Principal's Report

Good Evening Everyone!

I feel privileged to extend a very warm welcome to our distinguished chief guest **Shri Santosh Taneja, Chairman Governing Body of the college, and Guest of Honour Dr. Ashwani Kumar, Shanti Swaroop Bhatnagar Awardee, Principal Scientist, CSIR-IMTECH**, my colleagues on the dais Prof Mukta Majumder and Prof Subhash Chandra Dabas, Our Retired Faculty members and their families, esteemed alumni, my teaching and non-teaching colleagues and my dear students and parents to this 60th Annual Day and Prize Distribution Function of Ram Lal Anand College, which is a celebration of growth of college, and achievements of its students and staff in the current academic session. It has been a very fulfilling academic year for all of us.

I heartily welcome our Honourable Chairperson, Governing Body, Shri Santosh Taneja, Founder SAMKALP IAS Academy and Chairman, Academic Council, Samkalp Vedhik IAS Academy. It is to the credit of Sh. Santosh Taneja that numerous students each year get not only motivated but also trained to appear in one of the toughest professional examination held in our country. His success speaks loudly in many bright civil servants who prepared for the UPSC exam under his mentorship and guidance at SAMKALP IAS Academy. In his tenure as Chairman, Governing Body, Ram Lal Anand College, we have gained immensely through his vast experience, his vision for the younger generation, his commitment towards nation and his zest towards institution building. His warm and empathetic attitude has often helped us in resolving concerns or planning for new activities. Sir, we are fortunate to have you with us today in college. Our college has greatly benefited under your leadership and unflinching support. Thank you sir, for gracing today's occasion as our chief guest.

Our Guest of Honour today is **Dr Ashwani Kumar**, a luminary in field of scientific inquiry. Currently, he is **Senior Principal Scientist, CSIR-Institute of Microbial Technology**. We are so very fortunate to have amongst us a scientist of such huge repute. He has a wealth of expertise and accolades. Dr. Ashwani Kumar has been recently conferred the prestigious **Shanti Swarup Bhatnagar award for the year 2022**, for his groundbreaking research in Biological Sciences. This award has been given for his significant contributions to TB pathophysiology, especially the role of biofilm-induced infections. It gives us more pleasure to cherish Dr. Kumar's presence today because of his special and deeper relation with Ram Lal Anand College. Yes, he is our distinguished alumni. Dr. Kumar was an undergraduate student of Microbiology Department at Ram Lal Anand College during the academic session 1995-98. As a postgraduate student he also published an important paper on what makes the bacteria resistant to drugs, which became the most cited in the field. A paper he published in the journal Nature in 2016 became a landmark in the field of biofilms. Currently, his work revolves around the treatment of tuberculosis, and his lab has been one of the pioneers in addressing the problem of long treatment duration. I hope and wish that the stimulating

presence of Dr. Ashwani Kumar today will be truly inspirational for current batch of students at our college.

Now, I take great pleasure in presenting the Annual Report of our college for the session 2023-24 to brief you about the key developments and new initiatives taken by the college.

Ram Lal Anand College was established in 1964 by Eminent Lawyer of the Supreme Court of India and a Great Visionary Shri Ram Lal Anand Ji. It started with just two pass courses, B.A. and B.Com and now offers Fourteen Undergraduate courses in all the three streams, i.e. Humanities, Commerce and Science and One PG course in Hindi. Our college is fully funded by the UGC and is maintained by the University of Delhi.

This year we continued and extended upon “Undergraduate Curriculum Framework 2022” based on National Education Policy 2020 which is a four-year undergraduate program. This Framework has been formulated with a student centric approach and offers a wide choice of courses, creative combinations of disciplines for study with multiple entry and exit points, ease to learn incorporating the spirit of NEP to provide multidisciplinary and holistic education keeping the Indian cultural ethos and values. It also emphasizes on research, skill development and higher order thinking to promote innovation and employability. The college has geared up its faculty and infrastructure to successfully implement the UGCF 2022. The college today has 108 faculty members and many of these have gained their regular appointment in this session. The college has offered around 48 SEC, 56 GE, 23 VAC, 23 DSE course options to students under the new UGCF 2022 curriculum.

College has continued with the change introduced last year, wherein admission is on the basis of CUET entrance examination. During the current academic session 2023-24, 894 students were admitted to different undergraduate courses and 6 students admitted to the PG programme in Hindi. At present, we have 2594 students enrolled in all UG batches and PG put together with 40% girls. Besides, 5 new PhD students were enrolled this year under the supervision of the faculty members. There are 14 students currently enrolled in PhD under college faculty at various departments.

It is a proud feeling to announce that the pass percentage of outgoing batch 2020-23 was 90.49%. Ms Priyanshi Pandey of B.Sc. (Hons) Geology III Year scored a CGPA of 9.216 and was awarded the University Gold Medal for securing Top position in the University of Delhi. She was felicitated in the University of Delhi Convocation this year. Congratulation Priyanshi. The college is proud of you. Mr. Aditya Yadav was awarded Pt. Deendayal Upadhyaya Gold Medal for securing highest marks in University of Delhi for the course Indian Political Thought (BA Hons Political Science). Aditya was also felicitated in the University of Delhi Convocation this year. Congratulation Aditya. The college is proud of you.

The outstanding academic performance of our students is very well reflected by receiving a number of academic scholarships/fellowships from various Institutions/organizations. 43 scholarships were received by students under Various Central Schemes (28 National Scholarships, 15 under Prime Minister’s Special Scholarship Scheme (PMSSS) in addition to the scholarships received from the State of Haryana, Bihar and various other Govt Organizations.

In addition to the above scholarships, the college also provides financial assistance to the needy and academically deserving students. The college provided full tuition fee concession to more than 505 SC/ST students and full fee concession to 8 PwD students. RLA has granted a total amount of Rs. 5,21,000 in the academic year 2023-24 in the form of student aid and scholarships to a total of 103 students. Out of this, Rs 3,26,000 was disbursed to 72 students. Four Best student awards of Rs. 20000/- each and 31 scholarships of Rs. 1,95,000/- have been sponsored by our esteemed retired faculty members and their families from contributions of Rs 28 Lakhs in the college Endowment Fund. Last year Rs. 12 lakhs were donated by the family of Late Shri Ram Lal Anand Ji, the founder of our college. Ms. Uma Malik Best Student Award in Hindi (Pass out student) will be given to the student securing highest marks in the university examination Rs 20000/-. Also 8 scholarships of Rs 8000/- each will be sponsored from the same amount to the first year students.

