ABOUT THE COLLEGE

Ram Lal Anand College was founded in the year 1964 by Late Shri Ram Lal Anand, a senior advocate in the Supreme Court of India, in response to the growing social demand in the sixties for providing educational opportunities at the university level. The college was initially managed by the Ram Lal Anand Trust and taken over by the University of Delhi in 1973 and thereafter has been run by the University of Delhi as a University Maintained Institution.

The college is located in the picturesque surroundings against the backdrop of the Aravalli range in the neighbourhood of South Campus, University of Delhi and several other educational institutions and is connected to Durgabai Deshmukh, South Campus metro station located on Ring Road (Refer to Map on the Last page)

It has a vast campus, spread over ten acres of land with green lawns and elegant buildings of much sprawling architectural merit. The college is Wi-Fi enabled with excellent infrastructure, state of the art Laboratories, Seminar Room, Amphitheatre, Library, Playground and Cafeteria. It is a multi-disciplinary, co-educational institution with more than 2500 students pursuing different programs in Humanities, Commerce, Management and Sciences. College is administered by a statutory Governing Body as per the University Ordinances and legislated by the Executive Council of the University of Delhi.

The college boasts of more than 90 highly learned and committed faculty members many of whom are PhD's with national and international post-doctoral research experience. Apart from their traditional role of disseminating knowledge, the faculty members inspire and guide students to organize and participate in different activities such as seminars, workshops, debates, theatre, cultural activities including classical music and dance programs. Faculty also guides students in various research and innovation projects. RLA with its wide expanse of fields and specialised support provides conducive environment for sports. The college is proud to be one of the leading affiliates of the National Cadets Corps (NCC) and National Services Scheme

(NSS) with an impressive number of cadets/volunteers enrolled each academic year. The college is deeply aware of the immense need to instil and generate human values and ethics especially among the youngsters. In this regard, apart from prescribed curriculum the college runs a compulsory course “Human Values, Ethics & Life Skills” for all the I year students. The college provides job-oriented skills to its students through Add-on certificate courses. Students are also trained and encouraged to take up innovative start up and research ideas. CORE VALUES

The core values of the college are a set of principles that guide the practice and development of curriculum, faculty, students, and staff. Our college is dedicated to meet the expectation of the community we serve through the following core values.

HOLISTIC DEVELOPMENT OF STUDENTS

NATIONAL ACCREDITATION & ASSESSMENT COUNCIL GRADING

The college has secured a NAAC ranking with a CGPA of 2.84 out of 4 with a grade of **B⁺⁺** in the first cycle of accreditation.

DBT STAR COLLEGE

The department of Microbiology has been selected under “Star College Scheme” for financial support by the Department of Biotechnology, Government of India for three years.

PROGRAMMES OF STUDY

The college at present follows University's Learning Outcome-based curriculum framework (LOCF) designed around the CBCS (Choice Based Credit System) pattern of programmes of study which is intended to suit the present day needs of the students in terms of securing their path towards higher studies or employment. CBCS can be described as a "cafeteria" type approach in which the students can take courses of their choice, learn at their own pace, take additional courses, acquire more than the required credits, and adopt an interdisciplinary approach to learning. Further, apart from studying mandatory core courses, students are given choices to opt for GE (Generic Elective), SEC (Skill Enhancement Courses) and DSE (Discipline Specific Elective) courses. Our college offers a total of 12 choices in GE in different programmes listed in the tables below. RLAC also offers communication skills both in Hindi and English in addition to a compulsory course on Environmental Science.

NEW INITIATIVES

The RLA English Department strives to maximise the value on offer for our students by expanding the range of experiences well beyond the classroom. It offers a plethora of add-on courses that have seen incredible success, and many more are already being planned. Upcoming courses on offer include a **Renaissance Art Course**, a course on **the History of Modern Literature** and a **Certificate course on Creative Writing**. These are intended to expand the horizon of our students beyond the syllabus and establish mastery in the subject at large.

DEPARTMENT OF HINDI & HINDI PATRAKARITA EVAM JANSANCHAR

Department of Hindi offers two undergraduate programme B.A. (Hons.) Hindi and B.A. (Hons.) Hindi Patrakarita evam Jansanchar and a post graduate programme M.A. Hindi, affiliated to the University of Delhi.

