SWAYAM NPTEL- Local Chapter

NOTICE

SWAYAM (Study Webs of Active-Learning for Young Aspiring Minds) is an Indian Massive open online course (MOOC) platform and an instrument for self-actualisation providing opportunities for a life-long learning. The learner can choose from hundreds of courses.

SWAYAM-NPTEL has commenced enrolment for the online certification courses for both students and faculty in contemporary topics, for the upcoming semester of 2022. The sessions will commence from 25th July 2022.

Advantages of enrolling to SWAYAM-NPTEL courses:

1. Successfully passing the SWAYAM-NPTEL online courses entitles the learners to obtain certificates that bear the stamp of CCE, IIT and hence are valuable additions when the student is applying for jobs.
2. Many students are using these online courses to prepare for GATE exams and higher studies as well. Such courses enable the students to directly engage and learn from the best faculty in the country, in that particular subject.
3. This strengthens the fundamentals of the students and also gives them the opportunities to explore new areas of interest - which are not actively possible in the regular college environment.
