

International Seminar

on

Infectious Diseases: Current Strategies for Diagnosis and Therapy

February 2, 2018; Inauguration: 9.30 am at Amphitheatre

Major Sponsor:
Scientific Trading Co.

10.00 am: Structural Biology Reveals the Molecular Virtuosity of Viral Decoy Receptors
Prof. Savvas Savvides, Ghent University, Belgium

10.45 am: Adherent-Invasive *E. coli* Finding Their Sugar in the Inflamed Ileum: Dysbiosis in Crohn's Disease
Dr. Julie Bouckaert, University Lille 1, France

11.50 am: Modeling Molecular Interaction
Prof. Marc F Lensink, University Lille 1, France

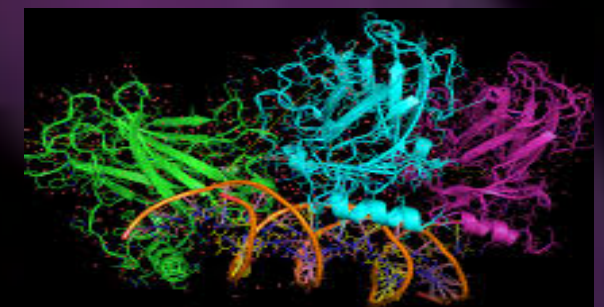

Sponsors:
Panacea Biotech Ltd,
Onkar Book Agency

12.35 pm: Sequences, Structures, Systems and Big Data: The evolution of Bioinformatics
Prof. Andrew Lynn, JNU, India

2.15 pm: Challenges in Curing *Clostridium difficile* Infection
Prof. T Ramamurthy, THSTI, India.

3.00 pm: Personalized Medicine - Where do we stand?
Dr. Anup Madan, Covance Inc., USA

On the Spot Registration will start at 9 am

Tea Break: 11.30 am
Lunch: 1.30 pm

Organised by
Department of Microbiology, RAM LAL ANAND COLLEGE
(UNIVERSITY OF DELHI)

Dr. Perna Diwan 9871290711
Dr. Kusum R Gupta 9891395557