HINDI

SCOPE AND OPPORTUNITIES

After completion of this programme, the possible avenues for students are government, administration, civil services, journalism, media, teaching, research, etc. Apart from that, one can opt for the job of an interpreter as well. Most of the media houses and literature houses offer such an opportunity. The other career opportunities could be as Content developer, reporter, journalists, teacher, translator and voice associate in BPOs.

The Department also offers a skill development, job-oriented certificate course in 'Hindi Anuvad' to the students of Hindi Hons. Students can find their career in translation as large number of vacancies for translators exists in both the Govt. and the corporate houses.

HINDI PATRAKARITA EVAM JANSANCHAR

This course is run by the college under Self- Finance Model. Number of seats for admission each year are very limited which ensures that each and every student is given training on software and hardware used in the development of media content. The college has a studio with all the video and audio equipment required for recordings. In addition, there is a dedicated media lab with computers having internet facility and software for text/video editing. Students undertake internships at different media schools during the summer and winter vacations. During the session they take part in educative TV programmes on channels like IBN7 and TV Today. Prominent journalists and faculty from other Mass Communication Institutes are invited to give lecture and conduct interactive workshops for the students.

The Department has signed three MoUs with media houses (Amar Ujala and Moltics) and social organizations (Sehgal Foundation) to provide hands on training to its students. A large number of our alumni have become reporters, journalists and are writing columns in prominent Newspaper Dailies.

A documentary made on our college, by the students of Hindi Patrakarita Evam Jansanchar can be viewed on:

- Eminent professors like Prof. N.C. Pant, Prof. Pankaj Srivastav, Prof. Partho Pratim Chakraborty, Dr. Vimal Singh, Dr. K N Kandwal, from the Department of Geology are also invited as Visiting faculty.

NEW INITIATIVES

The Department of Geology will introduce following three **certificate courses**:

- 1. Preparation of thin sections and petrographic studies.**
- 2. Applications of advance instrumentations in Geological Studies.**
- 3. GPS and its applications in the field of Geosciences.**

The department has also planned to conduct seminars/webinars on various aspects of Geology. Some of them are listed below:

1. Mineral Deposits of India: Current Scenario and its future prospects
2. Geo-heritage
3. Gender shifting in Geology: Job scenario
4. Establishment of energy solutions for industrialization.

The department will develop an **E-museum** with a well-organized catalogue of various mineral samples, rock samples and fossil specimens. Also, precious geological samples of rock, mineral and fossil which were received by the department, as donation from Mr. Makki, would be used to develop a **geological museum**. The museum would be a great asset in the teaching – learning process and would also add to the progression of college towards academic excellence. The department is already offering a **paper in Remote Sensing & GIS to B.Sc. (H)** third year students. Realizing the hike in the demand of experts in Remote Sensing & GIS, the department

is further planning to develop a **full fledge laboratory for Remote Sensing & GIS** to give the students hands on training experience to acquire the desirable skills and knowledge on the subject. If circumstances permit, the department plans to visit Atomic Mineral Directorate (AMD), Delhi Office to learn about Exploration Techniques and Laboratory Investigations done for the process.

DEPARTMENT OF MICROBIOLOGY

Microbiology programme started in 1989 at Ram Lal Anand College and has vast prospects due to advancement in the field of Biotechnology. It is a broad discipline as microbiology has applications in many fields like medicine, pharmacy, dairy industry, clinical research, water industry, chemical technology, and nanotechnology. Department has been funded for financial support under Star status under “Star College Scheme” by Department of Biotechnology, Ministry of Science and Technology (2019-21)

SCOPE AND OPPORTUNITIES

Microbiology has tremendous scope and a very bright future. Students can pursue M. Sc., or integrated M. Sc. And PhD in Microbiology and related disciplines from prestigious institutions like university of Delhi, IISERs, IITs and other national and international universities. These students can make career in research and non-research fields in a diverse range of employment sectors such as healthcare organizations, environmental organizations, industries like food, beverage, pharmaceutical, public health & hygiene, water and biotechnology companies, forensic science laboratories, publicly funded research organizations, higher education institutions etc.

