी? बस यही न इसका बाप देश भक्त निकला, माँ के पास बीमारी को मात देने के लिए पैसे नहीं थे। इतना अन्याय इसके साथ क्यों?'' कीर्तन मन ही मन खुद को और ईश्वर को कोसने लगे। सहसा उनकी आँख के किनारे से एक बूँद टपक कर गालों को चूमती हुई बिस्तर में समा गई।

ढिबरी की पीली रोशनी में पोते का मुँह कैसा चमक रहा, पर सहसा पूरा वातावरण बदलने लगा। धुँधली आँखों में जो चेहरा झीनू का नज़र आ रहा था वो और धुँधला होता जा रहा था। धीरे-धीरे ढिबरी की पीली रोशनी अंधेरे में बदल रही थी। कीर्तन को लगा वो झीनू को बोलें कि वो ढिबरी की ली बढ़ा दे उसमें तेल डाल दे पर उनका मुँह नहीं खुल पा रहा था मानों जुबान ऐंठ गई हो। गला पूरा रूँध गया था। सीने पर तो लगता था किसी ने सौ चिकियों का बोझ रख दिया हो। छाती दर्द से फट रही थी। अब तो दर्द की इन्तहा हो गई। कीर्तन जी

जोर-जोर से हाथ पैर पटकने लगे।

हुआ बाहर की ओर भागा। झीनू बाहर बारिश बिजली की परवाह किए बगैर लम्बे-लम्बे डग भरते शुद्द्ध के घर की तरफ भागा। हल्की-सी बिजली और बारिश से सहम जी वाले बच्चे के पास आज इन सब के लिए अवकाश न बह शुद्द्ध के घर पहुँच दरवाजें पर लगातार चिल्लाने लगी करीब 10-15 हांक के बाद शुद्द्ध ने दरवाजा खोला। झीने उनसे सब बतायी वो तुरन्त झीनू को लेकर वापस उसके घर की तरफ दौड़े और वहाँ पहुँचते ही उन्होंने देखा। ढिंकी को रोशनी घर में फैली हुई थी, पर दीवार पर कमर बर्गी अधेरा पसरा था। हल्की पीली रोशनी में कीर्तन का बेहि पूरा पीला नज़र आ रहा था। ऐसे चेहरे पर जहाँ खामोशी और राहत होनी चाहिए उस पर अब भी न जाने कैसी बैचेनी छी हुई थी।...

हमज़ा

टूटी-फूटी ईंटों की सड़क पर नंगे पांव चलते-चलते हमज़ा पाकड़ के पेड़ के पास जाकर रुक गया। वो कुछ देर वहीं खड़ा रहा और फिर पेड़ की छांव में बैठ गया। हमज़ा का पूरा नाम अमीर हमज़ा था और वह अपने घर में सबसे छोटा था। उसका नाम हमजा उसकी माँ ने रखा था जो अब इस दुनिया में नहीं थीं। करीब छ: महीने पहले दिल का दौरा पड़ने से उनहीं रूह जिस्म को छोड़ गई थी और यह बात हमज़ा को इसलिए पता थी क्योंकि माँ के देहांत के दिन उसकी पांच बहनें और एक भाई बा-आवाज़-ए-बुलन्द रोए थे। माँ की गैर मौजूदगी में घर के बड़े बेटे, जिसका नाम इनामुल्लाह था, को मदरसे पढ़ने भेज दिया गया था। हमज़ा की उम्र सिर्फ सात साल थी इसलिए उसे मदरसे नहीं भेजा गया था।

हमज़ा के पिता, वासिल खान को बीवी के देहांत से ज्यादा फर्क नहीं पड़ा था क्योंकि उन्होंने दूसरी शादी करी हुई थी। वासिल खान काम के सिलसिले में ज़्यादातर शहर में रहते थे और परिवार के खर्चे का इंतज़म वहीं से करते थे। वासिल की दूसरी बीवी, महजबीन, जो बक़ौल अमीर हमज़ा डायन थी। पूरे परिवार की देख-रेख करती थीं। हालांकि वह अमीर हमज़ा और उसकी बहनों को अपने परिवार का हिस्सा नहीं मानती थी और बिना एहसान जताए उन्हें तीन वक्त का खाना दे दिया करती थीं।

फिलहाल हमज़ा पाकड़ के पेड़ के नीचे गुस्से में बैठा था और गुस्से का कारण था कि हमज़ा की बड़ी बहन नफीसा ने महजबीन से अपनी माँ की छमाही की फ़ातिहा के लिए पैसे मांगे थे लेकिन उसने पैसे देने से मना कर दिया था। आज हमज़ा ने दो बातें सीखी थीं-किसी मरे हुए इंसान को याद करके जब हलवा बनाया जाता है तो उसे फातिहा कहते हैं और महजबीन सारा पैसा कब्र में ले जाएगी लेकिन उसकी माँ की फातिहा के लिए नहीं देगी। अमीर हमजा घर से बड़े गुस्से के साथ हलवे के लिए सूजी लेने निकला था लेकिन उसका गुस्सा थोड़ा कम हो गया जब उसे पता चला कि सूर्जी गुस्से की नहीं, पैसे की आती है। वासिल खान शहर हे वापिस नहीं आये थे और हमजा में इतनी खुद्दारी थी कि बी किसी और से पैसे न मांगे। तभी उसको खैरूल नजर आयी जो पाकड़ की तरफ चला आ रहा था। खैरूल गाँव के परि वाले पहाड़ से लकड़ी ला कर बेचने का काम करता थी हमज़ा उसे देखकर दूर से ही चिल्ला दिया ''का यार, क्यी हाल-चाल?''

