WASTE SEGREGATION AT SOURCE AND ITS MANAGEMENT

On 3rd June with the support and guidance of Deputy Commissioner South zone Dr. Angel Bhati Chauhan a successful training workshop was conducted at Ram Lal Anand College under the zero waste campus, segregation of waste at source and its management in association with ECPFO and Eco Prabhandan in the college seminar room.

The resource persons for this event were Pooja Khandelwal (Sr. Project Coordinator) at Eco Prabhandan along with its founder Mr.Amit Kumar (Founder Eco-Prabhandan). The session started with the discussion of various types of wastes generated, its disposal to the landfills at Okhla, Ghazipur and Bhalswa, Delhi. Other areas of discussion were legacy waste and its processing, harmful effects of plastic pollution in the ocean and stress was made on I.E.C (Information, Education and Communication) activities. Around 50 students participated in this workshop along with three faculty members and seven members of the housekeeping.

ORIENTATION PROGRAMME

Vasudha, The Eco Club of Ram Lal Anand College organized its long awaited orientation programme on 14th February 2024. The aim of the program was to introduce the club's objectives, activities, and encourage students to join and participate actively in promoting environmental conservation. The program was hosted by Yash and Chahak. The co- convenor of Vasudha Dr. Virendra Bahadur Singh addressed the gathering. The program began with a warm welcome by the club's president Harsh Kishore emphasizing the importance of environment sustainability.

The executive committee members Nikhil Jha as Vice president , Prakhar Singh Visen as Secretary and Roshni N Sahay as Joint Secretary highlighted their roles and responsibilities. The president provided a detailed overview of the eco club, its history and past achievements. A detailed explanation of the volunteering and membership structure within the eco club was provided. Interested students were encouraged to join as club members or volunteers and were given guidelines on how to join and contribute.

The orientation programme of Vasudha, the eco club of Ram Lal Anand College, successfully achieved its objectives of introducing the club, its activities, and motivating students to actively participate in environmental conservation efforts. The event created a platform for students to engage with like-minded individuals, learn from experts, and gain a deeper understanding of their roles in ensuring a sustainable future.

PLANT OF THE WEEK

Vasudha devised a technique to spread awareness amongst the masses about various floral species under the title “Plant of the week” in which they gave factual information about a particular species. The picture below Azadirachta indica -neem was posted on social media on Instagram on the official id handle of Vasudha-@Vasudha_rlac.

STAR MEMBER OF MONTH

We also have the tradition of praising the most hard-working member of our society. On the basis of their commitment and taking cognizance of their dedication we call them the star Member of the Month.

Dr.Parul Lau Gaur – Convenor (Eco-Club)