FACILITIES

The department has IT enabled classrooms, well equipped laboratories, Instrumentation Room, Media Room, Autoclave and Incubation Rooms. The department has all the basic and advanced instruments like UV-VIS Spectrometer, Gel-doc, ELISA Reader,

and Fermentor & Sonicator to impart basic hands-on training to students. The department has so far completed 9 innovation research projects and currently running two research projects. The department has recently purchased a docking software for bioinformatic applications

- Dr Nidhi S. Chandra (M.Sc., PhD)
- Dr Sunila Hooda (M.Sc., PhD)
- Dr. Shalini Swami (M.Sc., PhD)

NEW INITIATIVES

1. Virtual/Physical visits to educational institutes (UDSC/NDRI/IARI) and industries to view large scale operations/fermenters/downstream processing (NDRI/JNU)
2. Certificate course on Analysis of metagenomic data (in collaboration with any of our Science Setu partners)
3. Facilitating student start-up in collaboration with BioNEST incubator facility at South Campus, University of Delhi
4. Publication of a Science-centric e-newsletter/e-magazine (biannual) compiled and edited by students (staff in advisory role)
5. Short term-course on Planning and conducting survey-based/community health project
6. Seminar series on Eminent Indian Women Scientists

DEPARTMENT OF STATISTICS

Statistics involves the collection, presentation, analysis and interpretation of data. Statistics has wide application in almost all spheres of knowledge like Industry, Commerce, Trade, Physics, Chemistry, Economics, Mathematics, Biology, Psychology, Astronomy etc. The curriculum here offers a broad application of statistics, focussing on specific statistical methods used in science, research and industry. In addition, students are given exposure to the software packages like SPSS and programming in R. The programme also gives an opportunity to choose papers from other disciplines as generic electives.

SCOPE AND OPPORTUNITIES

With a bachelor's degree in Statistics one can go for higher studies from premier institutions like DU, IASRI, ISI, IIT; PG in Operation Research, Applied Operation Research, MCA, MFE, MFC and MBA. Some of the important job roles are Data Scientist, Academician, Biostatistician, Content & Financial Analyst, Actuary and in government sector students can join Indian Statistical/Economic Services, Statistical investigators via Subordinate Statistical Services across the country.

FACILITIES

State-of-Art fully airconditioned computer laboratory, 10 Gigabyte networked with QOS Switch with 38 desktop machines with internet facility. Students are allotted individual computers in Computer Lab during practical sessions along with required Mathematical and Statistical Tables.

Statistics Laboratory is well equipped with 85 calculators of which 15 are check and correct (Citizen CT – 600) and remaining 70 are Scientific Calculators (Casio fx 100w, Casio fx 991ES and Casio fx 991ES Plus).

- Dr. Rita Jain (MA, M.Phil, Ph.D)
- Dr. Kuldeep Singh Chauhan (M.Sc., M.Phil, Ph.D)

NEW INITIATIVES:

A two- week **course** in **python** for students of the department would be conducted. A **webinar** on **application of statistics in social sciences** has also been scheduled for the current academic session.

DEPARTMENT OF MATHEMATICS

The Department of Mathematics is equipped with dedicated IT enabled rooms, well established Computer Laboratory with all mathematical software (MATHEMATICA, LaTeX, MATLAB etc.).

SCOPE AND OPPORTUNITIES

Mathematics has a dual nature: It is a science and way of thinking, with its own language designed for logical discourse, and it also provides unique approaches to describe and understand reality. The demand of mathematics is increasing day by day in industry as well as in government jobs. They require mathematicians for Big Data analysis, Analytics, Gaming theory, Operation Management, Actuarial Science, Research and Development, Weather analysis, Security coders, etc. After pursuing Mathematics (Honours) they can get into defense

sector (DRDO), Insurance sector (Actuarial Science), government sector (SSC, UPSC, RAW etc.), Banking sector, and of course into academics and teaching.

- Mr. Basant Mishra (M.Sc, M.Phil.)
- Mr Kapil Kumar (M.Sc)
- Dr Pooja Bansal (M.Sc, PhD)

NEW INITIATIVES

The Department has planned to conduct two **Lecture series per semester** by eminent personalities from the field of mathematics. A **Certificate Course** for skill development in **Mathematical Software** and Counselling/Guidance for further studies in higher education has been planned to be organized. If situation permits, an **educational trip** to IIT/IISc/CMI/TIFR/ISRO would be organized.

