NOTICE

SWAYAM-NPTEL has commenced enrolment for the online certification courses for both students and faculty, for the upcoming semester of 2021. The sessions will commence from 18th January 2021.

Advantages of enrolling to SWAYAM-NPTEL courses:

1. Successfully passing the SWAYAM-NPTEL online courses entitles the learners to obtain certificates that bear the stamp of CCE, IIT and hence are valuable additions when the student is applying for jobs.
2. Many students are using these online courses to prepare for GATE exams and higher studies as well. Such courses enable the students to directly engage and learn from the best faculty in the country, in that particular subject.