खैरूल उसके पास आकर खड़ा हो गया और बोला-

''सब गड़बड़, लकड़ी नहीं आई है आज। अभी देखों स्ब औरतें बौराना चालू करेंगी।''

''काहे ?'' हमज़ा ने तपाक से सवाल किया।

''कामिलवा की तबीयत खराब है और दूसरा कोई साथ जी के लिए नहीं हैं''यह बोलकर खैरूल भी वहीं बैठ गया।

हमज़ा वहां बैठकर बिजली की तारों से आने वाली 'टिर-र-र-' की आवाज सुनता रहा और ये सोचता रहा कि खैरूल के भाई कामिल की तबीयत खराब है। थोड़ी देर ब्राव वह बोला' हमें ले चलो, हम मदद करा देंगे''।

खैरूल ने उस पर सरसरी नज़र डाली और कहां 'तुझसे बी लकड़ियां उठेंगी ? ''

हमजा भी अपने जवाब के साथ तैयार बैठा था। उसने कर्ष ''काहे नहीं उठेंगी,। हल्की वाली हम उठा लेंगे और क्रि भारी हुई तो तुम उठा लेना।''

"हमें ही उठानी हैं तो तेरे जाने का क्या फायदा, खोटी सिक्का.... 'खैरूल के मुंह से ये शब्द सुनते ही हमज़ा की यी आया पूरा नाम अमीर हमज़ा है और वह आवाज़ ऊँची करके बोला ''खोटा सिक्का काहे बोल रहे हो। थोड़ी लकड़ी उठा लोगे तो घिस थोड़ी जाओगे। हम लकड़ी लोड भी करवा देंगे और उत्तरवा भी देंगे, पांच रुपया देना पड़ेगा मगर।''

खैरूल को प्रभावित करने के लिए अंग्रेजी का एक ही शब्द काफी था और हमजा की मदद लेना लकड़ी न आने से तो अच्छा ही है। यह सोचकर खैरूल घर से रिक्शा लाने चला गया। हमज़ा और खैरूल पहाड़ पर गये और जरूरत के हिसाब से लकड़ी काटी। पहाड़ से नीचे उतरते वक्त खैरूल को यह जानने की उत्सुकता हुई कि आखिर हमज़ा को पांच रूपये किसलिए चाहिए। अपनी उत्सुकता को शब्दों में पिरोते हुए उसने हमज़ा से पूछा '' तुम्हे पांच रुपये काहे चाहिए?''

हमज़ा, जो कि रिक्शा को पीछे से धक्का लगा रहा था, खैरूल की पीठ देखते हुए बोला '' अम्मी की छमाही की फातिहा है हलवे के लिए सूजी खरीदनी है।''यह बात रास्ते भर के लिए खैरूल के दिमाग में घर कर गई।

वह खैरूल के घर पहुंच गए। सूरज ढलने वाला था और खैरूल की माँ ढिबरी जला रही थी। लकड़ी के खरीदारों के आने का समय हो गया था। रिक्शे से लकड़ी उतारने के बाद खैरूल ने हमज़ा के हाथ पर पाँच-पाँच रुपये के दो सिक्के रख दिये। हमज़ा ने एक सिक्का वापिस किया और बोला ''सूजी पाँच रुपये की आधा किलो।''

यह कहकर हमज़ा पगडंडी पर दौड़ता हुआ चला गया। खैरूल अपने हाथ पर रखे हुए सिक्के को देख रहा था। वो खोटा सिक्का नहीं था।

The Ball is in your Court

The ball is in your court. Life is like a game Sometimes you play with it Sometimes it plays with you The ball is in your court You have to decide on the spot Hit it hard to make the things wonderful. Or It will put you down, but you have to get up again Stand to prove yourself not To anyone but to yourself. Life is a game Ball is in your court You have to decide on that spot. You miss hit You have to pay for it You hit hard Things will go far

You have to be smart. You will fall You will rise Don't feel bad Don't get sad Get up and Play the things again It's your goal, It's your ball It's your yard, It's your decision Be what you want to be Don't think what others want for you Realize what you want to be Don't let anyone change the game If you fall, don't play the blame game Because it's your ball, your court You have to decide what is yours The court may be short The game may not be strong Never say no to a chance Because the ball is in your court You have to decide on the spot Life will never give you the Same chance again Either miss hit Or hit it hard And see what it will make of you

Either a rising star Or a shooting star. Life is a game Play till the shooting star Becomes a rising star. The ball is in your court You have to decide on the spot

A Journey Unimaginable

She stepped out barefoot In the middle of the street she stood With a long loose tank top On the slim body That she couldn't stop from touching those drizzling drops She wanted to feel light In air, she wanted to take a flight Leaving her body crumpled up there The soul wanted to disappeared Her soul lifted up so high That she found herself in the middle of the sky The touch of those cotton balls Made her worries go small A bubble beautiful smile gleamed on her lips and the whole scene in a flash flipped A drop splashed on her eye And she was back on the land from the sky Standing on the same street that adorable trip Was just her imagination's feat!