BACHELOR OF MANAGEMENT STUDIES

The programme will help the students to obtain the knowledge and skills needed to assume management positions in different organisations and help students to understand how organizations work and manage.

SCOPE AND OPPORTUNITIES

This programme provides a good professional knowledge of business and aims to develop undergraduate students to be leaders and managers capable of taking on the challenges and rigors of the global marketplace. On successful completion of the programme, aspirants can apply for jobs relating to marketing, finance, and banking or pursue higher education such as MBA and can also take up other professional courses like CA, CS, CMA, LLB, etc.

- Ms Neera Pal (M.Com)

NEW INITIATIVES

The Department of Management studies has planned to introduce a **certificate course** related to **Financial Modelling** in the current academic session. For the current semester, the department has planned to organize a **webinar** based on **Entrepreneurship and Intellectual property rights**. It has been decided that two webinars would be organised by the department in each of the semesters, odd and even.

DEPARTMENT OF ENVIRONMENTAL STUDIES

The department has a young and energetic faculty member who teaches Ability Enhancement Compulsory Course (AECC) to all students of I year in either I or II semester. The students are regularly taken to biodiversity parks for awareness and enhanced learning.

SCOPE AND OPPORTUNITIES

This course is relevant to our understanding of important environment related issues like pollution, climate change, global warming and environmental degradation being faced by the people all over the world. The department also offers an addon certificate course entitled “Exploring Feasible Alternative Technologies to Address Environmental Issues” for students.

FACULTY:

- Dr Swagata Karmakar (MSc, PhD)

NEW INITIATIVES

The Department of Environmental studies has planned to organize activities for raising environmental consciousness; webinars related to environmental ecology, biodiversity, climate change, etc. in this academic session. Also, it has planned to organize a **talk and or interactive session** with the experts in the different fields on recent environment related events worldwide

A **certificate course** is to be offered to the students to address the environmental issues. Owing to pandemic situation, the department has planned to organize a **virtual walk** at different stressed, degraded, ecological reclaimed sites in Delhi and outside Delhi.

DEPARTMENT OF PHYSICAL EDUCATION

Physical Education is an integral part of the wider education system. It helps in the attainment of the ultimate aim of education i.e., the achievement of holistic development. Considering the concept of “SPORTS FOR ALL” the Department of Physical Education organizes various Inter-department tournaments for students as well as various sports activities for staff (teaching and non-teaching) throughout the year. Trials for various sports are notified in the month of August and the selections are made for various teams in the following games:

Indoor: Boxing, Taekwondo, Judo, Chess, Table tennis, Badminton, Power lifting

Outdoor: Volleyball, Football, Cricket, Ball badminton, Hand ball, Tug of war, Kho-kho

Special efforts are made by the college to facilitate and encourage students who are a part of various sports teams. On a regular basis they are provided with playing kits, coaching, and training facilities, refreshments etc. Financial support is also provided in the form of fee waivers, cash incentives for the best performing sports persons plus college also pays registration fee for sportspersons to participate in various tournaments outside the college.

The department also regularly conducts health check-up camps for students and staff of college for awareness of healthy physiological parameters like Body Mass Index, Body Fat etc. The health status of the students is monitored and recorded every semester and record is maintained through e-health register.

IMPORTANT COMMITTEES

INTERNAL QUALITY ASSURANCE CELL

To maintain the momentum of quality consciousness in college, an Internal Quality Assurance Cell (IQAC) has been formed. This is conceived as a mechanism to build and ensure a quality enhancement culture at the college level. This is an internal quality assurance system, with appropriate structure and processes, to meet the diverse needs of the stakeholders. The IQAC is meant for planning, guiding, and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the college. It works in college to channelize and systematize the efforts and measures towards academic excellence. It is involved in development and application of quality benchmarks/parameters for the various academic and administrative activities of the Colleges thereby creating a learner-centric environment conducive for education. The IQAC cell has 16 members including senior college faculty and external experts.

