

About Ram Lal Anand College

Established in 1964 and maintained by the University since 1973, Ram Lal Anand College has a proud legacy of academic excellence. Accredited with an A+ grade by NAAC and certified with ISO 21001:2018 and ISO 9001:2015, the college is home to around 2500 students. Apart from their traditional role of disseminating knowledge, the teachers inspire and guide the students to manage different activities such as seminars, workshops, debates, theatre, cultural activities including classical music and dance programs. Teachers are also involved in the guiding students in various research and innovation projects.

Five-Days Online Faculty Development Programme

on

Cyber Forensics Tools & Techniques

This programme is part of a MeitY-funded research project on 'Cyber Forensic Framework for User-Centric Human Threat Intelligence'. It aims to provide participants with both foundational knowledge and emerging insights in the domain of digital and cyber forensics. By blending theoretical concepts with real-world case applications, the FDP focuses on building academic and technical capacity for research, instruction, and practice in cyber investigation and forensic analysis.