Gametes fused when two different individuals married Months with happiness and pain she carried. My first presence felt by my mother in her womb Seeing me made her smile like a morning flower bloom. Her shivering hands held me I felt the warmth that made me glee, Air around us was full of emotions; This was not the beginning of my life alone, but a new beginning for my dad and mom.

An around us was had a life alone.

Tears flooded her eyes with full devotion.

A Lifeless Concrete Life

The days of childhood remind me A world of green sprit in which I had grown A world of contentment far away from the one I inhabit That world was contented and this world is concrete This world announcing its development still is so incomplete. I had lots of dreams and planned to find a way out, Then came this world -competition, money, market, It unfree me, my anarchy was lost, now a utopia It forced me to think "AM I A MACHINE?" This world took away my adolescent life. Now sometimes I wonder, what a life I Lead, It's satire or sorrow - "I have no time for me, I say Some say, Great people too don't have time." I wonder when I die - Will my soul Rest in Peace? We boast of development, growth but what good do we get? It makes a new born dreamless and an old man "lifeless" Now I sometimes ponder- "is this concrete world - LIFE " Or "a world of greenery that let me live my dream?

Pollution Solution

We really have to stop and wonder,
If there is a permanent solution,
We're killing ourselves more each day,
With so many kinds of pollution,
Our air is filled with toxins
Our water is tainted with lead
Our crops are grown on chemicals
I'm amazed we're not already dead.
Radiation from cell towers zaps us
from computers, phones and TVs too,
But we just can't live without them,

So what are we really supposed to do,
Big business have profits to book,
They dump poisons when no one looks,
But there is a great God in heaven,
Who keeps a good record in his books
The bible tells us rather plainly
He'll destroy those who destroy earth
It's time we got our act together,
Speaking my mind for what it's worth,

Ball is in your court

We all have dreams for which we work hard day and night but unfortunately sometimes because of some hurdles in life we don't succeed and at that time we lose all hope, but we should always remember, that if plan A doesn't work then there are 25 more alphabets. There will be times when the ball will be in your court, the time will be yours, conditions will favor you, we just need to hold on to the hope and concentrate on what we want to achieve in life. Merely concentrating on the problems will never help us, when we work hard, time has to be on our side, time will have to change. Often we look for so long at the closed door that we Take "the doors" which are opened only for us. Take the opportunity and bring the ball back into your court. There have been times when some great personality like - Abraham Lincoln, J. K

Rowling, Hitler and many more were rejected and lost back to back, but at last they bounced back, they showed the world that if you have determination then nothing is impossible. We just need to believe in ourselves so that the world can believe in you. Situations always change for those who persistently work hard, it's just like a see-saw once you will be upward and the other moment you will be down, but we should not forget that this cycle is continuous. We should always be ready to smash the ball when it comes to our court, like it is very well said in a popular Hindi phrase "mauke pe chauka". It's up to us to make full use of that one chance to hit the victory shot that will change our lives forever. Saumya Shukla

Why solve a crime?

Why solve a crime?

the victim should be given justice?

Because the criminal needs to be punished?
The court does it for judgment.

The media, for TRP

The CID on television, for money.

But, why solve a crime,

When,
"THE MAN WAS IMPOTENT"

"THE GIRL, A CON"

"SHE SAID NO TO ME"

"TO TEACH HIM A LESSION"

"I NEEDED THE MONEY"
"HE WAS BLACK I, WHITE"
Is all that THEY say

THEY tell us their tales,

"I USED THE KNIFE"

"I THREW HER DOWN THE TERRACE"

"I STRANGLED HIM DOWN"

"I BURNT HER ALIVE"

And we listen,

LATER!

Unconditional Love of Pets

"Limitless, unconditional, one of its kind, Love of a dog depicts extremities of a life"

Love is often misinterpreted for being lovers' or that of family. But there exist its many kinds-some can't speak, some we can't see or feel but it's very much those In speak, some we can't see or feel but it's very much there. In our chaotic lives and busy schedules, we for get to stay calm and balanced. The only thing that keeps to stay calm and balanced. The only thing that keeps us going is the love of family, friend, nature and animals. The very existence of animals or let's say dogs makes our life much better.

