RAMANUJAN COLLEGE

Ramanujan College, a Constituent College of the University of Delhi was established in 1958 as an evening college. The College has been accredited Grade "A++" by the National Assessment and Accreditation Council (NAAC) in its Second Cycle.

At present, Ramanujan College offers sixteen undergraduate programmes in different disciplines. Besides this, the college has been awarded the DDU KAUSHAL (Deen Dayal Upadhyay – Knowledge Acquisition and Upgradation of Skilled Human Abilities and Livelihood) Kendra (2016) by UGC and Teaching Learning Centre (2017) by the Ministry of Education. The College also offers short-term diploma, certificate, and executive development programmes on contemporary and skill-oriented themes to complement the regular graduation courses. It is also the Study Centre of School of Open Learning (SOL), Non-Collegiate Women Education Board (NCWEB) and Indira Gandhi National Open University (IGNOU) for various courses.

In 2018, the College conducted a Course on Human Rights, Environment and Ethics through its National Resource Centre (NRC), under the Annual Refresher Programme in Teaching (ARPIT) scheme of MoE. The College has also entered into Memorandum of Understanding(s) with foreign universities. It is also working for collaboration with other higher education institutions located in remote areas of the country, under the Vidya Vistar Scheme of the University of Delhi.

RAM LAL ANAND COLLEGE

University of Delhi

Ram Lal Anand College was founded in the year 1964 by Late Shri Ram Lal Anand, a senior advocate in the Supreme Court of India, in response to the growing social demand in the sixties for providing educational opportunities at the university level. The college was initially managed by the Ram Lal Anand College Trust.

Ram Lal Anand College is a fully University maintained institution administered by a statutory Governing Body as per university ordinances and legislated by Executive Council of the University of Delhi. Established as an institute of higher learning in 1964, RLA College embodies the ideal of a public funded higher educational institution with an emphasis on inclusivity, integration, quality and social equality. The College works with the motto "Shraddhawan Labhte Gyanam" which implies those earn knowledge who work for it with dedication. Traditionally, in our college mentoring of the students starts from the day of admission in college and goes on until much after their graduation. The experience and knowledge of the teachers instills values of honest behavior, planning for a holistic growth and aspiring for a clean and healthy future for one and all. In the times of cutthroat competition, we teach our students to look out for fellow humans, respect national unity and global harmony, learn new concepts quickly and effectively, and finally, to complete the cycle of give and take by reciprocating and returning to the world.

The college boasts off a highly learned and committed teaching faculty of about 108 teachers. Apart from their traditional role of disseminating knowledge, the teachers inspire and guide the students to manage different activities such as seminars, workshops, debates, theatre, cultural activities including classical music and dance programmes. Teachers are also involved in guiding students in various research and innovation projects. RLA with its wide expanse of fields and a technical support provides conducive environment for sports. The College is proud to be one of the leading affiliates of the National Cadets Corps (NCC) and National Services Scheme (NSS) with an impressive member of cadets / volunteers enrolled each academic year.

CONCEPT NOTE

India's National Education Policy 2020 (NEP 2020) makes a paradigm shift in conceptualizing education as a means to equip students with skills suited for the 21st century and not just for making them employable. It calls for deep rethinking and redesigning of academic systems along with parallel changes in administrative and regulatory systems. When done with participation of all concerned – institutional leadership, faculty, administrators, and students- the policy has the potential to align the goals of quality with affordability; academic degrees with job readiness; and national ambitions with individual gains.

The current programme aims to train the faculty members in the new knowledge and skills which is required to move beyond the scope of traditional classroom and to implement novel approaches to their teaching pedagogy. Overall, the current Faculty Development Programme is an effort to probe into the different limitations which are witnessed by faculties of Higher Education. It also aims to train the faculty members in the new knowledge and skills which is required to move beyond the scope of traditional classroom
