Notice

A research project has been sanctioned to our college by ICSSR, Govt of India under "Impactful Policy Research in Social Science" (IMPRESS) Scheme entitled "Communicating the Science Behind the Phenomenon of Antibiotic Resistance to Promote Social Awareness" for which we need to conduct surveys from College students to get information and assess their awareness/knowledge on the problems associated with rampant use of antibiotics.

This information will be utilised for proposing recommendations towards policy making.

In this context all of you are requested to fill the questionnaire in the google form link* below:
