

BLOOD DONATION CAMP

(11 April 2022)

The National Service Scheme of Ram Lal Anand college organized a blood donation camp with the motto *“THE TEARS OF A MOTHER CAN NOT SAVE HER CHILD BUT YOUR BLOOD CAN”* in the event of our annual fest SANKALP’2022 in collaboration with *“THE INDIAN RED CROSS SOCIETY”* a voluntary humanitarian organization. Donating blood is a noble work and by this blood donation drive, our aim was to create awareness amongst the students, teachers, and non-teaching staff. The blood donation drive was carried out in four main steps which are as follows: **REGISTRATION-** The first step of the blood donation drive was to register themselves through QR codes with the help of the volunteers and some basic information such as any medications, blood group, age, and other information was collected and then sorted to make the blood donation process smooth. Teachers and Students registered by google forms and non-teaching staff registered manually on the registration desk. All the candidates with no medical problems and any other medications were then conveyed to the health checkup room. **HEALTH CHECK-UP.** After registration, the donors were sent for health checkups and the proper medical staff measured the blood group, hemoglobin, and blood pressure of the donors and all they also asked basic questions like do you drink or smoke and all the unfit donors were separated at this step and all the other donors were given a form of consent with some basic information to be filled up by them while waiting for their turn in the seminar room of the college. The form included information like weight, diseases pre-medications, etc, and this data was supposed to be submitted for the future when there would be a requirement for the donated blood to be used. **BLOOD DONATION-**After the health checkup process the main step of the donation drive took place, the selected and sorted donors were escorted to the medical van parked near the main stairs of the college which was properly ventilated and air-conditioned which the professional medical staff and doctors collected the blood of the donors, this was a process of approximately 10-15 minutes and they made sure that every donor was properly hydrated and not hungry before donation process. The donation process was under supervision by the staff and teachers also checked in between also the volunteers were constantly there to help the donors and escort them back to the college premises. **REWARDS-** After completion of the process of donating blood, the donors were given rest in the seminar room and were given fruit juice and snacks to maintain the energy level in their body they were also given glucose cans which were specially placed by the team in front of the college canteen. Once the donors were ready to leave they were granted by the official Indian Red Cross blood donation certificates. The successful donation drive created an awareness in the students to donate blood and how their contribution can really help someone, nearly 120 students and teachers registered for the donation and approximately 77 of them were eligible and donated blood on that day.

TO
DR. Rita Jain
NSS Programme Officer
Raw Leel Anand College
Geth campus
University of Delhi

Dear Sir,

We are grateful to you for your generous cooperation in permitting us to collect blood from the voluntary blood donors of your organization. This will help us a lot in saving many a precious human lives.

This great humanitarian service cannot be carried on without the active cooperation and selfless spirit shown by voluntary blood donors and voluntary workers of your organization. We hope this voluntary gesture shall continue in future also because without your active cooperation we can not succeed in our humanitarian service of saving lives.

The list of 77 voluntary donors who have donated blood on 31/4/22 will be sent to you by email shortly.

Thanking you.

Yours Sincerely,

(Dr. Vanshree Singh)
Director, Blood Bank