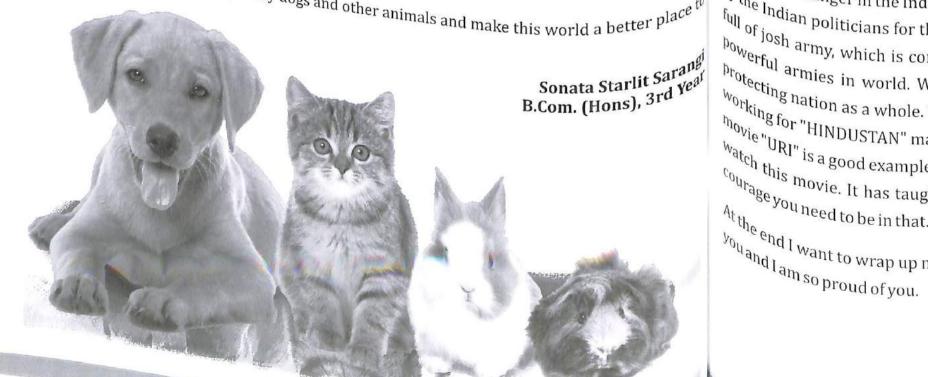

After returning from a long and hectic day, everything might seem irritating but a pet's affection and love can lighten up your mind, animals have beautiful souls and the kind and the kin can lighten up your mind, animals have beautiful souls and their love is limitless. Once they gain the kind of faith in you, its irreversible. Pet's more precisely dogs. of faith in you, its irreversible. Pet's more precisely dogs can sense your mood and your emotion's. They have this superpower of changing your mood and flow of have this superpower of changing your mood and flow of emotions. They show their love and affection continuously by being around you. When no one's there, they will still be watching you.

People often tend to change their perspectives and opinions about you, but the one thing that remains binds you together. Beautiful towards you. Lovalty of the control of constant is your pet's behavior towards you. Loyalty of the pet makes you the masters, unconditional love protective of their masters and researches it's behavior towards you. binds you together. As you sow, so shall you reap!

With clenched fists, beads of perspiration rolling down the temples, pale face, hesitant gait but a brave heart, she walks down the deserted street. Not a soul could be seen and she was obviously scared, not because she believed in some supernatural things, not because she had precious items with her but because Myrah knew that those rogues would cause her some kind of trouble again. You see, these people had such a persona that they used to find eve-teasing as the new socalled trend and enjoy doing so. It is not possible to really explain how it feels like when you are teased especially when it's just not some healthy-

Rohan and Sameer were those 'Roadside Romeos' who had all the time in the world and spent most of their days fooling around. They used to tease both boys and girls of their collage and random people. Everything is ok until your actions start getting on one's nerves. On a winter night of 22nd December, they almost kidnaped her when she deterred them by gushing a pepper can straight at their face in the nick of time, almost blinding them. As she was running away from them, one of the boys threatened her, blabbered some abuses and said that they would not let her go just like that. On the New Year's Eve, Myrah was returned home from local club along with her other friends in a car. All of them had their dresses on, winged eyeliner on fleek and were not in their senses because of all of the booze and stuff. The two boys had this very

thirst of vengeance as if it were but running in their veins and now was the time to vent it all out. Myrah was driving as she wasn't drunk as much as the others were. The two boys along with some more of the sea D of the car. Being caught off-guard, she thought that she was busted by a police officer so she didn't try to run away. When she realized that the guys had? pistol pointed towards her forehead, she started shouting for help. Rohan and Sameer paid no heed and groped her and took turns. What we call as 'mass molestation'. They touched here and there pulled her hair, bruised her wrists, molested her tortured her hair, bruised her wrists, molested her tortured her as much as they could and their threatened to pull the trigger when she tried to hill them. They pushed her, injuring her head and making her fall towards the ground. A sudden silence came over like a ghost hovering above.

Even her friend had been beaten up brutally by the others goes a little of the state of the stat others goons. And, here they were sitting in utter darkness and silence full of disgust, ache terror. They would never be able to recover from whatever the whatever they faced. Who would have ever thought that it is a wful thought they faced. Who would have end could de upon night so sweet, such awful end could de upon night so sweet, such awful end could down' at them? Here she was, thinking what made it what made them do such a gross thing. Maybe if was her skirt a Was her skirt. Or her make-up? Or maybe her looks were 'inviting enough'.

From this very incidence, I have got some doubts Doubts that were never clarified. Is it the clother the kind of dre the kind of dresses that provoke such kind of men Is it our skin that triggers the production testosterone in them? If not, then what is the reason? 'I shouldn't have been walking alone that night...I shouldn't have been walking alone that night...I shouldn't have been walking alone have known have worn a short skirt. I shouldn't have known how to protect myself'. Why is always user. always US? Why is it that the victim is question and pointed out for the so-called mistake that never the criminal? You always tell the boys

Boys don't cry.' Do you ever tell them that a real man never makes anyone else cry? Do you ever tell them that he is a solution as a part of our that he is never supposed to tease any girl no matter what? Do we include sex education as a part of our school curve. School curriculum? NO! Because, this word is still a taboo in our society. We still lack a knowledge as a result of the control of the contro result of which teasing results in eve-teasing, eve-teasing result in molestation and that in a RAPE. Don't be blinded be also be blinded be also be blinded be also be also be blinded be also be also be blinded be also be be blinded by the society. Rape is NEVER a girl's fault. Such kind of men out there do whatever they want to. But you to. But you know. In the end, it's just what you call as KARMA and the basic rule is 'As you sow, so shall you reap.