In addition, last year a corpus fund of Rs. 2 Lakh was donated by Dr. Surender Kumar, Assistant Professor at Department of Hindi. This fund shall sponsor three scholarships namely Late Shri Dule Ram Memorial Scholarship, Late Smt Chatto Devi Memorial Scholarship and Late Shri Bir Singh Memorial Scholarship of Rs. 5000/- each for students belonging to SC/PwD categories studying in B.A. (Honours) Hindi and securing top position in university examination.

Under the students exchange program TWO of our students went abroad:

- 1) Simran Arora, B.Sc (Hons) Statistics, Sakura Science Exchange Program 2023 offered by the Japan Science and Technology Agency under the Ministry of Education, Culture & Sports;
- 2) Akshit Katoch, B.Sc (Hons) Mathematics, III year, Vietnam Youth Exchange Program under National Cadet Corps.

The laurels brought by the students were not restricted to academics only. Their performance in co-curricular activities and sports was equally outstanding and commendable. It is a matter of pride to inform you that around 82 prizes/medals were won by our students in various events organised at University, State and National Levels. Many of the students attended prestigious camps and events of national importance. Some selected students achievements are as below:

CO-CURRICULAR HIGHLIGHTS from 2023-24 Session

In its pursuit to train students to enhance their employability, college offered 1 Diploma in Chinese language and 7 add-on skill development Certificate courses for students (Environment Sustainability Practices, Medical Sales Representative, Fundamentals of financial modelling, Gender discourse: the Indian perspective, History of English literature, Rust programming, Japanese language certificate course). 18 Alumni lectures and 109 Seminars/talks were organized for the benefit of students and faculty.

Our commitment to holistic education is reflected in several hands-on skill training workshops for students including:

- 1) Medical Sales Representative – MSR and Environment Sustainability Practices – ESP conducted under IQAC in association with Life Sciences Sector Skill Development Council (LSSSDC) and Training on Ground-Water Management and Rain-Water Harvesting to recharge groundwater conducted in association with Central Ground Water Board.
- 2) Two-week long National FDP on “Essential Skills in Genomics” in association with Centre for Innovation in Infectious Disease Research, Education and Training (CIIDRET) and Delhi School for Skill Enhancement and Entrepreneurship Development (DSSEED); and

3) “Research Writing & Mathematical Typesetting with LateX” in association with Teaching Learning Centre, Ramanujan College, University of Delhi were conducted.

PLACEMENTS

We are evolving in terms of facilitating Career Counseling and Placement of our students, each year. This year 132 Companies visited for placement and internships in the fields of insurance, advertising, education tech, software services, customized clothing, financial consultants, NGO, wealth management, business development and marketing. 28 out of 75 appeared for placement interviews; 204 students secured internships.

Mohit Pratap Singh, our student and NCC cadet from 2019-22 batch got selected in the Indian Air Force securing All India 26th Rank.

The College has embraced five picturesque villages nestled within the enchanting landscape of the Almora District—Pilkha, Kotyura, Patiya, Bhatgaon, and Kasoon—as part of its noble endeavor, the Institution Outreach Initiative. This initiative, undertaken without any financial aid, serves as an extension of the esteemed NMHS Project – National Mission on Himalayan Studies. College is offering guidance and mentorship to the youth among the communities residing in these villages. Through tailored programs, we provide comprehensive career counseling for both school and college students, while honing their communication skills to empower them for success in the modern world. Furthermore, our commitment extends to fostering sustainable livelihood opportunities, exemplified by our organization of captivating geo-excursions and eco-tourism ventures. These initiatives not only enrich the educational experience of our own students but also welcome scholars from prestigious institutions across India and beyond. In our dedication to preserving the rich geo-heritage surrounding these villages, we champion the cause of environmental conservation and heritage protection. Moreover, we actively engage with the villagers, fostering awareness of government schemes and interventions that can uplift their communities.

In addition to the College's expansive efforts, the National Service Scheme (NSS), National Cadet Corps (NCC), Gandhi Study Circle, and an array of departments and societies produced a remarkable array of over 100 outreach and extension initiatives. These endeavors spanned a diverse spectrum of endeavors, signifying our institution's commitment to holistic community engagement. Among these endeavors, the NSS participated in a memorable 7-Day Special Camp in the captivating terrain of Jaisalmer, Rajasthan, from the 2nd to the 9th of February 2024, marshaling the energy and dedication of 40 impassioned volunteers. Furthermore, the collective efforts of various societies and departments bore fruit in the form of, Literacy Workshops for slum dwellers, Self-Defense Camp, Blood Donation Camps, Swachhta Abhiyan initiatives, Waste Segregation programme, E-Waste Management programme, Adoption of underprivileged girls, Cleanliness Drives and events for promotion of Hindi language, etc. were also conducted. These activities saw very enthusiastic participation from students which benefitted them immensely. Through these multifaceted endeavors, our institution continues to serve as a catalyst for positive change, enriching lives and communities while nurturing a spirit of service and excellence among all involved.

2-Days Workshop on IT Literacy was meticulously orchestrated at Hope Worldwide India School, Tigri extension, Sangam Vihar, in collaboration with Embetter Technologies.

In alignment with the DST-SEED project, the college organised transformative 2-day training on Soil Testing at Niwai, Rajasthan, drawing the participation of over 90 farmers, thus sowing the seeds for agricultural innovation and sustainability.

The students embarked on enriching educational field trips to a myriad of destinations, including the prestigious National Science Museum; Nainital and the picturesque villages of Almora district, Amrit Udyaan of Rashtrapati Bhawan.

Moreover, students were privileged to participate in enlightening experiences such as the CSIR Decadal Achievement Exhibition and Global BioIndia, as well as immersive industrial visits and field trainings to renowned sites like the AMD Exploration Site in Narnaul and Hindustan Copper Mines thus nurturing their academic growth and practical acumen.

Additionally, the college facilitated a series of certificate hands-on training workshops encompassing diverse disciplines such as pottery, paintings, and the sorting of biodegradable waste, fostering creativity and sustainability among its students.

