

RAM LAL ANAND COLLEGE

UNIVERSITY OF DELHI

Department of Physical Education

Annual Report 2023-24

Physical Education is an integral part of the total education system. It helps in the attainment of the ultimate aim of education i.e. the achievement of holistic development. Games and Sports play a vital role in the student's life. A student should study hard to be successful in competitive examinations. But, he should also play games and sports to enjoy the health and vigor of life. Along with bookish learning, a student should spend his time on games and sports also.

Either studying or working alone makes us exhausted. We are no longer efficient at doing any work. Sports remove our mental exhaustion. Education without sports is incomplete. The Department of Physical Education and Sports marks itself as one amongst the most efficacious Department of Ram Lal Anand College. It strives to excel at all levels and bring laurels to the college. With the help of college faculty we are continuously improving in the sports field.

Considering the concept of "**SPORTS FOR ALL**" throughout the entire session we organized Inter-department tournaments for students as well as some sports activities for staff (teaching and non-teaching). It is one of the largest co-curricular activity programs that offer an extensive opportunity to all the students and staff. This venture shall enable the students and staff to have fun, learn new sports, enhance social interaction and test one's physical capability. These competitions also offer a break from the daily routine tasks and recreate or re-energetic them.

- Volleyball (Men & Women)
- Table Tennis (Men & Women)