> "You will molest a girl. You will make her cry, Who's gonna stop the crisis? When you'll kiss your own daughter on her funeral a goodbye..."

Mom: Gift from God

That was the time when the world was sleeping for me or I was sleeping in my mother's womb - the safest place one can ever have. My one kick made her the happiest person in the world. Then the day came when I was born, a body of size of the hand lying beside her. That was the only day when she smiled as I cried. She started wrapping my naked body with new clothes. I was incapable of understanding the concept of festivals, but still she celebrated all of them with me.

I was growing up and started crawling just to reach out for her, wherever she was. I started Keeping an eye on her so that she could not escape to office, with all the signs I learned till then. I used to attract her towards me to get all her attention and love. I used to crawl towards the gate many times just to see her coming home from office. Whether it was

peeing on her bed and making it wet or crying at midnight, which spoiled her sleep. But everyday she got up smiling in the morning and pursued her dreams, her job just to give me a better life. Her own dreams were incomplete but she was setting the stage for my dreams. Now I was stepping into adulthood and my mom was getting older. I got a job in a new city and I set my sail leaving the old wrinkle faced woman alone. She rang me a hundreds of time and I kept scolding her for disturbing me. I couldn't understand that her only wish was to call me back home so that she could see, kiss, love her son as she did back in time. But! Was lost in a wonderful world, in that colorful city. The thought of her existence never flashed in my mind. Now I started asking questions for the money I spent for my upbringing.

Now, the clock has changed, I, who was someone's son yesterday, became a father today. I started feeling joy every day I saw my child after getting back from after back from office. No one was more important than my son, as he was my hearts only desire. I started sewing dream and sewing sewing dreams for his future also. Then I realized what my many what my mom must have gone through to make me the person law aidn't the person I am. When I left my home, why didn't call her and the call her call her and why did I forget her totally? My heart ached to see ached to see my mom, to hug her tightly. The tears rolled down rolled down my cheeks and I headed towards my hometown. But it was all in vain, it was too late. My mom the Goddess of love, my only parent was gone. And I couldn't even see her for one last time.

The person who spent her whole life to get me a better, peaceful was better, peaceful life, I couldn't even spend a day to visit her. Now It visither. Now I have nothing but a life full of misery and remorse.

Closure

My heart makes me think how beautiful closure $\overset{could}{\cdot} be, how \ painless \ yet \ how \ meaningful \ it \ could$ be. May it be the setting of a sun or the departure of a lover, still how soothing is the effect of those memories. This life begins and continues in phases like a flower that blooms and then shatters one day. How beautiful it is when the whole universe clusters into unity just to make a seed burgeon into a giant tree someday. But it is the decree of Nature that everything has to come to an end one day. It is the law of the very existence of all elements that everything has to vanish away.

How reluctant is a human towards death despite knowing life is, but, a dream! How restrained he is in the unending time that he never meets victory!

^{"Man}is just a hub of hazards.

How much pride, he carries in his gait? How Vulnerable is the status of his physique? Yet he plays With flames and tries catching fire. How helpless is the life he owns! The next moment can t_{ake away} his breath!

How numerous are the pathos in his life, making ^{d_eath} desirable!

This is the irony of life that the world can't deny.

honer, the reality of death whose antidote no money could buy!"

Life begins with happiness, verily I agree. But Someday it will cease to exist. So live to the fullest. Live wisely! Live happily!

20 Minutes

Yesterday, I was reading the biography of Albert Einstein by the splendid Walter Isaacson though quite a long read it beautifully captures the essence of the historical life of the genius.

As soon as I reached the chapter in which Albert Einstein moves from Germany in to US. I suddenly glanced at the right of my e-book reader and saw a note which said 20 minutes read. I was awed and slightly bugged to see the length of the chapter. I paused to consider whether I should spare this time right now and continue reading the chapter.

At exactly that point came the Eureka moment of my life. It dawned upon me that the crucial life moments of the world's greatest scientist can be summed up in just 20 minutes, which a reader like me finds a tad too long. Think about it this way, if we all could summarize our lives in just 20 minutes, what would we like to include in it? Our lives will eventually be reduced to few a minutes, a few pages, a few memories and a few incidents. And yet we spend an inordinate amount of time fretting over the things that won't matter, say - what someone else thinks of us: whether or not we are competent enough to crack a competitive exam or even something as trivial as someone else's opinion about our dressing

In the true vein of our life it all boils down to how much time and energy are we willing to spend on things that simply won't matter 10 years down the

The great take away from this incident for me was that if we all were a little more conscious to give direction to the magnanimous energy we possess, we might get out of the trivial troubles of life a little

To conclude, I would request my readers to ask

- 1) How would your life summed up in 20 minutes
- 2) Is it the way you want it to be? will look like?
- 3) If not, are you willing to change it?

A Ray of Hope: Society for All

After cleaning that messy part of my mind in which small yet significant image exists, I found myself at a family function. Everything was normal till the point I noticed a group of people, they were unlike the people one usually comes across. They were different. I was confused about how to address them correctly; whether 'he' or 'she' would be more appropriate. Then I convinced myself that 'they' will be perfect.