Many students participated in Departmental Cleanliness Drives, Tree Plantation, Voluntary Donation Drives including Cloth and Sanitary Pad Donation drive, Stray Animal Feeding Drive, Lymphatic Filariasis Awareness Drive and Material distribution drives, Zero Waste Mission Drive under Swachchh Bharat and Ek Tareekh Ek Ghanta national schemes.

SPIC MACAY's RLAC chapter presented the prestigious "VIRASAT 2024" event, showcasing a dazzling array of cultural luminaries. From the enchanting Bharatnatyam by Smt. Ragini Chandershekar, classical rendition by Shri Bhuvanesh Komkali, and enthralling melody by Pandit Rajendra Prasanna to the enlightening Heritage Walk led by Dr. Swapana Liddle, the event was a testament to artistic excellence. Prof. Mateen Ahmad's insightful discourse on Cinema Classics, Brahmakumari Rama's profound Spiritual Talk, and Shri Purna Chandra Moharana's mesmerizing Pattachitraa further enriched the cultural tapestry. With over 500 students participating, "Virasat" was a vibrant celebration of tradition and creativity.

VIKSIT BHARAT:

At the behest of the University Grants Commission, all Higher Education Institutions have been urged to instill a sense of awareness among their students regarding the Vision of Viksit Bharat@2047. In response, Ram Lal Anand College has taken proactive steps by establishing the Viksit Bharat Ambassadors (VBA) club and a Design Ideation Center. Since their inception, the VBA Club has engaged in disseminating awareness through a variety of events such as cultural chaupals and informative talks, championing the noble cause with enthusiasm and dedication.

FACULTY PUBLICATIONS

The faculty published 57 research publications, 6 books and 26 book chapters. The average impact factor of research publications and the H index of journals of our science departments

was 3.34 and 36.96 respectively. The total Impact Factor and H Index of science journals was 88 and 1368. Most notably, 7 research/review papers and 7 book chapters out of these have been co-authored by our undergraduate students. 62 papers were presented by faculty members and besides that 13 participated in national and international conferences. Faculty members attended professional development courses including FDP (27), refresher (18). All 70 newly appointed faculty members attended faculty induction and NEP Sensitization Programmes. 3 Faculty Development programmes were conducted in collaboration with TLC Ramanujan College.

RESEARCH PROJECTS

During this year, Ram Lal Anand College has been the proud recipient of funding for a total of 11 research projects, amounting to a substantial sum of 2.66 Crore, generously provided by esteemed Government Agencies such as ICMR, DBT, ICSSR, DST, and NMHS (MOEF & CC). Noteworthy among these grants are two projects bestowed by the Department of Science and Technology, Government of India, and ICSSR, totaling 69.76 lakhs and 4 lakhs respectively, entrusted to Prof. Perna Diwan (PI), Prof. Rakesh Kumar Gupta, Prof. Sanjay Sharma, Dr. Nidhi Yadav, Mr. Siddharth Gupta, and Ms. Debashree Das from the Department of Economics.

In a remarkable display of innovation, two faculty members from the Department of Computer Science, Ms. Shikha Verma and Ms. Sakshi Taresh Khanna, have secured Indian UK Design Patents for their groundbreaking inventions—"AI-Driven Centrifuge Tubes for Optimized Laboratory Workflows" (Patent No. 6349127) and "Smart Biometric Device to Record Attendance" (Patent No. 6345938) respectively.

Furthermore, the Department of Microbiology, represented by Prof. Rakesh K Gupta, Prof. Perna Diwan, and Dr. Sunila, has filed an Indian patent application (No. 202411010372) for their pioneering work on "Method for Metagenomic DNA Extraction from Bioaerosols Collected Using Biosampler." Heartiest congratulations are extended to Ms. Shikha Verma, Ms. Sakshi Taresh Khanna, Prof. Perna Diwan, and Dr. Sunila for their exceptional contributions to the field.

In light of these achievements, the college is pleased to announce the commencement of the third call for research proposals, reaffirming its commitment to fostering groundbreaking research endeavors through in-house funding opportunities.

The Department of History organised an esteemed gathering—the International Conference on Cultures in Transformation: A Subcontinental Experience—on March 1st, 2024, with support from the NRC and ICSSR, under the auspices of the Government of India.

APPOINTMENTS & PROMOTIONS

After a long time, the college has appointed faculties on a permanent basis. A total of 73 Assistant professors have been appointed in 13 departments. 16 permanent appointments have also taken place for non-teaching posts of library attendant, lab attendant, junior assistant and assistant. Three Faculty members have been promoted from Associate Professor to Professor level; 3 have been elevated within the Assistant Professor level.

SPECIAL AWARDS & RECOGNITIONS

Prof. Rakesh Kumar was honored with the prestigious Sahitya Ratna by the BPA Foundation on March 9th, 2024. Furthermore, Dr. Deepti Gupta and Dr. Anubha, from Department of Management Studies, earned accolades as Best Paper Presenters at the School of Vocational Studies, Dr. B. R. Ambedkar University, New Delhi, and the Department of Commerce, Delhi School of Economics, University of Delhi. Additionally, Prof. Neeraj K Sharma's expertise was recognized through his appointment as an Expert for the CAS Cases Promotion Committee for DAV Colleges in Punjab by the DAV Management Committee.

Infrastructural Developments and Upgradations

We also made strides in enhancing our infrastructure. Projects included the development of a new auditorium, renovation of an existing one, and the construction of two computer laboratories. Our classrooms are now fully IT-enabled, with the addition of 8 new smart boards, bringing our total to 18 across various classrooms and laboratories. Moreover, we upgraded our technology with 51 new computer systems and 1 smart TV. On the sustainability front, we are proud to announce progress in harnessing solar energy, with 130 KV solar panels now linked to the main grid, moving us towards a goal of zero electricity bills. To enhance operational efficiency, we invested in a comprehensive ERP system with an app, covering modules such as timetable management, attendance tracking, internal assessments, notifications, placement and internship coordination, society activity management, and faculty and student profiles.

College has applied for NIRF ranking framework as well as working on securing ISO certification.

Since 2023 RLA College became the first college of Delhi University to start a Community Radio named TARANG which is aired on FM frequency 90.0. Spanning over a radius spread onto 10 kms the unique educational and infotainment channel is also made available across the country via Android App & I Store app. It is one of the most important contributions in the technology space of our college & university. We began airing on 13th Feb 2023. The state-of-the-art studio is specially designed to train budding journalists and also make available a platform to our faculty and students both. This year we also added numerous audio programmes prepared and curated by students primarily under the guidance of faculty. Successful programmes like Career Pathshala and Distinguished Guest Interviews are worth mentioning.