- **Chairman:** Prof. Rakesh Kumar Gupta, Principal
- **Coordinator:** Prof. Purna Diwan, Professor, Dept. of Microbiology

External Experts

- Ms. Ritu Kalra, Head, HR, Indian Spinal Injuries Centre, Vasant Kunj, New Delhi
- Mr. Santosh Kumar Sharma, Joint Director, Institute of Company Secretaries, New Delhi

INSTITUTIONAL ACADEMIC INTEGRITY PANEL

As per recommendations of UGC to maintain responsible conduct of research, promotion of academic integrity and prevention of misconduct including plagiarism in academic writing among student, faculty, researcher and staff, this committee has been constituted at institutional level. The college has access to URKUND plagiarism check software from the Central Library, University of Delhi to check any document including research papers, book chapters, articles, etc for plagiarism before its publication by the faculty, students and staff.

- **Chairperson:** Dr Neena Mittal, Associate Professor, Department of Statistics

INSTITUTIONAL ETHICS COMMITTEE

The college has a seven-member institutional ethics committee that takes care of ethical compliance of research proposals submitted for grants from various funding agencies.

- **Chairperson:** Prof. J.S. Viridi, Former Head, Department of Microbiology, University of Delhi
- **Member Secretary:** Prof. Vandana Gupta, Department of Microbiology, RLA College

RESEARCH AND IPR CELL

The cell was constituted in 2017 to promote research activities in the college. It constantly disseminates information about various funding agencies and ministries which provide funds to researchers from diverse disciplines. The cell updates the faculty members about the upcoming workshops, seminars, FDPs and conferences in their areas of interest through emails.
Coordinator – Prof. Vandana Gupta, Associate Professor, Department of Microbiology

CENTRES OF EXCELLENCE

CENTRE FOR EDUCATION & TRAINING IN DISASTER MANAGEMENT

Realizing the importance of awareness and mitigation planning of natural and man-made disasters, a special centre for disaster management was instituted under the guidance of our ex-GB member Shri P.P. Srivastava who has a vast experience in this field as a researcher and an administrator. The centre conducts seminars, awareness programmes and will start a certificate course soon.

Coordinator: Dr. Prabhas Pande, Assistant Professor, Department of Geology

CENTRE FOR ENTREPRENEURSHIP AND TECHNOLOGY DEVELOPMENT

This centre was inaugurated on 24th August 2017 by Shri P. P. Shrivastav (IAS Retd), Ms Lalita Nijhawan, Entrepreneur, Director Nijhawan Group of Companies and Mr. Arnab Chakraborty National Director, UNCTAD-Empretec Programme for India, Empretec India Foundation. The centre enriches and sharpens the entrepreneurial skills of students who wish to establish and successfully run their own enterprises in future. The centre will conduct training programs, workshops for students. It invites novel ideas from students and holds Business Plan/ Best Start-up Idea Competitions for students. The centre funds & nurtures promising ideas for development.

Coordinator: Prof. Prerna Diwan, Associate Professor, Department of Microbiology

CENTRE FOR HUMAN VALUES, LIFE SKILLS AND ETHICS

A new Centre for Human Values, Life Skills and Ethics was established in the college which has started a non-credit 40-hour course on Human Values, Ethics and Life Skills for Ist year students. The course encompasses lectures by experts, workshops, film & documentary screening and visits to orphanages, old age homes for sensitization. The classes were held for 6 weeks with 4 sessions of 2 hours each.

Coordinator: Dr. Rita Jain, Assistant Professor, Department of Statistics

Co-Coordinator: Capt. Prof. Sanjay Kumar Sharma, Assistant Professor, Department of Hindi

MEDIA PRODUCTION CENTRE

The college has a full-fledged audio-video enabled media production centre with state of art cameras, microphones, mixer and recording devices. The centre provides practical training to students of mass media and also works as an e-content generation centre.