After continuously asking them about my family members and continuously been dodged by them, my cousin brother told me that they were the 'third gender' of our society. We, a population of 125 crore yet there are many hindrances in talking about 'sex education' and 'sex' (which we treat as a taboo). I noone is supposed to talk about them then what they were doing here on this happy occasion.

Then, I found out that their blessings are believed to

...that day they made a deep impression on my mind.
People believe that blessing and happiness are the
activities of the universe. By extension, they too are
paradoxical...

Appearances are the

Appearances are deceptive: That innocent image soon shattered and the credit goes to none other than our society (of which I too am a part). Those blessings, have nothing for themselves.

We people call ourselves.

We people call ourselves open-minded, but we surely need to see our reflection, to find many masking our real selves.

The civilization which we

The civilization which we people boast about has confined us inside the bars of male and female. We human are really complex (substitute word for Ardhanarishwaram and on the other hand we treat

Many such examples show how we really are...hypocrites.

- 1) Padmini Prakash (first transgender news anchor)
- 2) Kalki Subhramaniam(first transgender entrepreneur)
- 3) Manabi Bandyopadhya (first transgender college principal)

Everyday examples act as a plain mirror for us why do we hesitate to recognize them! Why do we still behave as conservatives on 'their' question? Why do we not give them equal opportunity? Is it that they are better than us and we know it? Their question is like our identity crisis.

However, at least we have a definite attitude towards section 377. Many provisions of section 377 have been struck down. There were many path breaking statements from Justice Chandrachur and Justice Malhotra. These observations were enough to show the concern, hope and a ray a light for them.

Hope to see a better future for them, hope to evolve more! Hope to make a better world for them...to see a change in our society which is more inclusive more participatory!

This positive response can also be seen in religion too, and the clear example of this is Ardhakumbha, 2019. Kumbha is famous for the Akhara and, in this kumbh, kinnarakhara stole the show, whose Mahamandaleshwara also belongs to this specific category. This is a solid response from majoritarian religion like Hinduism which that people are becoming comfortable with legal response given by judiciary. This category also addressed in various applications by giving a laso addressed in various applications by These examples clearly show that our society is recept to change, whether it is legal, religious administrative, we as a society welcome such steps and it shows our progressive nature.

'Development In Loopholes or Loopholes In Development'

Dear Readers,

Now that you have read some articles already, or at least have flipped some pages, I welcome you and thank you for choosing to read my article.

Well let's see where my pen in accordance with my brain will take you...

Let's find out!

Many breath-taking developmental policies have been introduced since the present government has taken oath. There are many different policies, yojnas and programs which the government is trying to implement now in order to bring about for this country.

Here, in this article, I discuss about two of these prosand hidden cons, if any.

The government of India on 2nd October 2014 belhi which aimed to clean up the streets, roads, and rural areas. The campaign officially in English Island as 'Clean India Mission'

India is a developing country, its economy is based that is dependent on the same agrarian sector that you are well aware of this aspect, let's not discuss it brovide project was loaded with an offer to have usable toilet in their house. The main agenda society to improve the sanitation condition and logic tive of building millions of toilets in rural keeping of the population participated in it

Everyone was ardent and a plethora of toilets were built.

Several news channels began to explode with the stories of success of the scheme. Surely the project was an urgent requirement in India.

But then, at that moment something happened and it caught the eyes of many. Some people were quick enough to find loopholes in the scheme and used it for their own monetary benefit.

It was basically argued that Rs. 1.96 crore initially sanctioned for the project was not sufficient in providing the actual cost of toilets that were being built

Further, it was coupled with the problems of delaying payments by the govt. to the people and in some cases the payments were not received at all. Many people who were about to participate in the program backed out and such attitude proved the program backed out and such attitude and the to be a major set-back to the policy and the

Even other yojnas like 'Pradhan Mantri Mudra Yojna' (PMMY) was again in itself revolutionary

It had provisions like providing Rs. 10 lakh of loan without receiving any guarantee and with the possible increment of 5 years of term for paying it possible increment.

In this case, the initial step was to inform people about established bank in rural areas which were challenging task and affected the policy.

One major hurdle was that the people were illiterate, ill-informed and suffered from the tendency of staying away from any the full authority which again didn't allow the full realization of the policy.

realization of the policy.

So, it can be concluded that the government really effort towards put forward some positive effort towards

improvement of the country but lacked the basic structures which were needed to implement such policies thereby ensuring greater success.

Surely, if the basic necessities are justly met with, the errors of policies implementation can be rectified reducing the chances of failure and it can pave way for 100% success which would ultimately help us to climb up further on the ladder of human development in India.

I hope, I have scratched your mind enough to rull thoughts in your brain and think more critically while you read reports related to such policies next time. To conclude,

'Wake up India it is time to change and while sleeping you will nothing gain.'

Thank you.

Rise of Singlehood Among Indian Millennials

The emerging trend among young people in India with regular income is growing acceptance as well as popularity of singlehood. A well known phrase by renowned Rabindranath Tagore "Ekla Chalo Re' seems to ring within the hearts and minds of Indian Youths nowadays.

'Settling down' or having family seems to be losing sheen among Indian Youth. Today's youth has become more focused on self-development and self-discovery.