An excellent sports ground is being developed with 3 cricket pitches for Net practice and 2 pitches in the centre for tournaments along with one football ground, 1 volleyball ground and a ground each for kho-kho and kabaddi.

A total of 1121 books (text and reference) were purchased with a total expenditure of 99,19,83/- in the library. N-list membership has been provided to each student to access variety of e-resources. 40 journals and 14 newspapers are regularly subscribed by the library. Book Bank facility has been developed for needy students to provide complete set of books for the core courses.

All the facets of education cannot be met by working in isolation. Collaborations with the eminent institutes and organization always open new vistas to the leaning process and to look at world in a different way. More than 25 collaborations are active at present. The college has 11 ongoing MoUs for teaching, learning, research and extension activities.

Without the year-round hard work and dedication of our talented teachers, hardworking non-teaching colleagues, and the students, none of the above accomplishments would have been possible. Therefore, I express my gratitude towards all of them.

Organizing an event of this magnitude requires a considerable amount of time and effort. Hence, I am grateful to the highly motivated and dedicated members of the Function Committee who worked tirelessly to make this event a reality. Additionally, I would like to express my appreciation to the Student Award Committee for their commitment to selecting the Best Students of the year based on their academic performance, research, and participation in extracurricular and extension activities throughout their three-year undergraduate program.

The editorial team of the college, which comprises both faculty and students, has put in a lot of new ideas and significant effort in producing a remarkable edition of the magazine 'Samdrishti with enthusiasm.' The magazine will be available for release shortly.

I would also like to extend heartfelt gratitude towards the Chairman and all the members of the Governing Body for working in the direction of strengthening and augmenting the college facilities and guiding us in all our endeavours to take this institution to newer heights.

I would like to extend my heartfelt thanks to our retired faculty members and their families, Malik family Dr. Ranjana Srivastava, Prof. Manju Sharma, Ms Pabby, Sh Om Parkash Ji, Mrs Rani Gupta, Ms R C Mishra, Sh R K Aggarwal, Shri M S Verma, and to Prof. Archana Gaur, Dr. Surender, for contributing to the college endowment fund and sponsoring Best student awards and scholarships.

In the end, I congratulate and give blessings to our three Best Students of the year and other best students in various fields, who have showcased remarkable talent and dedication in academics and extracurricular activities in their respective undergraduate programs.

I extend my congratulations to all the students who have achieved excellence in academics and are about to receive prizes soon. I wish you all a good and memorable time in tomorrow's farewell party and best of luck for university examinations scheduled in the coming months. I also hope this college has infused required knowledge and inculcated sufficient skills to make you ready for the future as per the National Education Policy 2020 (NEP) that proposes to harness full human potential and develop well-rounded competent individuals.

I thank you all for your patient listening. Jai Hind!

Dr Rakesh Kumar Gupta

2. Research and IPR Cell

Coordinator: Prof. Vandana Gupta, Department of Microbiology

Research and IPR cell was on its toes throughout the year and worked extensively to enhance the teaching learning process through the conduct of research projects and research internships and to create an innovative ecosystem in the college.

Summer Research Internship Grants:

As the Students were free after their exams were over by the second week of June, Research and IPR cell made the second call SRI 2.0 for Summer Research Internship proposals on 31st May 2023 through an email sent out to all the faculty members and responses were collected through the Google form. After screenings and some revisions the final list of sanctioned SRI proposals (after getting duly approved by the college administration) was communicated to the PIs on 20 Jun 2023 along with Professional ethical guidelines, general guideline for the conduct of the internships and undertaking format.

Summary of the Second call for summer internships for RLAC students:

After successful completion of the first call, proposals were invited for the second call for summer internships initiated for the summer 2023. AAROH – Hindi Debating Society

Convenor: Dr. Arvind

The motto of Aaroh – Hindi Debating Society is is not only to hold debates but also for the overall development of the society. This is a platform from which students can connect with the entire world. Throughout the year the society meticulously planned its events as per the relevance and importance of political, economic, cultural and social themes and issues.

To commemorate 77th Independence Day the Aaroh Society organised ‘Meri Maati Mera Desh’ event from 21st to 25th Aug 2023. The event was graced by the presence of special guest Prof. Pramod Kumar from Indian Institute of Mass Communication. The week saw

spirited participation from more than 200 students from other universities as well like Jamia Millia Islamia, Indraprastha University etc. Events like speech, extempore, story writing and presentations were organised. On 25th Aug Dadhichi Deh Daan Samiti also co-organised an event with Aaroh in the august presence of Dr. Uma Kishore, Neurologist and Ms. Shruti.

On 14th Sept 2023 the Aaroh Society planned a ‘Saptrishiyon Ka Shastrarth’ wherein students gathered to collectively deliberate on social, political and economically relevant issues. Prof. SC Dabas, our Vice-Principal graced the occasion and awarded distinctions and prizes to the best speakers and discussants.

On 10th Oct 2023, Aaroh Society organised an RLACMUN which was graced by Sh. Dinesh Kumar from Global Council of Innovation and Industry. Students participated covering among themselves 39 countries and 8 international press representatives.

On 4th Dec 2023, the Aaroh Society organised a Youth Parliament which focused on Bhartiya Nyaya Sanhita and the innovations and new sections introduced therein. Students took upon roles of eminent parliamentarians and politicians and debated on socio-political themes.

On 10th Feb 2024, Aaroh Society organised TurnCoat Debate wherein topics were given intentionally at a short notice and students were tested on their cognitive skills. The core theme of the debate was geo-politics in the contemporary world and India’s positioning therein.

On 21st March to commemorate and inspire students a ‘Shaheedi Diwas’ Open Mic Competition was organised. Students presented their own writings, poems, prose etc and displayed their creative brilliance. Awards and prizes were given to enthusiastic participants.

As part of college annual festival Splendour 2024 on 27th April a Yaksh Shastrath was organised. Around 92 participants joined and three rounds were conducted and spirited declamation followed between competing teams and individuals.

