

# Swalambham Yatra

MARCH 24, 2022

**The members of National Service Scheme unit of Ram Lal Anand College participated in "Swalambham Yatra" on 24th March 2022 which was organized by the IDEA (Inclusive Divyangjan Entrepreneur Association) to highlight the empowerment of people with disabilities. The purpose of the Yatra was to demonstrate the strength of people with disabilities by sending a message that "not only can they get employment, but they can also produce employment for others, and if we try to accept everyone, we can make India the Inclusive Capital of the World."**

**To ensure this, Mr. Devendra Kumar from the "Ladli Foundation" visited our institution on March 24, 2022, and was greeted by our NSS convenor, Mrs. Rita Jain, and our NSS President. This visit was organized on the college's front lawn to promote the "Swalambham Yatra." Mr. Devendra Kumar began the event with enlightening words in which he and his team introduced us all to the fundamental premise of the yatra and how to comprehend Persons with disabilities.**

**Many of the students in our unit took part in the discussion and shared their insights and experiences with the audience. The second phase of the ceremony was the start of the yatra from our campus lawn, which would last many days. Students from our unit participate in yatra on various days at several campuses, including JNU, South Campus, North Campus, etc. There was a tremendous and commendable response from volunteers. They contributed significantly to our work with their worthy involvement.**

**We raised awareness through this event to educate the public on problems of concern, to remember that it is our world and that we can all work together to make it a more peaceful place to live and to celebrate and reinforce humanity's achievements**