Coordinator: Prof. Rakesh Kumar, Department of Hindi & Hindi Patrakarita Evam Jansachar

ADD ON SKILL DEVELOPMENT CERTIFICATE COURSES FOR STUDENTS

In recent years the college has offered the following courses:

Certificate Course in Hospitality and Tourism Management in collaboration with Nijhawan Group of Companies.	Certificate Course in Human Values, Life Skills and Ethics for all I year students	Certificate Course in Hindi Anuvaad in collaboration with Hindi Anuvaad
Certificate Course in Data Analytics (SQL, advanced Excel and R programming) in association with Step Up Analytics.	Certificate Course in Cyber Security and Forensics in association with Innovian Technologies.	Certificate and Diploma Courses in Chinese and Japanese Languages in association with Department of East Asian Studies, University of Delhi
Certificate Course on Personal Tax Planning and E-Filing	Certificate Course in Scientific Writing and Research Ethics	Certificate Course in Web Designing
Certificate Course in Renaissance Art	Certificate Course in Software Editing	Certificate Course in Disability Studies
Certificate Course in Investments in Stocks	Certificate Course in Vector Design and Animation	Certificate Course in Yoga and Meditation
Certificate Course in Personality Development	Certificate Course in Exploring feasible Alternative Technologies to Address Environmental Problems	Certificate Course in GST and e-filing of Returns
	Certificate Course in Modern Web Development Tools	

ONGOING RESEARCH PROJECTS

To motivate and give exposure to students for research, high achievers are granted opportunities to work as Research Interns in extramural research projects granted to faculty members by different agencies. Also, the college has made provision for students to submit small research proposals under a faculty member for small seed fund to carry out research in college. The proposals for inhouse grants are reviewed and approved through Research & IPR cell.

BEYOND CURRICULUM

The College has a number of co-curricular and extra-curricular committees/societies catering to varied interests and talents of the student community. In the admission form itself, students are required to select/tick a minimum of one preference. Similarly, all students (not only those who are admitted under sports quota) are encouraged to opt for various games and sports and they are free to choose any team of their choice. The cycle begins when the new entrants join the college. Auditions/trials for various societies/sports teams are notified/ advertised on the notice board/website in the month of August and following that the selections are done. Further, college provides for coaching facilities for various sports and co-curricular activities like dance, music, theatre etc. The student office bearers are selected for managing these societies. Some of the co-curricular societies of the college are:

ART AND CULTURE SOCIETY

Convener: Dr Archana Gaur (Phone: 9811562434)

There are five diverse wings of the Arts & Culture Society: DASTOOR (the music society), ILLUSION (the western dance society), ANANTADRISHTI (the Indian dance Society), INARA (the art and craft society) and ANDAAZ (anchoring society). It is one of the most popular and culturally vibrant society of the college.

Wherein Dastoor, Illusion and Inara win accolades for the college in the inter-college and inter-university level competitions; it is Inara (the soul of the aesthetic aspect of college) and Andaaaz which decorates our college in all the events, round the year. The college conducts special arts and culture workshops for the students training.

SANGOSHTI (MONTHLY LECTURE SERIES)

Convener: Dr Deepti Bhardwaj ((Phone: 9212132420)

Sangoshti organizes Lecture series by eminent personalities from all disciplines. These talks are followed by interactive sessions with students.

PHOTOGRAPHY AND FILM CLUB

Convener: Dr Manvesh N Das (Phone: 9868632286)

The work is divided between the Photography team (CHITRA) and Film club (PARDA). The aim of the team is to develop photography skills through excursions, exhibitions, workshops and competitions whilst having the opportunity to meet other photography enthusiasts. The collaboration wants to create a community where mutual learning is cultivated.

As a popular art, set in the economic, cultural and political spheres, film inevitably bears the birthmarks of its passage into light, and it is also composed of pieces of the culture it represents. Parada, the Film Club screens movies which are socio-culturally relevant, ensuing an enriching discussion at the end of each screening.

DEBATING SOCIETY

Conveners: Dr Urvashi Kuhad (Phone: 9650530691) for English Debating; Dr Pratik Kumar (Phone: 9560877741) for Hindi Debating

Richard Feynman said: "I would rather have questions that can't be answered, than answers that can't be questioned." With an aim of enhancing the critical skills, curious and questioning young mind, the Debating Society organizes debates and slam poetry competitions.