AWAAZ- The Debating Society

Convener: Mr. Yaha Yasin, **Co-convener:** Dr. Ritu Vats

Over the past few years, consisting of more than 10 expansive events, AWAAZ has been one of the most active and talented societies in Ram Lal Anand College and the Delhi University debating circuit. The contribution of the leaders, departmental heads and head-strong

enthusiastic members has helped create a legacy for AWAAZ along with the prominence of English/Multi-lingual debating in Ram Lal Anand College. The society has made its mission to transform novice debaters and provide them with plenty of opportunities to hone their debating skills and elevate their public speaking abilities to the next level.

- Organised a variety of events that covered all types of debating and different aspects of the Modern Indian/International Society covering agendas and topics from Histories, Sciences, Technology, Societal and Religious aspects, and Philosophical and Diplomatic aspects with an in-depth focus and attention to detail. Several Training and Group Discussion sessions were held before organizing events for the newly joined members and upskill their debating skills and confidence.
- Organised an open and interactive ‘Annual Orientation’ of the society for hiring enthusiastic and bustling talent in the AWAAZ ecosystem to generate awareness about AWAAZ in the college and recruit motivated individuals who are interested in debating, whether novice or experienced.
- Organised a Joint Crisis Committee Event about ‘India’s Path To Independence’, then our First Flagship Event, “AGORA”- A multi-format debate competition continuing for 2-days that included interesting debating formats like, ‘Lincoln-Douglas’, ‘Oxford Debate’, ‘Turncoat Debate’ and an ‘Extempore Debate’. Both of these events showed exceptional responses and top-notch feedback from contestants who belonged to diverse colleges from all over India.
- Organized was ‘RAAYE’, a Group Discussion debate-oriented Event that saw the massive participation of more than 100 contestants from all over Delhi who exchanged words, opinions and facts with each other in a competitive yet informative spirit.
- The most important event we organized recently was our 2nd Flagship Society Event, named “RLACMUN’24”. This was the second edition of the Ram Lal Anand Model United Nations Conference that enfolded a total of 4 committees, namely: International Press (IP), All India Political Parties Meet (AIPPM), United Nations Security Council (UNSC) and United Nations Human Right’s Council (UNHRC). It saw the massive participation of more than 250 students from different age groups coming together to enfold this 2-day event.
- Organized was ‘Cliffhanger’, which is a Quiz, followed by a one-on-one debate on Pop Culture, where each contestant represents a person from a character universe. All contestants debate against each other to remain as the last one standing. This event was one of the most well-received events with peak student satisfaction. It saw the participation of more than 30 students with extremely charismatic and confident personalities.

Canteen Committee:

Convener: Dr Jatin Kumar; **Co-Convener:** Dr Nidhi Chandra

- The Canteen Committee of Ram Lal Anand College is dedicated to ensuring the smooth and efficient operation of the college's canteen and food services, while strictly adhering to health and safety standards. Throughout the academic year 2023-24, the committee undertook several initiatives to ensure the seamless functioning of the canteen, with a strong emphasis on quality, health, and hygiene.
- In November 2023, the college issued a tender for the operation and management of the canteen, inviting bids from various vendors. The committee followed a transparent and competitive process, evaluating submissions based on key criteria such as cost, service quality, and vendor experience. After careful assessment, the tender was awarded to Royal Enterprises in March 2024, based on the L1 (lowest bid) principle.
- Throughout the year, members of the Canteen Committee took an active role in supervising the day-to-day operations of the canteen. Regular visits were made to the premises, and routine reviews were conducted to ensure compliance with cleanliness, food quality, and hygiene standards. The committee maintained consistent communication with the canteen vendor to address concerns and improve service delivery. Feedback from various stakeholders, including staff and customers, was regularly collected and used to enhance overall satisfaction.
- The committee also identified several areas for improvement and took immediate action to rectify these shortcomings in order to meet necessary compliance and operational standards for ISO certification. In this regard, the kitchen, which is critical for food preparation and hygiene, was repaired and upgraded to meet all safety and cleanliness standards. To improve security and monitoring, four high-quality cameras were installed in the canteen kitchen. Additionally, new drawers were installed in the storage area to improve the organization and preservation of vegetables, ensuring better hygiene.
- Health and hygiene remained a top priority throughout the year. The committee conducted regular inspections to ensure compliance with food safety standards. When necessary, notices and letters were issued to the vendor, highlighting issues related to cleanliness, food quality, and hygiene, ensuring timely corrective actions were taken.

The college is dedicated to the holistic development of its students, offering a wide array of facilities and activities designed to enhance both physical and mental well-being. This year, the college has redeveloped its spacious playfield, providing an upgraded area for outdoor sports and recreational activities. Complementing this, the indoor sports facility supports various athletic pursuits, catering to the physical health of students.

The college boasts of an expansive playground that stands out for its generous size and versatile activity options. There are five cricket pitches laid out: four turf ones and one cemented pitch, apart from a volleyball court and a football ground. The open field spans over two acres designed to accommodate a wide range of recreational and athletic pursuits. Team sports like cricket, football, badminton or games like Judo, kho-kho, get a welcoming environment alike. Its ample space ensure that activities can take place simultaneously. Fostering an active and vibrant campus culture. The thoughtfully designed area not only supports physical well-being but also enhances social interaction and community spirit among students.

Mental well-being is also a priority, with the Yoga and Meditation Committee organizing workshops and competitions for students and staff. This initiative fosters a balanced approach to health, integrating mental and physical practices into daily routines. The college also encourages involvement in a diverse range of extracurricular and co-curricular activities through its vibrant societies.

The college's facilities support these activities with two new auditoriums, each featuring projection screens, wall-mounted LCD projectors, and high-quality microphone sound system with feedback monitors, state of the art yamaha mixer. The auditoriums can accommodate up to 120 individuals for various society events and seminars. The front lawns provide a flexible space for larger gatherings, while the seminar room, with a capacity of 75 seats, is perfect for smaller, more intimate events like Alumni lectures and seminars.

Furthermore, the college has a fully equipped audio-video media production center, It is complete with latest cameras, microphones, mixers, and recording devices. This dedicated media laboratory not only offers practical training for students in media production but also serves as a learning base for performances in the college community radio station, enhancing outreach and engagement. The college media centre acts as a central hub where students and faculty can access and create academic e-resources, utilise technology and engage in creative projects. It also supports learning and collaboration through its diverse offerings and facilities. In addition to these existing facilities, the college is in the process of developing a theatre hall, with a part funded by the Ministry of Culture. This new addition will provide a dedicated space for theatrical performances and creative arts.

