2021-2022

**MESSAGE FROM CAPT. PROF (DR.) SANJAY KUMAR SHARMA
ASSOCIATE NCC OFFICER**

National Cadet Corps (NCC) came into existence on 15 July 1948 under an Act of Parliament. Over the years, NCC has spread its activities and values across the length and breadth of the country; in schools and colleges in almost all the districts of India. It has attracted millions of young boys and girls to the very ethos espoused by its motto “unity and discipline” and moulded them into disciplined and responsible citizens of the country. NCC has attained an enviable brand value for itself in the Young India’s mind space. National Cadet Corps (NCC) aims at character building and leadership in all walks of life and promotes the spirit of patriotism and National Integration among the youth of the country. Towards this end, it runs a multifaceted training; varied in content, style and processes with added emphasis on practical training, outdoor training and training as a community. With the dawn of Third Millennia, there have been rapid strides in technology, information, social and economic fields bringing in a paradigm shift in learning field too; NCC being no exception. A need was felt to change with times. NCC has introduced its New Training Philosophy, catering to all the new changes and developments taking place in Indian Society. It has streamlined and completely overhauled its training objectives, syllabus, methodology etc thus making it in sync with times. Subjects like National Integration, Personality Development and Life skills, Social Awareness etc have also been given prominent thrust. For the ease of both Trainers and Trainees alike, a summary and a list of various types of questions concerning the unit have been added at the end of each unit. The syllabus has been revised to make it cadet friendly, colourful with large number of photographs, charts, pictures etc and visually appealing. It is hoped that this will facilitate better assimilation and increased interest among the cadets. Our college NCC has a vacancy of 54 cadets. Cadets actively participates in many camps like Republic Day Camp, Thal Sainik Camp and many other national camps and make the college flag high. Many of our cadets have been serving in defence forces at different ranks.