QUIZ SOCIETY

Convener: Ms Deepshikha Kumari (Phone:9971309444)

HASRATEIN – THE DRAMATIC SOCIETY

Convener: Dr Prabhas Pande (Phone: 9899768706)

Performing for the people is not always a 'feel good' action but a process of engaging with ideas and issues. It is essential to have excellence in the craft, the form, the aesthetics, and be alert on the questions of ideas and politics. With such ideals forming the premise of the theatre society, each year it turns out to be a bunch of very dedicated and hard-working students, who with their ideas, transcend the limitations of the institutionalized thought process and the subject matter in the laboratory of their enthusiastic performances delves deep and jolts the sensitive, status-quoist nerves of the society. The society shapes an enthralling journey!

GANDHI STUDY CIRCLE

Convener: Prof. S.C. Dabas (Phone: 9911219109)

One can love Gandhi, one can hate Gandhi, but one cannot ignore Mahatma Gandhi. With the deep entrenched mark that Mahatma Gandhi's ideals have left in the collective socio-political psyche of the nation, it becomes inevitable to revisit, and critically analyse his thoughts. Gandhi Study Circle via its conferences, seminars and other events ensures that the Gandhian values are contemporized and presented to the youth of today in accordance to the social make-up of the contemporary Indian society.

NORTH-EAST SOCIETY

Convener: Dr Sarbari Nag (Phone: 9818039300)

The students from North Eastern states of India are closely associated with the University of Delhi and of RLAC for a very long time. Our college makes special efforts to provide unique cultural interface to students from the North-East. This society organises annual cultural festival “Aaranya”.

SCHEME OF EXAMINATION

EXAMINATION

Students are advised to collect their Examination Admit Card well before the beginning of their semester-end examination. Due to Covid pandemic classes & teaching-learning activities have been going on under the online mode. Students are regularly assessed and evaluated for semester results on various parameters like class tests, open-book exams, written assignments, projects, presentations, viva, PPTs, etc. Each student is expected to participate in all such activities so that he/she be assessed and evaluated appropriately.

ABSENCE

1. If a student is absent for four consecutive lectures/tutorials/practicals, he/she must write an application countersigned by one of the parents addressed to the college principal stating the reason for absence immediately when he/she returns to classes.
2. If a student is absent for medical reasons, he/she must write an application to this effect and produce a medical certificate immediately when he/she joins the college. These applications and medical certificate must be submitted to the college office. Application at the end of the term/semester shall not be entertained.
3. **Students short of required attendance (minimum 67%) will be detained from appearing in the End Semester Examination.**

For such students who have to miss out on classes/lectures due to their participation in inter-college co- curricular activities, the college makes special concession in attendance according to the university rules (Ordinance VII (2)).

1. The students are required to attend minimum of 67% of lectures and tutorials and practical (wherever applicable) separately in all the papers held during a semester failing to which he/she will not be allowed to take the Examination of the University.
2. The Examination shall be conducted at the end of each semester as per the University Academic Calendar notified by the University of Delhi. **However, in ongoing online mode, the university may have evaluation based on online Open Book Examination or promotion based on the basis of continuous evaluation for which guidelines will be shared with students through website.**
3. 25% of the total marks in each paper will be assessed internally on a continuous basis through a combination of tutorials, project work, tests and attendance. The division of marks of internal assessment will be as follows:
Assignment – 10% Tests – 10 % Attendance – 5%
4. 5% weightage will be given for regularity in attending lectures and tutorials. Regularity in each paper, based on attendance, shall be as follows:

Attendance cut-offs	Marks (out of 5)
More than 67% but less than 70%	1 mark
70% or more but less than 75%	2 marks
75% or more but less than 80%	3 marks
80% or more but less than 85%	4 marks
85% and above	5 marks

5. Minimum marks required to pass any paper in a semester shall be 40% in theory and 40% in practical, wherever applicable. Students must secure 40% marks in the End Semester Examination and 40% marks in the total of End Semester Examination and Internal Assessment of both theory and practical separately.

6. A student will be eligible for promotion to 2nd year of the course provided she / he has passed 50% papers of I and II Semester taken together.

NOTE

1. Apart from the above, a university examination fee will be payable at the time of submission of examination forms during the month of Sept. /Oct for odd semester and Feb/March during even semester. The Fee detail will be notified on the Notice Board and website.
2. The amount of the fee has to be paid through PayU online portal on college website.