Another exciting development is the construction of a new activity center dedicated to regular Yoga sessions for both students and faculty, which is expected to be operational soon. This

center will provide a dedicated space for practicing Yoga, further promoting the college's commitment to holistic health and well-being.

The college has a state-of-the-art, fully air-conditioned library that spans an impressive 1,500 square meters, meticulously designed to meet the diverse needs of students and faculty of the college. Of this expansive space, 500 square meters are dedicated exclusively to student reading areas, ensuring ample room for focused. Within this expanse, 50 square meters area has been specifically allocated for teaching staff, recognizing the importance of providing faculty members with a conducive environment for research and study. Additionally, the library caters to differently-abled individuals with a further 50 square meters designed to accommodate their needs, ensuring inclusivity and accessibility.

The library is capable of seating around 120 students at a time comfortably, offering a range of facilities to enhance the reading experience. Individual reading carrels are available for students and faculty requiring a private space for study, while a lounge area provides a more relaxed setting for browsing and casual reading. The IT zone is equipped to support digital resources, featuring web-connected laptops and desktops, ensuring that users can access a wealth of electronic information alongside traditional print materials.

Utilizing the latest ILMs: TRODDON Software and Fully Automated Version 5.6.0216, the library guarantees effective management and accessibility of its extensive collection. All books are barcoded and catalogued through the Integrated Library Management System (ILMS), with an Online Public Access Catalog (OPAC) system that facilitates easy location and retrieval of books. The library's collection includes over sixty-three thousand volumes, complemented by subscriptions to more than 41 journals and 14 newspapers in both Hindi and English, catering to a wide range of academic and general interests.

To support modern digital reading needs, the library includes 8 Kindle readers, allowing users to access a diverse array of e-books. Additionally, there are 6 web-connected laptops and 2 desktops specifically equipped with software to assist differently-abled individuals, ensuring that all students have the tools they need for effective research and study. For visually challenged students, the library provides 6 Daisy Players and a KIBO Multilingual Keyboard Scanner & Reading Companion, further enhancing accessibility and support.

Digital connectivity is robust, with the library integrated into INFLIBNET and N-List services, providing a broad spectrum of digital resources and academic databases. Furthermore, the college has recently acquired an annual membership to Sugam Pustakalaya, a digital library specifically for visually impaired students, demonstrating its commitment to inclusivity and support for all learners.

In summary, the college library is a model of modern educational resources, combining extensive physical and digital collections with cutting-edge technology and inclusive design. This comprehensive setup not only supports the academic needs of students and staff but also ensures that all individuals, regardless of their physical abilities, have equal access to the wealth of knowledge housed within its walls.

The college is fully integrated into the University of Delhi's network via a dedicated optic fibre line, providing fast and reliable internet with a bandwidth of 10 Gbps across the campus. This connectivity is supported by 37 strategically positioned Access Points (APs), including eight 4x4 MIMO ARUBA units located in corridors, ensuring strong and consistent coverage throughout the campus.

In the event of a disruption to the university's internet service, the college has two dedicated optic fibre connections from ACT Fibernet. These connections are routed to the college office, administrative block, and principal's office, ensuring that the college administration can continue to operate smoothly. In response to requests from faculty, staff, and students for more bandwidth in ICT-enabled classrooms and the library, it is planned to instal an additional internet connection at the designated locations.

To enhance the learning experience, 11 interactive smartboards have been added in addition to the existing 10, providing teachers with dynamic and visually engaging tools for lesson delivery. These smartboards are LAN-enabled for stable connections.

Additionally, 22 classrooms are equipped with ceiling-mounted LCD/DLP projectors connected to the college network, offering advanced real-time multimedia support. Full-time IT staff oversee and maintain the entire IT infrastructure, ensuring continuous operation through installations, firmware updates, and the upkeep of computers, laptops, printers, UPS units, access points, modems, and LAN systems.

The college upgrades hardware and other IT requirements as needed, typically involving the purchase of new equipment and technology to meet evolving needs and maintain optimal performance. These upgrades are carried out based on periodic assessments, feedback from users, and technological advancements after the recommendation of the IT Infrastructure committee of the college to ensure that the college's IT infrastructure remains updated and effective.

The college has established a comprehensive policy for the efficient management and utilization of its physical, academic, and support facilities, accessible on its website at (<https://rlacollege.edu.in/college-policies-maintenance-utilisation.php>).

The procurement of necessary items is based on requisitions from staff council committees or relevant departments. Once approved by the Principal, the Infrastructure Committee, takes decisions in accordance with established government guidelines after thorough discussion. All procurement activities adhere to General Financial Rules (GFR) and involve the Government e-Marketplace (GeM) portal and e-tendering processes. The committee also takes action on complaints, suggestions, and feedback, with the approval of the competent authority.

Daily maintenance of classrooms, furniture, lighting, blackboards/smartboards, and laboratories is managed by multi-tasking staff and laboratory personnel within the administration department. Routine electrical maintenance is handled by an part-time

electrician, while plumbing and gardening duties are overseen by designated personnel under the Gardening Committee. A complaint register is kept to monitor and address repair and maintenance issues.

The college routinely assesses safety measures to ensure a secure environment and enhance readiness for fire and electrical emergencies. This includes the installation of voltage stabilizers, online UPS systems, fire exits and strategically placed fire extinguishers, all aimed at safeguarding everyone on campus.

A 160-KVA silent generator with an Automatic Main Failure (AMF) Panel ensures a continuous power supply and is managed by the electrician. Maintenance of internet services, desktops, printers, CCTV cameras, DG sets, intercom systems, and RO plant is handled through Annual Maintenance Contracts (AMC) with various specialized vendors. The college website is maintained by an outsourced IT company, while a dedicated staff member is responsible for routine IT infrastructure maintenance. This structured system ensures smooth operations, keeping the college's infrastructure well-maintained to support academic and administrative needs efficiently.

Clean Energy & Conservation Committee

Convener: Prof. Archana Gaur, **Co-convener:** Dr. Alankar

The Clean Energy & Conservation Committee, in collaboration with the Department of Political Science of our college, organized an insightful event aimed at understanding and addressing contemporary environmental crises in India. With the participation of approximately 70 students, the event delved into extensive secondary research covering nearly every state of India. The research focused on the myriad environmental challenges faced by local communities, particularly those reliant on natural resources such as fisherfolk, pastoralists, forest dwellers, tribals, and agriculturalists.