Singlehood among millennial Indian Youth can also be credited to the fact that nowadays they are becoming increasingly carefree. Their carefree attitude has been said to be the precursor to rise of singlehood as the youth have become less concerned with their status and especially with regard to relationship. Although traditional Society favors committed individuals and couples, Yet it is understandable that the millennial youth of the country has decided not to conform to the ways of traditional Indian society.

One can also assume that choosing to be single is almost becoming a sort of an addiction among Youth. Traditionalists may criticize such trends among Indian Youth, as lack of conviction or may even call it a phobia of commitment among the Youth with regard to relationships, rise of online $\mathfrak{q}_{\text{ating trends}}$ and selfishness.

Many may also disagree with this, citing other factors which are equally responsible for the rise of singlehood among youth other than those related to commitment phobia, online dating etc.

Rise of independence among young people, particularly among woman is considered to be a greater reason as independence opens up the

individual's dreams of achieving greater freedom of choice and self-esteem.

With respect to women this trend has been gaining more prominence compared to earlier times.

Moreover there had been a major soaring of aspirations with regard to choice of higher education and careers.

Statistically speaking, there is a 39% increase in the number of single women in India, From 51.2 million in 2001 to 71.4 million in 2011 according to census data(this includes widows, divorcees, unmarried women and those deserted by husbands. These has been a major thrust among young women who wish to define themselves and love their own set of identities which isn't defined by their significant 'other' as within a socially sanctioned relationship.

Sexual orientation and newly discovered diversities within it can be another factor contributing towards singlehood cult-raising awareness regarding sexuality and related choices among youth ca not be considered a major factor but it can be a reason nevertheless. Asexuality, homosexuality, romantic orientation and its open acceptance, can be reasons behind the presence and popularity of a preference for singlehood.

Moreover, in changing and altering definition and concepts of relationship, society and increasing diversities also play important role in popularizing such options among youth. Definitions like 'in relationship with self' are now less stigmatized or frowned upon by many people in contemporary India.

Marital Rape

Marital rape, also known as spousal act of sexual intercourse with one's spouse without the spouse's consent. It is a form of domestic violence and sexual abuse. At one point of time, martial rape was considered the right of a husband over the wife after marriage. There was no consent needed and the husband could do whatever he wanted. Like seriously?

So then, at that time, if you were a woman, you had no damn right on your body. After marriage you are subject to whatever your husband says. If he wants to have sex with you, you have no right to say 'no' to him and you were supposed to obey him like a slave.

It seems, no one understands what a woman goes through. In her life partner she wishes for a "man" who understands her. Then why is she treated as doll who is used just to have sexual pleasure?

A guy doesn't become a man if he can do anything, anytime with the girl he marries. Be a man, your woman's man. I am not asking you to be someone who obeys everything your wife says. Just seek consent before touching her body. Okay, now let's understand what does exactly consent mean. Before going ahead and saying anything on this topic, we need to understand what consent means. Consent actually means seeking permission from one's spouse for having sexual intercourse with her and if she doesn't wish to or is uncomfortable her and if she doesn't will having sex respect her refusal. All this maybe new for her and it takes time for a person to adjust new for her and it takes the new for her and within a new role. Which a man whom she with sharing the same bed with a man whom she with sharing the same with sharing the same with sharing the same with sharing the same whom shall or non-verbal cues of denial is of read knows for a tew uays only, the retusal to read verbal or non-verbal cues of denial is, of course, verbal or non-verbal not 'criminal' that may qualify as rape or sexual not 'crimina) that may seeiny as rape of sexual harassment, but is worth considering that by not conceding to the argument that a 'fool... we conceding to the argument that a 'feeble no could

Rape is altogether another topic to ponder upon but then I don't mean by this that even that is sometimes right to do. Rape does not mean you have right over anyone's body and can do whatever you want. Rape is shameful act where you stoop down to such a level to please your sexual desires. Marital rape is the same. You hurt the person who has come all the way sacrificing everything: her lifestyle, her family to live with you. While she has sacrificed everything, you 'rape her of her body. You are not a man then! I would like to share a poem here which I wrote on the same theme. It is about a woman who is raped and hurt by her husband and how she overcome everything and moves forward for a bright future.

I pushed. I hit the vase.

It fell down and broke. The broken pieces scattered apart.

Pushed and pulled the door, then twisted the knob. Behind the door, I hid myself in the wardrobe. Helpless was I, shattered was my soul, a bit here a bit there.

The eyes were red, seeing him shed its precions to the hood.

The hood

The body shaking full of tremendous fears.

Accepting his peccadillo, still no shame.

All he did was only for his fame.

He came close, kissed my nape.

Caressing my hair, on my mouth he put a the door.

So then, my screams couldn't even reach the time he, saw, was about four.

Closer and closer, he crossed his limit and his good he one even

Curtains were shut, lights put down.
I knew for this, his evil mind was to be crowned.
With every touch, he tore my soul apart.
It all appeared as if he played a game of darts.
My spirit inside, could handle no more.

A decorative piece in one hand, stones in other, about four.

