**International Conference**  
on  
**Gandhi Across the Boundaries**  
at  
**Ram Lal Anand College, University of Delhi**

On the occasion of 150<sup>th</sup> Birth Anniversary of Mahatma Gandhi. Gandhi Study Circle of Ram Lal Anand College is organizing a two days International Conference on 23<sup>rd</sup> and 24<sup>th</sup> October, 2019 in collaboration with Gandhi Smriti and Darshan Samiti.

Gandhi's message to young generation across the boundaries was built around two cardinal principles that are Truth & Non-violence. His slogan "Be Fearless" inspired the youth who are naturally compassionate for fellow human beings and inclined to create an ideal society, which makes them instruments of social change. Those who opted for violence did not find a place in his good books. Gandhi emphasized dignity of labor and human values. Unfortunately, Gandhi's ideals and ideas have not been fully utilized. They need to be disseminated with reinforced zeal, particularly amongst the youth which will help them to discover the revolutionary Gandhi.

Gandhiji's unfinished task is the biggest challenge before us. He had faith in his mission because he had infinite faith in the individual's capacity to change. He firmly believed that the human nature is capable of radical re-orientation; all one needs is a will to explore his own true self. Various themes of this conference will explain why Gandhiji, all through his life, was striving to take humanity on to the path of spiritual and moral growth. The Progress of civilization as it has evolved through the ages is a proof that human nature is a developing entity and capable of change for the better.

This conference has also its aim to disseminate the Gandhian thoughts and values in the contemporary society. It is these ideas which have an impressive role in taking the human society towards the desired goal.

Taking into consideration the role of Gandhian Philosophy in present scenario, Gandhi Study Circle of Ram Lal Anand College, University of Delhi is organizing a two days International Conference on "Gandhi Across The Boundaries" so that National and International communities will realize the hard facts at ground level and endeavour for the establishment of world place.