Titled "Research Writeshop," the collaborative exercise enabled students to produce monographs highlighting case studies from various states, cities, and communities across India. Employing consultative mechanisms among themselves, students meticulously gathered data and analyzed the multifaceted environmental issues affecting different regions and demographics.

Throughout the month of February 2024, students dedicated themselves to comprehensive research, writeshop activities, and presentations. The collective effort resulted in a rich tapestry of insights into India's environmental concerns, crises, and struggles. From urban centers to remote villages, students explored the interconnectedness of environmental issues and social dynamics, shedding light on the complexities of sustainability and conservation.

One notable aspect of the event was the diverse range of topics covered, reflecting the depth and breadth of environmental challenges in India. From pollution and resource depletion to climate change impacts and ecological degradation, students meticulously documented the various dimensions of environmental crises plaguing the nation.

Furthermore, the formal feedback received from participating students underscored the profound impact of the event on their perspectives. Many expressed gratitude for the opportunity to delve deeply into India's environmental landscape, gaining valuable insights and enriching their understanding of complex environmental issues.

Looking ahead, some students are planning to summarize their research findings and publish them in the annual college magazine, "Samdrishti". This initiative aims to disseminate the knowledge and findings gathered during the event to a wider audience, fostering greater awareness and dialogue on environmental conservation and sustainability within the college community and beyond.

In conclusion, the collaborative research activity facilitated by the Clean Energy & Conservation Committee and the Department of Political Science has been a resounding success, inspiring students to engage critically with India's environmental challenges and

contributing to a more informed discourse on environmental stewardship and conservation efforts.

The speaker of the event, Dr. Babulal Meena, Assistant Professor at Lakshmbai College, University of Delhi, started his speech by highlighting the importance of awareness about inclusion is within everyone's reach, with the emphasis on how everyone can progress and prove themselves when given the chance. He said, "In every individual, there is a uniqueness and all we need to do is to find their strengths by overlooking their weaknesses". The program was attended by more than 90

students. All students were actively involved in the question-answer session at the conclusion of the program. The workshop presented a fantastic chance for all engaged students to acquire insightful life lessons and motivated young individuals to advocate for inclusiveness and diversity. It stood out as an exceptional gathering and a triumphant achievement for our community and college.

SPIC MACAY

Advisor: Prof. Rakesh Kumar (HS), **Convener:** Dr. Deepti Bhardwaj, **Co-convener:** Dr. Shachi Meena

1. VIRASAT 2024

Spic Macay RLA chapter organized its annual fest- VIRASAT 2024 to enhance the cultural knowledge and take forward the aim of enhancing formal education through immersive experiences of culture and history set by the society. During fest curious audience from various departments, colleges, families and even students who were learning from artists had participated. Virasat had series of events organized under its umbrella:

Pattachitra Workshop organized on 2nd, 3rd, 4th, and 6th February 2024. The workshop provided space for college's artistic community to gather and understand indigenous art form which was taught by Shri Purna Chandra Moharana who introduced us the artform as well as the traditional way of making colours with shells and gum of Kaitha tree which holds the art of Pattachitra together since Mohanjo-daro civilisation. Vice-chairperson of Spic Macay society, Mrs. Suman Dooga and Mrs. Neerja further made this event a success by joining in college and it was a perfect opportunity for members of the RLA chapter to meet them and discuss the future event under our Virasat fest.

In the continuation to the Virasat, mesmerizing performance by Ragini Chandershekar ji was accompanied by Ms. Gayatri Seth (Nattuvangam), Shri M V Chandershekar (Mridangam) and Shri K Venkateshwaran on vocals who were accompanied with Shri Rohit Prasanna on flute. She introduced RLA fraternity to various Rasas, facial and hand movements of Bharatnatyam as written in Natyashastra.

On 12th March 2024, Spic Macay organized a heritage walk to Qutub Minar with Dr. Swapna Liddle to gain further insight into our history and monuments in capital state Delhi.

On the very next day, 13th March 2024, Spic Macay had a vocal concert with Pandit Bhuvanesh Komali who was accompanied by Shri Chetan Nigam on the Harmonium and Shri Shambhunath Bhattacharya on the Tabla. The synergy of the vocal artist with instrumentalists was so energetic that we felt their communication and rasas being conveyed in the language of music. The event was not only enlightening but also was specifically beneficial to RLA college's Indian music society, Dastoor as they all were eager to understand and ask Pandit ji queries to improve their vocal skills.

Continuing the spirit of the cultural fest on 14th March 2024, Society invited Bramhakumari Rama ji who delivered a spiritual talk with Sister Niharika. Bramhakumari ji incorporated activities, jokes and even interactive sessions during her talk. Her interactive sessions helped her understand students on a deeper level as she posed very relevant questions in order to get at the bottom of their issues. Sister Niharika was a perfect addition as she complimented Bramhakumari ji by bringing in scientific aspects in current generation's vocabulary.

A film screening of 'Khandhar' with Prof. Mateen Ahmed as discussant for providing insights held in RLA campus. Prof. Mateen Ahmed also talked about art movements like Expressionism, Realism and concepts of Layered Cinema with such ease and simplicity that non-literature and non-film students could also understand its essence.

Last but not the least Spic Macay had organized a classical instrumental concert by Pandit Rajendra Prasanna who played the flute wonderfully and was accompanied by Shri Abhishek Mishra on tabla. The flute combined with tabla was so mesmerising that every head moved with their rhythm. The events organised under Virasat brought college community very close to Indian culture and made participants aware of various artists who keep our histories and culture alive by rigorous practice and beautiful dedication

NIRVANA – Yoga and Meditation society

Advisor: Prof. Seema Gupta, **Convener:** Ms. Shikha Verma, **Co-convener:** Dr. Sunila Hooda

NIRVANA, the Yoga and Meditation Society of Ram Lal Anand College serves as a hub for yoga enthusiasts among students, teaching staff, non-teaching staff, and residents from nearby localities. During the academic session 2023-24, society has organized various events to promote the holistic development of RLA fraternity:

1. Inter-Institute Yogasana Championship 2023 at AIIMS, New Delhi:

On 15th June, 2023, in a bid to showcase the talent, College students Sugandha Sinha and Digvijay Ayush were selected to represent RLA at the prestigious yogasana competition held at AIIMS, competing in separate male and female categories, they demonstrated remarkable skills and dedication.