As he lay his devilish body over me, I hit him on the head with my full strength. This time, all my fears did let me apprehend...
Proud I felt, killing my murderer.
A peaceful night was all, after all this I wished for.
The door again separated us.
Us, my evil past and my coming future.
I left him, walked towards a better future.
All he did deserved no mercy, a painful death seemed to be also less for the sin he committed.

Queen

Waking up at the dawn, opening my eyes under the heavy blanket, I realized that it wasn't the place I used to get up. My pale feet touched the cold floor and I started walking in the corridor. The images that were streaming past my eyes weren't making sense. Either my mind wasn't working or the images were not that clear.

There was a feeling of some kind of major lacking that left behind a heaviness which was settling down my chest. Emptiness prevailed like a hole in the heart but the heart was unbearably heavy, as if something had entered there permanently. I entered the washroom, there was something on the wall, with some efforts I concentrated and found "ME" standing in front of the "Mirror" with eyes full of tears. The happy past moment flashed in the memory and drifted off every drop of water coming out of my eyes.

Without wobbling my head, I was searching for just one figure around. Everything around was making sense now. The opening and closing of the doors.... the whispers...the alarms...everything was indicating something to me.

I looked around, this time for real, with my eyes running fast in her search...Mother, I can't see you, and I need you. Soon, I stopped my search because every child there wasn't with his/her mother. With an aching heart I took a deep breath. The thought of not finding her and being alone there came again and again, but the words, "You are a Queen, you are there to conquer the city, not to cry and hide in mom's lap"

Rushed again. This time I opened my eyes with a new shine and a little smile on my face, I went to college. It was my first day without mom. These thoughts cross my mind every morning. I wake up, I search for her, but at the end I convince myself, she's somewhere within me. The girl that left the town for study needs to get back there as the queen of her castle.

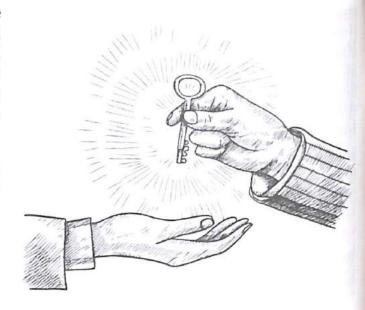

Living in hostel is difficult mom, and I miss you a lot. But your princess will never be knocked down by emotions... I will conquer the world and gift you the Star. On a happy and confident note, bye Mom. Love you, Miss you.

Life Skills Are the Key to Success

In this swiftly moving world, we are quick to choose what we want to be but we forget to stop and contemplate - Do I have what it takes? What do I lack? What are the ultimate consequences of my actions? Do I have the right experiences to become what I want to? Will I achieve my goal with this

Aptness that helps us deal effectively in everyday life at our school, work, and personal life which help us achieve our goals in a shorter timespan are our life skills. Even if we are filled to the brim with talent and intelligence, a lack of life skills can paint a dull future ahead for us. There is no certain "course" we can take to learn life skills. It is in every day that we miss the opportunities to learn from others. Individuals who

are able to understand and use these soft skills, along with their educational qualifications will be better placed to take advantage of educational and employment opportunities.

Tawarikh Society (History Department) organized a 3 days tour to Datia- Jhansi- Orchha-Gwalior (Madhya Pradesh), to familiarize the students with the historically significant monuments and to instil the sensibility towards the cultural contribution of different regions to the nation. Around 43 students and 4 faculty members, were part of the tour which commenced on 8th March and lasted till 12th March 2019. Tour was refreshing, enlightening, adventurous, nostalgic and tremendous learning experience for both, the students and the teachers.

The tour visited the historically famous Jhansi fort. Students looked quite mesmerized by the place, and readily engaged in academic discussions. Noticing the level of inquiry and enthusiasm among the students relating to the visiting places, teachers decided to deliver lectures on the significance of the places and the region. Mr. Pratik delivered the lectures.

Next day, tour visited Orchha state of Bundelkhand region, the state has many significant monuments to visit like - Jahangir Mahal, Raja Ram Mahal, Chhatris, Chaturbhuj temple, Laxminarayan temple, and Raj Mahal. Almost half of the day was spent in the premises of the Orchha state. In the evening, students visited another important site called Cenotaph of Raja Gangadhar Rao or Raja Gangadhar ki Chatri was built in his memory just after his death by his wife, Rani Jhansi, also known as Manikarnika. The day was quite a busy one, and followed by a dance party at around 9pm.

On 11th, the third day of the tour, students and teachers travelled to Gwalior. On the way, 60km ahead of Gwalior, students stopped at Sonagiri; Jain temples dating from 9th century onwards, located in Datia district of MP. The site was located on a hill, all the structures were built in white, enhancing the serenity and calmness of the locality. At last tour reached Gwalior fort around 4pm. The last program of the day was Sound and Light show at Gwalior Fort.

The tour was a delightful experience for all. Students had a wonderful time travelling, they played, sang and danced while travelling distances in between the cities. Tour became a medium for all to understand the culture, history and appreciate the beauty of all of the above cities and also develop a strong bonding with each other. The tour gave students the opportunity to relive their history, through the historically left remnants of the past.