2. International Day of Yoga:

NIRVANA celebrated the 9th International Yoga Day with the great enthusiasm on 21st June, 2023 at RLA. The celebration aimed to raise awareness about the numerous benefits of Yoga and its significance in promoting physical, mental and spiritual wellness. Certified Instructor Mr. Shishir Pokhriyal with the trainer led the participants through a series of Yoga Asan and Pranayam during the event. Total 113 participants including students, teaching and non-teaching staff along with residents of Anand Niketan made it inclusive, fostering a sense of community and unity in embracing the ancient practice of yoga.

3. Two-weeks Yoga Training Program:

The Yoga and Meditation Society of RLAC, with a vision to excel in various fields of competition, organized a specialized Yoga Training Program from 1-14th June, 2023 for students preparing for inter-institute competitions. The intensive training aimed to equip participants with the physical strength, mental focus and emotional balance necessary to perform at their best during these competitions. This training was

conducted under the guidance of Mr. Deepak Saini, who's expertise and compassionate teaching style played a crucial role in fostering holistic development among participants, preparing them to perform at their best in competitions. To the seven participants, Mr. Saini customized training regimens and made them learn advanced yoga techniques, breathe control and focus, competition simulation and team building and support.

4. General Talk on Neurological & General Health Issues:

The Yoga and Meditation Society of RLAC, organized a guest lecture on 5th July, 2023 in Seminar room on Neurological & General Health Issues. Dr. Priyanka Sehrawat, Neurologist (MD, DM, AIIMS, Delhi) was the invited guest for the talk. Dr. Sehrawat started the talk with the importance of Vitamins and how can students know which vitamin is deficient in body. She also described symptoms of various diseases and neurological disorders. She made the students aware about depression states and importance of mental health to the students. 63 students along with 5 faculty members joined this interactive session.

5. Holistic-Harmony: Two months Yoga Workshop:

The Yoga and Meditation Society of RLAC, organized Holistic-Harmony- a transformative "Two months Yoga Workshop" from 3rd October-8th October 2023. This initiative aimed to foster physical and mental well-being by providing participants with a comprehensive exploration of Yoga principles and practices. Mr. Shishir Pokhriyal, renowned yoga instructor with profound understanding of Yoga techniques led the sessions, ensuring participants received an expert guidance. Holistic Harmony witnessed enthusiastic participation of 25 in number per day from students, faculty and staff of RLAC.

6. Introductory session of Art of Living:

NIRVANA, the Yoga and Meditation Society of RLAC in association with Art of Living conducted an introductory session on meditation for the first year students at RLAC premises between 3rd October and 6th October, 2023. The session aimed to introduce the principle and practice of Art of Living to enhance mental well-being, stress management and overall life skills for students. The session was led by 4 certified instructors from Art of Living foundation with extensive experience in teaching meditation and mindfulness. A total of 124 students including 5 faculty members were benefitted with this session.

7. YES+ Program

A transformative 5-day workshop was conducted in collaboration with Art of Living Organization, offered students a unique opportunity to delve into the art of finding happiness and spreading kindness. This workshop had requested participant's registration in advance. Total 7 students from first year participated in this workshop and benefitted with kindness gesture, Surya Namaskar, Sudarshan Kriya and Meditation Sessions.

8. Aradhana- One Month Yogasan Workshop:

The Yoga and Meditation Society of RLAC conducted a one-month artistic certificate-yogasan workshop under the name "Aradhana" from 3rd February to 3rd March, 2024, which was held on Saturdays and Sundays. Each two-hour session began with a foundation of intermediate asanas, gradually progressing towards advanced postures throughout the month. Total 11 students participated in this workshop. This workshop allowed the participants to build confidence and skill before exploring more challenging artistic expressions.

9. Three Days Yoga Workshop:

Nirvana, the Yoga and Meditation Society of Ram Lal Anand College organized 3-day yoga workshop on momentous occasion of 10th International Yoga Day with great zeal and thrill. The workshop was held from 19th to 21st of June 2024. The workshop well-articulated international yoga day 2024 theme i.e. "Yoga for "Self" and Society" via enabling people to perform yoga asanas and integrating their body, mind and soul, along with promoting balanced, harmonious and healthy lifestyle. The event witnessed active participation and engagement of faculty members from different departments of Ram Lal Anand college, non – teaching staff, Principal sir, students, NCC cadets and residents of Anand Niketan, all of them demonstrated great enthusiasm while performing this ancient practice. The event commenced on 19th June 2024 by a brief introduction about the benefits of yoga; followed by the live demonstration of yoga by certified yoga instructor, Mr Shishir Pokhriyal and his team. More than 50 participants attended this 3-day yoga workshop. During this session participants performed warm up, some basic level asanas suitable for beginners, stretching asanas with proper inhale and exhale process.

10. 10th International Day of Yoga Celebration:

10th International day of yoga was observed on 21 June 2024 on a global scale. Nirvana, the Yoga and Meditation Committee of Ram Lal Anand College enthusiastically commemorated this occasion by organizing Yoga session under the guidance of Mr. Shishir Pokhriyal. The event aimed to spread awareness about multifaceted benefits of adopting yoga in our life, encompassing its contribution to physical, intellectual, emotional and spiritual well-being. The faculty, staff members, students of college along with residents of Anand Niketan enthusiastically gathered early in the morning at 7:30 am in college front lawn to practice Yoga. Dear Ma'am,

As discussed in the meeting today, PFA data format files to configure the portals. Also please keep college roll no prefixed with year of admission for ease of reference throughout the portal.
For e.g. 21XXXX or 22XXXX as preferred.

Other than this we also need:

- 1) College Logo in High resolution format (preferably Photoshop, Adobe Illustrator file)
- 2) College Background Image in good resolution (could be jpg, png)
- 3) Domain to map to ERP System (pls suggest and we'll check its availability and procure)
- 4) I-Card formats
- 5) Team Contact at RLA to coordinate for:

- Attendance & IA system
- Optional Paper module
- IQAC modules

In addition to above, as per college requirement, modules as listed below in addition to the tendered scope to be considered. Will be sharing a separate proposal with costing for the same.

- 1) Leave Management System
- 2) Provisional Certificate
- 3) Online Fee Collection with Payment Gateway
